## PROPOSAL TWO

### ADOPTION OF THE GLOBAL SHIP LEASE, INC. 2015 EQUITY INCENTIVE PLAN

There are only 1,877 aggregate number of Class A Common Shares that may be delivered pursuant to awards granted under the Global Ship Lease, Inc. 2008 Equity Incentive Plan. The Board is therefore submitting for adoption by the Company's shareholders the Global Ship Lease, Inc. 2015 Equity Incentive Plan (the "Plan"). Following the adoption of the Plan, the Board does not intend to make any additional grants under the current equity incentive plan of the Company, the 2008 Equity Incentive Plan.

The Plan will provide a means by which employees, consultants and directors of the Company, including non-employee directors of the Company, may receive options, share appreciation rights, share grants, share units and dividend equivalents.

The following description of the Plan is a summary of the material terms of the Plan. The entire text of the Plan is attached as Appendix A to this proxy statement.

The purpose of the Plan is to provide the Company and its subsidiaries with an effective means to attract and retain highly qualified personnel as well as to provide additional incentives to non-employee directors and employees who provide services to the Company or any of its subsidiaries. The Plan is expected to contribute to the attainment of these objectives by offering non-employee directors and selected employees the opportunity to acquire share ownership interests in the Company.

The Plan will be administered by the Board or a committee of the Board. Subject to adjustment as provided below, the maximum aggregate number of Class A Common Shares that may be delivered pursuant to awards granted under the Plan during the 10-year term of the Plan is 1,500,000. The maximum number of Class A Common Shares with respect to which awards may be granted to any participant in the Plan in any fiscal year is 500,000 per participant. If an award granted under the Plan is forfeited, or otherwise expires, terminates or is canceled without the delivery of shares, then the shares covered by such award will again be available to be delivered pursuant to other awards under the Plan.

In the event that the Company is subject to a change of control, the Plan administrator in its discretion may make such adjustments and other substitutions to the Plan and outstanding awards under the Plan as it deems equitable or desirable in its sole discretion.

The exercise price for options cannot be less than 100% of the fair market value on the date of grant. The maximum term of each stock option agreement shall not exceed 10 years from the date of the grant.

Share appreciation rights, or SARs, may provide for a maximum limit on the amount of any payout notwithstanding the fair market value on the date of exercise of the SAR. The exercise price of a SAR shall not be less than 100% of the fair market value on the date of grant. The SAR agreement shall also specify the maximum term of the SAR which shall not exceed 10 years from the date of grant.

Share grants may be issued with or without cash consideration under the Plan. The holder of a share grant awarded under the Plan shall have the same voting, dividend and other rights as the Company's other Class A common shareholders. The Plan administrator may provide a participant who holds share grants with dividends or dividend equivalents payable in cash, Class A Common Shares or other property.

---

Settlement of vested share units may be in the form of cash, shares or any combination of both, as determined by the Plan administrator at the time of the grant of the share units. Methods of converting share units into cash may include (without limitation) a method based on the average fair market value of shares over a series of trading days. The holders of share units shall have no voting rights.

Subject to the provisions of the Plan, awards granted under the Plan may include dividend equivalents. The Plan administrator may determine the amounts, terms and conditions of any such awards provided that they comply with applicable laws.

The Plan will be effective as of the date it is approved by shareholders. No award may be granted under the Plan after the tenth anniversary of the date of shareholder approval of the Plan.

*Required Vote* . Adoption of Proposal Two requires the affirmative vote of a majority of the votes cast by shareholders present in person or by proxy and entitled to vote at the Meeting. Abstentions will have no effect on the outcome of Proposal Two, and broker non-votes will count as votes against Proposal Two.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADOPTION OF THE GLOBAL SHIP LEASE, INC. 2015 EQUITY INCENTIVE PLAN.**

**PROPOSAL THREE**

**RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board is submitting for ratification at the Meeting the selection of PricewaterhouseCoopers Audit as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.

PricewaterhouseCoopers Audit has advised the Company that it does not have any direct or indirect financial interest in the Company, nor has it had any such interest in connection with the Company during the past three fiscal years other than in its capacity as the Company's independent registered public accounting firm.

