PROXY STATEMENT

VOTING AND OTHER MATTERS

General

The enclosed proxy is solicited on behalf of Comstock Holding Companies, Inc., a Delaware corporation, by our Board of Directors (the "Board") for use at our Annual Meeting of Stockholders to be held on June 16, 2016 at 10:00 a.m., local time, or at any adjournment thereof, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at our principal executive offices located at 1886 Metro Center Drive, Reston, Virginia 20190. If you need directions to the meeting, please contact Judy Whitaker at 703-883-1700.

This proxy statement and form of proxy are first being mailed on or about May 20, 2016 to all stockholders entitled to vote at the meeting.

Voting Securities and Voting Rights

Stockholders of record at the close of business on May 11, 2016, which we have set as the record date, are entitled to notice of and to vote at the meeting. On the record date, there were issued and outstanding 3,012,360 shares of our Class A common stock and 390,500 shares of our Class B common stock. Each holder of our Class A common stock voting at the meeting, either in person or by proxy, may cast one vote per share of Class A common stock held on all matters to be voted on at the meeting. Each holder of our Class B common stock voting at the meeting, either in person or by proxy, may cast 15 votes per share of Class B common stock held on all matters to be voted on at the meeting.

The meeting will be held only if there is a quorum present. A quorum exists only if the holders of a majority of the voting power of the issued and outstanding stock of the Company and entitled to vote at the meeting are present in person or represented by proxy at the meeting. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of elections appointed for the meeting and will determine whether a quorum is present. The inspector of elections will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Under the rules of the New York Stock Exchange, on certain routine matters, brokers may, at their discretion, vote shares they hold in "street name" on behalf of beneficial owners who have not returned voting instructions to the brokers, so-called "broker non-votes." In instances where brokers are prohibited from exercising discretionary authority, the shares they hold are not included in the vote totals.

At the meeting, only Proposal 2, the ratification of the appointment of our independent registered public accounting firm, is considered a routine matter. Brokers will be prohibited from exercising discretionary authority with respect to Proposal 1, the election of directors, and Proposal 3, the non-binding, advisory vote to approve the compensation of our named executive officers. Therefore, if you hold your shares in the name of a bank, broker or other holder of record, for your vote to be counted in Proposals 1 and 3 you will need to communicate your voting decisions to your bank, broker or other holder of record before the date of the meeting. Because broker non-votes are not voted affirmatively or negatively, they will have no effect on the approval of any of the proposals, except where brokers may exercise their discretion on routine matters.

Voting Requirements

For Proposal 1, a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote in the election of directors will be required to elect each of the three director nominees to each serve for a three-year term expiring at the 2019 annual meeting of stockholders or until their successors are duly elected and qualified or until their earlier resignation or removal. Stockholders may vote "for" all of the director nominees, "withhold" authority to vote for all of the nominees or "withhold" authority to vote for any individual nominee but vote for another nominee.

For Proposal 2, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting

firm for the fiscal year ending December 31, 2016, the affirmative vote of the holders of a majority of the voting power of the issued and outstanding stock of the Company entitled to vote on the matter, present and voting, in person or represented by proxy at the meeting, will be required.

For Proposal 3, the non-binding, advisory vote to approve the compensation of our named executive officers, the affirmative vote of the holders of a majority of the voting power of the issued and outstanding stock of the Company entitled to vote on the matter, present and voting, in person or represented by proxy at the meeting, will be required. Voting for Proposal 3 is being conducted on a nonbinding, advisory basis and, therefore, the voting results will not be binding on the Company, our Board or our Compensation Committee although our Compensation Committee and Board will consider the results of the voting on this proposal for future executive compensation decisions.

Stockholders may vote “for,” “against” or “abstain” from voting on Proposals 2 and 3. An abstention will not be considered “voting” on a particular proposal and a proxy marked “abstain” with respect to any proposal will not have any effect on the outcome of the vote on that proposal.

