

## **AnalogicTech to Report First Quarter 2010 Financial Results on April 26, 2010**

SANTA CLARA, Calif., April 8, 2010 /PRNewswire via COMTEX News Network/ -- Advanced Analogic Technologies, Inc. (AnalogicTech) (Nasdaq: AATI), an analog semiconductor company focused on powering innovative solutions in consumer, industrial, and communications markets, today announced that it will release financial results for the first quarter ended March 31, 2010 following the close of the market on Monday, April 26, 2010. The company will host a corresponding conference call and live webcast at 1:30 p.m. Pacific Time (PT), 4:30 p.m. Eastern Time (ET).

To listen to the live conference call, please dial 877-941-4774 or 480-629-9760 at 1:20 p.m. PT on April 26, 2010. An audio replay of the call will be available through May 3, 2010 by dialing 800-406-7325 or 303-590-3030, and entering the passcode 4282091.

A live webcast of the call will be available in the "Events and Webcasts" section of the company's investor relations website, [www.aati.com](http://www.aati.com).

### **About AnalogicTech**

Advanced Analogic Technologies (AATI) develops advanced semiconductor system solutions that play a key role in the continuing evolution of feature-rich, energy efficient electronic devices. The company focuses on addressing the application-specific power management needs of consumer devices such as mobile handsets, digital cameras, and netbooks/notebooks, as well as devices in a broad range of industrial, medical and telecom applications. AATI also licenses device, process, package, and application-related technologies. Headquartered in Silicon Valley, AATI has design centers in Santa Clara and Shanghai, and Asia-based operations and logistics.
