FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 23, 2009

General

The enclosed Proxy is solicited on behalf of the Board of Directors of Silicon Laboratories Inc., a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on April 23, 2009 at 9:30 a.m. Central Time at the Lady Bird Johnson Wildflower Center, 4801 La Crosse Avenue, Austin, Texas 78739, or at any adjournment thereof. These proxy solicitation materials were mailed on or about March 13, 2009 to all stockholders entitled to vote at the Annual Meeting.

Voting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying notice and are described in more detail in this Proxy Statement. On February 24, 2009, the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting, 44,838,385 shares of our common stock were outstanding and no shares of our preferred stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held by such stockholder on February 24, 2009. The presence, in person or by proxy, of the holders of a majority of our shares entitled to vote is necessary to constitute a quorum at the Annual Meeting or at any adjournment thereof. Stockholders may not cumulate votes in the election of directors. The vote of a plurality of the shares of our common stock present in person or represented by proxy at this meeting and entitled to vote on the election of directors is necessary for the election of a director. The nominee receiving the greatest number of votes at this meeting will be elected to our Board of Directors, even if less than a majority of such shares were voted for the nominee. The affirmative vote of a majority of our shares present in person or represented by proxy at the Annual Meeting and entitled to vote will be required to approve Proposals Two, Three and Four.

All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (*i.e.*, a Proxy submitted by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter). Abstentions and broker non-votes will be counted as present for purposes of determining a quorum for the transaction of business, but will not be counted for purposes of determining whether each proposal has been approved.

Proxies

If the enclosed form of Proxy is properly signed and returned or you properly follow the instructions for telephone or internet voting, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the Proxy does not specify how the shares represented thereby are to be voted, the Proxy will be voted FOR the election of the directors proposed by the Board of Directors unless the authority to vote for the election of such directors is withheld and, if no contrary instructions are given, the Proxy will be voted FOR the approval of the selection of Ernst & Young LLP as our independent registered public accounting firm, FOR the approval of our 2009 Stock Incentive Plan and FOR our 2009 Employee Stock Purchase Plan. You may revoke or change your Proxy at any time before the Annual Meeting by filing either a notice of revocation or another signed Proxy with a later date with our Corporate Secretary at our principal executive offices at 400 West Cesar Chavez, Austin, Texas 78701. You may also revoke your Proxy by attending the Annual Meeting and voting in person.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the Proxy and any additional solicitation materials furnished to the stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding in their names shares that are beneficially owned by others so that they may forward this solicitation material

to such beneficial owners. In addition, we may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail and the internet may be supplemented by a solicitation by telephone or other means by directors, officers or employees. No additional compensation will be paid to these individuals for any such services. Except as described above, we do not presently intend to solicit Proxies other than by mail and the internet.

Deadline for Receipt of Future Stockholder Proposals

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, stockholder proposals to be presented at our 2010 annual meeting of stockholders and in our proxy statement and form of proxy relating to that meeting must be received by us at our principal executive offices at 400 West Cesar Chavez, Austin, Texas 78701, addressed to our Corporate Secretary, not later than November 13, 2009, the date which is at least 120 days prior to March 13, 2010, the anniversary of the date of this Proxy Statement. These proposals must comply with applicable Delaware law, the rules and regulations promulgated by the Securities and Exchange Commission (“SEC”) and the procedures set forth in our bylaws. Pursuant to our bylaws, stockholder proposals received after November 13, 2009 will be considered untimely. Director Nomination

In evaluating potential director candidates, the Nominating and Corporate Governance Committee considers the appropriate balance of experience, skills and characteristics required of the Board of Directors and seeks to ensure that at least a majority of the directors are independent under the applicable Marketplace Rules of The NASDAQ Stock Market, Inc. The Nominating and Corporate Governance Committee selects

director nominees based on their personal and professional integrity, depth and breadth of experience, ability to make independent analytical inquiries, understanding of our business, willingness to devote adequate attention and time to duties of the Board of Directors and such other criteria as is deemed relevant by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge and skills.

In identifying potential director candidates, the Nominating and Corporate Governance Committee relies on recommendations made by current directors and officers. In addition, the Nominating and Corporate Governance Committee may engage a third party search firm to identify and recommend potential candidates. Finally, the Nominating and Corporate Governance Committee will consider candidates recommended by stockholders.

Any stockholder wishing to recommend a director candidate for consideration by the Nominating and Corporate Governance Committee must provide written notice not later than November 13, 2009 to the Corporate Secretary at our principal executive offices located at 400 West Cesar Chavez, Austin, Texas 78701. In addition, such notice must contain (i) a representation that the stockholder is a holder of record of stock of the corporation entitled to vote at such meeting, (ii) the name and address, as they appear on the corporation's books, of the stockholder proposing such nomination, (iii) the class and number of shares of the corporation that are beneficially owned by such stockholder, (iv) any material interest of the stockholder in such recommendation and (v) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, in such stockholder's capacity as proponent of a stockholder proposal. Assuming that a stockholder recommendation contains the information required above, the Nominating and Corporate Governance Committee will evaluate a candidate recommended by a stockholder by following substantially the same process, and applying substantially the same criteria, as for candidates identified through other sources.

Director Compensation and Indemnification Arrangements

Under our 2000 Stock Incentive Plan, non-employee directors received option grants at periodic intervals under the automatic option grant program. Under the automatic option grant program, each non-employee director received an initial automatic option grant to purchase 30,000 shares of common stock on the date such individual joined the Board of Directors. The initial automatic option grants are immediately exercisable, vest in four equal successive annual installments upon each additional year of service measured from the date of grant, and have exercise prices equal to the fair market value as of the grant date. In addition, on the date of each annual meeting of stockholders, each non-employee director who continued to serve as a non-employee director received an automatic annual option grant to purchase 5,000 shares of common stock, provided, in each case, that such individual had served as a non-employee director for at least six months. The annual option grants are immediately exercisable, vest on the first anniversary of the date of grant and have exercise prices equal to the fair market value as of the grant date. Under this program, on the date of our 2008 annual meeting of stockholders, Messrs. Cash, Chan, Enloe, Sooch, Walker and Wood and Ms. Onken each received an automatic annual option grant to purchase 5,000 shares of common stock at an exercise price of \$33.85.

Non-employee directors are also eligible to receive option grants under the discretionary option grant program of the 2000 Stock Incentive Plan. As Chairman of the Board, Mr. Sooch received a discretionary annual option grant to purchase 2,500 shares of common stock at an exercise price of \$33.85 on the date of the 2008 annual meeting of stockholders. In December 2008, Messrs. Cash, Chan, Enloe, Sooch, Walker and Wood and Ms. Onken each received a discretionary option grant to purchase 5,000 shares of common stock at an exercise price of \$21.13. As Chairman of the Board, Mr. Sooch also received a discretionary option grant to purchase 2,500 shares of common stock at an exercise price of \$21.13.

The Board of Directors has decided that there will be no further automatic option grants under the 2000 Stock Incentive Plan and has also discontinued the granting of discretionary option grants to non-employee directors. In lieu of such option grants, on the date of each annual meeting of stockholders, the Board intends to grant each continuing non-employee director a restricted stock unit award that shall vest on the first anniversary of the date of grant at no cost covering a number of shares of the Company's common stock equal to \$150,000 (\$225,000 for the Chairperson of the Board) divided by the fair market value of the Company's common stock as of the date of grant; provided that such individual has served as a non-employee director for at least six months.

We pay our non-employee directors cash compensation consisting of (a) \$25,000 per person per year, (b) an additional \$2,000 per regular meeting of the Board of Directors, (c) an additional \$20,000 per year for the Chairman of the Audit Committee, (d) an additional \$5,000 per year for each Audit Committee member (excluding the Chairman), (e) an additional \$10,000 per year for the Chairman of the Compensation Committee, (f) an additional \$5,000 per year for the Chairman of the Nominating and Corporate Governance Committee, and (g) an additional \$10,000 per year for the Lead Director. An additional \$20,000 per year is paid to the Chairman of the Board. Payments under the cash compensation plan are generally paid in equal quarterly installments on the last day of each fiscal quarter.

During fiscal 2008 Messrs. Cash, Chan, Enloe, Sooch, Walker and Wood and Ms. Onken were each paid the annual fee of \$25,000, and a per meeting fee of \$2,000 for each board meeting attended, pursuant to the cash compensation plan. Mr. Enloe was paid \$20,000 for his service as Chairman of the Audit Committee. Messrs. Walker and Wood and Ms. Onken were each paid \$5,000 for their services on the Audit Committee during the fiscal year. Further, Mr. Enloe received an additional \$5,000 for his service

as Chairman of the Nominating and Corporate Governance Committee, Mr. Walker an additional \$10,000 for his service as Chairman of the Compensation Committee, Mr. Wood an additional \$10,000 for his service as Lead Director, and Mr. Sooch an additional \$20,000 for his service as Chairman of the Board.

Our certificate of incorporation limits the personal liability of our directors for breaches by them of their fiduciary duties. Our bylaws require us to indemnify our directors to the fullest extent permitted by Delaware law. We have also entered into indemnification agreements with all of our directors and have purchased directors' and officers' liability insurance.

In addition to the above compensation, we also reimburse directors for all reasonable out-of-pocket expenses incurred for attending board and committee meetings.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote FOR the election of the Nominees for Class II Directors as listed above.

PROPOSAL TWO: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed the firm of Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending January 2, 2010. Ernst & Young LLP has audited our financial statements since our inception in 1996. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

The following table presents fees for professional services rendered by Ernst & Young LLP for fiscal 2008 and 2007:

	<u>2008</u>	<u>2007</u>
Audit fees	\$1,130,100	\$1,552,800
Audit-related fees	3,750	16,500
Tax fees	—	—
All other fees	6,495	6,495
Total	<u>\$1,140,345</u>	<u>\$1,575,795</u>

Audit Fees. Audit fees relate to services rendered in connection with the audits of the annual consolidated financial statements and attestation of management’s report on internal controls over financial reporting included in our Form 10-K, the quarterly reviews of financial statements included in our Form 10-Q filings, fees associated with SEC registration statements, assistance in responding to SEC comment letters, accounting consultations related to audit services and statutory audits required internationally.

Audit-Related Fee. Audit-related fees include services for assurance and other related services, such as consultations concerning financial accounting and reporting matters and due diligence related to mergers and acquisitions.

Tax Fees. Tax fees include services for tax compliance, research and technical tax advice.

All Other Fees. All other fees include the aggregate fees for products and services provided by Ernst & Young LLP that are not reported under “Audit Fees”, “Audit-Related Fees” or “Tax Fees”.

The Audit Committee is authorized by its charter to pre-approve all auditing and permitted non-audit services to be performed by our independent registered public accounting firm. The Audit Committee reviews and approves the independent registered public accounting firm’s retention to perform attest services, including the associated fees. The Audit Committee also evaluates other known potential engagements of the independent registered public accounting firm, including the scope of the proposed work and the proposed fees, and approves or rejects each service, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent registered public accounting firm’s independence from management. At subsequent meetings, the Committee will receive updates on the services actually provided by the independent registered public accounting firm, and management may present additional services for approval. The Committee has delegated to the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Committee in the event that a need arises for pre-approval between Committee meetings. If the Chairman so approves any such engagements, he will report that approval to the full Audit Committee at its next meeting. During fiscal 2008, all such services were pre-approved in accordance with the procedures described above.

Our Audit Committee has reviewed the fees described above and believes that such fees are compatible with maintaining the independence of Ernst & Young LLP.

Stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or other applicable legal requirement. However, the appointment of Ernst & Young LLP is being submitted to the stockholders for ratification. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm. Even if the appointment is ratified, the Audit Committee at its discretion may direct the appointment of a different

independent registered public accounting firm at any time during the year if it determines that such a change would be appropriate.

Recommendation of the Board of Directors

Upon the recommendation of our Audit Committee, our Board of Directors recommends that the stockholders vote FOR the ratification of the appointment of Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending January 2, 2010.

PROPOSAL THREE: APPROVAL OF 2009 STOCK INCENTIVE PLAN

Background

Our stockholders are being requested to approve the 2009 Stock Incentive Plan attached hereto as Annex B (the "2009 Plan") by voting in favor of Proposal Three.

Our Board of Directors adopted the 2009 Plan on January 29, 2009, subject to the approval of the stockholders at the 2009 Annual Meeting. The 2009 Plan is intended to succeed our 2000 Stock Incentive Plan (the "2000 Plan"), as amended and restated in March 2001, which is currently scheduled to expire no later than January 4, 2010. If approved by our stockholders at the 2009 Annual Meeting, the 2009 Plan will become effective immediately, and no further awards will be granted under the 2000 Plan. The 2009 Plan will have a term of 10 years from the date of its approval by our stockholders. If the 2009 Plan is not approved, we will be at a competitive disadvantage if we are unable to offer further equity awards after expiration of the 2000 Plan.

The following is a summary of the material terms of the 2009 Plan as proposed to be approved by our stockholders. This summary is qualified in its entirety by the complete terms of the 2009 Plan as set forth in Annex B hereto.

Purpose of 2009 Stock Incentive Plan

The purposes of the 2009 Plan are to attract and retain the best available personnel, to provide additional incentives to our employees, non-employee directors and consultants, and to promote the success of our business by linking the personal interests of the employees, non-employee directors and consultants to those of our stockholders by providing such individuals with an incentive for outstanding performance to generate superior returns to our stockholders.

Shares Reserved for Issuance under 2009 Stock Incentive Plan

As proposed, the total number of shares of our common stock that will be authorized and available for issuance pursuant to awards granted under the 2009 Plan if it is approved by our stockholders is 6,800,000 shares, subject to adjustment in the event of specified capitalization events of our company. Such share reserve will not include any shares of common stock which as of the effective date of the 2009 Plan are available for issuance under the 2000 Plan; all shares of common stock that are not issued or issuable pursuant to awards outstanding under the 2000 Plan as of the effective date of the 2009 Plan will no longer be available for issuance under any equity incentive plan. As of February 24, 2009, there were 5,229,306 shares of options outstanding and issuable under the 2000 Plan with a weighted average exercise price of \$32.94 per share and a weighted average term to expiration of 5.0 years. In addition, on February 24, 2009, there were 2,542,395 shares of full value awards outstanding and issuable under the 2000 Plan.

To the extent that an award granted under the 2009 Plan terminates, expires, lapses for any reason, or is settled in cash, any shares subject to the award will again be available for the grant of an award pursuant to the 2009 Plan. Any shares that become available for the grant of awards, for the above reasons, will be added back as 1 share if such shares were subject to options or stock appreciation rights granted under the

2009 Plan and as 1.55 shares if such shares were subject to full value awards granted under the 2009 Plan (a full value award is an award other than an award for which the participant is required to pay at least the fair market value of the underlying shares on the date of grant, such as a restricted stock award or restricted stock unit). Any shares withheld to satisfy the grant or exercise price or tax withholding obligation pursuant to any award will be treated as issued under the 2009 Plan and will be deducted from the aggregate number of shares available for future awards.