Whether or not a person plans to attend the meeting, such person may vote by completing, signing and dating the accompanying proxy card and returning it in the postage-prepaid envelope enclosed for that purpose. If a person attends the meeting, they may vote in person even if such person had previously returned a proxy card.

Voting of Proxies

When a proxy card is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted (1) “for” the election of each of the director nominees set forth in this proxy statement, (2) “for” the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016, and (3) “for” the non-binding, advisory vote to approve the 2015 compensation of our named executive officers.

Revocability of Proxies

Any person giving a proxy may revoke the proxy at any time before its use by delivering to us either a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Solicitation

This solicitation is being made by us and will be paid for by us. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e-mail, without additional compensation.

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders intended for inclusion in the proxy statement to be furnished to all stockholders entitled to vote at our 2017 annual meeting of stockholders, pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended, or the Exchange Act, by the Securities and Exchange Commission (“SEC”) must be received at our principal executive offices not later than January 20, 2017, which is 120 days prior to the first anniversary of the mailing date of this proxy statement. Any proposal must comply with the requirements as to form and substance established by the SEC for such proposal to be included in our proxy statement.

Under our bylaws, stockholders who wish to submit a proposal at the 2017 annual meeting, other than one that will be included in our proxy statement, must notify us between February 16, 2017 and March 18, 2017, unless the date of the 2017 annual meeting of the stockholders is more than 30 days before or more than 60 days after the one-year anniversary of the 2016 annual meeting. If a stockholder who wishes to present a proposal fails to notify us by January 20, 2017 and such proposal is brought before the 2017 annual meeting, then under the SEC’s proxy rules, the proxies solicited by management with respect to the 2017 annual meeting will confer discretionary voting authority with respect to the stockholder’s proposal on the persons selected by management to vote the proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC’s proxy rules. Stockholders should submit their proposals to Comstock Holding Companies, Inc., 1886 Metro Center Drive, 4th Floor, Reston, Virginia 20190, Attention: Corporate Secretary.

We will provide, without charge, additional copies of our annual report on Form 10-K for the year ended December 31,

2015 as filed with the SEC to each stockholder of record as of the record date that requests a copy in writing. Any exhibits listed in our Annual Report on Form 10-K will also be furnished upon request at the actual expense we incur in furnishing such exhibit. Any such requests should be directed to our Company's secretary at our principal executive office set forth in this proxy statement.

PROPOSAL 1
ELECTION OF DIRECTORS

Nominees

Our Amended and Restated Certificate of Incorporation and bylaws provide that the number of our directors shall be fixed from time to time by resolution of our Board. Presently, the number of directors is fixed at eight and that number of directors is divided into three classes, with one class standing for election each year for a three-year term. At each annual meeting of stockholders, directors of a particular class will be elected for three-year terms to succeed the directors of that class whose terms are expiring. Christopher Clemente, A. Clayton Perfall, and Joseph M. Squeri are in the class of directors whose term expires at the 2016 annual meeting of stockholders, and Messrs. Clemente, Perfall, and Squeri have each been nominated by our Board for re-election at the meeting each for a three-year term expiring at the 2019 annual meeting of stockholders. David M. Guernsey, James A. MacCutcheon, and Robert P. Pincus are in the class of directors whose terms expire at the 2017 annual meeting of stockholders. Norman D. Chirite and Socrates Verses are in the class of directors whose terms expire at the 2018 annual meeting of stockholders.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of the nominees named above. In the event that any nominee is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for any nominee designated by the current Board to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director.

The Board recommends a vote "FOR" each of the nominees named in this proxy statement.

Information Relating to Corporate Governance and the Board

Our Board has determined, after considering all relevant facts and circumstances, that Messrs. Chirite, Guernsey, MacCutcheon, Perfall, Pincus and Verses are independent under the Nasdaq listing standards and the rules and regulations promulgated by the SEC. Messrs. Clemente and Squeri do not qualify as independent because Mr. Clemente is currently an executive officer of the Company and Mr. Squeri was an officer of the Company within the past three years.

