PROXY STATEMENT

This proxy statement contains information related to the 2006 annual meeting of stockholders of Consolidated Communications Holdings, Inc., a Delaware corporation (the “Company,” “Consolidated,” “we” or “us”) that will be held at our corporate headquarters, 121 South 17th Street, Mattoon, Illinois 61938 on Thursday, May 18, 2006, at 9:00 a.m., central time, and at any postponements or adjournments thereof. The approximate date of mailing for this proxy statement, proxy card, as well as a copy of our combined 2005 annual report to stockholders and annual report on Form 10-K for the year ended December 31, 2005, is April 13, 2006.

ABOUT THE MEETING

What is the purpose of this proxy statement?

The purpose of this proxy statement is to provide information regarding matters to be voted on at the 2006 annual meeting of our stockholders. Additionally, it contains certain information that the Securities and Exchange Commission (the “SEC”) requires us to provide annually to stockholders. The proxy statement is also the document used by our board to solicit proxies to be used at the 2006 annual meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on the matters to be presented at the annual meeting, even if they cannot attend the meeting. The board has designated Steven J. Shirar and David J. Doedtman as proxies, who will vote the shares represented by proxies at the annual meeting in the manner indicated by the proxies.

What proposals will be voted on at the annual meeting?

Stockholders will vote on the following proposals at the annual meeting:

- the election of one Class I director, for a term of three years, in accordance with our amended and restated certificate of incorporation and amended and restated bylaws (Proposal No. 1);
- the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm (the “independent auditors”), for the fiscal year ending December 31, 2006 (Proposal No. 2); and
- any other business properly coming before the annual meeting and any adjournment or postponement thereof.

Who is entitled to vote?

Each outstanding share entitles its holder to cast one vote on each matter to be voted upon at the annual meeting. Only stockholders of record at the close of business on the record date, March 29, 2006, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. If your shares are held in “street name,” please refer to the information forwarded to you by your bank, broker or other holder of record to see what you must do to vote your shares.

A complete list of stockholders entitled to vote at the annual meeting will be available for examination by any stockholder at our corporate headquarters, 121 South 17th Street, Mattoon, Illinois 61938, during normal business hours for a period of ten days before the annual meeting and at the time and place of the annual meeting.

What is the difference between a stockholder of record and a beneficial holder of shares?

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered a stockholder of record with respect to those shares. If this is the case, the stockholder proxy materials have been sent or provided directly to you by us.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial holder” of the shares held for you in what is known as “street name.” If this is the case, the proxy materials have been forwarded to you by your brokerage firm, bank or other nominee, which is considered the stockholder of record with respect to these shares. As the beneficial holder, you have the right to direct your broker, bank or other nominee how to vote your shares. Please contact your broker, bank, or other nominee for instructions on how to vote any shares you beneficially own.

Who can attend the meeting?

All stockholders of record as of March 29, 2006, or their duly appointed proxies, may attend the meeting. Cameras, recording devices and other electronic devices will not be permitted at the meeting. If you hold your shares in “street name,” you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

What constitutes a quorum?

A quorum of stockholders is necessary to hold the annual meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum. As of March 29, 2006, the record date, 29,788,851 shares of our common stock were outstanding. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered present at the meeting for purposes of establishing a quorum.

How do I vote?

You may vote in person at the meeting or by proxy. We recommend that you vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct on the proxy card. If you are a stockholder of record and attend the meeting, you may vote at the meeting or deliver your completed proxy card in person. You should follow the instructions set forth on the proxy card, being sure to complete it, to sign it and to mail it in the enclosed postage-paid envelope.

If your shares are held in “street name,” please refer to the information forwarded to you by your bank, broker or other holder of record to see what you must do in order to vote your shares. If you are a “street name” stockholder and you wish to vote in person at the meeting, you will need to obtain a proxy from the institution that holds your shares and present it to the inspector of elections with your ballot when you vote at the annual meeting.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is voted by:

- delivering to our Secretary at the address on the first page of this proxy statement a written notice of revocation of your proxy;
- delivering a duly executed proxy bearing a later date; or
- voting in person at the annual meeting.

If your shares are held in a “street name,” you may vote in person at the annual meeting if you obtain a proxy as described in the answer to the previous question. The powers of the proxy holders with regard to your

Table of Contents

shares will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not, by itself, revoke a previously granted proxy.

Can I vote by telephone or electronically?

