EFI to Present at Upcoming Stifel and William Blair Conferences

FREMONT, Calif., May 26, 2017 (GLOBE NEWSWIRE) -- Electronics For Imaging, Inc. (NASDAQ:EFII), a world leader in customer-focused digital printing innovation, today announced that management will present at Stifel's 2017 Technology, Internet & Media Conference and William Blair's Growth Stock Conference.

The Stifel Conference is to be held on June 5-6, 2017 at the Fairmont Hotel in San Francisco; EFI is scheduled to present on Tuesday, June 6, at 1:50 PM ET. The William Blair Growth Stock Conference is to be held June 13-15, 2017 at the Four Seasons Hotel in Chicago; EFI is scheduled to present on Wednesday June 14, at 12:00pm

A live audio webcast of the events will be made available on the Investor Relations, Events & Presentations portion of EFI's web site at <http://ir.efi.com/>. A replay of the webcast will be available online at the aforementioned website following the conclusion of each event.

About EFI

EFI™ is a global technology company, based in Silicon Valley, and is leading the worldwide transformation from analog to digital imaging. We are passionate about fueling customer success with products that increase competitiveness and boost productivity. To do that, we develop breakthrough technologies for the manufacturing of signage, packaging, textiles, ceramic tiles, and personalized documents, with a wide range of printers, inks, digital front ends, and a comprehensive business and production workflow suite that transforms and streamlines the entire production process.