Award Limits for Code Section 162(m) Awards

Under Section 162(m) of the Internal Revenue Code, no deduction is allowed in any taxable year of our company for compensation in excess of \$1,000,000 paid to our chief executive officer and the three other highest compensated executive officers of our company (other than the chief financial officer). An exception to this rule applies to compensation that is paid pursuant to a plan approved by stockholders and that specifies, among other items, the maximum number of shares with respect to which options and stock appreciation rights may be granted to eligible participants under the plan during a specified period, and such options are granted with an exercise or strike price equal to at least fair market value as of the date of grant, and in the case of full value awards, the plan specifies the maximum amount of compensation that may be paid to an employee during a specified period, and the payment of such award is subject to satisfaction of specified performance objectives. For additional information regarding performance-based awards intended to comply with Section 162(m) of the Internal Revenue Code and the applicable performance goals and criteria that may be established for such awards, please refer to the discussion under the heading “Performance-Based Awards to Covered Employees,” below.

In the case of any award intended to comply with Section 162(m) of the Internal Revenue Code in any calendar year, the maximum number of shares with respect to one or more awards that may be granted to any one participant during the year under the 2009 Plan is 1,000,000 shares, subject to adjustment in the event of specified capitalization events of our company, and the maximum amount that may be paid in cash during any calendar year with respect to any award is \$30 million. To the extent required by Section 162(m) of the Internal Revenue Code, if any award is canceled, the shares subject to the cancelled award will continue to count against the maximum number of shares with respect to which an award may be granted to a participant.

Awards

Under the 2009 Plan, the following awards may be granted: stock options (including “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code), stock appreciation rights, and awards of performance shares, performance stock units, restricted stock units, performance-based awards, and other awards (collectively, all such grants are referred to as “awards”).

Eligibility

Incentive stock options may be granted only to our employees and to employees of any of our subsidiaries. Awards other than incentive stock options may be granted to our non-employee directors and to employees of, and consultants to, our company and any of our affiliates. Assuming the 2009 Plan were in effect, as of February 24, 2009, seven non-employee directors, and approximately seven hundred thirty employees would be eligible to participate in the 2009 Plan.

Administration

The 2009 Plan provides that it will be administered by our Board of Directors, unless the Board of Directors elects to delegate administration responsibilities to a committee. (In this Proxy Statement, we will refer to the Board of Directors or the committee to which administration of the 2009 Plan has been delegated as the “Committee”). Unless otherwise determined by our Board of Directors, the 2009 Plan requires that any committee to which administration responsibilities are delegated must consist solely of two or more members

of our Board of Directors each of whom is an “outside director,” within the meaning of Section 162(m) of the Code, a “non-employee director” satisfying the requirements of Section 16 of the Securities Exchange Act of 1934, as amended and an “independent director” under the NASDAQ rules (or other principal securities market on which our common stock is traded). The Committee has the sole authority to grant awards and sole and exclusive discretion to interpret and administer the 2009 Plan. The Committee determines the eligible individuals who will receive grants and the precise terms of the grants (including accelerations or waivers of any restrictions, and the conditions under which such accelerated vesting or waivers occur, such as in connection with a participant’s death, subject to certain limitations in the case of performance-based awards that are intended to qualify as qualified performance-based compensation under Section 162(m) of the Internal Revenue Code). The decisions of the Committee will be final and binding on all holders of awards. To the extent permitted by applicable law, our Board of Directors also may delegate to a committee of one or more members of our Board of Directors or one or more officers of our company the authority to grant or amend awards to participants other than employees who are subject to Section 16 of the Securities Exchange Act of 1934, as amended, employees subject to Section 162(m) of the Internal Revenue Code, or officers or directors of our company to whom authority to grant or amend awards has been delegated.

Stock Options

The 2009 Plan authorizes the grant of incentive stock options, which are intended to satisfy the requirements of Section 422 of the Internal Revenue Code, and non-qualified stock options, which do not satisfy the requirements of Section 422 of the Code. The exercise price of stock options granted under the 2009 Plan may not be less than 100% (or higher in the case of certain incentive stock options) of the fair market value of a share of our common stock on the date of grant. While the shares are traded on an established stock exchange, “fair market value” means, as of any given date, the closing price of a share as quoted on the principal exchange on which the shares are listed for such date, or if no sale occurred on such date, the first trading date immediately prior to such date during which a sale occurred. As of February 24, 2009, the fair market value of a share of our common stock was \$22.26. The Committee may not, absent the approval of the stockholders, reduce the exercise price of any outstanding options. Options granted under the 2009 Plan will vest at the rate specified by the Committee. No stock option will be exercisable more than 10 years after the date it is granted. Generally, upon termination of employment (other than by reason of death or disability), a participant will have a period of 3 months in which to exercise any incentive stock options that were vested as of the date of employment termination and any unvested options will be forfeited. Upon a termination of a participant’s employment due to death or disability, incentive stock options will generally expire one year after the date employment terminates.

The Committee determines the methods by which the exercise price of options is paid, including the following: in cash, in shares, or in other property that is acceptable to the Committee. An option may also be exercised through a broker-dealer sale and remittance procedure pursuant to which the participant effects a same-day exercise of the option and sale of the purchased shares in order to cover the exercise price for the purchased shares and the applicable withholding taxes. In addition, the Committee may provide financial assistance to a participant who wishes to exercise his or her outstanding options, provided that the participant is not an executive officer or member of the Board of Directors, by allowing the participant to deliver an interest-bearing promissory note in the amount of the exercise price and any associated withholding taxes.

Restricted Stock Awards

An award of restricted stock is a direct grant of common stock, subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote the underlying shares or the right to receive dividends with respect to the underlying shares). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the award or thereafter. Generally, any shares subject to restrictions are forfeited upon termination of employment, though such restrictions may be waived in whole or part by the Committee. The price that

participants will pay for each share of restricted stock will be set by the Committee and will be paid in a form approved by the Committee, which may be cash, services rendered or to be rendered to our company or an affiliate of our company, or in another form of payment.

Stock Appreciation Rights

Stock appreciation rights (or “SARs”) typically provide for payments to the holder based upon increases in the price of our shares from the date the SAR was granted to the date that the right is exercised. The Committee may elect to settle exercised SARs in cash, in shares, or in a combination of cash and shares. The grant price of a SAR may not be less than the fair market value of a share on the date of grant of the SAR. No SAR will be exercisable more than 10 years after the date it is granted. Upon termination of a participant’s employment (other than by reason of death or retirement), a SAR will generally be subject to the same conditions as apply to stock options.

Other Awards

Performance Share Awards. Performance share awards are awards of shares that may be linked to any one or more of the performance criteria determined appropriate by the Committee, and that may be measured on a specified date or dates or over any period or periods determined by the Committee. If and when the performance shares vest (or such later date determined by the Committee and as set forth in the agreement evidencing the award), the participant will be issued one unrestricted, fully transferable share for each performance share that vests on such date and not previously forfeited.

Performance Stock Unit. Performance stock unit awards are awards denominated in unit equivalent of shares and/or units of value including dollar value of shares that may be linked to any one or more of the performance criteria determined appropriate by the Committee, and that may be measured on a specified date or dates or over any period or periods determined by the Committee. On the vesting date (or such later date determined by the Committee and set forth in the agreement evidencing the award), the participant will be issued one unrestricted, fully transferable share for each performance stock unit scheduled to be paid out on such date and not previously forfeited. Alternatively, settlement of a performance stock unit may be made in cash (in an amount reflecting the fair market value of the shares that would have been issued) or any combination of cash and shares, as determined by the Committee, in its sole discretion. The Committee may authorize dividend equivalents to be paid on outstanding performance stock units. Dividend equivalents are rights to receive the equivalent value, in cash or shares, of dividends paid on shares that are subject to an award. If dividend equivalents are authorized to be paid, they may be paid in either cash or shares at the time dividends are declared on the shares or at the time the awards vest, in the discretion of the Committee.

Restricted Stock Unit. Restricted stock units are denominated in unit equivalent of shares and are typically awarded to participants without payment of consideration. They are subject to vesting conditions based upon a schedule or performance criteria established by the Committee. Unlike restricted stock, the stock underlying restricted stock units will not be issued until the restricted stock units have vested. In addition, recipients of restricted stock units generally have no voting or dividend rights until the vesting conditions are satisfied. Restricted stock units may be settled in shares, cash or a combination of both. On the vesting date (or such later date as determined by the Committee and set forth in the agreement evidencing the award), the participant will be issued one unrestricted, fully transferable share for each restricted stock unit scheduled to be paid out on such date and not previously forfeited. Alternatively, settlement of a restricted stock unit may be made in cash (in an amount reflecting the fair market value of shares that would have been issued) or any combination of cash and shares, as determined by the Committee, in its sole discretion. The Committee may authorize dividend equivalents to be paid on outstanding restricted stock units. If dividend equivalents are authorized to be paid, they may be paid in cash or shares at the time dividends are declared on the shares or at the time the awards vest, in the discretion of the Committee.

Other Awards. The Committee is authorized under the 2009 Plan to make any other award that is not inconsistent with the provisions of the 2009 Plan and that by its terms involves or might involve the issuance of shares, or of a right vesting based on the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or the issuance of any other security with the value derived from the value of the shares.

Termination of Employment. An award of performance shares, performance stock units, restricted stock units or any other award may generally only be exercisable or payable while the participant is an employee, consultant or director, as applicable. However, the Committee may also provide that these awards may be exercised or paid subsequent to a termination of employment or service, as applicable, or following a change in control of our company, or because of the participant's retirement, death or disability.

Performance-Based Awards to Covered Employees

Performance-based awards include awards other than options or SARs which comply with IRS requirements under Section 162(m) of the Internal Revenue Code for performance-based compensation. The Committee may designate employees as "covered employees" (our chief executive officer and our three other highest compensated executive officers other than our chief financial officer) whose compensation for a given fiscal year may be subject to the limit on deductible compensation imposed by Section 162(m) of the Code. The Committee may grant to such covered employees awards that are paid, vest or become exercisable upon the attainment of company performance goals which are related to one or more of the following performance criteria as applicable to us or any of our subsidiaries, divisions or operating units, or the performance of an individual, any of which performance criteria may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group:

- Earnings or net earnings (either before or after interest, taxes, depreciation and amortization)
- Economic value-added
- Sales or revenue
- Income
- Net income (either before or after taxes)
- Operating earnings
- Cash flow (including, but not limited to, operating cash flow and free cash flow)
- Cash flow return on capital
- Return on assets or net assets
- Return on stockholders' equity
- Return on capital
- Stockholder returns
- Return on sales
- Gross or net profit margin
- Productivity
- Expense
- Margins
- Operating efficiency
- Customer satisfaction

- Working capital
- Earnings per share
- Price per share
- Market share
- New products
- Customer penetration
- Technology and risk management

At the time of grant, the Committee may specify one or more objectively determinable adjustments permitted under the 2009 Plan that may be made to one or more of the performance goals.

Transferability of Awards

Except as otherwise provided by the Committee, no award may be assigned, transferred, or otherwise disposed of by a participant other than by will or the laws of descent and distribution or pursuant to beneficiary designation procedures approved from time to time by the Committee. The Committee by express provision in the award agreement may permit an award (other than an incentive stock option) to be transferred to certain persons or entities related to the participant, including, but not limited to, members of the participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish.

Changes in Control

The 2009 Plan contains a change in control provision, which may result in the accelerated vesting of outstanding awards. Except as may otherwise be provided in an agreement evidencing an award, in the event of a change in control of our company, each award outstanding under the 2009 Plan will immediately vest, unless the award is converted, assumed or replaced by the successor corporation, and following the change in control, the awards shall immediately terminate. The Committee may also provide at any time that an award will automatically accelerate in connection with a change in control, regardless of whether it is assumed or not. In addition, where awards are assumed in connection with a change in control, the Committee may provide that they will automatically be accelerated upon an "involuntary termination" of the participant's employment within a designated period not to exceed 18 months following the change in control.

A change in control is generally defined as:

- the direct or indirect acquisition of more than 50% of the voting stock of our company;
- if, during any period of two consecutive years, individuals who, at the beginning of such period, constitute our Board of Directors together with any new directors whose election was approved by a vote of at least a majority of the directors then still in office who either were directors at the beginning of the two-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority of such body;
- the consummation of (i) a merger, consolidation, reorganization or business combination in which our company is a party, (ii) a sale or other disposition of all or substantially all of our assets, or (iii) the acquisition of assets or stock of another entity (other than a transaction which results in our outstanding voting securities immediately before the transaction continuing to represent a majority of the voting power of the acquiring company's outstanding voting securities and after which no person owns 50% or more of the voting stock of the successor entity); or
- a liquidation or dissolution of our company.

Adjustments Upon Changes in Capitalization

In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, or other distribution (other than normal cash dividends) of assets to our stockholders or any other change in capitalization affecting our shares other than certain equity restructurings identified in the 2009 Plan, the Committee has discretion to make appropriate adjustments in the number and type of shares subject to the 2009 Plan, the terms and conditions of any award outstanding under the 2009 Plan, and the grant or exercise price of any such award. In the case of certain equity restructurings as specified in the 2009 Plan, the number and type of securities subject to each outstanding award and the grant or exercise price will be adjusted without any discretion on the part of the Committee.

Amendment and Termination of Plan

With the approval of the Board of Directors, at any time and from time to time, the Committee may terminate, amend or modify the 2009 Plan, except that the Committee may not, without prior stockholder approval, amend the 2009 Plan in any manner that would require stockholder approval to comply with any applicable laws, rules or regulations, including increasing the number of shares available under the 2009 Plan (other than any adjustment), or permitting the Committee to extend the exercise period for an option beyond 10 years from the date of grant. Except as may be required in the event the Committee determines an award may be subject to Section 409A of the Internal Revenue Code, no termination, amendment or modification of the 2009 Plan may adversely affect in any material way any award granted under the 2009 Plan without the consent of the participant.

Furthermore, absent approval of our stockholders, no option or SAR may be amended to reduce the exercise price or grant price of the shares subject to such option or SAR and (except as permitted under Article 11 of the 2009 Plan dealing with certain capitalization adjustments and change in control), no option or SAR may be cancelled in exchange for cash or granted in connection with the cancellation, surrender or substitution of an option or SAR having a higher per share exercise price.

Plan Term

No further grants will be made under the 2009 Plan after the 10th anniversary of the date our stockholders approve the 2009 Plan, except that no incentive stock options may be granted under the 2009 Plan after the earlier of the 10th anniversary of the date the 2009 Plan is approved by our Board of Directors or the date the 2009 Plan is approved by our stockholders. Any awards that are outstanding at the time the 2009 Plan terminates will remain in force according to the terms of the 2009 Plan and the applicable agreement evidencing the award.

