The webcast will also be archived on the Company's website for a period of one year following the date of the call.

About Tesla

Tesla's goal is to accelerate the world's transition to electric mobility with a full range of increasingly affordable electric cars. Palo Alto, California-based Tesla designs and manufactures EVs, as well as EV power train components for partners such as Toyota and Daimler. Tesla has delivered more than 2,300 Roadsters to customers worldwide. Model S, the first premium sedan to be engineered from the ground up as an electric vehicle, began deliveries to customers in June 2012.
