ManTech Names Fleetwood Lilley Vice President of Contracts of its Mission, Cyber, and Intelligence Solutions Group

FAIRFAX, Va.--(BUSINESS WIRE)-- ManTech International Corporation (NASDAQ:MANT) named Fleetwood Lilley vice president of contracts of its Mission, Cyber, and Intelligence Solutions (MCIS) group. Lilley is responsible for managing commercial, federal, state and local government contracts.

Lilley joined ManTech from SAIC where he served as vice president of contracts of their Cyber and Information Services business unit. Earlier, he served in a variety of positions at AT&T, managing various contractual relationships representing U.S. interests in international negotiations.

"Fleetwood brings 28 years of contracts oversight and cyber-centric leadership," said L. William Varner, president and COO of ManTech's MCIS group. "We look forward to his leadership to meet the demands associated with growth in emerging commercial and government markets."

About ManTech International Corporation

ManTech is a leading provider of innovative technologies and solutions for mission-critical national security programs for the intelligence community; the Department of Defense, including its health organizations; the departments of State, Homeland Security, Energy and Justice, including the Federal Bureau of Investigation (FBI); the space community; the National Oceanic and Atmospheric Administration; and other U.S. federal government customers. We provide support to critical national security programs for approximately 60 federal agencies through 1,000 current contracts. ManTech's expertise includes command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR) lifecycle support; cyber security; global logistics support; intelligence/counter-intelligence support; information technology (IT) modernization and sustainment; systems engineering; test and evaluation; and health IT. ManTech supports major national missions, such as military readiness, terrorist threat detection, information security and border protection. Additional information on ManTech can be found at www.mantech.com.