The Audit Committee of the Board has the authority to pre-approve permissible audit-related and non-audit services not prohibited by law to be performed by our independent auditors and associated fees. Engagements for proposed services either may be separately pre-approved by the Audit Committee or entered into pursuant to detailed pre-approval policies and procedures established by the Audit Committee, as long as the Audit Committee is informed on a timely basis of any engagement entered into on that basis. The Audit Committee has pre-approved services, subject to a detailed pre-approval policy and procedure established by them and also subject to a limit for all non-audit fees of \$100,000 per year.

*Required Vote* . Adoption of Proposal Three requires the affirmative vote of a majority of the votes cast by shareholders present in person or by proxy and entitled to vote at the Meeting. Abstentions will have no effect on the outcome of Proposal Three. There are no broker non-votes for auditor ratification because brokers have discretion to vote on the ratification of the selection of the Company's independent registered public accounting firm.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS AUDIT AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.**

if the Shares are admitted to quotation on any established national stock quotation system or are regularly quoted by a recognized securities dealer but selling prices are not reported on the date in question, then the Fair Market Value shall be equal to the mean between the bid and asked prices of the Shares reported for such date.

In each case, the applicable price shall be the price reported in The Wall Street Journal or such other source as the Committee deems reliable; provided, however, that if there is no such reported price for the Shares for the date in question, then the Fair Market Value shall be equal to the price reported on the last preceding date for which such price exists. Members of any such Committee shall serve for such period of time as the Board may determine and shall be subject to removal by the Board at any time. The Board may also at any time terminate the functions of the Committee and reassume all powers and authority previously delegated to the Committee.

Notwithstanding the foregoing, the Board shall administer the Plan with respect to all Awards granted to Non-Employee Directors.

The Board and any Committee appointed to administer the plan is referred to herein as the “Committee”.

Authority of the Committee. Subject to the provisions of the Plan, the Committee shall have the full authority, in its sole discretion, to take any actions it deems necessary or advisable for the administration of the Plan. Such actions shall include:

selecting Key Service Providers who are to receive Awards under the Plan;

determining the type, number, vesting requirements and other features and conditions of such Awards;

determining whether, to what extent, and under what circumstances Awards may be settled in or exercised in cash or Shares, other securities, other Awards, or other property;

subject to section 10 or section 11, amending any outstanding Awards;

---

accelerating the vesting, or extending the post-termination exercise term, of Awards at any time and under such terms and conditions as it deems appropriate;

interpreting the Plan and any Award Agreement;

correcting any defect, supplying any omission or reconciling any inconsistency in the Plan or any Award Agreement;

adopting such rules or guidelines as it deems appropriate to implement the Plan;

making all other decisions relating to the operation of the Plan; and

adopting such plans or subplans as may be deemed necessary or appropriate to provide for the participation by employees of the Company, its Parent, Subsidiaries and Affiliates who reside outside of the U.S., which plans and/or subplans shall be attached hereto as Appendices.

The Committee's determinations under the Plan shall be final and binding on all persons or entities, including, without limitation, the Company, any Affiliate, any Key Service Provider, any holder or beneficiary of any Award, and any stockholder of the Company.

**Indemnification.** To the maximum extent permitted by applicable law, each member of the Committee shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act (unless constituting fraud or a willful criminal act or omission) under the Plan or any Award Agreement (including attorneys' fees), and (ii) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

#### **GENERAL.**

General Eligibility. Only Employees, Directors, Non-Employee Directors and Consultants shall be eligible to participate in the Plan.

---

**Restrictions on Shares.** Any Shares issued pursuant to an Award shall be subject to such rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine, in its sole discretion. Such restrictions shall apply in addition to any restrictions that may apply to holders of Shares generally and shall also comply to the extent necessary with applicable law. No fractional Shares shall be issued under this Plan.

**Beneficiaries.** Unless stated otherwise in an Award Agreement and then only to the extent permitted by applicable law, a Participant may designate one or more beneficiaries with respect to an Award by timely filing the prescribed form with the Company. A beneficiary designation may be changed by filing the prescribed form with the Company at any time before the Participant's death. If no beneficiary was designated or if no designated beneficiary survives the Participant, then after a Participant's death any vested Award(s) shall be transferred or distributed to the Participant's estate in accordance with the laws of descent and distribution.

