

Code of Ethics

On June 19, 2008, our Board of Directors amended our Code of Business Conduct and Ethics to reflect promotional and marketing policies we adopted due to the FDA's approval of the new drug application for our drug product, Fusilev(tm). Additional non-substantive changes of a technical and administrative nature were also made . A copy of the amended Code will be provided to any person, without charge, upon oral request to (702) 835-6300 or upon written request to Investor Relations, Spectrum Pharmaceuticals, Inc., 11500 S. Eastern Ave, Suite 240, Henderson, NV 89052.
