First Quarter 2017 Financial Results

Total revenues for the first quarter of 2017 were \$52.9 million compared to \$19.9 million in the same year-ago period. - **Valuation and Appraisal Segment:** Revenue was \$ 7.8 million compared to \$ 7.5 million in the same year-ago period. - **Principal Investments – United Online Segment:** Revenues from services and fees, as well as the sale of products totaled \$ 13.4 million primarily from services and fees for internet access and related subscription services. Segment income totaled \$ 4.2 million.

Management Commentary

"Our financial results for the first quarter were strong across the board, marking another highly profitable quarter for our company," said company chairman and CEO, Bryant Riley. "We were pleased that the quarter's performance was driven by multiple lines of business that are uncorrelated to each other, including our Capital Markets and United Online business. We believe this performance demonstrates the attractiveness of our business model, which is strategically designed to provide us with multiple sources of recurring revenue and cash flow, as well as opportunities to generate outsized returns, particularly from our retail asset disposition business as we did in the fourth quarter of last year.

"Our most notable development in the first quarter was our previously announced agreement to acquire FBR & Co., which we expect to close in early June. We are excited about the potential benefit that our company will generate with the increased scale, reach and capabilities achieved through the merger with FBR. We believe we will be ideally situated to expand our market-leading position in the small-cap investment banking space while also realizing attractive cross-selling opportunities across our highly unique and increasingly diversified financial services platform.

"Additionally, we continue to explore opportunities to expand our capabilities and add complementary businesses to our group of financial services. To this end, we recently announced that we have acquired the rights to manage certain hedge funds managed by Dialectic Capital Management and that John Fichthorn has joined the company as the Head of Alternative Investments. With the addition of Mr. Fichthorn and the Dialectic funds, our B. Riley Capital Management business will have nearly \$1 billion in assets under management."
