REGISTER NOW FOR PENNSYLVANIA AMERICAN WATER'S "WONDERFUL WORLD OF WATER" CAMP

Free camp for kids at water treatment plan

McMURRAY, Pa. (May 30, 2012) -- This summer, children in Punxsutawney will have the opportunity to combine outdoor fun with learning about water—a resource often taken for granted—and it won't cost their families a dime! Pennsylvania American Water is sponsoring the "Wonderful World of Water" camp at its water treatment plant on June 18 from 9:00 to 3:00.

This program will give day-campers ages 7–11 the opportunity to explore watershed basics, learn how human activity on the land affects the quality of water in rivers and streams, and discover solutions to water pollution.

To register a child for the camp, contact Josephine Posti at 724.743.3103 or by email at josephine.posti@amwater.com. A deposit of $10 will hold a child's space, and the deposit will be refunded upon arrival at camp.

Pennsylvania American Water, a wholly owned subsidiary of American Water (NYSE: AWK), is the largest investor-owned water utility in the state, providing high-quality and reliable water and/or wastewater services to approximately 2.2 million people. Founded in 1886, American Water is the largest publicly traded U.S. water and wastewater utility company. With headquarters in Voorhees, N.J., the company employs approximately 7,000 dedicated professionals who provide drinking water, wastewater and other related services to an estimated 15 million people in more than 30 states and parts of Canada. More information can be found by visiting www.amwater.com.