**Performance Conditions.** The Committee may, in its discretion, include performance conditions in an Award.

**No Rights as a Stockholder.** A Participant, or a transferee of a Participant, shall have no rights as a stockholder with respect to any Common Stock covered by an Award until such person has satisfied all of the terms and conditions to receive such Common Stock, has satisfied any applicable withholding or tax obligations relating to the Award and the Shares have been issued (as evidenced by an appropriate entry on the books of the Company or a duly authorized transfer agent of the Company).

**Termination of Service.** Unless the applicable Award Agreement provides otherwise, the following rules shall govern the vesting, exercisability and term of outstanding Awards held by a Participant in the event of termination of such Participant's Service: (i) upon termination of Service for any reason, all unvested portions of any outstanding Awards shall be immediately forfeited without consideration, the vested portions of any outstanding Stock Units shall be settled upon termination, and the vested portions of any Options and/or SARs shall remain exercisable for the period specified herein and (ii) if Service is terminated for Cause, then all unexercised Options and/or SARs (including any vested Options and/or SARs), unvested portions of Stock Units and unvested portions of Stock Grants shall terminate and be forfeited immediately without consideration. If Service is terminated for any reason other than for Cause, death or Disability, then the vested portion of a Participant's then-outstanding Options and/or SARs may be exercised by such Participant or his or her personal guardian or legal representative (to the extent applicable) within 6 months after the date of such termination, and if Service is terminated due to death or Disability, the vested portion of his or her then-outstanding Options and/or SARs may be exercised within 12 months after the date of such termination (in each subject to the maximum term of the Option and/or SAR as applicable).

Basic Limitation. The stock issuable under the Plan shall be authorized but unissued Shares or treasury shares. The aggregate number of Shares reserved for Awards under the Plan is 1,500,000 Shares, subject to adjustment pursuant to Section 10.

Additional Shares. If Awards are forfeited or are terminated for any reason before vesting or being exercised, then the Shares underlying such Awards shall again become available for Awards under the Plan. SARs and Stock Unit Agreements to be settled in Shares shall be counted in full against the number of Shares available for issuance under the Plan, regardless of the number of Shares issued upon settlement of the SARs and Stock Unit Agreements. If Awards are settled in cash, the Shares that would have been delivered had there been no cash settlement shall not be counted against the Shares available for issuance under the Plan.

Dividend Equivalents. Any dividend equivalents distributed under the Plan shall not reduce the number of Shares available for Awards.

Share Limits.

(i) Limits on Options. No Key Service Provider shall receive Options during any Fiscal Year covering in excess of 500,000 Shares, subject to adjustment pursuant to Section 10.

(ii) Limits on SARs. No Key Service Provider shall receive SARs during any Fiscal Year covering in excess of 500,000 Shares, subject to adjustment pursuant to Section 10.

---

**TERMS AND CONDITIONS OF OPTIONS.**

Stock Option Agreement. Each Option granted under the Plan shall be evidenced and governed exclusively by a Stock Option Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan and that the Committee deems appropriate for inclusion in a Stock Option Agreement. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical.

Number of Shares. Each Stock Option Agreement shall specify the number of Shares that are subject to the Option, which number is subject to adjustment in accordance with Section 10.

Exercise Price. Each Stock Option Agreement shall specify the Option's Exercise Price which shall be established by the Committee and is subject to adjustment in accordance with Section 10. The Exercise Price of an Option shall not be less than 100% of the Fair Market Value on the date of grant.

Exercisability and Term. Each Stock Option Agreement shall specify the date when all or any installment of the Option is to become exercisable and may include performance conditions. The Stock Option Agreement shall also specify the maximum term of the Option; provided that the maximum term of an Option shall in no event exceed 10 years from the date of grant. A Stock Option Agreement may provide for accelerated vesting in the event of the Participant's death, Disability or other events. Notwithstanding any other provision of the Plan or the Stock Option Agreement, no Option can be exercised after the expiration date set forth in Section 4(f) of the Plan or otherwise provided in the applicable Stock Option Agreement.

