NextGen Healthcare Practice Management Solution Earns KLAS Award

IRVINE, Calif.--(BUSINESS WIRE)-- NextGen Healthcare, a wholly owned subsidiary of [Quality Systems, Inc.](#) (NASDAQ: QSII) was recognized in the annual "Best in KLAS" rankings announced today by the healthcare delivery research firm KLAS. NextGen Healthcare clients scored the practice management solution 12 percentage points higher year-over-year in the 75+ provider segment of the Most Improved Award Category.

"Today's KLAS announcement affirms that our daily focus to improve our client's experience is paying off," said Rusty Frantz, president and CEO. "Our teams strive to provide the best possible experience for our clients each and every day."

He noted the company's internal "Voice of the Client" data shows a 30 percent increase in client satisfaction since July 2015 and said the company has received positive feedback from early adopters of NextGen[®] Ambulatory EHR/PM 5.8 UD3, which includes the latest version of the company's practice management solution.

[About KLAS Research](#)

KLAS[™] is a research firm on a global mission to improve healthcare delivery by enabling providers to be heard and counted. Working with thousands of healthcare professionals and clinicians, KLAS gathers data on software, services and medical equipment to deliver timely reports, trends and statistical overviews. The research directly represents the provider voice and acts as a catalyst for improving vendor performance. To learn more about KLAS and our reports, visit www.KLASresearch.com.

[About Quality Systems, Inc.](#)

Irvine, Calif.-based [Quality Systems, Inc.](#) (QSI) and its subsidiary, NextGen Healthcare Information Systems, develop and provide a range of software and services for medical and dental group practices, including practice management and electronic health record applications, patient portal, interoperability and connectivity products and population health management and analytics offerings.