Our bylaws authorize our Board to designate one or more committees, each consisting of one or more directors of the Company. Our Board has established two standing committees: an Audit Committee and a Compensation Committee. The Board does not have a standing nominating committee. It is the Board's view, given its relatively small size and majority of independent directors, that it is appropriate for it to select or recommend director nominees itself. Each director has the opportunity to suggest a nominee and such suggestions are comprehensively reviewed by the independent directors. Director nominees are recommended for selection by the Board by a majority of the independent directors. Prospective members of the Board must be qualified individuals who, if added to the Board, would provide the mix of sound business judgment, business experience, corporate perspectives and skills appropriate for the Company. Criteria for selection of candidates include, but are not limited to: (i) business and financial acumen, as determined by the independent directors in their discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of our industry, (iv) relevant experience with and knowledge of corporate governance practices, and (v) expertise in areas relevant to us. Although we do not have a formal diversity policy, the Board considers, among other attributes, diversity of gender, professional experience and skills of the director candidates. Such persons should not have commitments that would conflict with the time commitments of being one of our directors.

The Board does not have a specific policy for consideration of nominees recommended by security holders because a significant degree of voting control relative to the Company's outstanding equity securities is maintained by Mr. Clemente, a current executive officer and director, and Mr. Benson, a former executive officer and director. However, security holders can recommend a prospective nominee for the Board by writing to our corporate secretary at our executive offices and providing the information required by our bylaws, along with any additional supporting materials the security holder considers appropriate. The Board will consider and evaluate nominees suggested by security holders using the criteria described above. There have been no nominees recommended by our stockholders for the 2016 annual meeting.

In addition to the above procedure, our bylaws provide that a stockholder may propose a director candidate to be considered and voted on at an annual meeting of stockholders by providing notice thereof to our corporate secretary not less than 90 calendar days nor more than 120 calendar days before the first anniversary of the date of the previous year's . This notice provided by a stockholder to our corporate secretary must set forth certain information relating to the proposed nominee as required by our bylaws. The chairman of the meeting will determine whether a nomination set forth by such stockholder is in accordance with the procedures set forth in the bylaws and may determine that such nomination is defective and therefore should be disregarded.

We pay no fees to third parties for evaluating or identifying potential nominees.

Our Board has adopted charters for the Audit and Compensation Committees describing the authority and responsibilities delegated to each committee by the Board. Our Board has also adopted Corporate Governance Guidelines, a Code of Conduct, a Code of Ethics for the CEO and Senior Financial Officers, and a Whistleblower Policy. We post on our website, at www.comstockhomebuilding.com, the charters of our Audit and Compensation Committees, our Corporate Governance Guidelines, Code of Conduct, Code of Ethics for the CEO and Senior Financial Officers, and Whistleblower Policy, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC regulations or the Nasdaq Market Rules. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement.

Interested parties may communicate with our Board or specific members of our Board, including our independent directors and the members of our various Board committees, by submitting a letter addressed to the Board of Comstock Holding Companies, Inc. c/o any specified individual director or directors at 1886 Metro Center Drive, Reston, Virginia 20190. All letters received are then forwarded to the indicated directors.

The Audit Committee

The purpose of the Audit Committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. The Audit Committee also provides assistance to our Board with respect to its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our independent registered public accounting firm and internal audit function, if any. The primary responsibilities of the Audit Committee are set forth in its charter and include various matters with respect to the oversight of our accounting and financial reporting processes and audits of our financial statements on behalf of our Board. The Audit Committee also selects the independent registered public accounting firm to conduct the annual audit of our financial statements; reviews the proposed scope of such audit; and reviews our accounting and financial controls with the independent registered public accounting firm and our financial accounting staff.