Federal Income Tax Consequences

The following is a summary of the U.S. federal income tax consequences of transactions under the 2009 Stock Incentive Plan based on current federal income tax laws. The 2009 Plan is not qualified under Section 401(a) of the Internal Revenue Code. **The summary is general in nature and is not intended to cover all tax consequences that may apply to a particular employee, director or to our company. The provisions of the Internal Revenue Code and regulations thereunder relating to these matters are complicated, may change and their impact in any one case may depend upon the particular circumstances. Further, this summary does not discuss the tax consequences of a participant's death or the provisions of any income tax laws of any municipality, state or foreign country in which a participant may reside.**

Nonqualified Stock Options. With respect to nonqualified stock options: (i) no income is recognized by the participant at the time the nonqualified stock option is granted; (ii) generally, at exercise, ordinary income is recognized by the participant in an amount equal to the difference between the option exercise price paid for the shares and the fair market value of the shares on the date of exercise and we are entitled to a tax deduction in the same amount (subject to the restrictions on deductibility described under "Section 162(m)

Limitation” below); and (iii) upon disposition of the shares, any gain or loss is treated as capital gain or loss. If the options are exercised and the shares acquired are sold on the same date, generally, the difference between the option exercise price paid for the shares and the sale price is recognized as ordinary income and no capital gain or loss is reported. If required, income tax must be withheld from the participant on the income recognized by the participant upon exercise of a nonqualified stock option.

Incentive Stock Options. The grant of an incentive stock option under the 2009 Plan will not result in any federal income tax consequences to the participant or to our company. A participant recognizes no federal taxable income upon exercising an incentive stock option (subject to the alternative minimum tax rules discussed below), and we receive no deduction at the time of exercise. In the event of a disposition of common stock acquired upon exercise of an incentive stock option, the tax consequences depend upon how long the participant has held the shares of common stock. If the participant does not dispose of the shares within two years after the incentive stock option was granted, nor within one year after the incentive stock option was exercised, the participant will recognize a long-term capital gain (or loss) equal to the difference between the sale price of the shares and the exercise price. We are not entitled to any deduction under these circumstances.

If the participant fails to satisfy either of these holding periods, he or she must recognize ordinary income in the year of the disposition (referred to as a “disqualifying disposition”). The amount of such ordinary income generally is the lesser of (A) the difference between the amount realized on the disposition and the exercise price or (B) the difference between the fair market value of the common stock on the exercise date and the exercise price. Any gain in excess of the amount taxed as ordinary income will be treated as a long or short-term capital gain, depending on whether the common stock was held for more than one year. In the year of the disqualifying disposition, we are entitled to a deduction equal to the amount of ordinary income recognized by the participant, subject to possible limitations imposed by Section 162(m) of the Internal Revenue Code and so long as we withhold the appropriate taxes with respect to such income (if required) and the participant’s total compensation is deemed reasonable in amount.

The “*spread*” under an incentive stock option — *i.e.*, the difference between the fair market value of the shares at exercise and the exercise price — is classified as an item of adjustment in the year of exercise for purposes of the alternative minimum tax. If a participant’s alternative minimum tax liability exceeds such participant’s regular income tax liability, the participant will owe the larger amount of taxes. In order to avoid the application of alternative minimum tax with respect to incentive stock options, the participant must sell the shares within the same calendar year in which the incentive stock options are exercised. However, such a sale of shares within the same year of exercise will constitute a disqualifying disposition, as described above.

Stock Appreciation Rights. Upon exercise of a SAR, the participant will recognize ordinary income (treated as compensation) in an amount equal to the cash received, and if the SAR is paid in common stock, the fair market value of any shares as of the date of exercise. We generally will be entitled to a business expense deduction in the same amount and at the same time as the participant recognizes ordinary compensation income (subject to the limits of Section 162(m) of the Internal Revenue Code). If required, income tax must be withheld from the participant on the income recognized by the participant upon exercise of a SAR.

Restricted Stock. In the absence of a Section 83(b) election (as described below), a participant who receives restricted stock will recognize no income at the time of grant. When the restrictions expire, a participant will recognize ordinary income (treated as compensation) equal to the fair market value of the stock when the restrictions expire over the amount paid for the stock (if any). As the restrictions applicable to a grant of restricted stock expire (for example, if the restrictions on 20% of a grant expire on each anniversary of the grant date), the participant will include the applicable portion of the shares that vests as ordinary income (treated as compensation). The participant’s basis in the common stock is equal to the amount included in income on the expiration of the restrictions and the amount paid (if any), and the holding period will begin when the restrictions end. Any disposition of the restricted stock will result in a long- or short-term capital gain or loss (depending on the time the common stock is held after the restrictions end). We generally will be entitled to a deduction equal to the fair market value of the common stock when it is

included in the participant's income, and will also be entitled to a business expense deduction for dividends paid to the participant (if any) on common stock that remains subject to restrictions (in each case subject to the limits of Section 162(m) of the Internal Revenue Code).

If a Section 83(b) election is made within 30 days of the initial grant, the participant must recognize the fair market value of the restricted stock on the date of grant as ordinary income (treated as compensation) as of the date of grant, and the holding period would begin at the time the restricted stock is granted. We generally would be entitled to a corresponding business expense deduction for the grant, but dividends on the stock would not be deductible. Any subsequent disposition of the stock by the participant, other than by forfeiture, would result in capital gain or loss, which would be long- or short-term, depending on the holding period. Upon a subsequent forfeiture of restricted stock with respect to which a Section 83(b) election has been made, no deduction will be allowed in respect of the amount included as income at the time the Section 83(b) election was made; however, the participant will generally be allowed a loss deduction equal to the amount (if any) the participant paid for the restricted stock over the amount (if any) we paid the participant for the restricted stock at the time it is forfeited.

If required, income tax must be withheld from the participant on the income recognized by the participant at the time of vesting of the restricted stock (or grant of the restricted stock, in the event the participant makes a Section 83(b) election).

Restricted Stock Units. A participant will not recognize any income at the time a restricted stock unit is granted, nor will we be entitled to a deduction at that time. When payment on a restricted stock unit is made, the participant will recognize ordinary income in an amount equal to the fair market value of the common stock received (or if the restricted stock unit is settled in cash, the cash amount). If required, income tax must be withheld on the income recognized by the participant. We will receive a deduction for federal income tax purposes equal to the ordinary income recognized by the participant, subject to the limits of Section 162(m) of the Code.

Performance Awards. A participant will generally not recognize income at the time an award based on achievement of performance objectives is granted, nor will we be entitled to a deduction at that time. When payment on the performance award is made, the participant generally will recognize ordinary income in an amount equal to the fair market value of the common stock received (or if the award is settled in cash, the cash amount). If required, income tax must be withheld on the income recognized by the participant. We will receive a deduction for federal income tax purposes equal to the ordinary income recognized by the participant, subject to the limits of Section 162(m) of the Code.

Dividend Equivalents. A recipient of dividend equivalents generally will recognize ordinary income at the time the dividend equivalent is paid. If required, income tax must be withheld on the income recognized by the participant. We will receive a deduction for federal income tax purposes equal to the ordinary income recognized by the participant, subject to the limits of Section 162(m) of the Code.

Tax Withholding. For any award, the Committee may elect to satisfy minimum tax withholding requirements by having a reduced number of shares actually transferred to the participant under the 2009 Plan.

Section 162(m) Limitation. In general, under Section 162(m) of the Internal Revenue Code, income tax deductions of publicly-held corporations may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises and non-qualified benefits paid) for specified executive officers exceeds \$1 million (less the amount of any "excess parachute payments" as defined in Section 280G of the Internal Revenue Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain "performance-based compensation" as provided for by the Internal Revenue Code and established by an independent compensation committee which is adequately disclosed to, and approved by, stockholders. In particular, stock options and SARs will satisfy the "performance-based compensation" exception if the awards are made by a qualifying compensation committee, the underlying plan sets the maximum number of shares that can be granted to any person within a specified period and the compensation is based solely on an increase in the stock price after the grant date (*i.e.*, the option exercise price is equal to or greater than

the fair market value of the stock subject to the award on the grant date). Performance or incentive awards granted under the 2009 Plan may qualify as “qualified performance-based compensation” for purposes of Section 162(m) if such awards are granted or vest upon the pre-established objective performance goals described above.

We have attempted to structure the 2009 Plan in such a manner that the Committee can determine the terms and conditions of stock options, SARs and performance and incentive awards granted under the 2009 Plan such that remuneration attributable to such awards will not be subject to the \$1 million limitation. We have not, however, requested a ruling from the Internal Revenue Service or an opinion of counsel regarding this issue. This discussion will neither bind the Internal Revenue Service nor preclude the Internal Revenue Service from adopting a contrary position.

Section 409A. Section 409A of the Code, which was added by the American Jobs Creation Act of 2004, provides certain new requirements on non-qualified deferred compensation arrangements. These include new requirements on an individual’s election to defer compensation and the individual’s selection of the timing and form of distribution of the deferred compensation. Section 409A also generally provides that distributions must be made on or following the occurrence of certain events (i.e., the individual’s separation from service, a predetermined date, or the individual’s death). Section 409A imposes restrictions on an individual’s ability to change his or her distribution timing or form after the compensation has been deferred. For certain individuals who are officers, Section 409A requires that such individual’s distribution commence no earlier than six months after such officer’s separation from service.

Certain awards under the 2009 Plan may be designed to be subject to the requirements of Section 409A in form and in operation. For example, restricted stock units that provide for a settlement date following the vesting date may be subject to Section 409A. If an award under the 2009 Plan is subject to and fails to satisfy the requirements of Section 409A, the recipient of that award may recognize ordinary income on the amounts deferred under the award, to the extent vested, which may be prior to when the compensation is actually or constructively received. Also, if an award that is subject to Section 409A fails to Internal Revenue Code, Section 409A imposes an additional 20% federal income tax on compensation recognized as ordinary income, as well as interest on such deferred compensation.

New Plan Benefits

No awards have been granted under the 2009 Plan. The awards that will be granted to eligible participants under the 2009 Plan are subject to the discretion of the Committee and, therefore, the benefits of such awards are not determinable at this time.

Required Vote

Approval of this Proposal requires the affirmative vote of at least a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote on this Proposal, provided a quorum is present.

Recommendation of the Board of Directors

Our Board of Directors unanimously recommends that stockholders vote FOR approval of the 2009 Stock Incentive Plan.

PROPOSAL FOUR: APPROVAL OF 2009 EMPLOYEE STOCK PURCHASE PLAN

Background

Our stockholders are being requested to approve the 2009 Employee Stock Purchase Plan attached hereto as Annex C (the "2009 ESPP") by voting in favor of Proposal Four.

In January 2000, our Board of Directors adopted, and our stockholders subsequently approved, the Silicon Laboratories Inc. Employee Stock Purchase Plan (the "Current ESPP"). The Current ESPP was amended in October 2004, March 2005 and October 2005. As of February 24, 2009, an aggregate of 886,783 shares of common stock had been issued under the Current ESPP since 2000, and 1,715,163 shares of common stock remained available for purchase under the Current ESPP. The Current ESPP is generally scheduled to expire on the last day business day in April 2010.

In order to give us increased flexibility in the granting of stock purchase rights under an employee stock purchase program to U.S. and to non-U.S. employees, on January 29, 2009, our Board of Directors adopted the 2009 ESPP, subject to stockholder approval. The 2009 ESPP provides for, among other things, the ability to grant purchase rights that do not comply with Section 423(b) of the Internal Revenue Code. If approved by stockholders, the 2009 ESPP will take effect on the date of the final purchase of the offering period currently in effect under the Current ESPP. On the same date that the 2009 ESPP becomes effective, the Current ESPP will terminate, following the final purchase under the Current ESPP, such that we will not concurrently offer more than one employee stock purchase plan to employees.

Our Board of Directors believes that the 2009 ESPP is necessary in light of the impending expiration of the Current ESPP. Our Board of Directors firmly believes that the 2009 ESPP is in the best interests of Silicon Laboratories Inc. and our stockholders, as it will enable employees to continue to purchase shares of common stock at a discount, and thereby align our employees' interests with those of our stockholders. Our stockholders are being asked to approve 1,250,000 shares to be authorized and reserved for issuance under the 2009 ESPP.

The principal features of the 2009 ESPP are summarized below, but the summary is qualified in its entirety by reference to the full text of the 2009 ESPP. A copy of the 2009 ESPP is attached to this proxy statement as Annex C and is incorporated herein by reference.

Purpose of 2009 Employee Stock Purchase Plan

The 2009 ESPP is intended to promote the interests of Silicon Laboratories Inc. by providing eligible employees with the opportunity to acquire a proprietary interest in the company through participation in an employee stock purchase plan.

The rights to purchase common stock granted under the 2009 ESPP are intended to be treated as either (i) purchase rights granted under an "employee stock purchase plan," as that term is defined in Section 423(b) of the Internal Revenue Code (*i.e.*, the 423(b) Plan), or (ii) purchase rights granted under an employee stock purchase plan that is not subject to the terms and conditions of Section 423(b) of the Internal Revenue Code (*i.e.*, the Non-423(b) Plan). Silicon Laboratories Inc. will retain the discretion to grant purchase rights under either the 423(b) Plan or the Non-423(b) Plan.

Eligibility

Generally, any person who is employed by Silicon Laboratories Inc. or by a subsidiary of Silicon Laboratories Inc. that has been designated by the Board of Directors to participate in the 2009 ESPP is eligible to participate in the ESPP, provided that he or she is regularly expected to provide services for more than 20 hours per week and for more than 5 months per calendar year. For rights to purchase common stock granted under the Non-423(b) Plan, employees working less than these prescribed amounts may also be eligible to participate in the 2009 ESPP, to the extent that eligibility is required under applicable local law.

Assuming the 2009 ESPP were in effect as of February 24, 2009, almost six hundred employees would be eligible to participate in the 2009 ESPP.

Notwithstanding the foregoing, no employee is eligible for the grant of any rights under the 2009 ESPP if, immediately after such grant, the employee would own stock possessing 5% or more of the total combined voting power or value of all classes of stock of Silicon Laboratories Inc. or of any subsidiary (including any stock which such employee may purchase under all outstanding rights and options), nor will any employee be granted purchase rights to buy more than \$25,000 worth of common stock (such limit to be determined based on the fair market value of the common stock on the date the purchase rights are granted) under all of our employee stock purchase plans in any calendar year such rights are outstanding (or, if required by amended Treasury Regulations, in any calendar year such rights are outstanding and exercisable).

Stock Subject to Plan and Adjustments upon Changes in Stock

Upon approval by the stockholders, an aggregate of 1,250,000 shares of common stock will be authorized and reserved for issuance under the 2009 ESPP.

Should any change be made to our common stock by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding common stock as a class without our receipt of consideration, appropriate adjustments will be made to the maximum number and class of securities issuable under the 2009 ESPP and purchasable on any one purchase date (both per participant and in the aggregate) and to the number and class of securities and the price per share in effect under each outstanding purchase right in order to prevent the dilution or enlargement of benefits under the 2009 ESPP.

Administration

The 2009 ESPP will be administered by a committee appointed by our Board of Directors and consisting of two or more members of the Board of Directors. The plan administrator so appointed will have authority to interpret the 2009 ESPP and, for purchase rights granted under the 423(b) Plan, to adopt such rules and regulations for administering the 2009 ESPP as it may deem necessary to comply with the requirements of Section 423 of the Internal Revenue Code. Under the Non-423(b) Plan, the plan administrator may also grant rights to purchase common stock that do not comply with the requirements set forth under Section 423 of the Internal Revenue Code, in which case, the grants will be designated as being under the Non-423(b) Plan at the time of grant.