No. We have not instituted any mechanism for telephone or electronic voting. “Street name” stockholders, however, may be able to vote electronically through their bank, broker or other holder of record. If so, instructions regarding electronic voting will be provided by the broker to you as part of the package that includes this proxy statement.

How many votes are required for the proposals to pass?

Directors are elected by a plurality vote. Accordingly, the director nominee with the greatest number of votes cast will be elected. The proposal to ratify the selection of our independent auditors requires the approval of a majority of the votes present, in person or by proxy, and entitled to vote on the matter.

How are abstentions and broker non-votes treated?

If a stockholder abstains from voting on any proposal, it will have the same effect as a vote “AGAINST” that proposal, except with respect to Proposal No. 1, where it will have no effect. Broker non-votes and shares as to which proxy authority has been withheld with respect to any matter are not entitled to vote for purposes of determining whether stockholder approval for that matter has been obtained and, therefore, will have no effect on the outcome of the vote on any such matter. A broker “non-vote” occurs on a proposal when shares held of record by a broker are present or represented at the meeting but the broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction has been given.

What if I do not specify a choice for a matter when returning a proxy?

Stockholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies that are signed and returned will be voted “FOR” the election of the nominee for Class I director and “FOR” the proposal to ratify the appointment of our independent auditors.

Will any one contact me regarding this vote?

No arrangements or contracts have been made or entered into with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary. If done, such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews.

What are the board’s recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the enclosed proxy card will vote in accordance with the recommendations of the board of directors.

The board’s recommendations, together with the description of each proposal, are set forth in this proxy statement. In summary, the board recommends that you vote:

- “FOR” the election of the nominee for Class I director (see page 6);
- “FOR” the ratification of the appointment of Ernst & Young LLP as our independent auditors (see page 15).

What happens if additional matters are presented at the annual meeting?

Other than the two proposals described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders on the enclosed proxy card will vote your shares on any additional matters properly presented for a vote at the meeting as recommended by the board or, if no recommendation is given, in their own discretion.

Who will tabulate and certify the vote?

Representatives of Computershare Trust Company, N.A., our transfer agent, will tabulate the votes and act as Inspector of Elections.

PROPOSAL NO. 1 — ELECTION OF DIRECTOR

Our amended and restated certificate of incorporation provides for the classification of our board of directors into three classes of directors, designated Class I, Class II and Class III, as nearly equal in size as is practicable, serving staggered three-year terms. One class of directors is elected each year to hold office for a three-year term or until successors of such directors are duly elected and qualified. The term of the current Class I director, Richard A. Lumpkin, expires upon the election and qualification of the Class I director to be elected at the annual meeting. The terms of Messrs. Blumenstein and Moore as Class II directors do not expire until the 2007 annual meeting, and the terms of Mr. Currey and Ms. Rahe as Class III directors do not expire until the 2008 annual meeting. The corporate governance committee has recommended, and the board also recommends, that the stockholders elect Richard A. Lumpkin, the nominee designated below as the Class I director, at this year's annual meeting to serve for a term of three years expiring in 2009 or until his successor is duly elected and qualified. The nominee for election to the office of Class I director, and certain information with respect to his background and the backgrounds of non-nominee directors, are set forth below.

It is the intention of the persons named in the accompanying proxy card, unless otherwise instructed, to vote to elect the nominee named herein as the Class I director. The nominee named herein presently serves as our chairman of the board of directors. In the event the nominee named herein is unable to serve as a director, discretionary authority is reserved to the board to vote for a substitute. The board has no reason to believe that the nominee named herein will be unable to serve if elected.

The affirmative vote of a plurality of the votes cast at the meeting at which a quorum is present is required for the election of the nominee.

CORPORATE GOVERNANCE AND BOARD COMMITTEES

Are a majority of the directors independent?

Yes. The corporate governance committee undertook its annual review of director independence and reviewed its findings with the board of directors. During this review, the board of directors considered relationships and transactions between each director or any member of his or her immediate family and Consolidated and its subsidiaries and affiliates, including those reported under “Related Party Transactions” below. The board of directors also examined relationships and transactions between directors or their affiliates and members of our senior management. The purpose of this review was to determine whether any such transactions or relationships compromised a director’s independence.

As a result of this review, our board of directors affirmatively determined that Messrs. Blumenstein and Moore and Ms. Rahe are independent for purposes of both Rule 4200(a)(15) of The NASDAQ Stock Market, Inc.’s (“NASDAQ”) Marketplace Rules and Rule 10A-3(b)(1) of the Exchange Act.

