### Explanation of Responses:

1. Each restricted stock unit represents the right to receive, at settlement, one share of common stock.
2. Vesting of these restricted stock units depends on Apple's relative total shareholder return from the first day of Apple's fiscal 2018 and ending with the last day of Apple's fiscal 2020. The "target" number of restricted stock units is reported. Between 0% and 200% of the target number of units may vest on October 1, 2020, with the vesting percentage determined based on actual performance.
3. These restricted stock units are scheduled to vest as to one-third of the units on each of April 1, 2020, April 1, 2021 and April 1, 2022.
