

DynaVox Inc. to Release Second Quarter Fiscal 2011 Results

PITTSBURGH, Jan. 18, 2011 (GLOBE NEWSWIRE) -- DynaVox (Nasdaq:[DVOX](#)), the world's leading provider of communication and education products for individuals with significant speech, language and learning disabilities, will announce results for the second quarter ended December 31, 2010 on Wednesday, February 9, 2011, after market close. The Company will host a conference call to discuss these results with additional comments and details.

The conference call is scheduled to begin at 4:45 p.m. EST on February 9, 2011. The call will be broadcast live over the Internet, hosted at the Investor Relations section of DynaVox's website at <http://ir.dynavoxtech.com/index.cfm>, and will be archived online through February 23, 2011. In addition, listeners may dial (877) 312-5529 in North America, and international listeners may dial (253) 237-1147. Participants from the Company will be Ed Donnelly, Chief Executive Officer, and Ken Misch, Chief Financial Officer.

A telephonic playback will be available from 7:45 p.m. EST, February 9, 2011 through February 23, 2011. To hear the playback participants may dial (800) 642-1687 and international listeners may dial (706) 645-9291. The conference ID number is 35592090.

About DynaVox Inc.

DynaVox Inc. (Nasdaq:[DVOX](#)) is a publicly traded holding Company with its headquarters in Pittsburgh, Pennsylvania, whose primary operating entities are DynaVox Systems LLC and Mayer-Johnson LLC. DynaVox is the leading provider of speech generating devices and symbol-adapted special education software used to assist individuals in overcoming their speech, language and learning challenges. These solutions are designed to help individuals who have complex communication and learning needs participate in the home, classroom and community. Our mission is to enable our customers to realize their full communication and education potential by developing industry-leading devices, software and content and by providing the services to support them. We assist individuals, families, and professionals with an extensive field support organization, as well as centralized technical and reimbursement support.