The Audit Committee currently consists of Messrs. MacCutcheon, Perfall and Pincus, each of whom is an independent

under the Nasdaq listing standards and the rules and regulations promulgated by the SEC, including the heightened standards for Audit Committee members adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002. The Board has determined that Mr. Perfall (whose background is detailed above) qualifies as an “audit committee financial expert” in accordance with applicable rules and regulations of the SEC. Mr. Perfall serves as the Chairman of the Audit Committee.

The Compensation Committee

The purpose of the Compensation Committee includes determining, or recommending to our Board for determination, the compensation of our Chief Executive Officer and other executive officers, and discharging the responsibilities of our Board relating to our compensation programs and compensation of our executives on an annual basis. The Compensation Committee also decides equity grants to executives under our equity incentive plans, and periodically reviews the operations of the Company’s executive compensation programs and policies. The Chief Executive Officer determines the compensation and equity grants in consultation with the Compensation Committee for all non-executive employees, but does not determine any compensation relating to the executive officers of the Company.

Under the Compensation Committee Charter, the Compensation Committee is required to have a minimum of two or more members, and currently consists of Messrs. Chirite, Guernsey, and Verses. Mr. Verses serves as Chairman of the Compensation Committee. All members of the Compensation Committee are independent under Nasdaq listing standards and the rules and regulations promulgated by the SEC.

Board and Committee Meetings

Our Board held a total of five meetings during the fiscal year ended December 31, 2015. During the fiscal year ended December 31, 2015, the Audit Committee held four meetings and the Compensation Committee held one meeting. Each director serving on the Board in 2015 attended at least 75% of the meetings of the Board (and, as applicable, committees thereof) during the year. We do not have a formal policy regarding director attendance at our annual meeting of stockholders, but encourage each of our directors to attend. All but one member of our Board attended the 2015 annual meeting of stockholders.

Board Leadership Structure and Role in Risk Oversight

Our Board has the responsibility for selecting the appropriate leadership structure for the Company. In making leadership structure determinations, the Board considers many factors, including the specific needs of the business and what is in the best interests of the Company’s stockholders. Our current leadership structure is comprised of a combined Chairman of the Board and Chief Executive Officer and Board committees led by independent directors. The Board believes that this leadership structure is the most effective for the Company at this time. Combining the Chairman of the Board and Chief Executive Officer roles promotes decisive leadership, fosters clear accountability and enhances the Company’s ability to communicate its message and strategy clearly and consistently to its stockholders, employees and customers. The Board also believes there is a very well-functioning and effective balance between strong Company leadership and appropriate safeguards and oversight by independent directors, although the Company does not have a lead independent director.

The Board believes that its current leadership structure allows the directors to provide effective oversight of the Company’s risk management strategies by receiving and approving recommendations prepared by our executive officers. The Audit Committee assists the Board in fulfilling its oversight responsibilities by periodically reviewing and making recommendations to the Board regarding the adequacy and effectiveness of the Company’s risk management and related programs and activities. Mr. Clemente, the Chairman of the Board, attends Audit Committee meetings and is appropriately positioned to include risk management issues on the agenda for Board meetings as circumstances warrant. As appropriate, the Board receives recommendations from the Chairman of the Audit Committee regarding significant risks or exposures and the steps management has taken to minimize such risks to the Company. In addition, the Audit Committee regularly communicates with the Chairman of the Compensation Committee regarding the risks within that committee’s areas of responsibility. The Company believes that this leadership structure promotes effective Board oversight of risk management because, while the Chief Executive Officer is ultimately accountable for the management of the Company’s risks, each of the Board committees actively monitors the Company’s risk management program and are provided with the information necessary to evaluate the specific risks relevant to such committee’s area of responsibility.

Compensation Risks

Management and the Compensation Committee have considered and discussed risks inherent in our business and compensation arrangements and have concluded that the risks associated with our compensation practices and policies are not likely to have a material adverse effect on the Company.

