expertise. With more than 9,500 active contracts, our diverse client base includes both clinical and nonclinical settings, servicing acute care hospitals, physician practice groups, outpatient and ambulatory-care centers, nursing facilities, both public schools and charter schools, rehabilitation and sports medicine clinics, government facilities, and homecare. Through our national staffing teams and network of 74 office locations, we are able to place clinicians on travel and per diem assignments, local short-term contracts and permanent positions. We are a market leader in providing flexible workforce management solutions, which include managed services programs (MSP), internal resource pool consulting and development, electronic medical record (EMR) transition staffing, recruitment process outsourcing, predictive modeling and other outsourcing and consultative services. In addition, we provide both retained and contingent placement services for healthcare executives, physicians, and other healthcare professionals.

In naming Mr. Grubbs to this year's list, SIA cited Cross Country Healthcare's growth, both organically and through a number of acquisitions, including most recently USr Healthcare. Under the leadership of Mr. Grubbs, Cross Country Healthcare has continued to grow in revenue, organizational structure, service offerings and locations. Mr. Grubbs leads the nation's third-largest healthcare staffing firm, as well as the second-largest travel and per-diem nursing firms.

The Staffing 100 list represents the biggest influencers in the \$145 billion staffing industry. The list includes those who are shaping the industry by breaking records, creating new jobs and models of work, and moving the industry, and the world, forward. Staffing insiders and observers nominate men and women from all sectors of the industry for the chance to be chosen for this prestigious recognition. The Staffing Industry Analysts editorial team then reviews the nominations and makes the final determination of those individuals who have in some way affected the world of contingent work and influenced people's perception of talent and how it can be used.
