## PositiveID Corporation to Host Shareholder Call and Webcast on January 28, 2015

DELRAY BEACH, Fla., Jan. 27, 2015 (GLOBE NEWSWIRE) -- PositiveID Corporation ("PositiveID" or "Company") (OTCQB:PSID), a developer of biological detection and diagnostics solutions, announced today it will host a conference call and live webcast with presentation slides on Wednesday, January 28, 2015, at 10:30 a.m. ET, to update shareholders on the Company's business and its outlook for 2015 and beyond.

Interested participants should call (844) 831-4030 within the United States or (443) 877-4071 internationally, and use passcode 40553077#. The webcast will be accessible on the Company's website in the Investors section at

[http://www.positiveidcorp.com/investors\\_events.html](http://www.positiveidcorp.com/investors_events.html). For those unable to participate in the live event, the webcast will be archived on the Company's website for 30 days.

### About PositiveID Corporation

PositiveID Corporation is an emerging growth company and developer of biological detection systems for America's homeland defense industry as well as rapid biological testing. PositiveID is focused on the development of microfluidic systems for the automated preparation of and performance of biological assays in order to detect biological threats and analyze biological samples. For more information on PositiveID, please visit <http://www.PositiveIDCorp.com>.

*Statements about PositiveID's future expectations constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and as that term is defined in the Private Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties and are subject to change at any time, and PositiveID's actual results could differ materially from expected results. These risks and uncertainties include, without limitation, the Company's ability to target the bio-threat detection and rapid medical testing sectors; the Company's ability to complete the development of its Firefly system; as well as other risks. Additional information about these and other factors that could affect the Company's business is set forth in the Company's various filings with the Securities and Exchange Commission, including those set forth in the Company's 10-K filed on April 11, 2014, and 10-Qs filed on November 17, 2014, August 14, 2014, and May 20, 2014, under the caption "Risk Factors." The Company undertakes no obligation to update or release any revisions to these forward-looking statements to reflect events or circumstances after the date of this statement or to reflect the occurrence of unanticipated events, except as required by law.*