Director Compensation

In 2015, we compensated our non-employee directors with an annual retainer fee of \$50,000. We offered our non-employee directors the option to elect to receive up to 50% of their 2015 director compensation in the form of fully-vested shares of our Class A common stock. PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM

The firm of PricewaterhouseCoopers LLP, an independent registered public accounting firm, audited our consolidated financial statements for the fiscal years ended December 31, 2015 and 2014. Effective April 12, 2016, our Audit Committee dismissed PricewaterhouseCoopers LLP and appointed BDO USA, LLP to audit our consolidated financial statements for the fiscal year ending December 31, 2016. Our organizational documents do not require that our stockholders ratify the appointment of BDO USA, LLP as our independent registered public accounting firm. However, we are submitting the appointment of BDO USA, LLP to our stockholders for ratification because we believe it is a matter of good corporate practice. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection, but may still retain BDO USA, LLP. We expect that representatives of BDO USA, LLP will be present at the meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

The Board recommends a vote “FOR” the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2016.

The aggregate fees billed by PricewaterhouseCoopers LLP for the fiscal years ended December 31, 2015 and 2014 are as follows:

	2015	2014
Audit Fees(1)	\$ 589,596	\$ 352,500
Audit Related Fees (2)	—	15,000
Tax Fees(3)	111,650	113,750
Other Fees(4)	—	1,800
Total	\$ 701,246	\$ 483,050

- (1) Fees incurred for annual audit and quarterly reviews.
- (2) Audit related fees for the year ended December 31, 2014 included approximately \$15,000 of costs associated with the preparation of our registration statement on Form S-3, which became effective in May 2014.
- (3) Tax fees represent amounts billed for tax compliance and advisory services of \$22,150 and \$26,750 for the years ended December 31, 2015 and 2014, respectively. Tax fees included consulting fees related to the execution and monitoring of “ownership changes” as defined under Section 382 of the Internal Revenue Code.
- (4) Other fees include licensing fees paid for accounting research tools.

The charter of the Audit Committee provides that the duties and responsibilities of the Audit Committee include the pre-approval of all audit, audit-related, tax, and other services permitted by law or applicable SEC regulations (including fee and cost ranges) to be performed by our independent registered public accounting firm. Any pre-approved services that will involve fees or costs exceeding pre-approved levels will also require specific pre-approval by the Audit Committee. Unless otherwise specified by the Audit Committee in pre-approving a service, the pre-approval will be effective for the 12-month period following pre-approval. The Audit Committee will not approve any non-audit services prohibited by applicable SEC regulations or any services in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations. To the extent deemed appropriate, the Audit Committee may delegate pre-approval authority to the Chairman of the Audit Committee or any one or more other members of the Audit Committee provided that any member of the Audit Committee who has exercised any such delegation must report any such pre-approval decision to the Audit Committee at its next scheduled meeting. The Audit Committee will not delegate to management the pre-approval of services to be performed by the independent registered public accounting firm.

Our Audit Committee requires that our independent registered public accounting firm, in conjunction with our Chief Financial Officer, be responsible for seeking pre-approval for providing services to us and that any request for pre-approval must inform the Audit Committee about each service to be provided and must provide the details associated with the particular service to be provided.

All of the services provided by PricewaterhouseCoopers LLP described above under the captions “Audit Fees”, “Audit Related Fees,” “Tax Fees” and “Other Fees” were approved by our Audit Committee.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's accounting and financial reporting processes and the audit of its financial statements, including the performance and compensation of the Company's independent auditor. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls and the certification of the integrity and reliability of the Company's internal controls procedures.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal years December 31, 2015 and 2014 with management. The Audit Committee also reviewed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, the results of their audit. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16 of the Public Company Accounting Oversight Board ("PCAOB"). This discussion included, among other things, a review with the independent registered public accounting firm of the quality of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosure in the Company's financial statements, including the disclosures related to critical accounting policies and practices used by the Company. The Audit Committee has reviewed permitted services under rules of the Securities and Exchange Commission as currently in effect and discussed with PricewaterhouseCoopers LLP their independence from management and the Company. The Audit Committee received from the independent registered public accounting firm the written disclosures and letter required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee also has discussed with the independent registered public accounting firm its independence from the Company and has considered whether the provision of any non-audit services to the Company is compatible with the independence of the registered public accounting firm. In addition, the Audit Committee discussed the rules of the Securities and Exchange Commission that pertain to the Audit Committee and the roles and responsibilities of Audit Committee members.

