Clearwire to Present at the Deutsche Bank 2012 Media & Telecommunications Conference

BELLEVUE, Wash., Feb. 21, 2012 (GLOBE NEWSWIRE) -- Clearwire Corporation (NASDAQ: CLWR) today announced that Hope Cochran, Clearwire's CFO, will speak at the Deutsche Bank 2012 Media & Telecommunications Conference in Palm Beach, FL on Tuesday, February 28, 2012, at 11:00 a.m. Eastern.

Interested parties are invited to register in advance at http://investors.clearwire.com/ to listen to the live audio webcast presentation. A replay of the webcast will also be made available.

About Clearwire
Clearwire Corporation (NASDAQ:CLWR), through its operating subsidiaries, is a leading provider of 4G wireless broadband services. The company holds the deepest portfolio of wireless spectrum available for data services in the U.S. and provides coverage in areas of where more than 130 million people live. Clearwire serves retail customers through its own CLEAR® brand as well as through wholesale relationships with some of the leading companies in the communications, technology and retail industries. Strategic investors include Intel Capital, Comcast, Sprint, Google, Time Warner Cable, and Bright House Networks. The company plans to add to its current 4G offering by launching a next-generation 4G LTE Advanced-ready network to address the capacity needs of the market while also working closely with the Global TDD-LTE Initiative and China Mobile to advance the development of the TDD-LTE ecosystem. Clearwire is headquartered in Bellevue, Wash. Additional information is available at http://www.clearwire.com.
