Item 1.01 Entry into a Material Definitive Agreement

At Market Issuance Sales Agreement

On August 4, 2017, Spectrum Pharmaceuticals, Inc. (the “Company”) entered into an at market issuance sales agreement (the “At Market Issuance Sales Agreement”) with H.C. Wainwright & Co. LLC, FBR Capital Markets & Co., and MLV & Co. LLC (the “Distribution Agents”), pursuant to which the Company may offer and sell from time to time up to an aggregate of \$150,000,000 of shares of the Company’s common stock, par value \$0.001 per share (the “Placement Shares”), through the Distribution Agents.

The Placement Shares have been registered under the Securities Act of 1933, as amended (the “Securities Act”) pursuant to the Registration Statement on Form S-3 (File No. 333-208760) (the “Registration Statement”), which was originally filed with the Securities and Exchange Commission (“SEC”) on December 23, 2015 and declared effective by the SEC on February 3, 2016, the base prospectus contained within the Registration Statement, and a prospectus supplement that was filed with the SEC on August 4, 2017.

Sales of the Placement Shares, if any, pursuant to the At Market Issuance Sales Agreement, may be made in sales deemed to be “at the market offerings” as defined in Rule 415 promulgated under the Securities Act. Each Distribution Agent will act as sales agent and will use commercially reasonable efforts to sell on the Company’s behalf all of the Placement Shares requested to be sold by the Company, consistent with its normal trading and sales practices, on mutually agreed terms between each Distribution Agent and the Company.

The Company has no obligation to sell any of the Placement Shares under the At Market Issuance Sales Agreement, and may at any time suspend offers under the At Market Issuance Sales Agreement or terminate the At Market Issuance Sales Agreement. The Company intends to use the net proceeds from this offering for general corporate purposes, including, without limitation, sales and marketing activities, clinical development, making acquisitions of assets, businesses, companies or securities, capital expenditures and for working capital needs. While the Company does not currently intend to do so, it may, subject to market conditions, use a portion of the proceeds toward the 2.75% December 2018 convertible notes.

The At Market Issuance Sales Agreement contains customary representations, warranties and agreements by the Company, as well as indemnification obligations of the Company for certain liabilities under the Securities Act.

Under the terms of the At Market Issuance Sales Agreement, the Company will pay each Distribution Agent a commission up to 3.0% of the gross proceeds from each sale of Placement Shares sold through it under the At Market Issuance Sales Agreement. In addition, the Company has agreed to pay certain expenses incurred by the Distribution Agents in connection with the offering.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

The description of the material terms of the At Market Issuance Sales Agreement is not intended to be complete and is qualified in its entirety by reference to the At Market Issuance Sales Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference.

Stradling Yocca Carlson & Rauth, P.C., counsel to the Company, has issued an opinion to the Company, dated August 4, 2017, regarding the validity of the Placement Shares. A copy of the opinion is filed as Exhibit 5.1 to this Current Report on Form 8-K.

Ladies and Gentlemen:

Spectrum Pharmaceuticals, Inc., a Delaware corporation (the “Company”), confirms its agreement (this “Agreement”) with H.C. Wainwright & Co. LLC (“HCW”), FBR Capital Markets & Co. (“FBR”) and MLV & Co. LLC (“MLV”), each of HCW, FBR and MLV, individually a “Distribution Agent” and collectively, the “Distribution Agents”) as follows:

1. Issuance and Sale of Shares. The parties agree that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, the Company may offer and sell through the Distribution Agents, shares (the “Placement Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”); *provided, however*, that in no event shall the Company issue or sell through the Distribution Agents such number of Placement Shares that (i) exceeds the number of shares or dollar amount described in the Prospectus Supplement (as defined below) relating to the offer and sale of Common Stock pursuant to this Agreement (as such may be amended or supplemented from time to time), or (ii) exceeds the number of authorized but unissued shares of Common Stock (as such may be modified from time to time after the date hereof) (the lesser number of shares calculated by reference to clauses (i) and (ii), the “Maximum Amount”). Notwithstanding anything to the contrary contained herein, the parties hereto agree that compliance with the limitations set forth in this Section 1 on the number of Placement Shares issued and sold under this Agreement shall be the sole responsibility of the Company and that the Distribution Agents shall have no obligation in connection with such compliance. The issuance and sale of the Placement Shares through the Distribution Agents will be effected pursuant to the Registration Statement (as defined below), although nothing in this Agreement shall be construed as requiring the Company to use the Registration Statement to issue the Placement Shares or any other Company securities.

The Company shall file, in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations thereunder (the “Securities Act”), with the Securities and Exchange Commission (the “Commission”), a registration statement on Form S-3, including a base prospectus (the “Base Prospectus”) relating to certain Company securities, including the Placement Shares, to be offered and sold from time to time by the Company, and which incorporates by reference documents that the Company has filed or will file with the Commission in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (the “Exchange Act”). The Company shall include, within the Registration Statement, a prospectus supplement to the Base Prospectus specifically relating to the offer and sale of the Placement Shares (such prospectus supplement filed on or after the date of this Agreement, the “Prospectus Supplement”). Upon request, the Company will furnish to the Distribution Agents such number of copies of the Base Prospectus and the Prospectus Supplement as the Distribution Agents shall reasonably request.

Except where the context otherwise requires, the registration statement, and any post-effective amendment thereto, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) under the Securities Act, or deemed to be a part of such registration statement pursuant to Rule 430B of the Securities Act, is herein called the “Registration Statement.” The prospectus relating to the Placement Shares, including all documents incorporated or deemed incorporated therein by reference (to the extent such information has not been superseded or modified in accordance with Rule 412 under the Securities Act (as qualified by Rule 430B(g) of the Securities Act)), included in the Registration Statement, as it may be supplemented by the Prospectus Supplement, in the form in which such Base Prospectus and/or Prospectus Supplement have most recently been filed by the Company with the Commission pursuant to Rule 424(b) under the Securities Act, is herein called the “Prospectus.” Any reference herein to the Registration Statement, the Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated or deemed incorporated by reference therein, and any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement or the Prospectus shall be deemed to refer to and include the filing, after the date of execution of this Agreement, of any document with the Commission that is deemed (pursuant to the Securities Act or the Exchange Act) to be incorporated by reference therein (such documents, the “Incorporated Documents”).

For purposes of this Agreement, all references to the Registration Statement, the Prospectus, any amendment or supplement to the Registration Statement or the Prospectus, or to any Incorporated Documents, shall be deemed to include the most recent copy of the relevant document filed with the Commission pursuant to its Electronic Data Gathering Analysis and Retrieval System, or if applicable, the Interactive Data Electronic Application system when used by the Commission (collectively, “EDGAR”).

2. Placements. Each time that the Company wishes to issue and sell Placement Shares hereunder (each, a “Placement”), it will notify a Distribution Agent (the “Designated Distribution Agent”) by email notice (or other method mutually agreed to in writing by the parties), which notice shall include the number of Placement Shares to be offered and sold, the time period during which offers and sales are requested to be made, any limitation on the number of Placement Shares that may be sold in any one day period (or other relevant time period), any minimum per share price below which sales may not be made, and such additional terms or other information as the Company deems appropriate with respect to the Placement (a “Placement Notice”), which shall

be provided in substantially the form attached hereto as Schedule 1 or such other form mutually agreed upon by the Company and the Designated Distribution Agent. The amount of any discount, commission or other compensation to be paid by the Company to the Designated Distribution Agent in connection with the offer and sale of the Placement shall be determined in accordance with the terms set forth in Schedule 2 and shall be provided in the Placement Notice.