Based on its review of the financial statements and the aforementioned discussions, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015. The Audit Committee also approved the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016.

Respectfully submitted by the Audit Committee,

A. Clayton Perfall, Chair
James A. MacCutcheon
Robert P. Pincus

PROPOSAL 3

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act requires that we provide our stockholders a non-binding, advisory vote pursuant to Section 14A of the Exchange Act to approve the compensation of our named executive officers.

The Compensation Committee will review and consider the results of the vote carefully. Depending upon the results of that review, the Compensation Committee will take such action, if any, as it deems appropriate. Because this vote is advisory, it is not binding on the Company, the Compensation Committee or the Board of Directors.

Before you vote on the resolution below, please read the “Summary Compensation Table” together with the related narrative disclosure and footnotes, in this proxy statement. Our Board is asking stockholders to cast a non-binding, advisory vote FOR the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables, is hereby APPROVED.”

Our executive compensation program is comprised principally of salary and, from time to time, equity and cash bonus, designed to align compensation of our executives with stockholder value and financial performance and to achieve a balanced package that would attract and retain highly qualified senior officers and appropriately reflect each such officer’s individual performance and contributions. The Company regularly reviews its compensation programs and the overall compensation package paid to each of its executive officers to assess risk and to ensure that the program is structured appropriately in order to attain the Company’s strategic goals.

For the above reasons, the Board of Directors is asking stockholders to support this proposal. Although the vote we are asking you to cast is non-binding, the Compensation Committee and the Board value the views of our stockholders and will consider the outcome of the vote, among other factors, when determining future compensation arrangements for our executive officers. Following the vote at the 2016 annual meeting, the next advisory vote on executive compensation will take place in 2017.

The Board recommends a vote “FOR” this proposal.

EXECUTIVE OFFICERS

Executive Officers of the Company

Set forth below is information regarding the current executive officers of the Company who are not also directors (information about Mr. Christopher Clemente can be found above under Proposal 1 Election of Directors):

Christopher L. Conover, 34, has served as our Interim Chief Financial Officer since November 2015 and has served the Company since January 2012. Mr. Conover has significant experience in corporate finance, strategic planning, accounting and operations. Prior to joining the Company in 2012, Mr. Conover was the Controller for the Snyder family office in 2011. From 2004 to 2011, Mr. Conover served in public accounting at PricewaterhouseCoopers LLP and Dannible & McKee, LLP, developing extensive experience and providing audit and highly technical consulting services for real estate companies of various sizes and asset classes. Mr. Conover is a certified public accountant.

Jubal R. Thompson, 46, has served as our General Counsel since October 1998 and our Secretary since December 2004. Mr. Thompson has significant experience in areas of real estate acquisitions and dispositions, real estate and corporate finance, corporate governance, mergers and acquisition and risk management.