Offering Periods

The 2009 ESPP will be implemented by offering shares of common stock to eligible employees of Silicon Laboratories Inc. and its designated subsidiaries through a series of successive offering periods, each of a duration that will not exceed 24 months. Each offering period will be comprised of a series of one or more successive and/or overlapping purchase intervals. Generally, unless otherwise provided by the plan administrator, purchase intervals will run from the last business day in April each year to the last business day in October of the same year and from the last business day in October each year to the last business day in April of the following year.

Payroll Deductions

Except as otherwise provided by the plan administrator, up to a maximum of 25% of a participant's base salary, including overtime payments and shift premiums, may be contributed by payroll deductions toward the purchase price of the shares during each purchase interval within an offering period, or if payroll deductions are not permitted under applicable local law, such other method of contribution as specified by the plan administrator under the Non-423(b) Plan. A participant may reduce his or her rate of contribution one time during a purchase interval, and may increase the rate of contribution prior to the start of any new purchase interval within an offering period, in each case by filing the appropriate form

with the plan administrator. All payroll deductions collected from a participant are credited to his or her account under the 2009 ESPP and deposited with our general funds, unless otherwise required under applicable local law.

Purchase Price

The purchase price per share at which shares of common stock are sold in an offering period under the 2009 ESPP cannot be less than 85% of the lower of (i) the fair market value of a share of common stock on the participant's entry date into that offering period, or (ii) the fair market value per share on the purchase date (*i.e.*, the last business date of the purchase interval). While the shares are traded on an established stock exchange, "fair market value" means, as of any given date, the closing selling price of a share as quoted on the exchange determined by the plan administrator as the primary market for the shares, or if no sale occurred on such date, the first trading date immediately prior to such date during which a sale occurred. As of February 24, 2009, the fair market value of a share was \$22.26.

Purchase of Stock

Each purchase right will be automatically exercised on the applicable purchase date within the offering period, and shares of common stock will be purchased on behalf of each participant by applying the participant's payroll deductions for the purchase interval ending on such purchase date to the purchase of whole shares at the purchase price in effect for that purchase date.

Except as otherwise provided by the plan administrator prior to the start of an offering period, the maximum number of shares purchasable per participant on any one purchase date will not exceed 400 shares, subject to periodic adjustments in the event of certain changes in our capitalization. The total shares purchased under the 2009 ESPP on any single purchase date shall not exceed 300,000 shares, except as otherwise provided by the plan administrator prior to the start of an offering period.

Any payroll deductions not applied to the purchase of shares of common stock on any purchase date because they are not sufficient to purchase a whole share will be held for the purchase of shares on the next purchase date, while payroll deductions not applied to the purchase of shares by reason of the limitation on the maximum number of shares purchasable on the purchase date will be promptly refunded.

Termination of Purchase Right

At any time prior to the next scheduled purchase date, a participant may withdraw from participation in the 2009 ESPP by filing the appropriate form with the plan administrator, and no further payroll deductions will be collected from the participant with respect to his or her terminated purchase right. The termination of the purchase right will be irrevocable for the respective offering period.

If the participant ceases to remain an eligible employee for any reason while his or her purchase right is outstanding, the participant's purchase right will immediately terminate and the participant's accumulated payroll deductions will be refunded. However, a participant on an approved unpaid leave of absence will have the right, until the end of the purchase interval in which such leave commenced, to either withdraw all the payroll deductions collected to date on his or her behalf for that purchase interval, or have such funds held for the purchase of shares of common stock on the next scheduled purchase date.

Transferability

Rights granted under the 2009 ESPP are not transferable by a participant other than by will or by the laws of descent and distribution.

Change of Control

Each outstanding purchase right will automatically be exercised, prior to the effective date of any change of control, by applying the payroll deductions of each participant for the purchase interval in which

such change of control occurs to the purchase of whole shares of common stock at the purchase price per share established by the plan administrator for the applicable offering period.

Foreign Jurisdictions

Our Board of Directors or the plan administrator may adopt rules, procedures or sub-plans relating to the operation and administration of the Non-423(b) component of the 2009 ESPP to accommodate the specific requirements of local laws and procedures.

Amendment and Termination of Plan

Our Board of Directors may amend, suspend or terminate the 2009 ESPP at any time, with such action generally to become effective immediately following the close of any purchase interval. To the extent stockholder approval is required to amend the 2009 ESPP, whether to comply with Section 423 of the Internal Revenue Code or any applicable law or stock exchange rule, Silicon Laboratories Inc. will obtain such stockholder approval accordingly.

New Plan Benefits

Future benefits under the 2009 ESPP are not currently determinable, as they will depend on the actual purchase price of our shares of common stock in future offering periods, the market value of our common stock on various future dates, the amount of contributions eligible employees elect to make under the 2009 ESPP and similar factors. However, our named executive officers shall be subject to the same purchase restrictions as all other participants.

Federal Income Tax Information

The following summary briefly describes U.S. federal income tax consequences of rights under the 2009 ESPP, but is not a detailed or complete description of all U.S. federal tax laws or regulations that may apply, and does not address any local, state or other country laws. **Therefore, no one should rely on this summary for individual tax compliance, planning or decisions. Participants in the 2009 ESPP should consult their own professional tax advisors concerning tax aspects of rights under the 2009 ESPP. Nothing in this proxy statement is written or intended to be used, and cannot be used, for the purposes of avoiding taxpayer penalties. The discussion below concerning tax deductions that may become available to us under U.S. federal tax law is not intended to imply that we will necessarily obtain a tax benefit or asset from those deductions. Taxation of equity-based payments in other countries is complex, does not generally correspond to federal tax laws, and is not covered by the summary below.**

423(b) Plan. Rights to purchase shares granted under the 423(b) Plan are intended to qualify for favorable federal income tax treatment associated with rights granted under an employee stock purchase plan which qualifies under the provisions of Section 423(b) of the Internal Revenue Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the 2009 ESPP are sold or otherwise disposed of. If the shares are disposed of within two years from the stock purchase right grant date (*i.e.*, the beginning of the offering period or, if later, the date the participant entered the offering period) or within one year from the purchase date of the shares, a transaction referred to as a “disqualifying disposition,” the participant will realize ordinary income in the year of such disposition equal to the difference between the fair market value of the stock on the purchase date and the purchase price. The amount of such ordinary income will be added to the participant’s basis in the shares, and any additional gain or resulting loss recognized on the disposition of the shares after such basis adjustment will be a capital gain or loss. A capital gain or loss will be long-term if the participant holds the shares for more than one year after the purchase date.

If the stock purchased under the 2009 ESPP is sold (or otherwise disposed of) more than two years after the stock purchase right grant date and more than one year after the stock is transferred to the participant, then the lesser of (i) the excess of the sale price of the stock at the time of disposition over the

purchase price, and (ii) the excess of the fair market value of the stock as of the date the participant entered the offering period over the purchase price (determined as of the date the participant entered the offering period) will be treated as ordinary income. If the sale price is less than the purchase price, no ordinary income will be reported. The amount of such ordinary income will be added to the participant's basis in the shares, and any additional gain or resulting loss recognized on the disposition of the shares after such basis adjustment will be long-term capital gain or loss.

Silicon Laboratories Inc. will generally be entitled to a deduction in the year of a disqualifying disposition equal to the amount of ordinary income realized by the participant as a result of such disposition, subject to the satisfaction of any tax-reporting obligations. In all other cases, no deduction is allowed.

Non-423(b) Plan. If the purchase right is granted under the Non-423(b) Plan, then the amount equal to the difference between the fair market value of the stock on the purchase date and the purchase price will be treated as ordinary income at the time of such purchase. In such instances, the amount of such ordinary income will be added to the participant's basis in the shares, and any additional gain or resulting loss recognized on the disposition of the shares after such basis adjustment will be a capital gain or loss. A capital gain or loss will be long-term if the participant holds the shares for more than one year after the purchase date.

Silicon Laboratories Inc. will generally be entitled to a deduction in the year of purchase equal to the amount of ordinary income realized by the participant as a result of such disposition, subject to the satisfaction of any tax-reporting obligations. For U.S. participants, FICA/FUTA taxes will be due in relation to ordinary income earned as a result of participation in the Non-423(b) Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions Our bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Delaware law. We have entered into indemnification agreements with all of our directors and executive officers and have purchased directors' and officers' liability insurance. In addition, our certificate of incorporation limits the personal liability of the members of our Board of Directors for breaches by the directors of their fiduciary duties.

Policies and Procedures with Respect to Related Party Transactions Our Audit Committee Charter requires that the members of our Audit Committee, all of whom are independent directors, review and approve all related party transactions as described in Item 404 of Regulation S-K promulgated by the SEC. We have also adopted a written policy regarding the approval of all related party transactions. Under such policy, each of our directors and executive officers must notify the Corporate Secretary (who, in turn, will provide such information to the Audit Committee) of any proposed related party transactions. To assist with the identification of potential related party transactions, we solicit information through questionnaires in connection with the appointment of new directors and executive officers and on an annual basis with respect to existing directors and executive officers. The Chairman of the Audit Committee is delegated the authority to approve or ratify any related party transactions in which the aggregate amount involved is expected to be less than \$1 million per year. All other proposed related party transactions are subject to approval or ratification by the Audit Committee except for certain categories of transactions that are deemed to be pre-approved by the Audit Committee. In determining whether to approve or ratify a related party transaction, the Audit Committee and the Chairman, if applicable, will take into account, among other factors deemed appropriate, whether the related party transaction is on terms no more favorable to the counterparty than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.

Our Code of Business Conduct and Ethics requires our executive officers and directors to disclose any conflicts of interest, including any material transaction or relationship involving a potential conflict of interest. No executive officer may work, including as a consultant or a board member, simultaneously for us and any competitor, customer, supplier or business partner without the prior written approval of our Chief Financial Officer or legal department. Furthermore, executive officers are encouraged to avoid any direct or indirect business connections with our competitors, customers, suppliers or business partners.

Pursuant to our Corporate Governance Policy, we expect each of our directors to ensure that other existing and future commitments do not conflict with or materially interfere with their service as a director. Directors are expected to avoid any action, position or interest that conflicts with our interests, or gives the appearance of a conflict. In addition, directors should inform the Chairman of our Nominating and Corporate Governance Committee prior to joining the board of another public company to ensure that any potential conflicts, excessive time demands or other issues are carefully considered.

Director Independence See the subsection entitled “Board Committees and Meeting” in the section of this Proxy Statement entitled “Proposal One: Election of Director.”

Additionally, the independent registered public accounting firm is responsible for performing an independent audit of the Company’s internal controls over financial reporting and for issuing a report thereon. The Committee’s responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Committee that the Company’s consolidated financial statements in the Annual Report were prepared in accordance with accounting principles generally accepted in the United States, and the Committee has reviewed and discussed the consolidated financial statements in the Annual Report with management and the independent registered public accounting firm. The Committee discussed with the independent registered accounting firm matters required to be discussed by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees).

The Company’s independent registered public accounting firm also provided to the Committee the written disclosures required by applicable requirements for the Public Company Accounting Oversight Board regarding the independent accountants communications with the Audit Committee concerning independence. The Audit Committee reviewed non-audit services provided by its independent registered public accounting firm for the last fiscal year, and determined that those services are not incompatible with maintaining the independent registered public accounting firm’s independence.

Based upon the Committee’s discussion with management and the independent registered public accounting firm and the Committee’s review of the representation of management and the reports of the independent registered public accounting firm to the Committee, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company’s Annual Report on Form 10-K for the fiscal year ended January 3, 2009 filed with the Securities and Exchange Commission.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis addresses the 2008 compensation of our named executive officers.

Compensation Philosophy and Process

Our executive compensation programs and practices are selected and structured to support our short-term and long-term strategic goals and values and to reward and retain talented individuals. We design our compensation programs to support our culture and efforts to remain a growth company with strong profitability.

We seek a balanced approach to executive compensation, with each primary element of compensation (base salary, cash incentives, equity incentives and benefits) designed to play a specific role. We determine an individual's compensation with respect to each such element based in part upon an independently conducted analysis of compensation survey data and publicly-available compensation data of comparable companies. Such competitive market data is a key factor used in determining compensation. The CEO reviews the competitive market data, reviews the performance of each executive officer and considers market competitive pressures, business conditions, the vesting and value of current equity grants, each individual's tenure, prior experience, distinctive value to our organization, variances in job responsibilities relative to similarly titled officers at other companies, the appropriate mix of compensation elements (including base salary, cash incentives and equity incentives), our overall performance and the potential financial impact (including dilution) associated with their compensation. There is no defined formula used to weight the various factors. The CEO conducts this review with assistance from our Vice President of Human Resources. The CEO then makes recommendations to the Compensation Committee regarding adjustments to base salary, cash incentives or equity incentives relative to the compensation levels set forth in the competitive market data, and the CEO also recommends performance metrics for achieving cash incentives and equity grants. The CEO discusses his recommendations and the underlying rationale with the Compensation Committee. The Compensation Committee has full discretion to accept or reject the CEO's recommendations. The Compensation Committee conducts its own analysis and has access to the competitive market data as well as the CEO's proposed adjustments. In addition, the Compensation Committee receives input from the Company's independent compensation consultant and meets in executive session (without the CEO present) prior to making its final determinations regarding compensation.

To determine the compensation of our CEO, the Compensation Committee, through consultation with the remaining independent members of the Board of Directors, assesses our CEO's performance and considers competitive market data and other factors described herein.

The variation in compensation among the executive officers is a function of the Compensation Committee's judgment, following the Committee's review of competitive market data, review of the CEO's performance, review of the CEO's performance evaluations for each executive officer, and consideration of the market competitive pressures, business conditions, the vesting and value of current equity grants, overall Company performance and the potential financial impact of its compensation decisions. Key contributors to the variance in compensation amongst the executive officers are the variance in the competitive market data for each position and variance in each executive's individual performance.

Compensation Consultants and Competitive Market Data

We believe it is in our stockholders' best interests to ensure that our executive compensation is competitive with that of other companies of similar size and complexity. The Compensation Committee has

engaged Watson Wyatt Worldwide Inc. (“Watson Wyatt”) as its independent advisor to provide competitive market data and analysis regarding material elements of compensation, including base salary, cash incentives and equity incentives. For 2008, the compensation consultant developed the competitive market data through the use of both compensation survey data (consisting of the Radford Executive Survey, the IPAS Global Salary Survey for Technology Companies and the Buck/iQuantic Global Long-Term Incentive Survey) and publicly-available data from peer companies. Prior to the commencement of the study, Watson Wyatt recommended a list of peer companies to be included based on a variety of factors, including revenue size, product offerings and competition for executive talent. The compensation consultant circulated the list to the CEO and the Vice President of Human Resources for their comments. The consultant had independent discussions with the Compensation Committee regarding the peer group. In December 2007, the Compensation Committee reviewed the list for appropriateness and gave final approval of the following list of ten peer companies: AMIS Holdings, Inc., Conexant Systems Inc., Cypress Semiconductor Corp., Intersil Corp., Microsemi Corp., PMC-Sierra Inc., RF Micro Devices, Inc., Sigmatal, Inc., Skyworks Solutions, Inc. and Standard Microsystems Corp. The consultants also provided advice directly to the Compensation Committee regarding interpretation of the competitive market data and how the compensation levels established helped to promote the goals espoused in the company’s compensation philosophy, both as to specific compensation elements as well as regarding total compensation.