The receipt of each such Placement Notice shall promptly be acknowledged by the Designated Distribution Agent by providing email notice to the Company. The Placement Notice shall originate from any one of the authorized individuals from the Company set forth on Schedule 3, and shall be delivered to each of the individuals from the Designated Distribution Agent set forth on Schedule 3. The information on Schedule 3 may be amended from time to time by a party by delivering email notice to the other parties of the addition or deletion of individuals of such party.

The Placement Notice shall be effective immediately upon receipt by the Designated Distribution Agent unless and until (i) the Designated Distribution Agent declines to accept the terms contained therein for any reason in its sole discretion (which the Designated Distribution Agent must communicate by providing email notice by the end of the Business Day (as defined below) following the date of receipt of the Placement Notice, or the Placement Notice will be deemed to be accepted by the Designated Distribution Agent in accordance with its terms), (ii) the entire amount of the Placement Shares thereunder has been sold, (iii) the Company suspends or terminates the Placement Notice, or (iv) this Agreement has been terminated under the provisions of Section 13. It is expressly acknowledged and agreed that neither the Company nor the Distribution Agents will have any obligation whatsoever with respect to a Placement or any Placement Shares unless and until the Company delivers a Placement Notice to the Designated Distribution Agent and the Designated Distribution Agent accepts (or fails to decline in accordance with the prior sentence) such Placement Notice, and then only upon the terms specified therein and herein. In the event of a conflict between the terms of Sections 2 or 3 of this Agreement and the terms of a Placement Notice, the terms of the Placement Notice will control.

3. Sale of Placement Shares by the Designated Distribution Agent. Subject to the terms and conditions of this Agreement, for the period specified in a Placement Notice, the Designated Distribution Agent will use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations, and the rules of the NASDAQ Stock Market, LLC (the “Exchange”), to sell the Placement Shares in accordance with the terms of such Placement Notice. The Designated Distribution Agent will provide email confirmation to the Company no later than the opening of the Trading Day (as defined below) immediately following the Trading Day during which it has made sales of Placement Shares hereunder, which notice shall set forth the number of Placement Shares sold on such Trading Day, the compensation payable by the Company to the Designated Distribution Agent pursuant to Section 2 with respect to such sales, and the Net Proceeds (as defined below) payable to the Company, with an itemization of the deductions made by the Designated Distribution Agent (as set forth in Section 5(b)) from the gross proceeds that it receives from such sales. Subject to the terms of a Placement Notice, the Designated Distribution Agent agrees that all sales of Placement Shares the Designated Distribution Agent will be made only by methods permitted by law and in a manner constituting an “at the market offering” as defined in Rule 415 of the Securities Act. Subject to the terms of a Placement Notice, the Designated Distribution Agent may also sell, with

the Company's consent, Placement Shares by any other method permitted by law, including, but not limited to, through negotiated transactions. "Trading Day" means any day on which Common Stock is purchased and sold on the Exchange.

4. Suspension of Sales. The Company or the Designated Distribution Agent for a particular Placement may, upon delivering notice to the other party in writing (which may include email notice to each of the individuals of the other party set forth on Schedule 3, so long as receipt of such correspondence is actually acknowledged by email correspondence from the individuals to whom the notice is sent (other than via an auto-reply email response)) or by telephone (which must be confirmed promptly by email notice to each of the individuals of the other party set forth on Schedule 3), suspend any offer and sale of Placement Shares (a "Suspension") with respect to such Placement, in which case the Designated Distribution Agent shall use commercially reasonable efforts to immediately cease offering and selling such Placement Shares; *provided, however*, that such suspension shall not affect or impair any party's obligations with respect to any Placement Shares sold hereunder prior to the receipt of such notice. While a suspension is in effect, any obligation under Sections 7(l), 7(m), and 7(n) with respect to the delivery of certificates, opinions, or comfort letters to the Distribution Agents, shall be waived. Each of the parties agrees that no notice delivered under this Section 4 shall be effective against the party to whom notice is sent unless it is made to one of the individuals named on Schedule 3 hereto (as such may be amended from time to time) and in accordance with the notice delivery requirements of this Section 4.

5. Sale and Delivery to the Designated Distribution Agent; Settlement.

a. Sale of Placement Shares. On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, upon the Designated Distribution Agent's acceptance of (or failure to decline, in accordance with the provisions of Section 2.) the terms of a Placement Notice, and unless the sale of the Placement Shares described therein has been declined, suspended or otherwise terminated in accordance with the terms of this Agreement, the Designated Distribution Agent, for the period specified in the Placement Notice, will use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations, and the rules of the Exchange, to offer and sell such Placement Shares in accordance with the terms of such Placement Notice. The Company acknowledges and agrees that (i) there can be no assurance that the Designated Distribution Agent will be successful in selling the Placement Shares on the terms specified in a Placement Notice, (ii) the Designated Distribution Agent will incur no liability or obligation to the Company or any other person or entity if it does not sell Placement Shares for any reason other than a failure by the Designated Distribution Agent to use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations, and the rules of the Exchange, to sell such Placement Shares as required under this Agreement and (iii) the Designated Distribution Agent shall be under no obligation to purchase Placement Shares on a principal basis pursuant to this Agreement, except as otherwise agreed by the Designated Distribution Agent and the Company.

b. Settlement of Placement Shares. Unless otherwise specified in the applicable Placement Notice, settlement for sales of Placement Shares will occur on the third (3rd) Trading Day for transactions prior to September 5, 2017 and the second (2nd) Trading Day for transactions thereafter (or, such earlier day as is industry practice for regular-way trading) following the date

on which such sales are made (each, a “Settlement Date”). The amount of proceeds to be delivered by the Designated Distribution Agent to the Company on a Settlement Date against receipt of the Placement Shares sold (the “Net Proceeds”) will be equal to the aggregate sales price received by the Designated Distribution Agent for the Placement Shares, after deduction for the Designated Distribution Agent’s commission, discount or other compensation for such sales payable by the Company in a manner consistent with the terms of the applicable Placement Notice and Schedule 2 hereof.

c. Delivery of Placement Shares. On or before each Settlement Date, the Company will, or will cause its transfer agent to, electronically transfer the Placement Shares being sold by crediting the Designated Distribution Agent’s or its designee’s account (provided the Designated Distribution Agent shall have given the Company written notice of such designee and such designee’s account information at least one (1) Trading Day prior to the Settlement Date) at The Depository Trust Company through its Deposit and Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto which in all cases shall be freely tradable, transferable, registered shares in good deliverable form. On each Settlement Date, the Designated Distribution Agent will deliver the related Net Proceeds in same day funds to an account designated by the Company on, or prior to, the Settlement Date. The Company agrees that if the Company, or its transfer agent (if applicable), defaults in its obligation to deliver Placement Shares on a Settlement Date through no fault of the Designated Distribution Agent, then in addition to, and in no way limiting, the rights and obligations set forth in Section 11(a) hereto, it will hold the Designated Distribution Agent harmless against any loss, claim, damage, or reasonable, documented expense (including reasonable and documented legal fees and expenses) arising out of or in connection with such default by the Company or its transfer agent (if applicable), and (ii) pay to the Designated Distribution Agent (without duplication) any commission, discount, or other compensation to which it would otherwise have been entitled absent such default.

d. Limitations on Offering Size and Price. Under no circumstances shall the Company request the offer or sale of any Placement Shares if, after giving effect to the sale of such Placement Shares, the aggregate number of Placement Shares sold pursuant to this Agreement would exceed the least of (i) the Maximum Amount, (ii) the amount available for offer and sale under the Registration Statement, and (iii) the amount authorized from time to time to be issued and sold under this Agreement by the Company’s board of directors or a duly authorized committee thereof. Under no circumstances shall the Company request the offer or sale of any Placement Shares pursuant to this Agreement at a price lower than the minimum price, if any, authorized from time to time by the Company’s board of directors or a duly authorized committee thereof.

e. Sales Through Distribution Agent. The Company agrees that any offer to sell, any solicitation of an offer to buy, or any sales of Placement Shares shall only be effected by or through a single Distribution Agent on any single given date, and in no event shall the Company request that more than one Distribution Agent sell Placement Shares on the same day.

