Herbalife Ltd. Reaches Agreement in Principle to Form Joint Venture with China's Tasly Holding Group

LOS ANGELES--(BUSINESS WIRE)-- Herbalife Ltd. (NYSE: HLF), a global nutrition company, today announced it has reached an agreement in principle to form a joint venture with Tasly Holding Group, a leading Traditional Chinese Medicine (TCM) health products and services corporation. The joint venture would develop and commercialize high-quality consumer health products based on Tasly's deep portfolio of proprietary formulations, patents, know-hows, and clinical studies by leveraging the Herbalife Nutrition scientific, regulatory and commercial development expertise to bring products to a global market through the Herbalife Nutrition distributor network. The proposed joint venture furthers the Herbalife Nutrition business plan to expand its product range globally.

"We are honored to work with Tasly, which is well regarded for its premium TCM products and ingredients," said Michael O. Johnson, chairman and CEO, Herbalife. "The Herbalife Nutrition seed to feed philosophy ensures the quality and traceability of our ingredients from cultivation to the final delivery of products to customers, and Tasly has patents, clinical research, and traceability of key ingredients, making this a natural partnership."

Dr. Henry Sun, Vice-Chair of Tasly Holding Group, said, "We believe the combination of Tasly's pharmaceutical development experience and experts, clinical research skills and network along with the two firms' high-end quality control standards, will bring the best evidence-based products to consumers."

Tasly manages a broad spectrum of leading pharmaceutical, consumer products, healthcare services and distribution channels in China. As a pioneer of TCM modernization, Tasly, through innovations in standards and technologies, has created a manufacturing and development process and set up a comprehensive, standardized and digital system which produces high-quality TCM products.

The joint venture is expected to be finalized within the next 60 days.
