# hhgregg to Sell Tempur-Pedic (R) Mattresses

## *Wide Selection of Mattresses Available at hhgregg, Convenient Home Delivery*

INDIANAPOLIS, Oct 25, 2010 (BUSINESS WIRE) -- Indianapolis-based appliance and electronics leader hhgregg (NYSE:HGG) today announced that it will expand its mattress selection to include Tempur-Pedic mattresses. Beginning on October 31st, customers will be able to test and choose from a range of Tempur-Pedic models at hhgregg's 171 store locations throughout the Eastern and Midwestern United States.

Tempur-Pedic mattresses, the most highly recommended beds in America, are made with proprietary TEMPUR(R) material. Unlike traditional spring mattresses, Tempur-Pedic mattresses conform to each sleeper's body shape, weight and temperature to provide optimal support. There's a Tempur-Pedic mattress for every comfort preference, soft, medium, firm and everything in between, all made to deliver owners their best night's sleep.

"Mattresses have always been a unique offering for hhgregg, setting us apart from other retailers in our space," said Jeff Pearson, vice president of marketing for hhgregg. "It's a category that works well for our business because of the footprint of our warehouses and stores, and also provides value for customers because they get hhgregg's quality customer service to help them choose a new mattress and our convenient next-day in-home delivery."