6. Representations and Warranties of the Company. Except as disclosed in the Registration Statement or Prospectus (including the Incorporated Documents), the Company represents and warrants to, and agrees with each of the Distribution Agents that, as of the date of this Agreement, and as of each Applicable Time (as defined below), unless such representation, warranty or agreement specifies a different date or time:

a. Registration Statement and Prospectus. The Company and the transactions contemplated by this Agreement meet the requirements for and comply with the conditions for the use of Form S-3 under the Securities Act. Prior to the time of the delivery of the first Placement Notice hereunder, the Registration Statement will be filed with the Commission and will be declared effective under the Securities Act. The Prospectus will name HCW, FBR and MLV as the agents in the section entitled “Plan of Distribution.” Following the Registration Statement being declared effective, as of each Applicable Time, no stop order of the Commission preventing or suspending the use of the Registration Statement will have been issued, and no proceedings for that purpose will have been initiated by the Commission. The Registration Statement and, assuming no act or omission on the part of the Distribution Agents that would make such statements untrue, the offer and sale of Placement Shares as contemplated hereby meet the requirements of Rule 415 under the Securities Act and comply in all material respects with Rule 415. Any statutes, regulations, contracts or other documents that are required to be described in the Registration Statement or the Prospectus, or to be filed as exhibits to the Registration Statement, have been or will be so described or filed. Copies of the Registration Statement, the Prospectus, and any amendments or supplements to the Registration Statement or the Prospectus, and all of the Incorporated Documents that were filed with the Commission on or prior to the date of this Agreement have been delivered to the Distribution Agents, or are available through EDGAR. The Company has not distributed and, prior to the later to occur of each Settlement Date and the date upon with the distribution of the Placement Shares is completed, will not distribute any offering material in connection with the offering or sale of the Placement Shares other than the Registration Statement, the Prospectus, or any Issuer Free Writing Prospectus (as defined below) relating to the Placement Shares to which the Distribution Agents have consented, such consent not to be unreasonably withheld, conditioned or delayed. The Common Stock is currently listed on the Exchange under the trading symbol “SPPI”. The Company has not, in the 12 months preceding the date hereof, received notice from the Exchange to the effect that the Company is not in compliance with the continued listing requirements of the Exchange. The Company is not aware of any pending or threatened action by the Exchange to terminate the listing of the Common Stock on the Exchange or to enforce any failure by the Company to comply with the continued listing requirements of the Exchange.

b. No Misstatement or Omission. At each Settlement Date, the Registration Statement and the Prospectus will conform in all material respects with the requirements of the Securities Act. The Registration Statement, when it became or becomes effective, did not, and will not, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Prospectus and any amendment and supplement thereto, on the date thereof and at each Applicable Time, did not and will not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Incorporated Documents did not when filed with the Commission, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The foregoing shall not apply to statements in, or omissions from, any such document made in reliance upon, and in conformity with, information furnished to the Company by a Distribution Agent specifically for use in the preparation thereof.

c. Conformity with Securities Act and Exchange Act. The Registration Statement, the Prospectus, any Issuer Free Writing Prospectus or any amendment or supplement

thereto, and the Incorporated Documents, when such documents were or are filed with the Commission under the Securities Act or the Exchange Act or became or become effective under the Securities Act, as the case may be, conformed or will conform in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable.

d. Financial Information. The consolidated financial statements of the Company included or incorporated by reference in the Registration Statement and the Prospectus, together with the related notes and schedules, present fairly, in all material respects, the consolidated financial position of the Company and the Subsidiaries (as defined below) as of the dates indicated, and the consolidated results of operations, cash flows and changes in stockholders' equity of the Company and the Subsidiaries for the periods specified (subject, in the case of unaudited statements, to normal year-end audit adjustments) and have been prepared in compliance, with the published requirements of the Securities Act and Exchange Act, as applicable, as in effect at the time of filing, and in conformity with generally accepted accounting principles in the United States (“GAAP”), as in effect as of the time of filing, applied on a consistent basis (subject (i) to such adjustments to accounting standards and practices as are noted therein, and (ii) in the case of unaudited interim statements, to (A) normal recurring adjustments (B) the exclusion of financial statement footnotes, and (C) the information being presented in a condensed or summary manner) during the periods involved; the other financial and statistical data with respect to the Company and the Subsidiaries contained or incorporated by reference in the Registration Statement and the Prospectus, are accurately and fairly presented in all material respects and prepared on a basis materially consistent with the financial statements and books and records of the Company; there are no financial statements (historical or pro forma) that are required to be included or incorporated by reference in the Registration Statement, or the Prospectus that are not included or incorporated by reference as required; the Company and the Subsidiaries do not have any material liabilities or obligations, direct or contingent (including any off balance sheet obligations), not described in the Registration Statement and the Prospectus which are required to be described in the Registration Statement or Prospectus (including the exhibits thereto and the Incorporated Documents); and all disclosures contained or incorporated by reference in the Registration Statement and the Prospectus, if any, regarding “non-GAAP financial measures” (as such term is defined by the rules and regulations of the Commission) comply in all material respects with Regulation G of the Exchange Act and Item 10 of Regulation S-K under the Securities Act, to the extent applicable.

e. Conformity with EDGAR Filing. The Prospectus delivered to the Distribution Agents for use in connection with the sale of the Placement Shares pursuant to this Agreement will be identical to the versions of the Prospectus created to be transmitted to the Commission for filing via EDGAR, except to the extent permitted by Regulation S-T.

f. Organization. The Company and any subsidiary that is a significant subsidiary (as such term is defined in Rule 1-02 of Regulation S-X promulgated by the Commission) (each, a “Subsidiary”, and collectively, the “Subsidiaries”), are and, as of each Applicable Time, will be, duly organized, validly existing as a corporation and in good standing under the laws of their respective jurisdictions of organization. The Company and the Subsidiaries are duly licensed or qualified as a foreign corporation for transaction of business and in good standing under the laws of each other jurisdiction in which their respective ownership or lease of property or the conduct of their respective businesses requires such license or qualification, and have all corporate power and authority necessary to own or hold their respective properties and to conduct their

respective businesses as described in the Registration Statement and the Prospectus, except where the failure to be so qualified or in good standing, or to have such power or authority, would not, individually or in the aggregate, be reasonably expected to have a material adverse effect on the assets, business, operations, earnings, properties, condition (financial or otherwise), prospects, stockholders' equity or results of operations of the Company and the Subsidiaries taken as a whole, or prevent the consummation of the transactions contemplated hereby (a "Material Adverse Effect").

g. Subsidiaries. As of the date hereof, the Company's only Subsidiaries are set forth on Schedule 6(g). Except as set forth on Schedule 6(g), the Company owns directly or indirectly, all of the equity interests of the Subsidiaries free and clear of any lien, charge, security interest, encumbrance, right of first refusal or other restriction, and all the equity interests of the Subsidiaries are validly issued and are fully paid, nonassessable and free of preemptive and similar rights.

h. No Violation or Default. Neither the Company nor any Subsidiary is (i) in violation of its charter, by-laws or similar organizational documents; (ii) in default, and no event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or other similar material agreement or instrument to which the Company or any Subsidiary is a party or by which the Company or any Subsidiary is bound or to which any of the property or assets of the Company or any Subsidiary is subject; or (iii) in violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator, or governmental or regulatory authority having jurisdiction over the Company, except, in the case of each of clauses (ii) and (iii) above, for any such violation or default that would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect. To the Company's knowledge, no other party under any material contract or other material agreement to which it or any Subsidiary is a party is in default in any respect thereunder where such default would be reasonably expected to have a Material Adverse Effect. The terms "Company's knowledge," "knowledge of the Company" and similar expressions used in this Agreement shall mean the knowledge of an executive officer of the Company as of the date of the representation to which the expression relates.