EQUITY COMPENSATION PLAN INFORMATION

Equity Compensation Plans Approved by Stockholders

Immediately prior to the closing of our initial public offering in July 2005, our stockholders approved our long-term incentive plan to be effective upon completion of our initial public offering. The plan provides for grants of stock options, stock grants and stock unit grants, stock appreciation rights and the adoption of one or more cash incentive programs. Our non-employee directors and certain employees are eligible for grants under the plan. The purpose of the plan is to provide these individuals with incentives to maximize stockholder return, otherwise contribute to our success and enable us to attract, retain and reward the best available individuals for positions of responsibility. Our compensation committee administers the plan and determines if and when awards should be granted. Our board also has the authority to administer the plan. The terms and conditions of each award made under the plan, including any vesting or forfeiture conditions, are set forth in the certificate evidencing the grant.

Equity Plans Not Approved by Stockholders

In August 2003, the board of managers of our predecessor company adopted a restricted share plan to which we succeeded upon completion of our initial public offering in July 2005. The restricted share plan

authorized the board of directors to grant to members of management, as incentive compensation, awards of restricted shares of common stock or securities convertible into shares of common stock. In connection with our initial public offering, the restricted share plan was amended to eliminate our board's ability to make any future awards of restricted common stock under the plan.

The following table sets forth information regarding our equity compensation plans as of December 31, 2005:

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The compensation levels of our executive officers for 2005 were established prior to the completion of our initial public offering by the board of managers of our predecessor company. Mr. Currey, our President and Chief Executive Officer, and Mr. Lumpkin, our Chairman, participated in those deliberations.

The compensation levels of our executive officers are currently established by our board of directors upon the recommendation of the compensation committee.

Mr. Moore and Mr. Blumenstein served on the compensation committee during the year ended December 31, 2005. Neither has ever been an officer or employee of Consolidated or any of its subsidiaries. During the year ended December 31, 2005, no executive officer of Consolidated served on the compensation committee or board of directors of any other entity which had any executive officer who also served on the compensation committee or board of Consolidated.

Our Chairman, Mr. Lumpkin, currently serves on the compensation committee; however, as required by applicable NASDAQ rules, we intend for the compensation committee to be fully independent within one year of the completion of our initial public offering.

REPORT OF THE COMPENSATION COMMITTEE*

The compensation committee of the board of directors was established in connection with the Company's initial public offering in July, 2005. During the time period covered by this report, the committee consisted of Mr. Roger Moore (its chair), Mr. Jack Blumenstein and Mr. Richard Lumpkin.

The board of directors has determined that each of Mr. Blumenstein and Mr. Moore are independent for purposes of Rule 4200(a)(15) of NASDAQ's Marketplace Rules. As required by applicable NASDAQ rules, we intend for the compensation committee to be fully independent within one year of the completion of our initial public offering.

The compensation committee determines all compensation paid or awarded to Consolidated's executive officers. The committee believes Consolidated must retain, fairly compensate, and financially motivate talented, aggressive, results-oriented managers capable of leading key areas of its business. The goal of the compensation committee is to balance these requirements with the need to make judicious use of the Company's resources by attracting and retaining the most effective and efficient executive team possible.

There are three elements of the compensation plan for the Consolidated's executive team:

- An annual base salary;
- Cash bonuses directly linked to achievement of the Company's annual financial and operational performance goals; and
- Long term, equity-based incentives.

In evaluating the mix of these compensation components, as well as the short-term and long-term value of the executive compensation plans, the compensation committee considers both the performance and skills of each executive, as well as the compensation paid to those in similar organizations with similar responsibilities.

The previous board of managers established the 2005 pay plans for the executive team based on these parameters; and also gathered and analyzed publicly-available data from other similar companies as well as published reports and industry-specific data from Mercer Consulting. The compensation committee has applied this knowledge in establishing the 2006 performance goals, the 2006 salaries, and the 2006 bonus targets for the executive team. The compensation committee may in the future make use of independent consulting resources to verify that the company's compensation plans and policies stay aligned with its overall goals.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Reorganization Agreement

Central Illinois Telephone, Providence Equity Partners IV L.P. and its affiliates (“Providence Equity”) and Spectrum Equity Investors IV, L.P. and its affiliates (“Spectrum Equity”) and members of management who owned shares of our common stock prior to our initial public offering entered into a reorganization agreement, effective immediately prior to the completion of our initial public offering on July 27, 2005, which set forth the terms of the reorganization and the certain other rights and obligations of our financial sponsors and members of management who owned common stock at that time in connection with our initial public offering. The reorganization agreement provided first for the merger of Consolidated Communications Texas Holdings, Inc. with and into Consolidated and then for the merger of Homebase with and into Consolidated, in each case, with Consolidated being the entity surviving the merger. Prior to the reorganization, Consolidated was a wholly owned subsidiary of Homebase. In connection with the reorganization, we amended and restated our certificate of incorporation to, among other things, change our name from Consolidated Communications Illinois Holdings, Inc. to Consolidated Communications Holdings, Inc.