Employment Arrangements with Executive Officers

In December 2004, we entered into an employment agreement with Christopher Clemente which had an initial term of five years, with automatic one-year renewals, unless either party notifies the other that the term will not be extended. Under the agreement, Mr. Clemente's minimum annual salary was \$550,000, subject to potential increase by our Board from time to time, and Mr. Clemente is eligible for a cash bonus of not less than 200% of his then-current salary, based upon the satisfaction of financial performance criteria. Mr. Clemente did not receive a cash bonus for the years ending December 31, 2015 or December 31, 2014. Mr. Clemente is eligible for awards under our equity incentive plan and any similar executive compensation plans we may adopt from time to time. In 2006, our Board increased the minimum annual salary payable to Mr. Clemente to \$700,000. To assist the Company with meeting its obligations, beginning January 1, 2009, Mr. Clemente volunteered to have his base salary reduced to \$548,000. On January 1, 2015, our Board increased the minimum annual salary payable to Mr. Clemente to \$598,000. To assist the Company with meeting its obligations, beginning December 1, 2015, Mr. Clemente volunteered to have his base salary reduced to \$400,000. Mr. Clemente's compensation is further detailed in the "Summary Compensation Table" below.

Mr. Clemente has agreed not to compete with us during the term of his employment and for two years after the termination of his employment. Mr. Clemente's employment agreement and non-competition agreement allows him to engage in the following permitted business activities: (i) development of commercial or for-rent residential (such as apartment buildings) real estate investment properties; (ii) development of speculative land holdings as residential lots intended for construction of for-sale residential dwellings, provided, however, that any such development by any entity in which Mr. Clemente has a controlling interest or decision-making power, must first be offered to the Company at a fair market value price; and (iii) secured real estate lending to unrelated third parties. In addition, Mr. Clemente has agreed not to (x) engage in any for-sale residential construction activities in any of our then existing markets or in any market that we then plan to enter within six months; or (y) solicit our employees or certain other third parties for 24 months.

In August 2010, we entered into an employment agreement with Joseph M. Squeri, our former Chief Financial Officer, which agreement had an initial term of three years with automatic one-year renewals unless either party notified the other that the term will not be extended. Under the agreement, Mr. Squeri's minimum annual salary was \$250,000, subject to potential increase by the Board from time to time. Mr. Squeri was entitled to receive an annual cash bonus of up to fifty percent (50%) of his minimum annual salary based upon the satisfaction of certain performance criteria, also subject to potential increase by the Board from time to time. Mr. Squeri was also eligible to receive awards under our equity incentive plan and any similar executive compensation plans we may adopt from time to time. Effective January 1, 2015, our Board increased the minimum annual salary payable to Mr. Squeri to \$300,000. Mr. Squeri's compensation is further detailed in the "Summary Compensation Table" below. Mr. Squeri resigned as Chief Financial Officer of the Company effective as of November 25, 2015. Mr. Squeri agreed not to compete with us during the term of his employment and for 12 months after termination of his employment. Mr. Squeri did not receive any severance or other benefits in connection with his termination of employment.

In August 2006, we entered into an employment agreement with Jubal R. Thompson, our General Counsel and Secretary, which agreement had an initial term of three years with automatic one-year renewals unless either party notifies the other that the term will not be extended. Under the agreement, Mr. Thompson's minimum annual salary was originally

\$200,000, subject to potential increase by the Board from time to time. Pursuant to the original employment agreement, Mr. Thompson was eligible to receive a cash bonus of not less than 75% of his then-current salary, based upon the satisfaction of certain performance criteria. In 2010, our Board increased the minimum annual salary payable to Mr. Thompson to \$250,000. Mr. Thompson is entitled to receive an annual cash bonus of up to fifty percent (50%) of his minimum annual salary based upon the satisfaction of certain performance criteria, also subject to potential increase by the Board from time to time. Mr. Thompson is also eligible to receive awards under our equity incentive plan and any similar executive compensation plans we may adopt from time to time. Effective January 1, 2015, our Board increased the minimum annual salary payable to Mr. Thompson to \$300,000. During 2014, Mr. Thompson was awarded a cash bonus of \$84,167 and 25,000 stock options as further detailed in the “Summary Compensation Table” below.

We do not have an employment agreement with Christopher L. Conover, our Interim Chief Financial Officer.

