Globe Specialty Metals Inc. (Nasdaq:GSM), is among the world's largest producers of silicon metal, silicon-based specialty alloys and silicon fume-- critical ingredients in a host of industrial and consumer products with growing markets.

Our customers include major silicone chemical, aluminum and steel manufacturers, producers of photovoltaic solar cells and computer chips, the auto industry, ductile iron foundries, concrete and building material producers.

We have major manufacturing facilities in the U.S. states of Ohio, West Virginia, Alabama and New York, as well as other global locations in Argentina, Canada, China and South Africa. Our headquarters are in Miami, Florida.

Our principal operating subsidiaries are Globe Metallurgical, Inc., Alden Resources, LLC and Core Metals Group, LLC in the U.S.; Globe Metales S.A. in Argentina; Ningxia Yonvey Coal Industry Co., Ltd., in China; Quebec Silicon Limited Partnership (QSLP) in Becancour, Quebec, Canada and Silicon Technology (Pty) Ltd. in Newcastle, South Africa.

This release may contain "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "anticipates," "intends," "plans," "seeks," "believes," "estimates," "expects" and similar references to future periods, or by the inclusion of forecasts or projections. Forward-looking statements are based on the current expectations and assumptions of Globe Specialty Metals, Inc. (the "Company") regarding its business, financial condition, the economy and other future conditions.

Because forward-looking statements relate to the future, by their nature, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. The Company's actual results may differ materially from those contemplated by the forward-looking statements. The Company cautions you therefore that you should not rely on any of these forward-looking statements as statements of historical fact or as guarantees or assurances of future performance. Important factors that could cause actual results to differ materially from those in the forward-looking statements include regional, national or global political, economic, business, competitive, market and regulatory conditions including, among others, changes in metals prices; increases in the cost of raw materials or energy; competition in the metals and foundry industries; environmental and regulatory risks; ability to identify liabilities associated with acquired properties prior to their acquisition; ability to manage price and operational risks including industrial accidents and natural disasters; ability to manage foreign operations; changes in technology; and ability to acquire or renew permits and approvals.

Any forward-looking statement made by the Company or management in this release speaks only as of the date on which it or they make it. Factors or events that could cause the Company's actual results to differ may emerge from time to time, and it is not possible for the Company to predict all of them. The Company undertakes no obligation to publicly update any forward-

looking statement, whether as a result of new information, future developments or otherwise, unless otherwise required to do so under the law or the rules of the NASDAQ Global Market.