With the approval of the Compensation Committee, the compensation consultants also provided advice to the CEO and the Vice President of Human Resources regarding pay positioning, both by element and in total, so that the CEO’s final recommendations would reflect the Company’s compensation philosophy.

Elements of Compensation

The three primary components of our executive compensation program are base salary, cash incentives and equity awards. The Compensation Committee has not adopted any defined formula for allocating compensation between long-term and currently paid out compensation, between cash and non-cash compensation or among different forms of non-cash compensation.

Base Salary

We target base salary at approximately the median level of the competitive market data, with adjustments to reflect the factors described above. In 2008, Mr. Sayiner, Mr. Bock, Mr. Hoff, Mr. Ivester and Mr. Walsh received salary increases as part of the Company’s standard performance review cycle. These increases were intended to align their base salaries more closely with the competitive ranges suggested by the independent compensation consultant, which targeted the median level of competitive market data for base salaries for the respective positions, taking into account the individual’s level of responsibilities and performance.

Cash Incentives

We structure a cash incentive plan (“Bonus Plan”) to align the financial incentives of our employees with our short-term and long-term operating goals and interests of our stockholders and to reward exceptional performance. Each fiscal year, the Compensation Committee approves the structure, performance metrics as well as each metric’s relative weighting under our Bonus Plan. The Compensation Committee has typically chosen to establish metrics, such as adjusted operating income (which may exclude certain items such as stock compensation expense), revenue, gross margins and individual performance objectives (“MBOs”) for each of our executive officers to support our operating goals and to reward achievement of performance goals. Our Board and Compensation Committee may exercise discretion either to award compensation absent attainment of the relevant metrics or to reduce or increase the size of any award or payout. Neither the Board nor Compensation Committee exercised such discretion in 2008.

In an effort to support our short-term and long-term strategic goals, we choose to make quarterly and annual payments to our executive officers under the Bonus Plan. Each fiscal quarter, we measure the achievement of our shorter-term operating goals and make associated payments under the Bonus Plan. Each fiscal year, we measure the achievement of those executive officers whose bonuses are tied to MBOs against such MBOs and make associated payments under the Bonus Plan shortly after the end of the fiscal year.

To properly reward and retain our executive officers, we have adopted a policy of paying for performance. We target our cash incentive plan to be at the 75th percentile of the competitive market data, with adjustments to reflect the factors described above, upon the full achievement of established operating goals. We design our Bonus Plan to pay up to 150% of the target bonus for outstanding performance. However, consistent with this pay for performance policy, no payment under the Bonus Plan is guaranteed if an executive officer fails to meet the minimum established goals under the Bonus Plan.

In 2008, the CEO's annual target bonus was 110% of his annual base salary and the annual target bonus for our Chief Financial Officer ("CFO") was 100% of his annual base salary. The fiscal 2008 bonuses for our CEO and CFO were based on the following two metrics: (1) achievement of company adjusted operating income goals (weighted at 50%) and (2) achievement of company revenue goals (weighted at 50%). We selected different metrics for our other executive officers to reflect the role of each executive officer and to align the performance of each executive officer with our operating goals. The fiscal 2008 annual target bonuses for the Vice President of Worldwide Sales and the Senior Vice President of Worldwide Operations were 75% of their annual base salaries and were based on the following three metrics: (1) achievement of company revenue goals (weighted at 40%); (2) achievement of company gross margin goals (weighted at 40%); and (3) achievement of MBOs (weighted at 20%). The fiscal 2008 annual target for the Vice President of Finance was 40% of his annual base salary and was based on the following two metrics: (1) the achievement of company adjusted operating income goals (weighted at 62.5%); and (2) the achievement of MBOs (weighted at 37.5%). For each of our executive officers, the portion of their target bonus that was tied to company metrics was allocated over the four fiscal quarters in proportion to the amount of revenue that our annual operating plan anticipates to be achieved in each such quarter. Management proposes the annual operating plan which is subject to approval by our Board. The Board has discretion to accept, reject or alter the annual operating plan at any time. The annual operating plan establishes the quarterly target levels of company metrics for bonus purposes and these metrics are set to be challenging, but achievable. As evidence of the challenging nature of our performance targets, our executive officers received aggregate bonuses that were less than target in two out of the last five years. To accomplish our compensation objective of rewarding individual performance, the CEO establishes MBOs for the Vice President of Worldwide Sales, Senior Vice President of Worldwide Operations and the Vice President of Finance. These objectives vary according to the responsibilities of each officer and by department. The extent to which our executives achieved their 2008 MBOs was determined by our CEO during his annual performance review of the named executive officers.

The degree to which the applicable targeted cash incentives were achieved can be seen through a comparison of the "Non-equity Incentive Plan Compensation" column of the Summary Compensation Table for Fiscal 2008 against the "Estimated Future Payouts Under Non-equity Incentive Plan Awards" columns of the Grants of Plan-Based Awards Table for Fiscal 2008.

Equity Incentives

We grant equity awards in an effort to retain talent, to closely align the interests of our executive officers and stockholders, and to provide incentives to maximize stockholder value. We target the value of our equity incentives to be approximately at the 75th percentile of the competitive market data, with adjustments to reflect the factors described above. We have principally provided long-term incentive compensation through the award of stock options and restricted stock units ("RSUs") that typically vest over a number of years. We do not have a program, plan or practice designed to set the exercise price of stock options at a price other than the fair market value on the grant date or alter the timing of the grant of stock options to take advantage of positive or negative material non-public information. Consistent with our philosophy of paying for performance, no executive is entitled to an automatic equity grant.

The Compensation Committee regularly reviews our long-term incentive compensation practices. Potential changes include adjusting the mix of options and RSUs granted, adjusting the vesting schedule of the equity awards, and using other forms of equity and/or non-equity long term incentive compensation with vesting based upon the achievement of performance metrics.

In fiscal 2008, we granted each executive officer a mixture of stock options and RSUs which are described below in the Grants of Plan-Based Awards Table for Fiscal 2008. The stock options granted in

2008 to executive officers vest as follows: 25% on the first anniversary of the date of grant and the remaining portion in equal monthly installments over the remaining 36 months. The RSUs granted in 2008 to executive officers had vesting periods of three years, with most grants vesting in a single lump sum on the third anniversary of the date of grant.

Change of Control and Severance Benefits

Our severance and change in control provisions for the named executive officers are summarized below in “Potential Payments Upon Termination or Change of Control.” With respect to the employment agreements with the CEO and CFO, such post-employment termination benefits were determined through arms-length negotiations between the applicable executive and our management and the Compensation Committee in connection with the hiring of each such executive. With respect to the acceleration provided generally under the 2000 Stock Incentive Plan in the event that the equity awards are not assumed in connection with a change in control or the employee is demoted, relocated or terminated other than for misconduct within 18 months following a change in control, such acceleration is based upon the Company’s philosophy that such provisions ensure that the executives remain focused on their responsibilities and maximize the return for our shareholders. The terms and conditions of such provisions are provided at a level that we believe to be provided by comparable companies of our size in our industry.

Generally Available Benefit Plans and Executive Perquisites

In 2008, we provided each of our executive officers health care coverage and life insurance coverage that is generally available to all of our salaried employees. In addition, we pay for an annual physical examination for each of our executive officers beyond any benefit provided under our standard health care plans.

We also offer each of our executive officers the ability to participate in our tax-qualified 401(k) Plan on the same terms available to each of our salaried employees. Under our 401(k) Plan, we provide all employees with matching contributions that are subject to vesting over time. Our executive officers do not receive any retirement benefits beyond those generally available to our salaried employees.

Accounting and Tax Considerations

In determining which elements of compensation are to be paid, and how they are weighted, we also take into account our compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code precludes us from taking a deduction for compensation in excess of \$1 million for certain of our executive officers named in the Summary Compensation Table. Certain performance-based compensation is specifically excluded from the deduction limit. Our policy is to qualify, to the extent reasonable, the compensation of our executive officers for deductibility under applicable tax laws. However, the Compensation Committee believes that its primary responsibility is to provide a compensation program to meet our stated objectives and that the loss of a tax deduction may be necessary in some circumstances.

Compensation Committee Report on Executive Compensation

We, the Compensation Committee of the Board of Directors, have reviewed and discussed the Compensation Discussion and Analysis (“CD&A”) within the Executive Compensation section of this Proxy Statement with the management of the Company. Based on such review and discussion, we are of the opinion that the executive compensation policies and plans provide appropriate compensation to properly align Silicon Laboratories’ performance and the interests of its stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long-term. Accordingly, we have recommended to the Board of Directors that the CD&A be included as part of this proxy filing.

Potential Payments Upon Termination or Change in Control

Consistent with practices within our industry, we also provide certain post-employment termination benefits. We have implemented these programs in order to ensure we are able to continue to attract and retain top talent as well as ensure that during the uncertainty associated with a potential change in control, the executives remain focused on their responsibilities and ensure a maximum return for our stockholders.

Employment Agreements

We have entered into employment agreements with only two of our executive officers: Mr. Sayiner and Mr. Bock. For both Mr. Sayiner and Mr. Bock, cash severance is equal to the sum of 12 months of base salary at the time of termination plus 200% of the actual quarterly bonus earned in the two full quarters immediately preceding termination to be paid in one lump sum. Each cash severance payment would be contingent upon such executive officer's execution of an agreement in a form satisfactory to us, containing a full general release of any and all potential claims against us and our affiliates and agents. As outlined in their employment agreements, a cash severance payment shall only be made in the event of such executive officer's Involuntary Termination for any reason other than misconduct. "Involuntary Termination" is defined in each employment agreement as an involuntary termination of employment by us or a voluntary resignation following (A) a change in position with us which materially reduces the executive officer's level of authority or responsibility, (B) a reduction in cash compensation (including base salary and target bonus under any performance based bonus or incentive programs) by more than 15% unless pursuant to a reduction that is also applied to substantially all of our other executive officers, (C) a relocation of such executive officer's place of employment by more than 50 miles, provided and only if such change, reduction or relocation is effected without consent, or (D) a material breach by us of the terms of the employment agreement. In addition and similarly contingent upon execution of an appropriate release, for the time during which each executive officer is unemployed, we have agreed to pay the premium required to maintain COBRA coverage for such executive officer and his dependents for up to one year.

2000 Stock Incentive Plan

The 2000 Plan governs the equity awards granted to our executive officers. Our executive officers are not entitled to any benefits under our 2000 Plan that are not available to other participants. The 2000 Plan includes the following change in control provisions, which may result in the accelerated vesting of outstanding option grants and stock issuances:

- In the event that we are acquired, each outstanding option under the discretionary option grant program, unless assumed or replaced by the successor or otherwise continued in effect, will immediately become exercisable for all the option shares, and all outstanding unvested shares will immediately vest, except to the extent our repurchase rights with respect to those shares are assigned to the successor or otherwise continued in effect.
- The plan administrator has the authority under the discretionary option grant program to provide that those options will automatically vest in full (i) upon an acquisition of the company, whether or not those options are assumed or replaced, or (ii) upon a hostile change in control of the company effected through a tender offer for more than 50% of our outstanding voting stock or by proxy contest for the election of board members.

However, our Compensation Committee, as Plan Administrator of the 2000 Stock Incentive Plan, has the authority to provide for accelerated vesting of the shares of our common stock subject to any outstanding options held by any executive officer or any unvested share issuances actually held by such individual, in connection with certain changes in control of us or the subsequent termination of the officer's employment following the change in control event.

All outstanding stock awards and stock options issued to our named executive officers will become fully exercisable and vested if (i) a change in control occurs and such options or RSUs are not assumed or (ii) a change in control occurs and the officer is demoted, relocated, or terminated other than for misconduct within 18 months following such change in control.

The following table depicts potential compensation arrangements for our executive officers as a result of an Involuntary Termination absent a change in control. Such termination is assumed to occur on January 3, 2009. Other than customary payments given to all salaried employees, we have not agreed to provide severance benefits to any other executive officer than those listed in the table below.

3.1 Number of Shares.

(a) Subject to Article 11 and Section 3.1(b) hereof, the aggregate number of Shares which may be issued or transferred pursuant to Awards, including upon the exercise of Incentive Stock Options, under the Plan shall be 6,800,000 Shares. Any Shares that are subject to Awards of Options or SARs shall be counted against this limit as one (1) Share for every one (1) Share granted. Any Shares that are subject to Full Value Awards (other than Options or SARs) shall be counted against this limit as one and fifty-five hundredths (1.55) Shares for every one (1) Share granted.

(b) To the extent that an Award terminates, expires, lapses for any reason, or is settled in cash, any Shares subject to the Award shall again be available for the grant of an Award pursuant to the Plan. Any Shares that become available for the grant of Awards pursuant to this Section 3.1(b) shall be added back as one (1) Share if such Shares were subject to Options or SARs granted under the Plan and as one and fifty-five hundredths (1.55) shares if such shares were subject to Full Value Awards granted under the Plan. Any Shares withheld to satisfy the grant or exercise price or tax withholding obligation pursuant to any Award shall be treated as issued under this Plan and shall be deducted from the aggregate number of shares which may be issued under Section 3.1(a). Further, any Shares tendered to satisfy the grant or exercise price or tax withholding obligation pursuant to any Award shall not be added to the aggregate number of Shares which may be issued under Section 3.1(a). To the extent permitted by applicable law or any exchange rule, Shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any Subsidiary or Affiliate shall not be counted against Shares available for grant pursuant

to this Plan. The payment of Dividend Equivalent Rights in cash in conjunction with any outstanding Awards shall not be counted against the Shares available for issuance under the Plan. Notwithstanding the provisions of this Section 3.1(b), no Shares may again be optioned, granted or awarded if such action would cause an Incentive Stock Option to fail to qualify as an incentive stock option under Section 422 of the Code.

3.2 *Shares Distributed.* Any Shares distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares, treasury Shares or Shares purchased on the open market.

3.3 *Limitation on Number of Shares Subject to Awards.* Notwithstanding any provision in the Plan to the contrary, and subject to Article 11, where it is intended to comply with Section 162(m) of the Code, the maximum number of Shares with respect to one or more Awards that may be granted to any one Participant during any calendar year shall be 1,000,000 Shares and the maximum amount that may be paid in cash during any calendar year with respect to any Award shall be \$30,000,000.

(c) *Payment.* The Committee shall determine the methods by which the exercise price of an Option may be paid, potentially including the following methods: (i) cash or check, (ii) surrender of Shares or delivery of a properly executed form of attestation of ownership of Shares as the Committee may require (including withholding of Shares otherwise deliverable upon exercise of the Award) which have a Fair Market Value on the date of surrender of attestation equal to the aggregate exercise price of the Shares as to which the Award shall be exercised, (iii) promissory note bearing interest at no less than such rate as shall then preclude the imputation of interest under the Code), (iv) other property acceptable to the Committee (including through the delivery of a notice that the Participant has placed a market sell order with a broker with respect to Shares then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the Option exercise price; *provided* that payment of such proceeds is then made to the Company upon settlement of such sale), or (v) any combination of the foregoing methods of payment. The Award Agreement will specify the methods of paying the exercise price available to Participants. The Committee shall also determine the methods by which Shares shall be delivered or deemed to be delivered to Participants. Notwithstanding any other provision of the Plan to the contrary, no Participant who is a Director or an “executive officer” of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to pay the exercise price of an Option, or continue any extension of credit with respect to the exercise price of an Option with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

(d) *Evidence of Grant.* All Options shall be evidenced by an Award Agreement between the Company and the Participant. The Award Agreement shall include such additional provisions as may be specified by the Committee.