In connection with the merger of Homebase with and into Consolidated:

- Central Illinois Telephone received from Homebase an aggregate of 7,564,758 shares of common stock;
- Spectrum Equity received from Homebase an aggregate of 7,564,760 shares of common stock;
- Providence Equity received from Homebase an aggregate of 7,564,759 shares of common stock; and
- our management stockholders received from Homebase an aggregate of 993,233 shares of common stock.

The number of shares of common stock received by each of Central Illinois Telephone, Providence Equity, Spectrum Equity and our management in the reorganization was determined based on the relative value of the Homebase preferred and common shares assuming a liquidation of Homebase as part of the reorganization. The aggregate equity value of Homebase was assumed to be equal to our aggregate equity value immediately prior to our initial public offering after giving effect to the reorganization and was based upon an initial public offering price of \$13.00 per share. In the reorganization, each preferred share in Homebase was exchanged for a number of shares of our common stock with a value at the initial public offering price that equaled the liquidation preference of such preferred share at the closing of our initial public offering. The holders of Homebase common shares received shares of common stock representing the remaining equity value of the company based upon their respective number of Homebase common shares.

The reorganization agreement also provided for the following:

Registration Rights

In connection with our initial public offering and the related transactions, we granted registration rights to each of Central Illinois Telephone, Providence Equity and Spectrum Equity that provide each such investor with:

- up to two demand registration rights;
- unlimited shelf registration rights; and
- unlimited “piggyback” registration rights.

Professional Services Fee Agreements

Homebase and certain of its subsidiaries had entered into two professional services fee agreements, each effective as of April 14, 2004, with Central Illinois Telephone, Providence Equity and Spectrum Equity, its financial sponsors. One agreement required CCI to pay to Mr. Lumpkin, Providence Equity and Spectrum

Table of Contents

Equity an annual professional services fee in the aggregate amount of \$2.0 million for consulting, advisory and other professional services provided to CCI and its subsidiaries relating to the Illinois operations. The other agreement required Consolidated Communications Acquisition Texas Inc. ("CCI Texas") to pay to Mr. Lumpkin, Providence Equity and Spectrum Equity an annual professional services fee in the aggregate amount of \$3.0 million for consulting, advisory and other professional services provided to CCI Texas and its subsidiaries relating to the company's Texas operations. The professional services fees were generally payable in cash, subject to certain limitations. The rights of Mr. Lumpkin, Providence Equity and Spectrum Equity to receive professional services fees described above terminated upon the completion of our initial public offering on July 27, 2005. Prior to the termination of these agreements, the Company recognized fees totaling \$2,867,000 in 2005 associated with these agreements.

Cash Distribution to Financial Sponsors

On June 7, 2005, our predecessor company, Homebase, made a \$37.5 million cash distribution to Central Illinois Telephone, Providence Equity and Spectrum Equity from cash on its balance sheet.

LATEL Sale/ Leaseback

In 2002, in connection with our predecessor company's acquisition of ICTC and several related businesses from McLeodUSA, each of ICTC and Consolidated Communications Market Response, Inc., or Consolidated Market Response, an indirect, wholly owned subsidiary of the Company, entered into separate agreements with LATEL, pursuant to which each of them sold to LATEL real property for total consideration of approximately \$9.2 million and then leased the property back from LATEL. The sale prices for the properties sold to LATEL were determined based upon an appraisal of each property. LATEL is owned 50.0% by Mr. Lumpkin and 50.0% by Agracel. Agracel is the sole managing member of LATEL. Mr. Lumpkin, together with members of his family, beneficially own 49.7% of Agracel. In addition, Mr. Lumpkin is a director of Agracel.

The initial term of both leases was one year beginning on December 31, 2002. Each lease automatically renews for successive one year terms through 2013, unless either ICTC or Consolidated Market Response provides one year prior written notice that it intends to terminate its respective lease. On August 1, 2005, LATEL exercised its option in the leases to convert the term of the leases to a fixed term of six years. After the fixed term expires on July 31, 2011, the leases will revert back to the initial lease terms through 2013.