Payment for Option Shares. The Exercise Price of an Option shall be paid in cash at the time of exercise, except as follows and if so provided for in the applicable Stock Option Agreement:

Surrender of Stock. Payment of all or any part of the Exercise Price may be made with Shares which have already been owned by the Optionee; provided that the Committee may, in its sole discretion, require that Shares tendered for payment be previously held by the Optionee for a minimum duration (e.g., to avoid financial accounting charges to the Company's earnings).

---

Cashless Exercise. Payment of all or a part of the Exercise Price may be made through Cashless Exercise.

Other Forms of Payment. Payment may be made in any other form that is consistent with applicable laws, regulations and rules and approved by the Committee.

Modifications or Assumption of Options. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding options or may accept the cancellation of outstanding options (whether granted by the Company or by another issuer) in return for the grant of new Options for the same or a different number of Shares and at the same or a different Exercise Price. Notwithstanding the preceding sentence or anything to the contrary, no modification of an Option shall, without the consent of the Optionee, materially impair his or her rights or obligations under such Option and, unless there is approval by the Company stockholders, the Committee may not Re-Price outstanding Options.

Assignment or Transfer of Options. Except as otherwise provided in the applicable Stock Option Agreement and then only to the extent such transfer is otherwise permitted by applicable law and is not a transfer for value (unless such transfer for value is approved in advance by the Company's stockholders), no Option shall be transferable by the Optionee other than by will or by the laws of descent and distribution. Except as otherwise provided in the applicable Stock Option Agreement, an Option may be exercised during the lifetime of the Optionee only or by the guardian or legal representative of the Optionee. No Option or interest therein may be assigned, pledged or hypothecated by the Optionee during his or her lifetime, whether by operation of law or otherwise, or be made subject to execution, attachment or similar process.

#### **TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS.**

SAR Agreement. Each SAR granted under the Plan shall be evidenced by a SAR Agreement between the Participant and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. A SAR Agreement may provide for a maximum limit on the amount of any payout notwithstanding the Fair Market Value on the date of exercise of the SAR. The provisions of the various SAR Agreements entered into under the Plan need not be identical. SARs may be granted in consideration of a reduction in the Participant's compensation.

Number of Shares. Each SAR Agreement shall specify the number of Shares to which the SAR pertains, which number is subject to adjustment in accordance with Section 10.

---

**Exercise Price.** Each SAR Agreement shall specify the Exercise Price, which is subject to adjustment in accordance with Section 10. A SAR Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the SAR is outstanding. The Exercise Price of a SAR shall not be less than 100% of the Fair Market Value on the date of grant.

**Exercisability and Term.** Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable and may include performance conditions. The SAR Agreement shall also specify the maximum term of the SAR which shall not exceed 10 years from the date of grant. A SAR Agreement may provide for accelerated exercisability in the event of the Participant's death, Disability or other events. SARs may be awarded in combination with Options or Stock Grants, and such an Award shall provide that the SARs will not be exercisable unless the related Options or Stock Grants are forfeited. Notwithstanding any other provision of the Plan or the SAR Agreement, no SAR can be exercised after the expiration date set forth in Section 4(f) of the Plan or otherwise provided in the applicable SAR Agreement.

**Exercise of SARs.** If, on the date when a SAR expires, the Exercise Price under such SAR is less than the Fair Market Value on such date but any vested portion of such SAR has not been exercised or surrendered, then such SAR shall automatically be deemed to be exercised as of such date with respect to such vested portion. Upon exercise of a SAR, the Participant (or any person having the right to exercise the SAR after Participant's death) shall receive from the Company (i) Shares, (ii) cash or (iii) any combination of Shares and cash, as the Committee shall determine at the time of grant of the SAR, in its sole discretion. The amount of cash and/or the Fair Market Value of Shares received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Shares subject to the SARs exceeds the Exercise Price of the Shares.