POTENTIAL PAYMENTS ON TERMINATION OR CHANGE IN CONTROL

Pursuant to Messrs. Clemente and Thompson's employment agreements, if such executive's employment is terminated by us without cause or if such executive resigns for good reason, as such terms are defined in the agreements, then such executive is entitled to continue to receive his then-current salary for 24 and 12 months, respectively. Messrs. Clemente and Thompson will also be entitled to receive a cash payment equal to a multiple of 100% of the bonus each would have been entitled to had he remained our employee until the end of our fiscal year (Mr. Clemente, 2x; Mr. Thompson, 1x). This cash payment will be due and payable on the earlier of (i) 90 days after our last payment of such executive's then-current salary, or (ii) the end of the fiscal year in which the termination occurs. In the event we terminate such executive without cause or such executive resigns for good reason within the six calendar month period prior to the effective date of a Change in Control (as defined in the agreement) or within the 12 calendar month period following the effective date of a Change in Control, the cash payment will be due and payable in full within 30 days of the effective date of the Change in Control. In addition, Messrs. The following table describes the potential payments and benefits to which our current executive officers would be entitled upon the happening of the following events: (i) a termination without cause or resignation for good reason and (ii) death or disability. Calculations for this table are based on the assumption that the triggering event took place on

CERTAIN RELATIONSHIPS

Other than the transactions described below, from January 1, 2014 through December 31, 2015 there have not been any transaction or series of similar transactions to which we were a participant in which the amount involved exceeded \$120,000 or 1% of the average of the Company's total assets as of December 31, 2014 and December 31, 2015, and in which any director, executive officer, holder of 5% or more of any class of our capital stock or any member of the immediate family of any of the foregoing persons had a direct or indirect material interest.

We believe that all of these transactions are on terms that are comparable to or not less favorable than terms that would or could have been obtainable from unaffiliated third parties. All proposed future related party transactions will be submitted to our Board for review and will require a majority vote of the independent directors for approval. Ongoing transactions are reviewed annually to ensure that they are still comparable to or not less favorable than terms that would have or could have been obtainable from unaffiliated third parties. Our Chief Financial Officer and/or our General Counsel, assuming they are not party to the proposed transaction, coordinates with the independent directors in evaluating the fairness to us of the proposed transactions.

On December 31, 2009, the Company, through an affiliate, Comstock Property Management, L.C., entered into a three-year lease for approximately 7,620 square feet of office space for its corporate headquarters at 1886 Metro Center Drive, Reston, Virginia from Comstock Asset Management, L.C., an affiliate wholly-owned by our Chief Executive Officer, Christopher Clemente. On September 19, 2012, the Company amended the lease for an additional 2,436 square feet of office space, or a total of 10,056 square feet, for its corporate headquarters, with an effective date of July 1, 2012. Concurrent with the amendment, the Company agreed to extend the lease for five-years from the effective date. For the years ended December 31, 2015 and 2014, total payments made under this lease agreement were \$320,000 and \$310,000, respectively.

On March 14, 2013, Stonehenge Funding, LC ("Stonehenge"), an entity wholly-owned by Mr. Clemente, entered into an Extension Agreement of the Amended and Restated Senior Note with the Company to extend the maturity date of the financing arrangement to January 1, 2016. Under the terms of the Extension Agreement, the Company was required to pay \$50,000 monthly to Stonehenge, to be allocated first to accrued and unpaid interest and then to unpaid principal outstanding, beginning on April 1, 2013. For the years ended December 31, 2015 and 2014, the Company made payments of \$550,000 and \$600,000. On December 29, 2015, the Company and Stonehenge entered into a Note Exchange and Subscription Agreement pursuant to which the Note in the original principal amount of \$4,500 issued by the Company to Stonehenge was exchanged for 772,210 shares of the Company's newly created Series B Non-Convertible Preferred Stock, par value of \$0.01 per share and a stated value of \$5.00 per share (the "Series B Preferred Stock").
