PRGX Named to the Fourth Annual Spend Matters 50 Providers to Know List

ATLANTA, June 29, 2017 (GLOBE NEWSWIRE) -- PRGX Global, Inc. (Nasdaq:PRGX), a global leader in Recovery Audit and Spend Analytics, today announced it was recently named to the 2017 Spend Matters 50 Providers to Know list.

The annual list released by Spend Matters, a procurement and supply chain industry advisory firm, recognizes companies that offer technology solutions to help procurement teams drive value for their enterprises. In addition to PRGX being recognized on the 2017 50 Providers to Know list, Lavante, now a PRGX company, was recognized last year as one of Spend Matters 50 Providers to Watch.

"We are pleased and excited to be recognized by Spend Matters for our solutions offered to procurement organizations," said Daryl Rolley, Chief Commercial Officer at PRGX. "We realize the market for these solutions is becoming more competitive so to be seen as a top innovator in the space is an honor. We continue to grow and enhance our solutions to best fit the needs of our clients and prospects."

"It's difficult — and getting even more so — to make Spend Matters' 50/50 lists, and we're thrilled PRGX made it onto the 2017 Spend Matters 50 to Know list," said Jason Busch, founder and head of strategy at Spend Matters. "This list is the product of intense debate, discussion and refinement each year by our analysts. This year saw new coverage areas and increased competition among providers in existing segments. PRGX earned a deserved spot as one of the procurement providers worth knowing in 2017."