**Modification or Assumption of SARs.** Within the limitations of the Plan, the Committee may modify, extend or assume outstanding SARs or may accept the cancellation of outstanding stock appreciation rights (including stock appreciation rights granted by another issuer) in return for the grant of new SARs for the same or a different number of Shares and at the same or a different Exercise Price. Notwithstanding the preceding sentence or anything to the contrary, no modification of a SAR shall, without the consent of the Participant, materially impair his or her rights or obligations under such SAR and, unless there is approval by the Company stockholders, the Committee may not Re-Price outstanding SARs.

**Assignment or Transfer of SARs.** Except as otherwise provided in the applicable SAR Agreement and then only to the extent such transfer is otherwise permitted by applicable law and is not a transfer for value (unless such transfer for value is approved in advance by the Company's stockholders), no SAR shall be

---

transferable by the Participant other than by will or by the laws of descent and distribution or any similar laws in the applicable jurisdiction. Except as otherwise provided in the applicable SAR Agreement, a SAR may be exercised during the lifetime of the Participant only or by the guardian or legal representative of the Participant. No SAR or interest therein may be assigned, pledged or hypothecated by the Participant during his or her lifetime, whether by operation of law or otherwise, or be made subject to execution, attachment or similar process.

**TERMS AND CONDITIONS FOR STOCK GRANTS .**

Each Stock Grant shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan that the Committee deems appropriate for inclusion in the applicable Stock Grant Agreement. The provisions of the Stock Grant Agreements entered into under the Plan need not be identical.

Payment for Stock Grants. Stock Grants may be issued with or without cash consideration under the Plan.

Vesting Conditions. Each Stock Grant may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Grant Agreement which may include performance conditions. A Stock Grant Agreement may provide for accelerated vesting in the event of the Participant's death, Disability, or other events.

Assignment or Transfer of Stock Grants. Except as otherwise provided in the applicable Stock Grant Agreement and then only to the extent such transfer is otherwise permitted by applicable law and is not a transfer for value (unless such transfer for value is approved in advance by the Company's stockholders), no unvested Stock Grant shall be transferable other than by will or by the laws of descent and distribution. Except as otherwise provided in the applicable Stock Grant Agreement, no unvested Stock Grant or interest therein may be anticipated, assigned, attached, garnished, optioned, transferred or made subject to any creditor's process, whether voluntarily, involuntarily or by operation of law. Any act in violation of this Section 8(e) shall be void.

---

Voting and Dividend Rights. The holder of a Stock Grant awarded under the Plan may, as set out in the applicable Stock Grant Agreement, have the same voting, dividend and other rights as the Company's other holders of Common Stock. A Stock Grant Agreement, however, may require that the holder of such Stock Grant invest any cash dividends received in additional Shares subject to the Stock Grant. Such additional Shares and any Shares received as a dividend pursuant to the Stock Grant shall be subject to the same conditions and restrictions as the Stock Grant with respect to which the dividends were paid, provided that no dividends or dividend equivalent shall be payable in respect of any Shares subject to a Stock Grant which do not vest and/or are forfeited. Such additional Shares subject to the Stock Grant shall not reduce the number of Shares available for issuance under Section 5.

Modification or Assumption of Stock Grants. Within the limitations of the Plan, the Committee may modify or assume outstanding Stock Grants or may accept the cancellation of outstanding stock grants (including stock granted by another issuer) in return for the grant of new Stock Grants for the same or a different number of Shares. Notwithstanding the preceding sentence or anything to the contrary, no modification of a Stock Grant shall, without the consent of the Participant, materially impair his or her rights or obligations under such Stock Grant.

#### **TERMS AND CONDITIONS OF STOCK UNITS.**

Stock Unit Agreement. Each Stock Unit granted under the Plan shall be evidenced by a Stock Unit Agreement between the Participant and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Unit Agreements entered into under the Plan need not be identical. Stock Units may be granted in consideration of a reduction in the Participant's other compensation.

Number of Shares. Each Stock Unit Agreement shall specify the number of Shares to which the Stock Unit pertains, which number is subject to adjustment in accordance with Section 10.

Payment for Awards. To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

Vesting Conditions. Each Stock Unit may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Unit Agreement which may include performance conditions. A Stock Unit Agreement may provide for accelerated vesting in the event of the Participant's death, Disability, or other events.