5.2 *Incentive Stock Options.* Incentive Stock Options shall be granted only to Employees of the Company or any Subsidiary, and the terms of any Incentive Stock Options granted pursuant to the Plan, in addition to the requirements of Section 5.1 hereof, must comply with the provisions of this Section 5.2.

(a) *Expiration.* Subject to Section 5.2(c) hereof, an Incentive Stock Option shall expire and may not be exercised to any extent by anyone after the first to occur of the following events:

(ii) Three months after the Participant's termination of employment as an Employee; and

(iii) One year after the date of the Participant's termination of employment or service on account of death, or Disability within the meaning of Section 22(e)(3) of the Code. Upon the Participant's Disability or death, any Incentive Stock Options exercisable at the Participant's Disability or death may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

(b) *Dollar Limitation.* The aggregate Fair Market Value (determined as of the time the Option is granted) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(c) *Ten Percent Owners.* An Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Shares of the Company only if such Option is granted at a price that is not less than 110% of Fair Market Value on the date of grant and the Option is exercisable for no more than five years from the date of grant.

(d) *Notice of Disposition.* The Participant shall give the Company prompt notice of any disposition of Shares acquired by exercise of an Incentive Stock Option within (i) two years from the date of grant of such Incentive Stock Option or (ii) one year after the transfer of such Shares to the Participant.

(e) *Right to Exercise.* During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

(f) *Failure to Meet Requirements.* Any Option (or portion thereof) purported to be an Incentive Stock Option, which, for any reason, fails to meet the requirements of Section 422 of the Code shall be considered a Non-Qualified Stock Option.

All Awards of Restricted Stock shall be evidenced by an Award Agreement.

6.2 *Purchase Price.* At the time of the grant of an Award of Restricted Stock, the Committee shall determine the price, if any, to be paid by the Participant for each Share subject to the Award of Restricted Stock. To the extent required by applicable law, the price to be paid by the Participant for each Share subject to the Award of Restricted Stock shall not be less than the par value of a Share (or such higher amount required by applicable law). The purchase price of Shares acquired pursuant to the Award of Restricted Stock shall be paid either: (i) in cash at the time of purchase; (ii) at the sole discretion of the Committee, by services rendered or to

These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

6.4 *Forfeiture.* Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; *provided, however*, that the Committee may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

6.5 *Certificates for Restricted Stock.* Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 7. STOCK APPRECIATION RIGHTS

(a) A Stock Appreciation Right may be granted to any Eligible Individual selected by the Committee. (b) A Stock Appreciation Right shall entitle the Participant (or other person entitled to exercise the Stock Appreciation Right pursuant to the Plan) to exercise all or a specified portion of the Stock Appreciation Right (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount equal to the product of (i) the excess of (A) the Fair Market Value of the Shares on the date the Stock Appreciation Right is exercised over (B) the grant price of the Stock Appreciation Right and (ii) the number of Shares with respect to which the Stock Appreciation Right is exercised, subject to any limitations the Committee may impose.

(a) Subject to Section 7.2(a) hereof, payment of the amounts determined under Section 7.1(b) hereof shall be in cash, in Shares (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Committee.

(b) To the extent any payment under Section 7.1(b) hereof is effected in Shares, it shall be made subject to satisfaction of all applicable provisions of Article 5 pertaining to Options.

ARTICLE 8. OTHER TYPES OF AWARDS

8.1 *Performance Share Awards.* Any Eligible Individual selected by the Committee may be granted one or more Awards of Performance Shares which shall be denominated in a number of Shares and which may

be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant. The Committee may authorize Dividend Equivalents to be paid on outstanding Performance Share Awards. If Dividend Equivalents are authorized to be paid, they may be paid at the time dividends are declared on the Shares or at the time the awards vest and they may be paid in either cash or Shares, in the discretion of the Committee.

8.2 *Performance Stock Units.* Any Eligible Individual selected by the Committee may be granted one or more Performance Stock Unit awards which shall be denominated in unit equivalent of Shares and/or units of value including dollar value of Shares and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant. On the vesting date, the Company shall, subject to Section 10.5(a), transfer to the Participant one unrestricted, fully transferable Share for each Performance Stock Unit scheduled to be paid out on such date and not previously forfeited. The Committee may authorize Dividend Equivalents to be paid on outstanding Performance Stock Units. If Dividend Equivalents are authorized to be paid, they may be paid at the time dividends are declared on the Shares or at the time the awards vest and they may be paid in either cash or Shares, in the discretion of the Committee.

8.3 *Restricted Stock Units.* The Committee is authorized to make Awards of Restricted Stock Units to any Eligible Individual selected by the Committee in such amounts and subject to such terms and conditions as determined by the Committee. At the time of grant, the Committee shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. On the vesting date, the Company shall, subject to Section 10.5(a), transfer to the Participant one unrestricted, fully transferable Share for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. Alternatively, settlement of a Restricted Stock Unit may be made in cash (in an amount reflecting the Fair Market Value of Shares that would have been issued) or any combination of cash and Shares, as determined by the Committee, in its sole discretion. The Committee may authorize Dividend Equivalents to be paid on outstanding Restricted Stock Units. If Dividend Equivalents are authorized to be paid, they may be paid at the time dividends are declared on the Shares or at the time the awards vest and they may be paid in either cash or Shares, in the discretion of the Committee.

8.4 *Other Awards.* The Committee is authorized under the Plan to make any other Award to an Eligible Individual that is not inconsistent with the provisions of the Plan and that by its terms involves or might involve the issuance of (i) Shares, (ii) a right with an exercise or conversion privilege related to the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or (iii) any other right with the value derived from the value of the Shares. The Committee may establish one or more separate programs under the Plan for the purpose of issuing particular forms of Awards to one or more classes of Participants on such terms and conditions as determined by the Committee from time to time.

8.7 *Exercise upon Termination of Employment or Service.* An Award of Performance Shares, Performance Stock Units, Restricted Stock Units and any other Awards granted pursuant to this Article 8 shall only be exercisable or payable while the Participant is an Employee, Consultant or Director, as applicable; *provided, however,* that the Committee in its sole and absolute discretion may provide that an Award of Performance Shares, Performance Stock Units, Restricted Stock Units or any other Award granted pursuant to this Article 8 may be exercised or paid subsequent to a termination of employment or service, as applicable, or following a Change in Control of the Company, or because of the Participant's retirement, death or Disability, or otherwise; *provided, however,* that any such provision with respect to Performance Shares or Performance Stock Units shall be subject to the requirements of Section 162(m) of the Code if such Performance Shares or Performance Stock Units are granted as Qualified Performance-Based Compensation.

8.8 *Form of Payment.* Payments with respect to any Awards granted under this Article 8 shall be made in cash, in Shares or a combination of both, as determined by the Committee.

8.9 *Award Agreement.* All Awards under this Article 8 shall be subject to such additional terms and conditions as determined by the Committee and shall be evidenced by an Award Agreement.

8.10 *Timing of Settlement.* At the time of grant, the Committee shall specify the settlement date applicable to an Award of Performance Shares, Performance Stock Units, Restricted Stock Units or any other Award granted pursuant to this Article 8, which shall be no earlier than the vesting date(s) applicable to the relevant Award and may be later than the vesting date(s) to the extent and under the terms determined by the Committee.

ARTICLE 9. PERFORMANCE-BASED AWARDS FOR COVERED EMPLOYEES

9.1 *Purpose.* The purpose of this Article 9 is to provide the Committee the ability to qualify Awards other than Options and SARs and that are granted pursuant to Articles 6 and 8 as Qualified Performance-Based Compensation. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 9 shall control over any contrary provision contained in Articles 6 or 8; *provided, however,* that the Committee may in its discretion grant Awards to Covered Employees that are based on Performance Criteria or Performance Goals but that do not satisfy the requirements of this Article 9.

9.2 *Applicability.* This Article 9 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards that are intended to qualify as Qualified Performance-Based Compensation. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

9.3 *Procedures with Respect to Performance-Based Awards.* To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Articles 6 or 8 which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into

account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

9.4 *Payment of Performance-Based Awards.* Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or a Subsidiary or Affiliate on the day a Performance-Based Award for the appropriate Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved.

9.5 *Additional Limitations.* Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 10. PROVISIONS APPLICABLE TO AWARDS

10.1 *Stand-Alone and Tandem Awards.* Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

10.2 *Award Agreement.* Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

10.3 *Limits on Transfer.* No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary or Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary or Affiliate. Except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution or pursuant to beneficiary designation procedures approved from time to time by the Committee (or the Board in the case of Awards granted to Independent Directors). The Committee by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including, but not limited to, members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a "blind trust" in connection with the Participant's termination of employment or service with the Company or a Subsidiary or Affiliate to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

10.4 *Beneficiaries.* Notwithstanding Section 10.3 hereof, a Participant may, if permitted by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the

Participant, payment shall be made to either the person's estate or legal representative or the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution (or equivalent laws outside the U.S.). Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

10.5 *Stock Certificates; Book Entry Procedures.*

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing Shares pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the Shares are listed or traded. All certificates evidencing Shares delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state local, securities or other laws, including laws of jurisdictions outside of the United States, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Shares are listed, quoted, or traded. The Committee may place legends on any certificate evidencing Shares to reference restrictions applicable to the Shares. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

(b) Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any applicable law, rule or regulation, the Company shall not deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

10.6 *Accelerated Vesting and Deferral Limitations.* The Committee shall not have the discretionary authority to accelerate or delay issuance of Shares under an Award that constitutes a deferral of compensation within the meaning of Section 409A of the Code, except to the extent that such acceleration or delay may, in the discretion of the Committee, be effected in a manner that will not cause any person to incur taxes, interest or penalties under Section 409A of the Code ("*Section 409A Compliance*").

10.7 *Paperless Administration.* In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

ARTICLE 11. CHANGES IN CAPITAL STRUCTURE

11.1 *Adjustments.*

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the Shares or the price of the Shares other than an Equity Restructuring, the Committee shall make such adjustments, if any, as the Committee in its discretion may deem appropriate to reflect such change with respect to (a) the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3 hereof); (b) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (c) the grant or exercise price per Share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 11.1(a) hereof or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate, or of changes in applicable laws, regulations or accounting principles, the Committee, in its sole and absolute discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Committee determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 11.1 the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(iii) To make adjustments in the number and type of Shares (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all Shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

(c) In connection with the occurrence of any Equity Restructuring, and notwithstanding anything to the contrary in Sections 11.1(a) and 11.1(b) hereof:

(i) The number and type of securities subject to each outstanding Award and the exercise price or grant price thereof, if applicable, shall be equitably adjusted. The adjustments provided under this Section 11.1(c)(i) shall be nondiscretionary and shall be final and binding on the affected Participant and the Company.

(ii) The Committee shall make such equitable adjustments, if any, as the Committee in its discretion may deem appropriate to reflect such Equity Restructuring with respect to the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3 hereof).

11.2 *Change in Control.*

(a) Notwithstanding Section 11.1 hereof, and except as may otherwise be provided in any applicable Award Agreement or other written agreement entered into between the Company and a Participant, if a Change in Control occurs and a Participant's Awards are not converted, assumed, or replaced by a successor or survivor corporation, or a parent or subsidiary thereof, then immediately prior to the Change in Control such Awards shall become fully exercisable and all forfeiture restrictions on such Awards

shall lapse and, following the consummation of such Change in Control, all such Awards shall terminate and cease to be outstanding. In the event that the terms of any agreement (other than the Award Agreement) between the Company or any Subsidiary or Affiliate and a Participant contains provisions that conflict with and are more restrictive than the provisions of this Section 11.2(a), this Section 11.2(a) shall prevail and control and the more restrictive terms of such agreement (and only such terms) shall be of no force or effect.

(b) The Committee may at any time, subject to Section 10.6, provide that one or more Awards will automatically accelerate in connection with a Change in Control, whether or not those Awards are assumed or otherwise continue in full force and effect. In addition, where Awards are assumed or continued after a Change of Control, the Committee may provide that one or more Awards will automatically accelerate upon an Involuntary Termination of the Participant's employment or service within a designated period (not to exceed eighteen (18) months) following the effective date of such Change in Control. Any such Award shall accordingly, immediately prior to the effective date of such Change in Control or upon an Involuntary Termination of the Participant's employment or service following a Change in Control (at the Committee's discretion), become fully exercisable and all forfeiture restrictions on such Awards shall lapse.

(c) Upon a Change in Control, the Committee may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including, but not limited to, the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Committee, in its sole and absolute discretion, shall determine.

(d) The portion of any Incentive Stock Option accelerated in connection with a Change in Control shall remain exercisable as an Incentive Stock Option only to the extent the applicable One Hundred Thousand Dollar (\$100,000) limitation is not exceeded. To the extent such dollar limitation is exceeded, the accelerated portion of such Option shall be exercisable as a Non-Statutory Option under the U.S. federal tax laws.

11.3 *No Other Rights.* Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of Shares of any class, the payment of any dividend, any increase or decrease in the number of Shares of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to an Award or the grant or the exercise price of any Award.

ARTICLE 12. ADMINISTRATION

12.1 *Committee.* Unless and until the Board delegates administration of the Plan to a Committee as set forth below, the Plan shall be administered by the full Board, and for such purposes the term "Committee" as used in this Plan shall be deemed to refer to the Board. The Board, at its discretion or as otherwise necessary to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or to the extent required by any other applicable rule or regulation, may delegate administration of the Plan to a Committee consisting of two or more members of the Board. Unless otherwise determined by the Board, the Committee shall consist solely of two or more members of the Board each of whom is an "outside director," within the meaning of Section 162(m) of the Code, a Non-Employee Director and an "independent director" under the NASDAQ rules (or other principal securities market on which Shares are traded); provided that any action taken by the Committee shall be valid and effective, whether or not members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership set forth in this Section 12.1 or otherwise provided in any charter of the Committee. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and for purposes of such Awards the term "Committee" as used in this Plan shall be deemed to refer to the Board and (b) the Committee may delegate its authority hereunder to the extent permitted by Section 12.5 hereof. In its sole discretion, the Board may at any time and from time to time exercise any and

all rights and duties of the Committee under the Plan except with respect to matters which under Rule 16b-3 under the Exchange Act or Section 162(m) of the Code, or any regulations or rules issued thereunder, are required to be determined in the sole discretion of the Committee. Except as may otherwise be provided in any charter of the Committee, appointment of Committee members shall be effective upon acceptance of appointment; Committee members may resign at any time by delivering written notice to the Board; and vacancies in the Committee may only be filled by the Board.

