### **Forward-looking Statements**

Certain information contained in this press release may be deemed forward-looking statements regarding events and financial trends that could affect the Company's plans, objectives, future operating results, financial condition, performance and business. These statements may be identified by words such as "estimate," "forecast," "plan," "intend," "believe," "should," "expect," "anticipate," or variations or negatives thereof, or by similar or comparable words or phrases. Forward-looking statements, by their nature, are subject to a variety of inherent risks and uncertainties that could cause actual results to differ materially from the results projected. Many of these risks and uncertainties cannot be controlled by the Company. For a detailed description of these risks and uncertainties please refer to the Company's filings with the Securities and Exchange Commission available at [www.comsys.com](http://www.comsys.com).

Any forward-looking statements made in this press release speak only as of the date of this release and, except as required by law, the Company undertakes no obligation to update any forward-looking statement contained in this press release, even if the Company's expectations or any related events, conditions or circumstances change. The Company is not responsible for any changes made to this release by wire or Internet services.