---

**Form and Time of Settlement of Stock Units.** Settlement of vested Stock Units may be made in the form of (i) cash, (ii) Shares or (iii) any combination of both, as determined by the Committee at the time of the grant of the Stock Units, in its sole discretion. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Shares over a series of trading days. Vested Stock Units may be settled in a lump sum or in installments. The distribution may occur or commence when the vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred, in accordance with applicable law, to any later date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents.

**Voting and Dividend Rights.** The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one Share while the Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Shares, or in a combination of both; provided that no dividends or dividend equivalent shall be payable in respect of any Stock Unit which does not vest and/or is forfeited. Prior to distribution, any dividend equivalents which are not paid shall be subject to the same conditions and restrictions as the Stock Units to which they attach.

**Creditors' Rights.** A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Stock Unit Agreement.

**Modification or Assumption of Stock Units.** Within the limitations of the Plan, the Committee may modify or assume outstanding Stock Units or may accept the cancellation of outstanding stock units (including stock units granted by another issuer) in return for the grant of new Stock Units for the same or a different number of Shares. Notwithstanding the preceding sentence or anything to the contrary, no modification of a Stock Unit shall, without the consent of the Participant, materially impair his or her rights or obligations under such Stock Unit.

**Assignment or Transfer of Stock Units.** Except as provided in the applicable Stock Unit Agreement and then only to the extent such transfer is otherwise permitted by applicable law and is not a transfer for value (unless such transfer for value is approved in advance by the Company's stockholders), Stock Units shall not be transferable other than by will or by the laws of descent and distribution. Except as otherwise

---

provided in the applicable Stock Unit Agreement, no Stock Unit or interest therein may be anticipated, assigned, attached, garnished, optioned, transferred or made subject to any creditor's process, whether voluntarily, involuntarily or by operation of law. Any act in violation of this Section 9(i) shall be void.

**PROTECTION AGAINST DILUTION.**

Adjustments. In the event of a subdivision of the outstanding Shares, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the price of Shares, a combination or consolidation of the outstanding Shares (by reclassification or otherwise) into a lesser number of Shares, a recapitalization, a spin-off or a similar occurrence, such that an adjustment is determined by the Committee, in its sole discretion, to be necessary or appropriate, then the Committee shall make any such adjustments to any term of an Award in such manner as it may deem equitable, including an adjustment in one or more of:

- the number of Shares and the kind of shares or securities available for future Awards under Section 5;
- the limits on Awards specified in Section 5;
- the number of Shares and the kind of shares or securities covered by each outstanding Award; or
- the Exercise Price under each outstanding SAR or Option;

provided, however, that in the case of any "equity restructuring" (within the meaning of the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. Any such adjustment shall be conclusive and binding for all purposes.

Participant Rights. Except as provided in this Section 10, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class. If by reason of an adjustment pursuant to this Section 10 a Participant's Award covers additional or different shares of stock or securities, then such additional or different shares and the Award in respect thereof shall be subject to all of the terms, conditions and restrictions which were applicable to the Award and the Shares subject to the Award prior to such adjustment.

---

Fractional Shares. Any adjustment of Shares pursuant to this Section 10 shall be rounded down to the nearest whole number of Shares. Under no circumstances shall the Company be required to authorize or issue fractional shares and no consideration shall be provided as a result of any fractional shares not being issued or authorized.

**EFFECT OF A CHANGE IN CONTROL.**

Change in Control. In the event that the Company is a party to a Change in Control Transaction, outstanding Awards shall be subject to the applicable transaction agreement. **1. UK Qualifying Share Scheme .**

(a) The Company may grant Options (“Qualifying Options”) pursuant to any qualifying form of share scheme deemed appropriate by the Company, which meets the requirements of Schedule 4 of the Income Tax (Earnings and Pensions) Act 2003 and has been notified and confirmed as qualifying to HM Revenue & Customs, a “company share option plan” or “CSOP”.

(b) The terms of the Plan shall apply subject to the terms of the UK Stock Option Agreement (together referred to as the “UK Plan”).

(c) Options may only be granted under such qualifying CSOP to a full-time director or Employee of the Company or a Subsidiary who is required to devote not less than 25 hours per week (excluding meal breaks) to their duties.