Collectively, the lease expense for 2005 was approximately \$1.3 million, of which ICTC paid approximately \$1.1 million and Consolidated Market Response paid the remainder. These lease payments represent 100.0% of the revenues of LATEL. The annual rent for each lease will increase by 2.5% upon each renewal. Currently, the leases are recorded as operating leases of ICTC and Consolidated Market Response.

MACC, LLC

In 1997, prior to our predecessor company's acquisition of ICTC at the end of 2002, Consolidated Market Response entered into a lease agreement with MACC, LLC ("MACC"), an Illinois limited liability company, pursuant to which Consolidated Market Response agreed to lease office space for a period of five years. Agracel is the sole managing member and 66.7% owner of MACC. Mr. Lumpkin and members of his family directly own the remainder of MACC. The parties extended the lease for an additional five years beginning October 14, 2002. Consolidated Market Response paid MACC rent for 2005 in the amount of \$138,508. These payments represent approximately 58% of MACC's total revenues for 2005. The lease provides for a cost of living increase to the annual lease payments based on the "Revised Consumers Price Index, All Urban Consumers" published by the Bureau of Labor Statistics for the United States Department of Labor. Neither party has the right to terminate this agreement by the terms of the agreement.

SKL Investment Group, LLC

Mr. Lumpkin, together with members of his family, beneficially owns 100.0% of SKL Investment Group, a Delaware limited liability company which is an investment company serving the Lumpkin family.

Table of Contents

Mr. Lumpkin and members of his family are the sole voting members of SKL Investment Group. SKL Investment Group paid to CCI \$76,800 in 2005 for the use of office space, computers and telephones and for other office related expenses. The amount CCI charged SKL for the use of its office space, equipment and other office related expenses is based upon the amounts incurred by CCI. For example, in 2005 SKL paid \$28,500 to rent approximately 1,677 square feet of office space, which is equivalent to CCI's base rent per square foot plus SKL's pro rata share of real estate taxes, utilities and maintenance. SKL's use of equipment and other office related expenses was based on actual third-party charges or SKL's estimated usage.

First Mid-Illinois

Pursuant to various agreements with CCI, First Mid-Illinois provides the Company with general banking services, including depository, disbursement and payroll accounts, on terms comparable to those available to other large unaffiliated business accounts. Mr. Lumpkin and members of his family own approximately 29.0% of the common stock of First Mid-Illinois and Mr. Dively owns less than 1.0% of the common stock of First Mid-Illinois. In addition, Messrs. Lumpkin and Dively are directors of First Mid-Illinois. The fees charged and earnings received on deposits, through repurchase agreements, are based on First Mid-Illinois's standard schedule for large customers. During 2005, the Company paid maintenance and activity related charges of \$6,038 to First Mid-Illinois and earned \$443,072 of interest on its deposits. In addition, First Mid-Illinois administers the Company's hourly 401(k) plan. During 2005, CCI paid \$68,783 to First Mid-Illinois for this service, which is a competitive market rate based on assets under management that we believe is comparable to rates charged by independent third parties.

In 2005, a wholly owned insurance brokerage subsidiary of First Mid-Illinois received a commission relating to insurance and risk management services provided to CCI in connection with a co-brokerage arrangement with Arthur J. Gallagher Risk Management Services, Inc. CCI selected AJG Risk Management because it was the lowest cost provider among the three companies that supplied bids to us for insurance and risk management services. In 2005, CCI paid approximately \$2.1 million in insurance premiums to the insurer providers.

Illinois Telephone Operations provides First Mid-Illinois with local dial tone, custom calling features, long distance and other related services. In 2005, First Mid-Illinois paid Illinois Telephone Operations \$473,200 for these services. These services are regulated and, as a result, First Mid-Illinois paid the same rate that is applicable to all customers.

Business Systems

Consolidated Communications Business Services, Inc., or Consolidated Business Services, an indirect wholly owned subsidiary of the Company, provides repair services and, if First Mid-Illinois elects, maintenance services for First Mid-Illinois's communications equipment, all of which are pursuant to standard Centrex sales pricing formulas, which we believe are comparable to those charged to independent third parties. First Mid-Illinois paid \$39,151 in 2005 to Consolidated Business Services for these services. The contracts automatically renew annually unless either party provides prior written notice of termination.

