## **EFI Acquires Dye and Color Systems Developer Rialco Limited**

FREMONT, Calif., March 02, 2016 (GLOBE NEWSWIRE) -- [EFI™](#) (Nasdaq:EFII) today announced that it has acquired Rialco® Limited, one of Europe's leading suppliers of dye powders and color products for digital print and industrial manufacturing industries.

Based in Bradford, UK, Rialco will now operate as part of EFI's industrial inkjet business, and will continue to work closely with and support its existing clients as well as expand and grow its capabilities with new products and new customers. EFI plans to improve its inkjet portfolio with Rialco's advanced ink component capabilities.

Financial terms of the acquisition were not disclosed, but the deal is not expected to be material to EFI's Q1 or full-year 2016 financial results.

"The deal announced today gives EFI the platform to accelerate the technical advantages we provide to customers in the textile, signage, ceramics and other industries that are rapidly transitioning from analog to digital printing," said Stephen Emery, vice president of EFI's ink business.

"Being part of EFI gives us an important opportunity to continue growing our offerings as part of a leading developer of advanced industrial ink products," said Paul Davies, a Rialco co-founder and current director of EFI | Rialco.

### **Safe Harbor for Forward Looking Statements**

Certain statements in this press release are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. Statements in this press release that could be deemed forward-looking statements include, but are not necessarily limited to, statements regarding the impact of the acquisition on EFI's Q4 2014 and full year 2014 results, expansion of our product portfolio, our future product offerings to Rialco Limited customers, integration of Rialco Limited's assets, continuation of support to the existing Rialco Limited client base, and any statements or assumptions underlying any of the foregoing.

Forward-looking statements are subject to certain risks and uncertainties that could cause our actual future results to differ materially, or cause a material adverse impact on our results. Potential risks and uncertainties include, but are not necessarily limited to, unforeseen expenses; the difficulty of aligning expense levels with revenue; management's ability to forecast revenues, expenses and earnings; any world-wide financial and economic difficulties and downturns; adverse tax-related matters such as tax audits, changes in our effective tax rate or new tax legislative proposals; the unpredictability of development schedules and commercialization of products by the leading printer manufacturers and declines or delays in demand for our related products; changes in the mix of products sold; the uncertainty of market acceptance of new product introductions; intense competition in each of our businesses, including competition from products developed by EFI's customers; challenge of managing asset levels, including inventory and variations in inventory levels; the uncertainty of

continued success in technological advances; the challenges of obtaining timely, efficient and quality product manufacturing and supply of components; litigation involving intellectual property rights or other related matters; our ability to successfully integrate acquired businesses; the uncertainty regarding the amount and timing of future share repurchases by EFI and the origin of funds used for such repurchases; the market prices of EFI's common stock prior to, during and after the share repurchases; any disruptions in our operations, the difficulty to retain employees, and additional expenses that we may incur as a result of the compliance with the requirements regarding "conflict minerals," and any other risk factors that may be included from time to time in the Company's SEC reports.

The statements in this press release are made as of the date of this press release. EFI undertakes no obligation to update information contained in this press release. For further information regarding risks and uncertainties associated with EFI's businesses, please refer to the sections entitled "Risk Factors," "Factors That Could Adversely Affect Performance," and other similar sections in our SEC filings and reports, including, but not limited to, EFI's annual report on Form 10-K and its quarterly reports on Form 10-Q, copies of which may be obtained by contacting EFI's Investor Relations Department by phone at 650-357-3828 or by email at [investor.relations@efi.com](mailto:investor.relations@efi.com) or EFI's Investor Relations website at <http://www.efi.com>.