i. No Material Adverse Effect. Since the date of the most recent financial statements of the Company included or incorporated by reference in the Registration Statement and Prospectus, there has not been (i) any Material Adverse Effect, or any development that would be reasonably expected to result in a Material Adverse Effect, (ii) any obligation or liability, direct or contingent (including any off-balance sheet obligations), incurred by the Company or the Subsidiaries, which is material to the Company and the Subsidiaries taken as a whole, (iii) any material change in the capital stock (other than (A) the grant of additional equity awards under the Company's existing stock incentive plans or benefit plans, (B) the exercise or conversion of securities exercisable for, or convertible into, Common Stock outstanding on the date hereof, (C) as a result of the issuance of Placement Shares, (D) any repurchases of capital stock of the Company, (E) as described in a proxy statement filed on Schedule 14A or a Registration Statement on Form S-4, (F) as a result of the issuance of Company securities pursuant to the Registration Statement, or (G) otherwise publicly announced) or outstanding long-term indebtedness of the Company or the Subsidiaries, or (iv) any dividend or distribution of any kind declared, paid or made on the

capital stock of the Company or any Subsidiary, other than, in each case, (1) in the ordinary course of business, (2) as otherwise disclosed in the Registration Statement or the Prospectus (including any Incorporated Document), or (3) where the failure to disclose such matter, item, change, or development would not make the statements in the Registration Statement or the Prospectus contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

j. Capitalization. 7. Covenants of the Company. The Company covenants and agrees with each of the Distribution Agents that:

a. Registration Statement Amendments. After the date of this Agreement and during any period in which the Prospectus relating to any Placement Shares is required to be delivered by the Distribution Agents under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act) (the “Prospectus Delivery Period”) (i) the Company will notify the Distribution Agents promptly of the time when any subsequent amendment to the Registration Statement (other than Incorporated Documents or amendments not related to any Placement) has been filed with the Commission and/or has become effective, or any subsequent supplement to the Prospectus (other than Incorporated Documents) has been filed and of any request by the Commission for any amendment or supplement to the Registration Statement or Prospectus related to the Placement or for additional information related to the Placement, (ii) the Company will prepare and file with the Commission, promptly upon any of the Distribution Agents’ request, any amendments or supplements to the Registration Statement or Prospectus that, upon the advice of the Company’s legal counsel, may be necessary or advisable in connection with the distribution of the Placement Shares by a Distribution Agent (provided, however, that the failure of the Distribution Agents to make such request shall not relieve the Company of any obligation or liability hereunder, or affect the Distribution Agents’ right to rely on the representations and warranties made by the Company in this Agreement and provided, further, that the only remedy the Distribution Agents shall have with respect to the failure to make such filing shall be to cease making offers and sales of Placement Shares under this Agreement until such amendment or supplement is filed); (iii) the Company will not file any amendment or supplement to the Registration Statement or Prospectus relating to the Placement Shares or a security convertible into the Placement Shares (other than an Incorporated Document) unless a copy thereof has been submitted to the Distribution Agents within a reasonable period of time before the filing and neither of the Distribution Agents has reasonably objected thereto (provided, however, that (A) the failure of the Distribution Agents to make such objection shall not relieve

the Company of any obligation or liability hereunder, or affect the Distribution Agents' right to rely on the representations and warranties made by the Company in this Agreement and (B) the Company has no obligation to provide the Distribution Agents any advance copy of such filing or to provide the Distribution Agents an opportunity to object to such filing if the filing does not name the Distribution Agents or does not relate to the transaction herein provided; and provided, further, that the only remedy the Distribution Agents shall have with respect to the failure by the Company to obtain such consent shall be to cease making offers or sales of Placement Shares under this Agreement) and the Company will furnish to the Distribution Agents at the time of filing thereof a copy of any document that upon filing is deemed to be incorporated by reference into the Registration Statement or Prospectus, except for those documents available via EDGAR; and (iv) the Company will cause each amendment or supplement to the Prospectus to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Securities Act or, in the case of any document to be incorporated therein by reference, to be filed with the Commission as required pursuant to the Exchange Act, within the time period prescribed (the determination to file or not file any amendment or supplement with the Commission under this Section 7(a), based on the Company's reasonable opinion or reasonable objections, shall be made exclusively by the Company).

b. Notice of Commission Stop Orders. The Company will advise the Distribution Agents, promptly after it receives notice or obtains knowledge thereof, of the issuance or threatened issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement, of the suspension of the qualification of the Placement Shares for offering or sale in any jurisdiction, or of the initiation or threatening of any proceeding for any such purpose; and it will use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such a stop order should be issued. The Company will advise the Distribution Agents promptly after it receives any request by the Commission for any amendments to the Registration Statement or any amendment or supplements to the Prospectus or any Issuer Free Writing Prospectus or for additional information related to the offering of the Placement Shares or for additional information related to the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus.

c. Delivery of Prospectus; Subsequent Changes. During the Prospectus Delivery Period, the Company will comply with all requirements imposed upon it by the Securities Act, as from time to time in force, and to file on or before their respective due dates all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14, 15(d) or any other provision of or under the Exchange Act. If the Company has omitted any information from the Registration Statement pursuant to Rule 430A under the Securities Act, it will use its commercially reasonable efforts to comply with the provisions of and make all requisite filings with the Commission pursuant to Rule 430A and to notify the Distribution Agents promptly of all such filings. If during the Prospectus Delivery Period any event occurs as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such Prospectus Delivery Period it is necessary to amend or supplement the Registration Statement or Prospectus to comply with the Securities Act, the Company will promptly notify the Designated Distribution Agent to suspend the offer and sale of Placement Shares during such period and the Company will promptly amend or supplement the Registration

Statement or Prospectus (at the expense of the Company) so as to correct such statement or omission or effect such compliance; provided, however, that the Company may delay the filing of any amendment or supplement, if in the judgment of the Company, it is in the best interest of the Company to do so.

d. Listing of Placement Shares. During the Prospectus Delivery Period, the Company will use its commercially reasonable efforts to cause the Placement Shares to be listed on the Exchange and to qualify the Placement Shares for sale under the securities laws of such jurisdictions in the United States as each of the Distribution Agents reasonably designates and to continue such qualifications in effect so long as required for the distribution of the Placement Shares; *provided, however*, that the Company shall not be required in connection therewith to qualify as a foreign corporation or dealer in securities, file a general consent to service of process, or subject itself to taxation in any jurisdiction if it is not otherwise so subject.

e. Delivery of Registration Statement and Prospectus. The Company will furnish to the Distribution Agents and their counsel (at the reasonable expense of the Company) copies of the Registration Statement, the Prospectus (including all Incorporated Documents) and all amendments and supplements to the Registration Statement or Prospectus that are filed with the Commission during the Prospectus Delivery Period (including all Incorporated Documents), in each case as soon as reasonably practicable and in such quantities as any of the Distribution Agents may from time to time reasonably request and, at the Distribution Agents' reasonable request, will also furnish copies of the Prospectus to each stock exchange on which the Common Stock is then listed for trading; *provided, however*, that the Company shall not be required to furnish any document (other than the Prospectus) to the Distribution Agents to the extent such document is available on EDGAR.

f. Earnings Statement. The Company will make generally available to its security holders as soon as practicable, but in any event not later than 15 months after the end of the Company's current fiscal quarter, an earnings statement covering a 12-month period that satisfies the provisions of Section 11(a) and Rule 158 of the Securities Act.