Mobile Services

Consolidated Communications Mobile Services, Inc., or Consolidated Mobile Services, an indirect wholly owned subsidiary of the Company, provides paging services to First Mid-Illinois. During 2005, First Mid-Illinois paid \$2,100 to Consolidated Mobile Services. The amounts received from First Mid-Illinois were equal to or greater than the rate charged to customers that are not affiliated with us.

ANNUAL REPORT TO STOCKHOLDERS

Our combined 2005 annual report to stockholders and annual report on Form 10-K for the year ended December 31, 2005 accompanies this proxy statement.

STOCKHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

The proxy rules of the SEC permit our stockholders, after notice to the Company, to present proposals for stockholder action in our proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for stockholder action and are not properly omitted by our action in accordance with the proxy rules. In order for any stockholder proposal to be considered for inclusion in our proxy statement to be issued in connection with our 2007 annual meeting of stockholders, that proposal must be received at our principal executive offices, 121 South 17th Street, Mattoon, Illinois 61938 (Attention: Secretary), no later than December 14, 2006.

Our amended and restated bylaws provide that certain additional requirements be met in order that business may properly come before the stockholders at the annual meeting. Among other things, stockholders intending to bring business before the annual meeting must provide written notice of such intent to the Secretary of the Company. Such notice must be given not less than 90 days nor more than 120 days prior to the first anniversary of the date on which mailed our proxy materials for the preceding year's annual meeting. In addition, the following information must be provided regarding each proposal: as to each person whom the stockholder proposes to nominate for election as a director, the name, age, business address and, if known, residential address, principal occupation or employment, the class, series and number of shares beneficially owned by such nominee and all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required by Regulation 14A of the Exchange Act, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; a brief description of the business desired to be brought before the meeting; the text of any resolution proposed to be adopted at the meeting; and the reasons for conducting such business at the meeting; and a statement of any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made and, in the case of director nominations, a description of all arrangements or understandings between the stockholder and each nominee and any other persons (naming them) pursuant to which the nominations are to be made by the stockholder.

In addition, the following information must be provided regarding the stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made: the name and address of such stockholder, as it appears on the Company's stock transfer books, and of such beneficial owner; the class, series and number of shares of the Company which are owned beneficially and of record by such stockholder and such beneficial owner; a representation that the stockholder giving the notice is a stockholder of record and intends to appear in person or by a qualified representative at the annual meeting to bring the business proposed in the notice before the meeting; a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends to solicit proxies from stockholders in support of such proposal or nomination; and any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to the Exchange Act and the rules and regulations promulgated thereunder.

GENERAL

Section 16(a) beneficial ownership reporting compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and any persons who beneficially own more than 10% of our stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our stock. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. As a matter of practice, our administrative staff assists our executive officers and directors in preparing and filing such reports with the SEC.

To our knowledge, based solely upon a review of filings with the SEC and written representations that no other reports were required, we believe that all of our directors and executive officers complied during 2005 with the reporting requirements of Section 16(a) of the Exchange Act, except that, we believe that 433 shares of our common stock owned by Ms. Rahe were purchased by her pursuant to an automatic dividend reinvestment plan through her broker during 2005 and 2006 and, due to an inadvertent administrative error, a

Table of Contents

Form 4 was not timely filed for these transactions. Subsequent to these purchases, Ms. Rahe made a corrective filing.

Other Information

The expenses of preparing and mailing this proxy statement and the accompanying proxy card and the cost of solicitation of proxies, if any, will be borne by us. In addition to the use of mailings, proxies may be solicited by personal interview and telephone, and by our directors, officers and regular employees without special compensation therefore. We expect to reimburse banks, brokers and other persons for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of our common stock.

Unless contrary instructions are indicated on the proxy card, all shares of common stock represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted "FOR" all of the proposals described in this proxy statement.

OTHER MATTERS

Our board does not know of any other matters that are to be presented for action at the 2006 annual meeting. Should any other matter come before the annual meeting, however, the persons named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matter in accordance with their judgment.

B. Prepare the audit committee report that the Securities and Exchange Commission (the “SEC”) requires be included in the corporation’s annual proxy statement.

