The Committee shall be appointed by the Board of Directors and shall consist of at least three directors, each of whom must be "independent" as defined in paragraph 14 of Windstream Corporation's Corporate Governance Board Guidelines, and satisfy any other criteria that are specified in the NASDAQ National Market System ("NASDAQ") rules, the rules of the Securities and Exchange Commission (the "SEC"), and any other statute or regulation applicable to Windstream from time to time. The Committee shall be subject to the provisions of Windstream's Bylaws and Corporate Governance Board Guidelines relating to committees of the Board of Directors, including those provisions relating to removing committee members and filling vacancies.

2. At least quarterly, the Committee shall meet with Windstream's management, internal auditors and independent auditors in separate executive sessions to discuss the results of the auditors' examinations, any audit problems or difficulties arising during the course of the audits, management's response to any such problems or difficulties, and any other matters of concern to Windstream's management, the independent auditors, the internal auditors or the Committee.

2. At least annually, the Committee shall review and approve the engagement of Windstream's independent auditors. The Committee shall pre-approve all audit and permitted non-audit services (and related fees) to be performed by the independent auditors in accordance with applicable law and established policy. The Committee may delegate its pre-approval authority to one or more of its members, whose decision related to any such pre-approval shall be reported to the Committee at its next meeting.
3. The Committee shall discuss with Windstream's independent auditors the overall scope, plans and budget for any audits, audit-related and permitted non-audit services (collectively the "audit") to be performed by the independent auditors, including the adequacy of resources dedicated to the audit and other factors that may affect the effectiveness of the audit.
4. The Committee shall obtain from Windstream's independent auditors and review, at least annually, a written report delineating all relationships between the independent auditors and Windstream.