12.2 *Action by the Committee.* Unless otherwise established by the Board or in any charter of the Committee, a majority of the Committee shall constitute a quorum and the acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary or Affiliate, the Company's independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

12.3 *Authority of Committee.* Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

- (a) Designate Participants to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Participant;
- (c) Determine the number of Awards to be granted and the number of Shares to which an Award will relate;
- (d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Committee in its sole discretion determines; *provided, however,* that the Committee shall not have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards intended to qualify as Qualified Performance Based-Compensation, except as permitted under Section 162(m) of the Code;
- (e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Shares, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (f) Prescribe the form of each Award Agreement, which need not be identical for each Participant and may vary for Participants outside the United States;
- (g) Decide all other matters that must be determined in connection with an Award;
- (h) Establish, adopt, or revise any rules and regulations including adopting sub-plans to the Plan for the purposes of complying with foreign laws an/or taking advantage of tax favorable treatment for Awards granted to Participants outside the United States, as it may deem necessary or advisable to administer the Plan;
- (i) To suspend or terminate the Plan at any time provided that such suspension or termination does not impair rights and obligations under any outstanding Award without written consent of the affected Participant.
- (j) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and
- (k) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

12.4 *Decisions Binding.* The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

12.5 *Delegation of Authority.* To the extent permitted by applicable law, the Board may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) Employees who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or Directors) to whom authority to grant or amend Awards has been delegated hereunder. For the avoidance of doubt, provided it meets the limitation in the preceding sentence, this delegation shall include the right to modify Awards as necessary to accommodate changes in the laws or regulations, including in jurisdictions outside the United States. Any delegation hereunder shall be subject to the restrictions and limits that the Board specifies at the time of such delegation, and the Board may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 12.5 shall serve in such capacity at the pleasure of the Board.

ARTICLE 13. EFFECTIVE AND EXPIRATION DATE

13.1 *Effective Date.* The Plan is effective as of the date the Plan is approved by the Company's stockholders (the "Effective Date"). The Plan will be deemed to be approved by the stockholders if it is approved either:

(a) By a majority of the votes cast at a duly held stockholder's meeting at which a quorum representing a majority of outstanding voting stock is, either in person or by proxy, present and voting on the plan; or

(b) By a method and in a degree that would be treated as adequate under Delaware law in the case of an action requiring stockholder approval.

13.2 *Expiration Date.* The Plan will expire on, and no Award may be granted pursuant to the Plan after the tenth anniversary of the Effective Date, except that no Incentive Stock Options may be granted under the Plan after the earlier of the tenth anniversary of (a) the date the Plan is approved by the Board or (b) the Effective Date. Any Awards that are outstanding on the tenth anniversary of the Effective Date shall remain in force according to the terms of the Plan and the applicable Award Agreement.

ARTICLE 14. AMENDMENT, MODIFICATION, AND TERMINATION

14.1 *Amendment, Modification, and Termination.* Subject to Section 15.14 hereof, with the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; *provided, however,* that (a) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval shall be required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 11), or (ii) permits the Committee to extend the exercise period for an Option beyond ten years from the date of grant. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, no Option or SAR may be amended to reduce the per share exercise price of the shares subject to such Option or SAR below the per share exercise price as of the date the Option or SAR is granted and, except as permitted by Article 11, (a) no Option or SAR may be granted in exchange for, or in connection with the cancellation, surrender or substitution of an Option or SAR having a higher per share exercise price and (b) no Option or SAR may be cancelled in exchange for, or in connection with the payment of a cash amount.

14.2 *Awards Previously Granted.* Except with respect to amendments made pursuant to Section 15.14 hereof, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant; *provided, however,* that an amendment or modification that may cause an Incentive Stock Option to become a Non-Qualified Stock Option shall not be treated as adversely affecting the rights of the Participant.

ARTICLE 15. GENERAL PROVISIONS

15.1 *No Rights to Awards.* No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Eligible Individuals, Participants or any other persons uniformly.

15.2 *No Stockholders Rights.* Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award, including to the right to vote or receive dividends, until the Participant becomes the record owner of such Shares, notwithstanding the exercise of an Option or other Award.

15.3 *Withholding.* The Company or any Subsidiary or Affiliate, as appropriate, shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy U.S. federal, state, and local taxes and taxes imposed by jurisdictions outside of the United States (including income tax, social insurance contributions, payment on account and any other taxes that may be due) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan or to take such other action as may be necessary in the opinion of the Company or a Subsidiary or Affiliate, as appropriate, to satisfy withholding obligations for the payment of taxes. The Committee may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold Shares otherwise issuable under an Award (or allow the return of Shares) having a Fair Market Value equal to the sums required to be withheld. No Shares shall be delivered hereunder to any Participant or other person until the Participant or such other person has made arrangements acceptable to the Committee for the satisfaction of these tax obligations with respect to any taxable event concerning the Participant or such other person arising as a result of Awards made under this Plan.

15.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary or Affiliate to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary or Affiliate.

15.5 *Unfunded Status of Awards.* The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary or Affiliate.

15.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.7 *Relationship to other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, termination programs and/or indemnities or severance payments, welfare or other benefit plan of the Company or any Subsidiary or Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

15.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company and/or its Subsidiaries and/or Affiliates.

15.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

15.10 *Fractional Shares.* No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.11 *Limitations Applicable to Section 16 Persons.* Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 under the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

15.12 *Government and Other Regulations.* The obligation of the Company to make payment of awards in Shares or otherwise shall be subject to all applicable laws, rules, and regulations of the United States and jurisdictions outside the United States, and to such approvals by government agencies, including government agencies in jurisdictions outside of the United States, in each case as may be required or as the Company deems necessary or advisable. Without limiting the foregoing, the Company shall have no obligation to issue or deliver evidence of title for Shares subject to Awards granted hereunder prior to: (i) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable, and (ii) completion of any registration or other qualification with respect to the Shares under any applicable law in the United States or in a jurisdiction outside of the United States or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective. The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. The Company shall be under no obligation to register pursuant to the Securities Act, as amended, any of the Shares paid pursuant to the Plan. If the Shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act, as amended, the Company may restrict the transfer of such Shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.13 *Governing Law.* The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Texas.

15.14 *Section 409A.* Except as provided in Section 15.15 hereof, to the extent that the Committee determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Committee determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Committee may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.

15.15 *No Representations or Covenants with respect to Tax Qualification.* Although the Company may endeavor to (1) qualify an Award for favorable tax treatment under the laws of the United States or jurisdictions outside of the United States (*e.g.*, incentive stock options under Section 422 of the Code or French-qualified stock options) or (2) avoid adverse tax treatment (*e.g.*, under Section 409A of the Code), the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment, anything to the contrary in this Plan, including Section 15.14 hereof, notwithstanding. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under the Plan.

ANNEX C

SILICON LABORATORIES INC. 2009 EMPLOYEE STOCK PURCHASE PLAN

I. PURPOSE OF THE PLAN

This Employee Stock Purchase Plan is intended to promote the interests of Silicon Laboratories Inc., a Delaware corporation, by providing Eligible Employees with the opportunity to acquire a proprietary interest in the Corporation through participation in an employee stock purchase plan designed to qualify under Section 423 of the Code, although the Corporation makes no undertaking nor representation to maintain such qualification. In addition, this Plan authorizes the grant of rights to purchase Common Stock under a Non-423(b) Plan which do not qualify under Section 423(b) of the Code, pursuant to rules, procedures or sub-plans adopted by the Board or Plan Administrator which are designed to achieve tax, securities law or other of the Corporation's compliance objectives in particular locations outside the United States. This Plan shall govern the terms and conditions of grants made under both the Code Section 423(b) Plan component and the Non-423(b) Plan component.

Capitalized terms herein shall have the meanings assigned to such terms in the attached Appendix.

II. ADMINISTRATION OF THE PLAN

The Plan Administrator shall have full authority to interpret and construe any provision of the Plan and, for the grant of rights to purchase Common Stock under the Code Section 423(b) Plan, to adopt such rules and regulations for administering the Plan as it may deem necessary in order to comply with the requirements of Section 423 of the Code. The Plan Administrator may from time to time grant or provide for the grant of rights to purchase Common Stock under the Non-423(b) Plan. If such grants are intended to be made under the Non-423(b) Plan, they will be designated as such at the time of grant and such grants may not comply with the requirements set forth under Section 423 of the Code. Decisions of the Plan Administrator shall be final and binding on all parties having an interest in the Plan.

III. STOCK SUBJECT TO PLAN

A. The stock purchasable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares of Common Stock purchased on the open market. Subject to Article III (B) below, the maximum number of shares of Common Stock which may be issued in the aggregate under the Plan shall be 1,250,000 shares.

B. Should any change be made to the Common Stock by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without the Corporation's receipt of consideration, appropriate adjustments shall be made to the maximum number and class of securities issuable in the aggregate under the Plan, (ii) the maximum number and class of securities purchasable per Participant and in the aggregate on any one Purchase Date and (iii) the number and class of securities and the price per share in effect under each outstanding purchase right in order to prevent the dilution or enlargement of benefits thereunder.

IV. OFFERING PERIODS

A. Shares of Common Stock shall be offered for purchase under the Plan through a series of successive offering periods until such time as (i) the maximum number of shares of Common Stock available for issuance under the Plan shall have been purchased or (ii) the Plan shall have been sooner terminated.

B. Each offering period shall be of such duration (not to exceed twenty-four (24) months) as determined by the Plan Administrator prior to the start date of such offering period. However, the initial offering period shall commence at the Effective Date and terminate twenty-four (24) months from the

commencement date of such offering period, unless (i) the offering period automatically resets prior to that date (as described in Article IV(D) hereof), or (ii) prior to the commencement of the initial offering period, the Plan Administrator determines that such initial offering period shall be of a shorter duration. Subsequent offering periods shall commence as designated by the Plan Administrator.

C. Each offering period shall be comprised of a series of one or more successive and/or overlapping Purchase Intervals having such durations as may be established by the Plan Administrator. Unless otherwise provided by the Plan Administrator, Purchase Intervals shall run from the last business day in April each year to the last business day in October of the same year and from the last business day in October each year to the last business day in April of the following year. However, the first Purchase Interval in effect under the initial offering period shall commence on the Effective Date and terminate on the last business day in the next succeeding April or October (whichever is earlier).

D. Should the Fair Market Value per share of Common Stock on any Purchase Date within an offering period be less than the Fair Market Value per share of Common Stock on the start date of that offering period, then that offering period shall automatically terminate immediately after the purchase of shares of Common Stock on such Purchase Date, and a new offering period shall commence on that day, following such Purchase. The new offering period shall have a duration of twenty-four (24) months, unless a shorter duration is established by the Plan Administrator within thirty (30) calendar days following the start date of that offering period.

V. ELIGIBILITY

A. Each individual who is an Eligible Employee on the start date of an offering period under the Plan may enter that offering period on such start date or on any subsequent Semi-Annual Entry Date within that offering period, provided he or she remains an Eligible Employee.

B. Each individual who first becomes an Eligible Employee after the start date of an offering period may enter that offering period on any subsequent Semi-Annual Entry Date within that offering period on which he or she is an Eligible Employee.

C. The date an individual enters an offering period shall be designated his or her Entry Date for purposes of that offering period.

D. To participate in the Plan for a particular offering period, the Eligible Employee must complete the enrollment forms prescribed by the Plan Administrator (including a stock purchase agreement and a payroll deduction authorization) and file such forms with the Plan Administrator (or its designee) on or before his or her scheduled Entry Date. Once an Eligible Employee has enrolled in an offering period, his or her enrollment will remain in effect through subsequent offering periods unless the Eligible Employee withdraws from the Plan.

VI. PAYROLL DEDUCTIONS

A. Except as otherwise provided by the Plan Administrator prior to the commencement of an offering period, the payroll deduction authorized by the Participant for purposes of acquiring shares of Common Stock during an offering period may be any multiple of one percent (1%) of the Participant's Base Salary during each Purchase Interval within that offering period, up to a maximum equal to the lesser of (i) twenty-five percent (25%) of the Participant's Base Salary per pay-period during the applicable Purchase Interval and (ii) one hundred percent (100%) of the Participant's Base Salary that remains after subtracting all other amounts that are to be deducted or withheld from the Participant's Base Salary during such pay-period in the Purchase Interval, provided, however, that a lesser amount of the Participant's remaining Base Salary may be deducted if required to comply with applicable local law. The deduction rate so authorized shall continue in effect throughout the offering period, except to the extent such rate is changed in accordance with the following guidelines:

(i) The Participant may, at any time during the offering period, reduce his or her rate of payroll deduction to become effective as soon as possible after filing the appropriate form with the Plan

Administrator. The Participant may not, however, effect more than one (1) such reduction per Purchase Interval.

(ii) The Participant may, prior to the commencement of any new Purchase Interval within the offering period, increase the rate of his or her payroll deduction by filing the appropriate form with the Plan Administrator. The new rate (which may not exceed the twenty-five percent (25%) maximum) shall become effective on the start date of the first Purchase Interval following the filing of such form.

B. Payroll deductions shall begin on the first pay day following the Participant's Entry Date into the offering period and shall (unless sooner terminated by the Participant) continue through the pay day ending with or immediately prior to the last day of that offering period. The amounts so collected shall be credited to the Participant's book account under the Plan, but no interest shall be paid on the balance from time to time outstanding in such account, unless payment of interest is required under local law in which case the purchase rights will be granted under the Non-423(b) Plan, if necessary under applicable laws or regulations. The amounts collected from the Participant shall not be required to be held in any segregated account, unless otherwise required under local law (in which case, such rights will be granted under the Non-423(b) Plan if necessary), or trust fund and may be commingled with the general assets of the Corporation and used for general corporate purposes.

C. Payroll deductions shall automatically cease upon the termination of the Participant's purchase right in accordance with the provisions of the Plan.

D. The Participant's acquisition of Common Stock under the Plan on any Purchase Date shall neither limit nor require the Participant's acquisition of Common Stock on any subsequent Purchase Date, whether within the same or a different offering period.

E. For rights to purchase Common Stock granted under the Non-423(b) Plan, if payroll deductions are not permitted under local law, as determined by the Corporation, Participants may be permitted to contribute to the Plan by an alternative method, as determined by the Corporation. Alternate methods of contribution may be permitted for purchase rights granted under the Code Section 423(b) Plan if such is determined to be permissible under Code Section 423.

VII. PURCHASE RIGHTS

A. ***Grant of Purchase Right.*** A Participant shall be granted a separate purchase right for each offering period in which he or she participates. The purchase right shall be granted on the Participant's Entry Date into the offering period and shall provide the Participant with the right to purchase shares of Common Stock, in a series of successive installments over the remainder of such offering period, upon the terms set forth below. The Participant shall execute a stock purchase agreement embodying such terms and such other provisions (not inconsistent with the Plan) as the Plan Administrator may deem advisable.

Under no circumstances shall purchase rights be granted under the Plan to any Eligible Employee if such individual would, immediately after the grant, own (within the meaning of Code Section 424(d)) or hold outstanding options or other rights to purchase, stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Corporation or any Corporate Affiliate.

B. ***Exercise of the Purchase Right.*** Each purchase right shall be automatically exercised in installments on each successive Purchase Date within the offering period, and shares of Common Stock shall accordingly be purchased on behalf of each Participant (other than Participants whose payroll deductions have previously been refunded pursuant to the Termination of Purchase Right provisions below) on each such Purchase Date. The purchase shall be effected by applying the Participant's payroll deductions for the Purchase Interval ending on such Purchase Date to the purchase of whole shares of Common Stock at the purchase price in effect for the Participant for that Purchase Date.

