INVISIO to deliver communication systems to a new military customer in the US

INVISIO has received an order valued about SEK 20 million concerning deliveries to a new customer within the military in the US. Deliveries are planned for the first half of 2018.

With INVISIO's communication system, the users get a market leading hearing protection and can communicate and maintain a state of the art situational awareness in tough environments.

About INVISIO Communications AB (publ)

INVISIO develops and sells advanced communication systems with hearing protection that enable professionals in noisy and mission critical environments to communicate and work effectively. The company combines insights in acoustics and human hearing with broad engineering know-how in software, materials technology and interface, among others. Sales are primarily via a global network of partners and resellers, as well as from the headquarters in Copenhagen and the sales offices in the USA and France. INVISIO's registered office is in Stockholm, Sweden, and the company's share is listed on Nasdaq Stockholm (IVSO). Read more at www.invisio.com.
