DragonWave Provides Updated Number of Shares Outstanding

OTTAWA, CANADA -- (Marketwired) -- 02/09/17 -- DragonWave Inc. (TSX:DWI)(NASDAQ:DRWI) a leading global supplier of packet microwave radio systems for mobile and access networks, today announced that it has 7,305,012 common shares outstanding following the exercise of six-month warrants ("the Short-Term Warrants") issued in its public offering completed in August, 2016.

Following the press release issued January 25, 2017 where the exercise price of the Short-Term Warrants was reduced from US\$4.00 per share to US\$1.50 per share, 1,200,664 Short-Term Warrants were exercised for aggregate gross proceeds of US\$1.8 million. The Short-Term Warrants expired on February 8, 2017.

DragonWave currently intends to use the net proceeds from the exercise of warrants for general corporate purposes, which may include working capital, general and administrative expenses, capital expenditures and implementation of our strategic priorities.

About DragonWave

DragonWave® is a leading provider of high-capacity packet microwave solutions that drive next-generation IP networks. DragonWave's carrier-grade point-to-point packet microwave systems transmit broadband voice, video and data, enabling service providers, government agencies, enterprises and other organizations to meet their increasing bandwidth requirements rapidly and affordably. The principal application of DragonWave's portfolio is wireless network backhaul, including a range of products ideally suited to support the emergence of underlying small cell networks. Additional solutions include leased line replacement, last mile fiber extension and enterprise networks. DragonWave's corporate headquarters is located in Ottawa, Ontario, with sales locations in Europe, Asia, the Middle East and North America.