(d) In relation to Shares which are the subject to an Option granted under any such qualifying CSOP, “Fair Market Value” shall mean as at any date, the value of a Share on the stock exchange that is determined by the Committee to be the primary market for the Common Stock at such date, and shall be determined as follows:

- (i) if the Shares are traded over the counter or listed with NASDAQ or otherwise not listed on the London Stock Exchange or the New York Stock Exchange on the date in question, then the Fair Market Value is determined in accordance with the provisions of Part VIII of the Taxation of Chargeable Gains Act 1992 as agreed upon for purposes of the UK Plan with HM Revenue & Customs Shares Valuation Office on or before that date; or
- (ii) if the Shares are listed on the New York Stock Exchange, then the Fair Market Value on the date in question is the closing selling price for the Common Stock as such price is officially quoted in the composite tape of transactions on the exchange for the date in question; provided, however, that if there is no such reported price for the Common Stock for the date in question, then such price on the last preceding date for which such price exists shall be determinative of Fair Market Value.

---

(e) In relation to such qualifying CSOP, an adjustment may be made pursuant to Section 10 (Protection Against Dilution) only where such adjustment does not prevent the Company from confirming to HM Revenue & Customs that the CSOP remains qualifying under Schedule 4 of the Income Tax (Earnings and Pensions) Act 2003 and any such adjustment shall in no event affect the class of Shares subject to a Qualifying Option.

(f) Shares acquired pursuant to an Qualifying Option shall not be subject to any restrictions other than those attaching to all shares of the same class or otherwise as permitted by paragraph 16-20, inclusive, of Schedule 4 and Section 4(b) shall not apply in relation to any such Shares.

(g) Section 4(e) (No Rights as a Stockholder) shall not apply in relation to any Qualifying Option.

Whenever possible, the determination of Fair Market Value by the Committee should be based on the prices reported in the Western Edition of The Wall Street Journal. Such determination shall be conclusive and binding on all persons.

The Fair Market Value of a Share shall be converted from U.S. Dollars into Pounds Sterling at the rate of exchange determined by the Committee in accordance with the exchange rates published by the online exchange rate service [www.exchangerate.com](http://www.exchangerate.com) or a similar service, applicable to the date in question.

The Company shall not be required to issue any Shares or make any cash payment under the Plan until such transferred obligations are satisfied in full.

3. **PAYE.** For the avoidance of doubt, it is acknowledged by the Participant that references in the Plan to "withholding tax" shall include amounts required to be accounted for by the Company or any Subsidiary under the Pay As You Earn income tax rules whether or not such amounts are capable of being withheld or deducted from amounts due to the Participant.

4. **Restricted Shares.** The Participant and the Company can agree on or before the date of acquisition of Shares to enter into a joint election under sections 431(1) and 431(2) in respect of Shares acquired under the Plan where those Shares are restricted shares as provided for in Chapter 2 of Part 7 ITEPA 2003. By agreeing to enter into a joint election, the Participant shall agree to pay to the Company or the Employer any amount of personal tax-related items that the Company or the Employer may be required to withhold as a result of entering into such election.

#### 5. **409A of the Code.**

(a) General. Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of this Plan comply with Section 409A of the Code, and all provisions of this Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with this Plan or any other plan maintained by the Company (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered “deferred compensation” subject to Section 409A of the Code, references in the Plan to “termination of employment” (and substantially similar phrases) shall mean “separation from service” within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as separate payments.

(b) Specified Employees. Notwithstanding anything in the Plan to the contrary, if a Participant is a “specified employee” within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments in respect of any Awards that are “deferred compensation” subject to Section 409A of the Code and which would otherwise be payable upon the Participant’s “separation from service” (as defined in Section 409A of the Code) shall be made to such Participant prior to the date that is six months after the date of such Participant’s “separation from service” or, if earlier, the Participant’s date of death. Following any applicable six month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(c) Deferral of Payments. Unless otherwise provided by the Committee in an Award agreement or otherwise, in the event that the timing of payments in respect of any Award (that would otherwise be considered “deferred compensation” subject to Section 409A of the Code) would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of “Disability” pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.
