## **Edgewater Ranzal Receives 2016 Oracle Excellence Award for Outstanding Success in Big Data**

WHITE PLAINS, N.Y., Aug. 04, 2016 (GLOBE NEWSWIRE) -- Edgewater Technology-Ranzal, LLC, (Edgewater Ranzal), a wholly-owned subsidiary of Edgewater Technology, Inc. (NASDAQ:EDGW) and Platinum level member of Oracle PartnerNetwork (OPN), was awarded the 2016 Oracle Excellence Award in the category of Big Data. The award is calculated by performance excellence and support over Oracle's fiscal year representing outstanding growth and innovation that helps drive Oracle Cloud solutions.

"We are extremely proud to be recognized by Oracle as a leader in Big Data," said Edgewater Ranzal President Robin Ranzal. "The strategic development of our Big Data solutions team was a channel approach to help us expand our Oracle expertise and help customers define a vision and utilize their data for a competitive advantage - this award reinforces our strategic direction and the progress we have achieved."

The Edgewater Ranzal Big Data team is dedicated to driving continued creative, innovative and targeted solutions for organizations to power a data marketplace to make information available for both business and non-technical users. The team will continue to invest in Oracle and offer knowledge driven experiences through webcasts, participation at Oracle OpenWorld and live events to allow users to understand how to use data to solve problems.

"Edgewater Ranzal has demonstrated an outstanding level of innovation in delivering proven Oracle Big Data solutions that solve our joint customers' most critical business challenges," said Bill Swales, group vice president - North America Alliance and Channels, Oracle. "We congratulate Edgewater Ranzal in achieving the 2016 Oracle Excellence Award for Outstanding Success in Big Data."

"This accomplishment is a testament to Edgewater Ranzal's dedication to excellence in providing customers solutions that drive real business value and results," says Jeff Gallagher, group vice president Big Data, Oracle. "It supports the leadership Edgewater Ranzal has developed in the area of Oracle Big Data and serving our clients with superior analytical advancement."

### **About Edgewater Ranzal**

Edgewater Ranzal is a full-service Platinum level member of Oracle PartnerNetwork (OPN) with expertise in delivering Oracle Enterprise Performance Management (EPM), Oracle Business Intelligence (BI) and Oracle Big Data solutions. We consistently apply and update leading-practice methodologies to address changing business requirements and take advantage of evolving system capabilities. ### **About Oracle PartnerNetwork**

Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program — an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