g. Use of Proceeds. The Company will use the Net Proceeds as described in the section of the Prospectus entitled "Use of Proceeds," as such may be amended or supplemented from time to time.

h. Notice of Other Sales. During each period commencing on the date of each Placement Notice and ending at the close of business on the Settlement Date for the related Placement, the Company shall provide the Distribution Agents notice as promptly as reasonably possible (and, in any event, at least four (4) business days) before it offers to sell, sells, contracts to sell, grants any option to sell or otherwise disposes of any Common Stock (other than the Placement Shares offered pursuant to this Agreement) or securities convertible into or exchangeable for Common Stock, warrants or any rights to purchase or acquire, Common Stock; *provided, however*, that such notice requirement will not apply in connection with the Company's issuance or sale of (i) equity awards issued pursuant to any stock incentive plan, benefit plan, stock ownership plan or dividend reinvestment plan of the Company whether now in effect or hereafter implemented, or Common Stock issued upon the vesting or exercise of any such equity awards; (ii) Common Stock issuable upon the exercise, exchange or conversion of Company securities disclosed in filings by the Company that are available on EDGAR, or otherwise disclosed in writing

to the Distribution Agents, (iii) Common Stock, or securities convertible into or exercisable for Common Stock, offered and sold in privately negotiated transactions to vendors, customers, strategic partners or potential strategic partners or other investors conducted in a manner so as not to be integrated with the offering of Common Stock hereby, and (iv) Common Stock, or securities convertible into or exercisable for Common Stock, offered and sold in connection with any acquisition, strategic investment or other similar transaction (including any joint venture, strategic alliance or partnership).

i. Change of Circumstances. The Company will, at any time during the pendency of a Placement Notice, advise the Distribution Agents promptly after it shall have received notice or obtained knowledge thereof, of any information or fact that would materially and adversely affect any opinion or certificate required to be provided to the Distribution Agents pursuant to this Agreement.

j. Due Diligence Cooperation. During the term of this Agreement, the Company will cooperate with any reasonable due diligence review conducted by the Distribution Agents or their representatives in connection with the transactions contemplated hereby, including, without limitation, providing such information and making available such documents and senior corporate officers, during regular business hours and at the Company's principal offices, as any of the Distribution Agents may reasonably request.

k. Required Filings Relating to Placement of Placement Shares. The Company agrees that on such dates as the Securities Act shall require, the Company will (i) file a prospectus supplement with the Commission under the applicable paragraph of Rule 424(b) under the Securities Act (each and every date a filing under Rule 424(b) is made, a "Filing Date"), which prospectus supplement will set forth, within the relevant period, the amount of Placement Shares sold through the Distribution Agents, the Net Proceeds to the Company and the compensation payable by the Company to the Distribution Agents with respect to such Placement Shares (provided that the Company may satisfy its obligations under this Section 7(j)(i) by making a filing pursuant to the Exchange Act that includes the required information), and (ii) deliver such number of copies of each such prospectus supplement to each exchange or market on which such sales were effected as may be required by the rules or regulations of such exchange or market.

l. Representation Dates; Certificate. Each time during the term of this Agreement that the Company:

(i) amends or supplements (other than a prospectus supplement relating solely to an offering of securities other than the Placement Shares) the Registration Statement or the Prospectus relating to the Placement Shares by means of a post-effective amendment, sticker, or supplement (but not by means of the filing of Incorporated Documents);

(ii) files an annual report on Form 10-K under the Exchange Act (including any Form 10-K/A containing amended audited financial information or a material amendment to the previously filed Form 10-K);

(iii) files its quarterly reports on Form 10-Q under the Exchange Act; or

(iv) files a current report on Form 8-K containing amended financial information (other than information "furnished" pursuant to Items 2.02 or 7.01 of Form 8-K or to provide

disclosure pursuant to Item 8.01 of Form 8-K relating to the reclassification of certain properties as discontinued operations in accordance with Statement of Financial Accounting Standards No. 144) under the Exchange Act;

(Each date of filing of one or more of the documents referred to in clauses (i) through (iv) shall be a “Representation Date.”)

the Company shall furnish the Distribution Agents (but in the case of clause (iv) above only if any of the Distribution Agents reasonably determines that the information contained in such Form 8-K is material) with a certificate, in the form attached hereto as Exhibit 7(l). The requirement to provide a certificate under this Section 7(l) shall be waived for any Representation Date occurring at a time during which no Placement Notice is pending, which waiver shall continue until the earlier to occur of the date the Company delivers a Placement Notice hereunder (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date on which the Company files its annual report on Form 10-K. Notwithstanding the foregoing, (i) upon the delivery of the first Placement Notice hereunder and (ii) if the Company subsequently decides to sell Placement Shares following a Representation Date when the Company relied on such waiver and did not provide the Distribution Agents with a certificate under this Section 7(l), then before any of the Distribution Agents offers or sells any Placement Shares, the Company shall provide the Distribution Agents with a certificate, in the form attached hereto as Exhibit 7(l), dated the date of the Placement Notice.

m. Legal Opinion. On or prior to the date of the first Placement Notice given hereunder, the Company shall cause to be furnished to the Distribution Agents written opinions and a negative assurance letter of Stradling Yocca Carlson & Rauth PC (“Company Counsel”), or other counsel reasonably satisfactory to the Distribution Agents, each in form and substance reasonably satisfactory to the Distribution Agents. Thereafter, within five (5) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit 7(l) for which no waiver is applicable, and not more than once per calendar quarter, the Company shall cause to be furnished to the Distribution Agents a negative assurance letter of Company Counsel, modified, as necessary to relate to the Registration Statement and the Prospectus as then amended or supplemented; provided that, in lieu of such negative assurance for subsequent periodic filings under the Exchange Act, counsel may furnish the Distribution Agents with a letter (a “Reliance Letter”) to the effect that the Distribution Agents may rely on the negative assurance letter previously delivered under this Section 7(l) to the same extent as if it were dated the date of such letter (except that statements in such prior letter shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented as of the date of the Reliance Letter).

n. Comfort Letter. On or prior to the date of the first Placement Notice given hereunder and thereafter within five (5) business days of the filing by the Company of an annual report on Form 10-K under the Exchange Act, the Company shall cause its independent accountants to furnish the Distribution Agents letters (the “Comfort Letters”), dated the date the Comfort Letter is delivered, which shall meet the requirements set forth in this Section 7(m). The Comfort Letter from the Company’s independent accountants shall be in a form and substance reasonably satisfactory to the Distribution Agents, (i) confirming that they are an independent public accounting firm within the meaning of the Securities Act and the PCAOB, (ii) stating, as of such

date, the conclusions and findings of such firm with respect to the financial information and other matters ordinarily covered by accountants' "comfort letters" to underwriters in connection with registered public offerings (the first such letter, the "Initial Comfort Letter") and (iii) updating the Initial Comfort Letter with any information that would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter.

o. Market Activities. The Company will not, directly or indirectly, (i) take any action designed to cause or result in, or that constitutes or would constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of Common Stock or (ii) sell, bid for, or purchase Common Stock in violation of Regulation M, or pay anyone any compensation for soliciting purchases of the Placement Shares other than the Distribution Agents.

p. Investment Company Act. The Company will conduct its affairs in such a manner so as to reasonably ensure that neither it nor the Subsidiaries will be or become, at any time prior to the termination of this Agreement, an "investment company," as such term is defined in the Investment Company Act.

q. No Offer to Sell. Other than an Issuer Free Writing Prospectus approved in advance by the Company and the Distribution Agents in their capacity as agents hereunder pursuant to Section 23, none of the Distribution Agents nor the Company (including its agents and representatives, other than the Distribution Agents in their capacity as such) will make, use, prepare, authorize, approve or refer to any written communication (as defined in Rule 405), required to be filed with the Commission, that constitutes an offer to sell or solicitation of an offer to buy Placement Shares hereunder.

r. Sarbanes-Oxley Act. The Company shall comply with the effective applicable provisions of the Sarbanes-Oxley Act.

8. Representations and Covenants of the Distribution Agents. Each of the Distribution Agents represents and warrants that it is duly registered as a broker-dealer under FINRA, the Exchange Act and the applicable statutes and regulations of each state in which the Placement Shares will be offered and sold, except such states in which such Distribution Agent is exempt from registration or such registration is not otherwise required in connection with the offer and sale of the Placement Shares. Each of the Distribution Agents shall continue, for the term of this Agreement, to be duly registered as a broker-dealer under FINRA, the Exchange Act and the applicable statutes and regulations of each state in which the Placement Shares will be offered and sold, except such states in which it is exempt from registration or such registration is not otherwise required in connection with the offer and sale of the Placement Shares. Each of the Distribution Agents shall comply with all applicable law and regulations, including but not limited to Regulation M, in connection with the transactions contemplated by this Agreement, including the issuance and sale through the Distribution Agents of the Placement Shares.

9. Payment of Expenses. The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, filing, (including any fees required by the Commission) and printing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment and supplement

thereto, and of each Free Writing Prospectus, in such number as the Distribution Agents shall deem reasonably necessary, (ii) the printing and delivery to the Distribution Agents of this Agreement and such other documents as may be reasonably required in connection with the offering, purchase, sale, issuance or delivery of the Placement Shares, (iii) the preparation, issuance and delivery of the certificates, if any, for the Placement Shares to the Distribution Agents, including any stock or other transfer taxes and any capital duties, stamp duties or other duties or taxes payable upon the sale, issuance or delivery of the Placement Shares to the Distribution Agents, (iv) the fees and disbursements of the counsel, accountants and other advisors to the Company, (v) the reasonable and documented out-of-pocket fees and disbursements of counsel to the Distribution Agents up to \$25,000 in the aggregate with respect to all Placement Shares sold pursuant to this Agreement; (vi) the fees and expenses of the transfer agent and registrar for the Common Stock, (vii) the filing fees incident to any review by FINRA of the terms of the sale of the Placement Shares, and (viii) the fees and expenses incurred in connection with the listing of the Placement Shares on the Exchange.

10. Conditions to Distribution Agents' Obligations. The obligations of the Distribution Agents hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties made by the Company herein (other than those representations and warranties made as of a specified date or time), to the due performance in all material respects by the Company of its obligations hereunder, to the completion by the Distribution Agents of a due diligence review satisfactory to each of them in their reasonable judgement, and to the continuing reasonable satisfaction (or waiver by each of the Distribution Agents in their sole discretion) of the following additional conditions:

a. Registration Statement Effective. The Registration Statement shall have become effective and shall be available for the sale of all Placement Shares contemplated to be issued by any Placement Notice.

b. No Material Notices. None of the following events shall have occurred and be continuing: (i) receipt by the Company of any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any post-effective amendments or supplements to the Registration Statement or the Prospectus, which have not, as of the time of such Placement, been so made; (ii) the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Shares for sale in any applicable jurisdiction or the initiation of any proceeding for such purpose; or (iv) the occurrence of any event that makes any material statement made in the Registration Statement or the Prospectus or any material Incorporated Document untrue in any material respect or that requires the making of any changes in the Registration Statement, the Prospectus or any material Incorporated Document so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, that in the case of the Prospectus or any material Incorporated Document, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to

make the statements therein, in the light of the circumstances under which they were made, not misleading, which changes shall not, as of the time of the Placement, have been so made.

c. Material Changes. Except as contemplated in the Prospectus, or disclosed in the Company's reports filed with the Commission, there shall not have been any Material Adverse Effect, or any development that would cause a Material Adverse Effect, so as to make it impracticable or inadvisable to proceed with the offer and sale of the Placement Shares on the terms and in the manner contemplated in the Prospectus.

d. Legal Opinion. The Distribution Agents shall have received the opinion and negative assurance letter of Company Counsel required to be delivered pursuant to Section 7(m) on or before the date on which such delivery of such opinion and negative assurance letter are required pursuant to Section 7(m).

e. Comfort Letter. The Distribution Agents shall have received the Comfort Letter required to be delivered pursuant Section 7(n) on or before the date on which such delivery of such letter is required pursuant to Section 7(n).

f. Representation Certificate. The Distribution Agents shall have received the certificate required to be delivered pursuant to Section 7(l) on or before the date on which delivery of such certificate is required pursuant to Section 7(l).

g. No Suspension. Trading in the Common Stock shall not have been suspended on the Exchange and the Common Stock shall not have been delisted from the Exchange.

h. Other Materials. On each date on which the Company is required to deliver a certificate pursuant to Section 7(1), the Company shall have furnished to the Distribution Agents such further information, certificates and documents as any of the Distribution Agents may reasonably request and which are usually and customarily furnished by an issuer of securities in connection with a securities offering of the type contemplated hereby.

i. Securities Act Filings Made. All filings with the Commission required by Rule 424 under the Securities Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424.

j. Approval for Listing. To the extent required by the continued listing rules of the Exchange, the Placement Shares shall have been approved for listing on the Exchange, subject only to notice of issuance, or the Company shall have filed an application for listing of the Placement Shares on the Exchange at, or prior to, the issuance of any Placement Notice.

k. No Termination Event. There shall not have occurred any event that would permit the Distribution Agents to terminate this Agreement pursuant to Section 13(a).

11. Indemnification and Contribution.

(a) Company Indemnification. The Company agrees to indemnify and hold harmless the Distribution Agents, their partners, members, directors, officers, employees and agents and each person, if any, who controls the Distribution

Agents within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, joint or several, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact included in any related Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, joint or several, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 11(d) below) any such settlement is effected with the written consent of the Company, which consent shall not unreasonably be delayed or withheld; and

(iii) against any and all expense whatsoever, as incurred (including the reasonable and documented out-of-pocket fees and disbursements of counsel), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above,

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made solely in reliance upon and in conformity with written information furnished to the Company by any of the Distribution Agents expressly for use in the Registration Statement (or any amendment thereto), or in any related Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto).

(b) Indemnification by the Distribution Agents. Each Distribution Agent agrees to indemnify and hold harmless the Company and its directors and each officer of the Company who signed the Registration Statement, and each person, if any, who (i) controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act or (ii) is controlled by or is under common control with the Company against any and all loss, liability, claim, damage and expense whatsoever, as incurred, described in the indemnity contained in Section 11(a), as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendments thereto) or in any related Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with information relating to a Distribution Agent and furnished to the Company in writing by such Distribution Agent expressly for use therein.