II. STRUCTURE AND OPERATIONS***Independence Requirement***

The Committee shall be comprised of three or more members of the Board of Directors, each of whom is determined by the Board of Directors to be “independent” as such term is defined by the NASDAQ Stock Market, Inc. (“NASDAQ”) Marketplace Rule 4200(a)(15) and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). However, one director who does not meet the NASDAQ definition of independence, but who meets the criteria set forth in Section 10A(m)(3) under the Exchange Act and the rules thereunder, and who is not a current officer or employee or a family member of such person, may serve for no more than two years on the Committee if the Board of Directors, under exceptional and limited circumstances, determines that such individual’s membership is required by the best interests of the corporation and its stockholders. Such person may not be the chairman of the Committee. The use of “exceptional and limited” circumstances exception, as well as the nature of the individual’s relationship to the corporation and the basis for the Board of Directors’ determination, shall be disclosed in the corporation’s annual proxy statement.

If a Committee member ceases to be independent for reasons outside the member’s reasonable control, his or her membership on the Committee may continue until the earlier of the corporation’s next annual stockholders’ meeting or one year from the occurrence of the event that caused the failure to qualify as independent. If the corporation is not already relying on this provision, and falls out of compliance with the requirements regarding Committee composition due to a single vacancy on the Committee, then the corporation will have until the earlier of the next annual stockholders’ meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. The corporation shall provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the non-compliance, if it expects to rely on either of these provisions for a cure period.

Financial Literacy & Expertise Requirement

All members of the Committee shall be able to read and understand fundamental financial statements, including the corporation’s balance sheet, income statement and cash flow statement. No member of the Committee may have participated in the preparation of the financial statements of the corporation or any current subsidiary of the corporation at any time during the preceding three years. Table of Contents

Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or comparable experience or background which results in financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

Limitation on Memberships of other Audit Committees

No member of the Committee may serve on the audit committee of more than three public companies, including the corporation, unless the Board of Directors determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and the corporation's annual proxy statement discloses such determination.

Limitation on Other Compensation

No member of the Committee shall receive compensation from the corporation or its affiliates other than (i) director's fees for service as a director of the corporation or an affiliate, but only to the extent the directorship on the affiliate's board of directors and related compensation has been approved by the corporation's Board of Directors and (ii) a pension or similar compensation for past performance, provided that such compensation is fixed and is not contingent on continued or future service to the corporation.

Appointment and Removal

The members of the Committee shall be appointed by the Board of Directors and shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation or removal. The members of the Committee may be removed, with or without cause, by a majority vote of the Board of Directors.

Chairman

Unless a Chairman is elected by the full Board of Directors, the members of the Committee shall designate a Chairman by the majority vote of the full Committee membership. The Chairman will chair all regular sessions of the Committee and set the agendas for Committee meetings.

Subcommittees

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; provided, however, that (i) no subcommittee will consist of fewer than two members and (ii) no subcommittee will hold any power or authority required by any law, regulation or listing standards to be exercised by the Committee as a whole.

III. MEETINGS

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. As part of its goal to foster open communication, the Committee shall periodically meet separately with each of the following:

- (i) management (including the chief financial officer and chief accounting officer); and
- (ii) the independent auditors,

in each case, to discuss any matters that the Committee or any of these groups believe would be appropriate to discuss privately. In addition, the Committee should meet with the independent auditors and management quarterly to review the corporation's financial statements in a manner consistent with that outlined in Section IV of this Charter.

At all meetings of the Committee, a majority of the members shall constitute a quorum for the transaction of business and the act of a majority of Committee members at any meeting at which there is a

quorum shall be an act of the Committee. Any matter that is put to a vote that results in a tie shall be decided by a vote of the full Board of Directors. The Chairman of the Board of Directors or any member of the Committee may call meetings of the Committee. All meetings of the Committee may be held telephonically. All non-management directors who are not members of the Committee may attend meetings of the Committee but may not vote. Additionally, the Committee may invite to its meetings, or communicate with, any director, officer or employee of the corporation and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

IV. RESPONSIBILITIES AND DUTIES

Overview

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in Section I of this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions as the Committee shall determine. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time related to the purposes of the Committee outlined in Section I of this Charter.

Review of Financial and Other Information

1. Review with management and the independent auditors prior to public dissemination the corporation's annual audited financial statements and quarterly financial statements, including the corporation's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," any comments or recommendations of the independent auditor, any reports of the independent auditor with respect to interim financial reviews as required by Statement on Auditing Standards 100 (any and all references to "Statements of Auditing Standards" or "Independent Standards Board" in this Charter shall include any amendments or supplements to such applicable standards).

2. Discuss with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 (*Communication with Audit Committee*) and Statement of Auditing Standards No. 90 (*Audit Committee Communications*) and the written disclosures required by the Independent Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*).