C. ***Purchase Price.*** The purchase price per share at which Common Stock will be purchased on the Participant's behalf on each Purchase Date within the offering period shall be established by the Plan

Administrator; provided however, that such purchase price shall not be less than eighty-five percent (85%) of the lower of (i) the Fair Market Value per share of Common Stock on the Participant's Entry Date into that offering period or (ii) the Fair Market Value per share of Common Stock on that Purchase Date. Subject to adjustment as provided in Article III (B) or Article X below, the purchase price per share at which Common Stock will be purchased on the Participant's behalf on each Purchase Date within the offering period shall be equal to eighty-five percent (85%) of the lower of (i) the Fair Market Value per share of Common Stock on the Participant's Entry Date into that offering period or (ii) the Fair Market Value per share of Common Stock on that Purchase Date.

D. **Number of Purchasable Shares.** The number of shares of Common Stock purchasable by a Participant on each Purchase Date during the offering period shall be the number of whole shares obtained by dividing the amount collected from the Participant through payroll deductions during the Purchase Interval ending with that Purchase Date by the purchase price in effect for the Participant for that Purchase Date. However, except as otherwise provided by the Plan Administrator prior to the commencement of an offering period, the maximum number of shares of Common Stock purchasable per Participant on any one Purchase Date during such offering period shall not exceed Four Hundred (400) shares, subject to periodic adjustments in the event of certain changes in the Corporation's capitalization. In addition, the maximum number of shares of Common Stock purchasable in the aggregate by all Participants on any one Purchase Date under the Plan shall not exceed Three Hundred Thousand (300,000) shares (or such other number designated by the Plan Administrator), subject to periodic adjustments in the event of certain changes in the Corporation's capitalization. Should the total number of shares of Common Stock to be purchased by all Participants pursuant to outstanding purchase rights on any particular date exceed the maximum share limitation set forth in this paragraph, the Plan Administrator shall make a pro-rata allocation of the available shares on a uniform and nondiscriminatory basis.

E. **Excess Payroll Deductions.** Any payroll deductions not applied to the purchase of shares of Common Stock on any Purchase Date because they are not sufficient to purchase a whole share of Common Stock shall be held for the purchase of Common Stock on the next Purchase Date. However, any payroll deductions not applied to the purchase of Common Stock by reason of the limitation on the maximum number of shares purchasable on the Purchase Date shall be promptly refunded.

F. **Termination of Purchase Right.** The following provisions shall govern the termination of outstanding purchase rights:

(i) A Participant may, at any time prior to the next scheduled Purchase Date in the offering period, withdraw from participation in the Plan by filing the appropriate form with the Plan Administrator (or its designate), and no further payroll deductions shall be collected from the Participant with respect to the withdrawal. Any payroll deductions collected during the Purchase Interval in which such withdrawal occurs shall, at the Participant's election, be immediately refunded or held for the purchase of shares on the next Purchase Date. If no such election is made at the time of such withdrawal, then the payroll deductions collected with respect to the terminated right shall be refunded as soon as possible.

(ii) The termination of such purchase right shall be irrevocable, and the Participant may not subsequently rejoin the offering period for which the terminated purchase right was granted. In order to resume participation in any subsequent offering period, such individual must re-enroll in the Plan (by making a timely filing of the prescribed enrollment forms) on or before his or her scheduled Entry Date into that offering period.

(iii) Should the Participant cease to remain an Eligible Employee for any reason (including death, disability or change in status) while his or her purchase right remains outstanding, then that purchase right shall immediately terminate, and all of the Participant's payroll deductions for the Purchase Interval in which the purchase right so terminates shall be immediately refunded. However, should the Participant cease to remain in active service by reason of an approved unpaid leave of absence, then the Participant shall have the right, exercisable up until the last business day of the Purchase Interval in which such leave commences, to (a) withdraw all the payroll deductions collected to date on his or her behalf for that Purchase Interval or (b) have such funds held for the purchase of shares on his or her behalf on the next scheduled Purchase Date, provided the Participant remains an Eligible Employee on such Purchase Date. In no event, however, shall

any further payroll deductions be collected on the Participant's behalf during such leave, unless continuation of payroll deductions or other authorized contributions is required under local law, in which case the purchase rights will be granted under the Non-423(b) Plan, if necessary under applicable laws or regulations. Upon the Participant's return to active service (i) within ninety (90) days following the commencement of such leave or, (ii) prior to the expiration of any longer period for which such Participant's right to reemployment with the Corporation or Corporate Affiliate is guaranteed by either statute or contract, his or her payroll deductions under the Plan shall automatically resume at the rate in effect at the time the leave began. However, should the Participant's leave of absence exceed ninety (90) days and his or her re-employment rights not be guaranteed by either statute or contract, then the Participant's status as an Eligible Employee will be deemed to terminate on the ninety-first (91st) day of that leave, and such Participant's purchase right for the offering period in which that leave began shall thereupon terminate. An individual who returns to active employment following such a leave shall be treated as a new Eligible Employee for purposes of the Plan and must, in order to resume participation in the Plan, re-enroll in the Plan (by making a timely filing of the prescribed enrollment forms) on or before his or her scheduled Entry Date into the offering period, unless a re-enrollment requirement would be contrary to local law, in which case the purchase rights will be granted under the Non-423(b) Plan, if necessary under applicable laws or regulations.

G. **Change of Control.** Each outstanding purchase right shall automatically be exercised, prior to the effective date of any Change of Control on a date determined by the Plan Administrator, by applying the payroll deductions of each Participant for the Purchase Interval in which such Change of Control occurs to the purchase of whole shares of Common Stock at the purchase price per share established by the Plan Administrator for the applicable offering period, treating as the Purchase Date for this purpose the date on which shares are purchased prior to the effective date of such Change of Control. The applicable limitation on the number of shares of Common Stock purchasable by all Participants in the aggregate shall not apply to any such purchase.

The Corporation shall use its best efforts to provide at least ten (10)-days prior written notice of the occurrence of any Change of Control, and Participants shall, following the receipt of such notice, have the right to terminate their outstanding purchase rights prior to the effective date of the Change of Control.

H. **Proration of Purchase Rights.** Should the total number of shares of Common Stock to be purchased pursuant to outstanding purchase rights on any particular date exceed the number of shares then available for issuance under the Plan, the Plan Administrator shall make a pro-rata allocation of the available shares on a uniform and nondiscriminatory basis, and the payroll deductions of each Participant, to the extent in excess of the aggregate purchase price payable for the Common Stock pro-rated to such individual, shall be refunded.

I. **Assignability.** The purchase right shall be exercisable only by the Participant and shall not be assignable or transferable by the Participant.

J. **Stockholder Rights.** A Participant shall have no stockholder rights with respect to the shares subject to his or her outstanding purchase right until the shares are purchased on the Participant's behalf in accordance with the provisions of the Plan and the Participant has become a holder of record of the purchased shares.

K. **Tax Withholding.** At the time a Participant's purchase right is exercised, in whole or in part, or at the time a Participant disposes of some or all of the shares of Common Stock he or she acquires under the Plan, the Participant shall make adequate provision for the U.S. federal, state, local and foreign tax withholding obligations, if any, of the Corporation and/or Corporate Affiliate which arise upon exercise of the purchase right or upon such disposition of shares, respectively. The Corporation and/or the Corporate Affiliate may, but shall not be obligated to, withhold from the Participant's compensation or any other payments due the Participant the amount necessary to meet such withholding obligations or withhold from the proceeds of the sale of shares of Common Stock or any other method of withholding the Corporation and/or the Corporate Affiliate deems appropriate. The Corporation and/or the Corporate Affiliate shall have the right to take such other action as may be necessary in the opinion of the Corporation or a Corporate Affiliate to satisfy withholding obligations for such taxes.

VIII. ACCRUAL LIMITATIONS

A. No Participant shall be entitled to accrue rights to acquire Common Stock pursuant to any purchase right outstanding under this Plan if and to the extent such accrual, when aggregated with (i) rights to purchase Common Stock accrued under any other purchase right granted under this Plan and (ii) similar rights accrued under other employee stock purchase plans (within the meaning of Code Section 423) of the Corporation or any Corporate Affiliate, would otherwise permit such Participant to purchase more than Twenty-Five Thousand Dollars (\$25,000) worth of stock of the Corporation or any Corporate Affiliate (determined on the basis of the Fair Market Value per share on the date or dates such rights are granted) for each calendar year such rights are at any time outstanding, or, if required pursuant to final revised Code Section 423 regulations issued by the U.S. Internal Revenue Service, for each calendar year such rights are outstanding and exercisable. The requirements set forth under this provision will be interpreted and applied to comply with current requirements under Code Section 423.

B. For purposes of applying such accrual limitations to the purchase rights granted under the Plan, the following provisions shall be in effect:

(i) The right to acquire Common Stock under each outstanding purchase right shall accrue in a series of installments on each successive Purchase Date during the offering period on which such right remains outstanding.

(ii) No right to acquire Common Stock under any outstanding purchase right shall accrue to the extent the Participant has already accrued in the same calendar year the right to acquire Common Stock under one (1) or more other purchase rights at a rate equal to Twenty-Five Thousand Dollars (\$25,000) worth of Common Stock (determined on the basis of the Fair Market Value per share on the date or dates of grant) for each calendar year such rights were at any time outstanding, or, if required pursuant to final revised regulations issued by the U.S. Internal Revenue Service, for each calendar year such rights were outstanding and exercisable.

C. If by reason of such accrual limitations, any purchase right of a Participant does not accrue for a particular Purchase Interval, then the payroll deductions which the Participant made during that Purchase Interval with respect to such purchase right shall be promptly refunded.

D. In the event there is any conflict between the provisions of this Article and one or more provisions of the Plan or any instrument issued thereunder, the provisions of this Article shall be controlling.

IX. EFFECTIVE DATE, TERM OF THE PLAN AND COMPLIANCE WITH LAWS

A. The Plan was adopted by the Board on January 29, 2009 and shall become effective at the Effective Date, provided that the Plan shall have been approved by the stockholders of the Corporation, and provided further that no purchase rights granted under the Plan shall be exercised, and no shares of Common Stock shall be issued hereunder, until the Corporation shall have complied with all applicable requirements of the 1933 Act (including the registration of the shares of Common Stock issuable under the Plan on a Form S-8 registration statement filed with the Securities and Exchange Commission, unless in the opinion of legal counsel to the Corporation, the shares issuable upon exercise of the purchase rights may be issued in accordance with the terms of an applicable exemption from the registration requirements of said Act), all applicable listing requirements of any stock exchange on which the Common Stock is listed for trading and all other applicable requirements established by any applicable U.S. federal, state or foreign securities laws or other law or regulation. In the event such stockholder approval is not obtained, or such compliance is not effected, within twelve (12) months after the date on which the Plan is adopted by the Board, the Plan shall terminate and have no further force or effect, and any sums collected from Participants during the initial offering period hereunder shall be refunded. The inability of the Corporation to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Corporation's legal counsel to be necessary for the lawful issuance and sale of any shares under the Plan shall relieve the Corporation of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to the exercise of a

purchase right, the Corporation may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation, and to make any representation or warranty with respect thereto as may be requested by the Corporation.

B. Unless sooner terminated by the Board, in its sole discretion, the Plan shall terminate upon the earliest of (i) the date on which all shares available for issuance under the Plan shall have been sold pursuant to purchase rights exercised under the Plan or (ii) the date on which all purchase rights are exercised in connection with a Change of Control. No further purchase rights shall be granted or exercised, and no further payroll deductions shall be collected, under the Plan following such termination.

X. AMENDMENT/TERMINATION OF THE PLAN

A. The Board may alter, amend, suspend or terminate the Plan at any time to become effective immediately following the close of any Purchase Interval. However, the Plan may be amended or terminated immediately upon Board action, if and to the extent necessary the Board or the Plan Administrator, as applicable, determines that such amendment or termination of the Plan is in the best interests of the Corporation and its stockholders. Such actions by the Board may include, without limitation, (i) termination of the Plan or any offering period or Purchase Interval, (ii) acceleration of the Purchase Date of any Purchase Interval, (iii) reduction of the discount or change in the method of determining the purchase price in any Purchase Interval or offering period (e.g., by determining the purchase price solely on the basis of the Fair Market Value on the Purchase Date), (iv) reduction in the maximum number of shares that may be purchased by any Participant or in the aggregate by all Participants on any Purchase Date or (v) any combination of the foregoing actions.

B. To the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any other applicable law, regulation or stock exchange rule), the Corporation shall obtain shareholder approval for such amendment or termination in such a manner and to such a degree as required.

XI. RULES FOR FOREIGN JURISDICTIONS.

A. The Board or Plan Administrator may adopt rules or procedures relating to the operation and administration of the Non-423(b) component of the Plan to accommodate the specific requirements of local laws and procedures. Without limiting the generality of the foregoing, the Board or Plan Administrator is specifically authorized to adopt rules and procedures regarding handling of payroll deductions, payment of interest, conversion of local currency, payroll tax, withholding procedures and handling of stock certificates which vary with local requirements.

B. The Board or Plan Administrator may also adopt rules, procedures or sub-plans applicable to particular Participating Corporations or locations under the non-423 component of the Plan. The rules of such sub-plans may take precedence over other provisions of this Plan, with the exception of Article III (A), but unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan shall govern the operation of such sub-plan.

XII. GENERAL PROVISIONS

A. Nothing in the Plan shall confer upon the Participant any right to continue in the employ of the Corporation or any Corporate Affiliate for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Corporation (or any Corporate Affiliate employing such person) or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's employment at any time for any reason, with or without cause.

B. The Code Section 423(b) Plan is exempt from the application of Section 409A. The Non-423(b) Plan is intended to be exempt from the application of Section 409A of the Code under the short-term deferral exception and any ambiguities shall be construed and interpreted in accordance with such intent. Except as provided in Article XII (C) hereof, in the case of a Participant who would otherwise be subject to Section 409A of the Code, to the extent the Plan Administrator determines that a purchase right or the exercise, payment,

settlement or deferral thereof is subject to Section 409A of the Code, the purchase right shall be granted, exercised, paid, settled or deferred in a manner that will comply with Section 409A of the Code, including Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Anything in the foregoing to the contrary notwithstanding, the Corporation shall have no liability to a Participant or any other party if the purchase right that is intended to be exempt from, or compliant with Section 409A of the Code is not so exempt or compliant or for any action taken by the Committee with respect thereto.

C. Although the Corporation may endeavor to (1) qualify a purchase right for favorable tax treatment under the laws of the United States or jurisdictions outside of the United States or (2) avoid adverse tax treatment (*e.g.*, under Section 409A of the Code), the Corporation makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment, anything to the contrary in this Plan, including Article XII (B) hereof, notwithstanding. The Corporation shall be unconstrained in its corporate activities without regard to the potential negative tax impact on Participants under the Plan.

D. All costs and expenses incurred in the administration of the Plan shall be paid by the Corporation; however, each Plan Participant shall bear all costs and expenses incurred by such individual in the sale or other disposition of any shares purchased under the Plan.

E. The provisions of the Plan shall be governed by the laws of the State of Texas without regard to that State's conflict-of-laws rules.