(c) Procedure. Any party that proposes to assert the right to be indemnified under this Section 11 will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim is to be made against an indemnifying party or parties under this Section 11, notify each such indemnifying party of the commencement of such action, enclosing a copy of all papers served, but the omission so to notify such indemnifying party will not relieve the indemnifying party from (i) any liability that it might have to any indemnified party otherwise than under this Section 11 and (ii) any liability that it may have to any indemnified party under the foregoing provisions of this Section 11 unless, and only to the extent that, such omission results in the forfeiture or material impairment of substantive rights or defenses by the indemnifying party. If any such action is brought against any indemnified party and it notifies the indemnifying party of its commencement, the indemnifying party will be entitled to participate in and, to the extent that it elects by delivering written notice to the indemnified party promptly after receiving notice of the commencement of the action from the indemnified party, jointly with any other indemnifying party similarly notified, to assume the defense of the action, with counsel reasonably satisfactory to the indemnified party, and after notice from the indemnifying party to the indemnified party of its election to assume the defense, the indemnifying party will not be liable to the indemnified party for any legal or other expenses except as provided below and except for the reasonable costs of investigation subsequently incurred by the indemnified party in connection with the defense. The indemnified party will have the right to employ its own counsel in any such action, but the fees, expenses and other charges of such counsel will be at the expense of such indemnified party unless (1) the employment of counsel by the indemnified party has been authorized in writing by the indemnifying party, (2) an actual conflict of interest exists (based on advice of counsel to the indemnified party) between the indemnified party and the indemnifying party (in which case the indemnifying party will not have the right to direct the defense of such action on behalf of the indemnified party), or (3) the indemnifying party has not in fact employed counsel to assume the defense of such action within a reasonable time after receiving notice of the commencement of the action, in each of which cases the reasonable and documented out-of-pocket fees, disbursements and other charges of counsel will be at the expense of the indemnifying party or parties. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable and documented out-of-pocket fees, disbursements and other charges of more than one separate firm admitted to practice in such jurisdiction at any one time for all such indemnified party or parties. All such reasonable and documented out-of-pocket fees, disbursements and other charges will be reimbursed by the indemnifying party promptly after the indemnifying party receives a written invoice relating to fees, disbursements and other charges in reasonable detail. An indemnifying party will not, in any event, be liable for any settlement of any action or claim effected without its written consent. No indemnifying party shall, without the prior written consent of each indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding relating to the matters contemplated by this Section 11 (whether or not any indemnified party is a party thereto), unless such settlement, compromise or consent (1) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (2) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in the foregoing paragraphs of this Section 11 is applicable in accordance with its terms but for any reason is held to be unavailable from the

Company or a Distribution Agent, the Company and such Distribution Agent will contribute to the total losses, claims, liabilities, expenses and damages (including any investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted, but after deducting any contribution received by the Company from persons other than the Distribution Agents, such as persons who control the Company within the meaning of the Securities Act or the Exchange Act, officers of the Company who signed the Registration Statement and directors of the Company, who also may be liable for contribution) to which the Company and the Distribution Agents may be subject in such proportion as shall be appropriate to reflect the relative benefits received by the Company on the one hand and the Distribution Agents on the other hand. The relative benefits received by the Company on the one hand and the Distribution Agents on the other hand shall be deemed to be in the same proportion as the total Net Proceeds from the sale of the Placement Shares (before deducting expenses) received by the Company bear to the total compensation received by the Distribution Agents (before deducting expenses) from the sale of Placement Shares on behalf of the Company. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing sentence but also the relative fault of the Company, on the one hand, and such Distribution Agent, on the other hand, with respect to the statements or omission that resulted in such loss, claim, liability, expense or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or such Distribution Agent, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and each Distribution Agent agree that it would not be just and equitable if contributions pursuant to this Section 11(d) were to be determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, liability, expense, or damage, or action in respect thereof, referred to above in this Section 11(d) shall be deemed to include, for the purpose of this Section 11(d), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim to the extent consistent with Section 11(c) hereof. Notwithstanding the foregoing provisions of this Section 11(d), a Distribution Agent shall not be required to contribute any amount in excess of the commissions received by it under this Agreement and no person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 11(d), any person who controls a party to this Agreement within the meaning of the Securities Act or the Exchange Act, and any officers, directors, partners, employees or agents of a Distribution Agent, will have the same rights to contribution as that party, and each officer and director of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this Section 11(d), will notify any such party or parties from whom contribution may be sought, but the omission to so notify will not relieve that party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 11(d) except to the extent that the failure to so notify such other party materially prejudiced the substantive rights or defenses of the party from

whom contribution is sought. Except for a settlement entered into pursuant to the last sentence of Section 11(c) hereof, no party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 11(c) hereof.

12. Representations and Agreements to Survive Delivery. The indemnity and contribution agreements contained in Section 11 of this Agreement and all representations and warranties of the Company and the Distribution Agents herein or in certificates delivered pursuant hereto shall survive, as of their respective dates, regardless of (i) any investigation made by or on behalf of the Distribution Agents, any controlling persons, or the Company (or any of their respective officers, directors or controlling persons), (ii) delivery and acceptance of the Placement Shares and payment therefor or (iii) any termination of this Agreement.

13. Termination.

a. A Distribution Agent may terminate this Agreement, by written notice to the Company, as hereinafter specified at any time (1) if there has been, since the time of execution of this Agreement or since the date as of which information is given in the Prospectus, any Material Adverse Effect that, in the reasonable judgment of such Distribution Agent, makes it impractical or inadvisable to market the Placement Shares or to enforce contracts for the sale of the Placement Shares, (2) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the reasonable judgment of such Distribution Agent, impracticable or inadvisable to market the Placement Shares or to enforce contracts for the sale of the Placement Shares, (3) if trading in the Common Stock has been suspended or limited by the Commission or the Exchange, or if trading generally on the Exchange has been suspended or limited, or minimum prices for trading have been fixed on the Exchange, (4) if a major disruption of securities settlements or clearance services in the United States shall have occurred and be continuing, or (5) if a banking moratorium has been declared by either U.S. Federal or New York authorities. Any such termination shall be without liability of any party to any other party except that the provisions of Section 9 (Payment of Expenses), Section 11 (Indemnification and Contribution), Section 12 (Representations and Agreements to Survive Delivery), Section 18 (Governing Law and Time; Waiver of Jury Trial), Section 19 (Consent to Jurisdiction) and Section 20 (Use of Information) hereof shall remain in full force and effect notwithstanding such termination. If a Distribution Agent elects to terminate this Agreement as provided in this Section 13(a), such Distribution Agent shall provide the required notice as specified in Section 14 (Notices).

b. The Company shall have the right, by giving five (5) days' notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Section 9 (Payment of Expenses), Section 11 (Indemnification and Contribution), Section 12 (Representations and Agreements to Survive Delivery), Section 18 (Governing Law and Time; Waiver of Jury Trial), Section 19 (Consent to Jurisdiction) and Section 20 (Use of Information) hereof shall remain in full force and effect notwithstanding such termination. Nothing in this Section 13(b) shall limit the ability of the Company to suspend offers and sales of Placement Shares pursuant to the provisions of Section 4.

c. Each of the Distribution Agents shall have the right, by giving five (5) days' notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Section 9 (Payment of Expenses), Section 11 (Indemnification and Contribution), Section 12 (Representations and Agreements to Survive Delivery), Section 18 (Governing Law and Time; Waiver of Jury Trial), Section 19 (Consent to Jurisdiction) and Section 20 (Use of Information) hereof shall remain in full force and effect notwithstanding such termination.

d. Unless earlier terminated pursuant to this Section 13, this Agreement shall automatically terminate upon the issuance and sale of all of the Placement Shares through the Distribution Agents on the terms and subject to the conditions set forth herein except that the provisions of Section 9 (Payment of Expenses), Section 11 (Indemnification and Contribution), Section 12 (Representations and Agreements to Survive Delivery), Section 18 (Governing Law and Time; Waiver of Jury Trial), Section 19 (Consent to Jurisdiction) and Section 20 (Use of Information) hereof shall remain in full force and effect notwithstanding such termination.

e. This Agreement shall remain in full force and effect unless terminated pursuant to Sections 13(a), (b), (c), or (d) above or otherwise by mutual agreement of the parties; *provided, however*, that any such termination by mutual agreement shall in all cases be deemed to provide that Section 9 (Payment of Expenses), Section 11 (Indemnification and Contribution), Section 12 (Representations and Agreements to Survive Delivery), Section 18 (Governing Law and Time; Waiver of Jury Trial), Section 19 (Consent to Jurisdiction) and Section 20 (Use of Information) shall remain in full force and effect. Upon termination of this Agreement, the Company shall not have any liability to a Distribution Agent for any discount, commission or other compensation with respect to any Placement Shares not otherwise sold by a Distribution Agent under this Agreement.

f. Any termination of this Agreement shall be effective on the date specified in such notice of termination; *provided, however*, that such termination shall not be effective until the close of business on the date of receipt of such notice by a Distribution Agent or the Company, as the case may be, *provided, further*, that the Distribution Agents shall suspend any ongoing Placement as soon as practicable following receipt of the notice of termination (and in any event by the close of business on the date of receipt). If such termination shall occur prior to the Settlement Date for any sale of Placement Shares, such Placement Shares shall settle in accordance with the provisions of this Agreement.

Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party.

16. Adjustments for Stock Splits. The parties acknowledge and agree that all share-related numbers contained in this Agreement shall be adjusted to take into account any share consolidation, stock split, stock dividend, corporate domestication or similar event effected following the date hereof with respect to the Common Stock.

17. Entire Agreement; Amendment; Severability. This Agreement (including all schedules and exhibits attached hereto and Placement Notices issued pursuant hereto) constitutes the entire agreement and supersedes all other prior and contemporaneous agreements and undertakings, both written and oral, among the parties hereto with regard to the subject matter hereof. Neither this Agreement nor any term hereof may be amended except pursuant to a written instrument executed by the Company and each of the Distribution Agents. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable as written by a court of competent jurisdiction, then such provision shall be given full force and effect to the fullest possible extent that it is valid, legal and enforceable, and the remainder of the terms and provisions herein shall be construed as if such invalid, illegal or unenforceable term or provision was not contained herein, but only to the extent that giving effect to such provision and the remainder of the terms and provisions hereof shall be in accordance with the intent of the parties as reflected in this Agreement.

18. GOVERNING LAW AND TIME; WAIVER OF JURY TRIAL. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS. SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME. THE COMPANY AND THE DISTRIBUTION AGENTS EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

19. CONSENT TO JURISDICTION. 23. Permitted Free Writing Prospectuses. The Company represents, warrants and agrees that, unless it obtains the prior consent of each of the Distribution Agents, which consent shall not be unreasonably withheld, conditioned or delayed, and each of the Distribution Agents represents, warrants and agrees that, unless it obtains the prior consent of the Company, it has not made and will not make any offer relating to the Placement Shares that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission. Any such free writing prospectus consented to by the Distribution Agents or by the Company, as the case may be, is hereinafter referred to as

a “Permitted Free Writing Prospectus.” The Company represents and warrants that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping. For the purposes of clarity, the parties hereto agree that all free writing prospectuses, if any, listed in Exhibit 23 hereto are Permitted Free Writing Prospectuses.

b. it is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated by this Agreement;

c. no Distribution Agent has provided any legal, accounting, regulatory or tax advice with respect to the transactions contemplated by this Agreement and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate;

d. it is aware that each Distribution Agent and its respective affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company and such Distribution Agent has no obligation to disclose such interests and transactions to the Company by virtue of any fiduciary, advisory or agency relationship or otherwise; and

e. it waives, to the fullest extent permitted by law, any claims it may have against a Distribution Agent for breach of fiduciary duty or alleged breach of fiduciary duty in connection with the sale of Placement Shares under this Agreement and agrees that such Distribution Agent shall not have any liability (whether direct or indirect, in contract, tort or otherwise) to it in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on its behalf or in right of it or the Company, employees or creditors of Company, other than in respect of such Distribution Agent’s obligations under this Agreement and to keep information provided by the Company to such Distribution Agent and its counsel confidential to the extent not otherwise publicly-available.

25. No Association Between Agents. Nothing in this Agreement constitutes an agreement to, or shall be construed to imply that any Distribution Agent has the right, power or authority to speak, act or negotiate on behalf of, or bind any other Distribution Agent with respect to any matters or transactions contemplated hereunder. Further, each Distribution Agent shall

solely be responsible for its own acts or omissions and shall have no responsibility for, or liability with respect to, any acts or omissions of any other Distribution Agent.

26. Termination of Agreement. The parties acknowledge and agree that the At Market Issuance Sales Agreement among the parties dated December 23, 2015 is hereby terminated.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433, relating to the Placement Shares that (1) is required to be filed with the Commission by the Company, (2) is a “road show” that is a “written communication” within the meaning of Rule 433(d)(8)(i) whether or not required to be filed with the Commission, or (3) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Placement Shares or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company’s records pursuant to Rule 433(g) under the Securities Act.

“Rule 172,” “Rule 405,” “Rule 415,” “Rule 424,” “Rule 424(b),” “Rule 430B,” and “Rule 433” refer to such rules under the Securities Act.

All references in this Agreement to the Registration Statement, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to EDGAR; all references in this Agreement to any Issuer Free Writing Prospectus (other than any Issuer Free Writing Prospectuses that, pursuant to Rule 433, are not required to be filed with the Commission) shall be deemed to include the copy thereof filed with the Commission pursuant to EDGAR; and all references in this Agreement to “supplements” to the Prospectus shall include, without limitation, any supplements, “wrappers” or similar materials prepared by the Company in connection with any offering or sale of any Placement Shares by the Distribution Agents outside of the United States.

Ladies and Gentlemen:

You have requested our opinion with respect to certain matters in connection with the proposed offer and sale by Spectrum Pharmaceuticals, Inc., a Delaware corporation (the “**Company**”), of up to an aggregate of \$150,000,000 of shares of the Company’s common stock, par value \$0.001 per share (the “**Placement Shares**”), pursuant to a Registration Statement on Form S-3 (File No. 333-208760) (the “**Registration Statement**”), which was originally filed under the Securities Act of 1933, as amended (the “**Securities Act**”) with the Securities and Exchange Commission (“**SEC**”) on December 23, 2015 and declared effective by the SEC on February 3, 2016, the base prospectus contained in the Registration Statement (the “**Base Prospectus**”), and the prospectus supplement relating to the proposed offer and sale of the Placement Shares filed with the SEC on August 4, 2017 pursuant to Rule 424(b) of the rules and regulations under the Securities Act (the “**Prospectus Supplement**”), and together with the Base Prospectus, the “**Prospectus**”). We understand that the Placement Shares are proposed to be offered and sold by the Company through H.C. Wainwright & Co. LLC, FBR Capital Markets & Co., and MLV & Co. LLC (the “**Distribution Agents**”) pursuant to an at market issuance sales agreement among the Company and the Distribution Agents (the “**At Market Issuance Sales Agreement**”).

As to questions of fact material to our opinions, we have relied upon the certificates of certain officers of the Company without independent investigation or verification.

Based on the foregoing, we are of the opinion that the Placement Shares have been duly authorized and, when issued and sold in the manner described in the Registration Statement, the Prospectus and the At Market Issuance Sales Agreement, will be validly issued, fully paid and non-assessable.

We render this opinion only with respect to the General Corporation Law of the State of Delaware, and we express no opinion herein concerning the application or effect of the laws of any other jurisdiction.

We hereby consent to the use of this opinion as Exhibit 5.1 to the Company’s Current Report on Form 8-K filed with the SEC on the date hereof, which is incorporated by reference into the Registration Statement, and further consent to the reference to us in the Registration Statement and any amendments thereto. In giving such consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations thereunder.

This opinion is intended solely for use in connection with the offer and sale of the Placement Shares pursuant to the Registration Statement and is not to be relied upon for any other purpose or delivered to or relied upon by any other person without our prior written consent. This opinion is rendered as of the date hereof and based solely on our understanding of facts in existence as of such date after the examination described in this opinion. We assume no obligation to advise you of any fact, circumstance, event or change in the law or the facts that may

hereafter be brought to our attention whether or not such occurrence would affect or modify the opinions expressed herein.