3. Review and discuss with management prior to dissemination: (i) the corporation's earnings press releases (paying particular attention to the use of any "pro forma" or "adjusted" non-GAAP financial measures) and (ii) financial information and earnings guidance provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (*i.e.*, discussion of the types of information to be disclosed and the type of presentation to be made). The Committee, however, need not discuss in advance each earnings release or each instance in which the corporation may provide earnings guidance.

4. Perform any functions required to be performed by it or otherwise appropriate under applicable law, rules or regulations, the corporation's bylaws and the resolutions or other directives of the Board of Directors, including review of any certification required to be reviewed in accordance with applicable law or the rules and regulations of the SEC.

Independent Auditors

5. Directly appoint, retain, review and terminate independent auditors and approve all audit engagement fees and terms.

6. Inform the corporation's independent auditors that such auditing firm shall report directly to the Committee.

Table of Contents

7. Review, at least annually, the qualifications, performance and independence of the independent auditors. In conducting its review and evaluation, the Committee should:

(i) obtain and review a report by the corporation's independent auditors describing:

(a) the auditing firm's internal quality-control procedures;

(b) any material issues raised by the most recent internal quality-control review, or peer review, of the auditing firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditing firm, and any steps taken to deal with any such issues; and

(c) all relationships between the independent auditors and the corporation in order to assess the auditors' independence.

(ii) ensure the timely rotation of the lead and concurring audit partners and other "audit partners", in each case to the extent required by the rules and regulations promulgated by the SEC, and consider whether there should be regular rotation of the audit firm itself.

(iii) confirm with the independent auditor that the audit partners do not earn or receive any compensation based on selling engagements to the corporation to provide any services, other than audit, review or attest services, to the extent such compensation would compromise the independence of accountant or auditor under the rules and regulations promulgated by the SEC.

(iv) take into account the opinions of management.

8. Oversee the work of the corporation's independent auditors, including the resolution of any disagreement between management and the auditors regarding financial reporting, for the purpose of preparing or issuing an audit report or related work.

Pre-Approval of Auditor Engagements

9. Approve in advance any audit or non-audit engagement or relationship between the corporation and the independent auditors, other than "prohibited non-auditing services," as determined from time to time by the SEC, the Public Company Accounting Oversight Board or NASDAQ through regulation or listing requirements.

The Committee may:

(i) pre-approve audit and non-audit services based on policies and procedures adopted by the Committee, provided: (a) the policies and procedures are detailed as to the particular service, (b) the Committee is informed of each service on a timely basis, (c) such policies and procedures do not include delegation of the Committee's responsibilities to management and (d) such policies and procedures are disclosed in the corporation's annual reports; and/or

(ii) delegate to one or more of its members the authority to approve in advance all audit or non-audit services to be provided by the independent auditors so long as decisions made by such member are presented to the full Committee at the immediately subsequent scheduled meeting.

Notwithstanding the foregoing, pre-approval is not necessary for minor non-audit services if:

(iii) the aggregate amount of all such non-audit services provided to the corporation constitutes not more than five percent of the total amount of revenues paid by the corporation to its auditors during the fiscal year in which the non-audit services are provided;

(iv) such services were not recognized by the corporation at the time of the engagement to be non-audit services; and

(v) such services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are

members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.

Financial Reporting Process

10. In consultation with the independent auditors and management, review the integrity of the corporation's financial reporting processes, both internal and external. In that connection, the Committee shall, prior to the filing by the corporation of its annual report and at such other times that the Committee deems appropriate, obtain and discuss with management and the independent auditors reports from management and the independent auditors regarding:

(i) all critical accounting policies and practices to be used by the corporation;

(ii) analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including all alternative treatments of financial information within generally accepted accounting principles related to material items that have been discussed with the corporation's management, the ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the independent auditors;

(iii) major issues regarding accounting principles and financial statement presentations, including any significant changes in the corporation's selection or application of accounting principles;

(iv) major issues as to the adequacy of the corporation's internal controls and any specific audit steps adopted in light of material control deficiencies; and

(v) any other material written communications between the independent auditors and the corporation's management.

11. Review periodically the effect of regulatory and accounting initiatives, as well as any off-balance sheet structures, on the financial statements of the corporation.

12. Review with the independent auditors any audit problems or other difficulties encountered by the auditors in the course of the audit process, including any restrictions on the scope of the independent auditors' activities or on access to requested information, and resolve any significant disagreements with management and management's responses to such matters. Without excluding other possibilities, the Committee may wish to review with the independent auditors:
