CDI Announces New Senior Vice President of IT Solutions Delivery

PHILADELPHIA, Oct 30, 2007 /PRNewswire-FirstCall via COMTEX News Network/ -- CDI Corp. (NYSE: CDI) today announced that Mark Balawejder has joined the company as Senior Vice President of Solutions Delivery for its CDI IT Solutions division.

Mr. Balawejder's distinguished background includes senior-level roles with a number of national and international technology and consulting organizations, both publicly and privately held and each at various stages of development. Most recently, he was EVP, Corporate Technology & Project Management at MBNA/Bank of America.

"Our goal with the formation of the CDI IT Solutions business unit in January 2007 was to develop an organization that delivers higher-value IT solution services to our clients," said Andrew Cvitanov, President of CDI IT Solutions. "The creation of this new Service Delivery role is a critical step not only to diversify our service offerings but to significantly improve our ability to meet our clients' increasingly complex IT needs. I am excited to welcome Mark to the team and am confident that he will prove to be a valued asset to the continued success of CDI and the IT Solutions business."

Mr. Balawejder will be located at CDI's office at Ten Penn Center in Philadelphia.
