Expedia, Inc. Earnings Press Release Available on Company's IR Site

BELLEVUE, Wash., Oct 28, 2010 /PRNewswire via COMTEX News Network/ -- Expedia, Inc. (Nasdaq: EXPE) today announced third quarter 2010 results through a press release that is available now at http://www.expediainc.com/ir. The press release is also available on the SEC's website at http://www.sec.gov. As announced previously, the company will host a conference call today to discuss its financial results at 2:00 p.m. Pacific Time (PT) / 5:00 p.m. Eastern Time (ET).

In addition to the press release, the live audiocast and audiocast replay will be available to the public at http://www.expediainc.com/ir. Replays of the conference call are expected to be available for at least three months after the call date.

About Expedia, Inc.

Expedia, Inc. is the largest online travel company in the world, with an extensive brand portfolio that includes more than 90 localized Expedia.com(R)- and Hotels.com(R)-branded sites; leading U.S. discount travel site Hotwire(R); leading agency hotel company Venere.com(TM); Egencia(R), the world's fifth largest corporate travel management company; the world's largest travel community TripAdvisor(R) Media Network; destination activities provider ExpediaLocalExpert(R); luxury travel specialist Classic Vacations(R); and China's second largest booking site eLong(TM). The company delivers consumers value in leisure and business travel, drives incremental demand and direct bookings to travel suppliers, and provides advertisers vast opportunity to reach the most valuable audience of in-market travel consumers anywhere through TripAdvisor Media Network and Expedia Media Solutions. Expedia also powers bookings for some of the world's leading airlines and hotels, top consumer brands, high traffic websites, and thousands of active affiliates through Expedia(R) Affiliate Network.
