Magellan Rx Management Earns URAC Reaccreditation in Pharmacy Benefit Management

Designation demonstrates the highest level of commitment to quality healthcare

SCOTTSDALE, Ariz.--(BUSINESS WIRE)-- [Magellan Health, Inc.](#) (NASDAQ: MGLN) today announced that Magellan Rx Management, the company's pharmacy benefit management (PBM) division, through its subsidiary Magellan Pharmacy Solutions, has earned URAC reaccreditation in Pharmacy Benefit Management for the commercial and managed care lines of business. URAC is the independent leader in promoting healthcare quality through accreditation, certification and measurement. By achieving this status, Magellan Rx Management has demonstrated a comprehensive commitment to quality care, improved processes and better patient outcomes.

"This accreditation underscores Magellan Rx Management's commitment to administering clients' benefits in accordance with industry best practices and standards, and with their members' best interest in mind," said Scott Helmus, chief operating officer of Magellan Rx Management. "We're proud of our team, and the work they do each and every day to help individuals live healthy, vibrant lives."

"URAC accreditation shows that Magellan Rx Management is a pharmacy benefit management organization able to adhere to standards that cover important aspects of care such as claims processing, developing proper drug formulary, and consumer access," said URAC president and CEO Kylanne Green. "Quality policies and procedures are paramount as the price and complexity of medications rise. Magellan Rx Management chose to demonstrate their performance through URAC's independent accreditation of their services."

In addition to Pharmacy Benefits Management, Magellan Rx Management is also URAC-accredited for Health Utilization Management, as well as Specialty Pharmacy.
