**PROXY STATEMENT FOR THE ANNUAL MEETING OF  
SHAREHOLDERS TO BE HELD APRIL 26, 2017**

**GENERAL**

**Introduction, Date, Place and Time of Meeting**

This Proxy Statement is being furnished for the solicitation by the Board of Directors of Emclave Financial Corp (the "Corporation"), a Pennsylvania business corporation and the bank holding company for the Farmers National Bank of Emlenton (the "Bank"), of proxies to be voted at the Annual Meeting of Shareholders of the Corporation to be held at the main office of the Bank, 612 Main Street, Emlenton, Pennsylvania 16373, on Wednesday, April 26, 2017, at 9:00 a.m. local time, or at any adjournment or postponement of the annual meeting.

The main office of the Corporation is located at 612 Main Street, Emlenton, Pennsylvania 16373. The telephone number for the Corporation is (844) 767-2311. All inquiries should be directed to William C. Marsh, Chairman, President and Chief Executive Officer. This Proxy Statement and the enclosed form of proxy are first being sent to shareholders of the Corporation on March 24, 2017. This Proxy Statement and the Annual Report for the fiscal year ended December 31, 2016 are available in the Financial Information section on our website at [www.emclavefinancial.com](http://www.emclavefinancial.com) and [www.sec.gov](http://www.sec.gov).

**How to Vote**

Shareholders may vote (i) via the Internet at [www.voteproxy.com](http://www.voteproxy.com) by following the instructions contained on that website, (ii) by telephone at 1-800-776-9437, (iii) by completing and signing the enclosed proxy card and returning it promptly in the enclosed, postage prepaid, addressed envelope, or (iv) appearing at the annual meeting and voting in person. Proxies properly executed and delivered by shareholders (via the Internet, telephone or by mail as described above) and timely received by us will be voted at the annual meeting in accordance with the instructions contained therein. If you authorize a proxy to vote your shares over the Internet or by telephone, you should not return a proxy by mail (unless you are revoking your previous proxy).

**Solicitation of Proxies**

The proxy solicited hereby, if properly voted via the Internet or telephone or signed and returned to us and not revoked prior to its use, will be voted in accordance with your instructions contained in the proxy. If no contrary instructions are given, each proxy signed and received will be voted in the manner recommended by the Board of Directors and upon the transaction of such other business as may properly come before the annual meeting in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the annual meeting and any adjournment of the annual meeting and will not be used for any other meeting. Execution and return of the enclosed proxy will not affect a shareholder's right to attend the annual meeting and vote in person.

The cost of preparing, assembling, mailing and soliciting proxies will be borne by the Corporation. In addition to the use of the mail, certain directors, officers and employees of the Corporation intend to solicit proxies personally, by telephone and by facsimile. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners of stock held of record by these persons, and, upon request, the Corporation will reimburse them for their reasonable forwarding expenses.

**Quorum**

The presence of shareholders, in person or by proxy, entitled to cast at least a majority of the votes which all shareholders are entitled to cast shall constitute a quorum at the annual meeting. Abstentions, broker non-votes, which are discussed below, and votes withheld from director nominees count as “shares present” at the meeting for purposes of determining a quorum.

**Voting**

At the close of business on March 1, 2017, the voting record date, the Corporation had outstanding 2,152,358 shares of common stock, \$1.25 par value per share. Only shareholders of record, at the close of business on the voting record date, will be entitled to notice of and to vote at the annual meeting. Each issued and outstanding share of common stock owned on the record date will be entitled to one vote on each matter to be voted on at the annual meeting, in person or by proxy.

Directors are elected by a plurality of the votes cast with a quorum present. The four nominees for director receiving the most votes of the common stock represented in person or by proxy at the annual meeting will be elected as directors. The affirmative vote of a majority of the total votes present in person or by proxy is required to ratify the appointment of the independent registered public accounting firm.

With regard to the election of directors, you may vote in favor of or withhold authority to vote for one or more nominees for director. Votes that are withheld in connection with the election of one or more nominees for director will not be counted as votes cast for such individuals and accordingly will have no effect. An abstention may be specified on the proposal to ratify the appointment of Crowe Horwath LLP as our independent registered public accounting firm for 2017. Abstentions will have the effect of a vote against this proposal.

Under rules applicable to broker-dealers, the proposal for the election of directors is considered to be a non-routine matter. Brokerage firms may not vote on non-routine matters in their discretion on behalf of their clients if such clients have not furnished voting instructions. A “broker non-vote” occurs when a broker’s customer does not provide the broker with voting instructions on non-routine matters for shares owned by the customer but held in the name of the broker. For such non-routine matters, the broker cannot vote on the proposal and reports the number of such shares as “non-votes.” Because the election of directors is not considered a routine matter, there potentially can be “broker non-votes” at the annual meeting. However, any “broker non-votes” submitted by brokers or nominees in connection with the annual meeting will have no effect on the vote for the election of directors.

**Revocation of Proxies and Changing a Vote**

A shareholder who votes via the Internet (as described above) or telephone (as described above) or returns a proxy via mail may revoke it at any time before it is voted by: (i) delivering written notice of revocation to Amanda L. Engles, Secretary, Emclair Financial Corp, 612 Main Street, Post Office Box D, Emlenton, Pennsylvania 16373, telephone: (844) 767-2311; or (ii) voting in person at the annual meeting after giving written notice to the Secretary of the Corporation. Executing and returning a later-dated proxy and giving written notice thereof to the Secretary of the Corporation or voting again via the Internet or telephone will revoke the earlier voted proxy. Only the latest dated proxy, ballot or Internet or telephone proxy submitted by a shareholder prior to the annual meeting will be counted.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON APRIL 26, 2017**

The proxy materials for the Annual Meeting of Shareholders of Emclair Financial Corp, including the Proxy Statement and the Corporation's Annual Report for the fiscal year ended December 31, 2016, are available in the Financial Information section on our website at [www.emclairfinancial.com](http://www.emclairfinancial.com) or [www.sec.gov](http://www.sec.gov).

#### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

The Corporation's common stock is registered pursuant to Section 12(b) of the 1934 Act. The officers and directors of the Corporation and beneficial owners of greater than 10% of the common stock are required to file reports on Forms 3, 4, and 5 with the SEC disclosing changes in beneficial ownership of the common stock. Based on the Corporation's review of such ownership reports, to the Corporation's knowledge, no executive officer, director, or 10% beneficial owner of the Corporation failed to file such ownership reports on a timely basis for the fiscal year ended December 31, 2016.

#### **INFORMATION WITH RESPECT TO NOMINEES FOR DIRECTOR, CONTINUING DIRECTORS AND EXECUTIVE OFFICERS**

##### **Election of Directors**

The Corporation has a classified Board of Directors with staggered three-year terms of office. In a classified board, the directors are generally divided into separate classes of equal number. The terms of the separate classes expire in successive years. Thus, at each annual meeting of shareholders, successors to the class of directors whose term then expires are to be elected to hold office for a term of three years, so that the office of one class will expire each year.

A majority of the members of our Board of Directors are independent based on an assessment of each member's qualifications by the Board, taking into consideration the NASDAQ Stock Market's requirements for independence. The Board of Directors has concluded that Directors Bauer, Cox, Crooks, Freeman, Freemer, Hunter, Mason, McCarrier and Varischetti do not have any material relationships with the Corporation that would impair their independence. There are no arrangements or understandings between the Corporation and any person pursuant to which such person has been elected a director. Shareholders of the Corporation are not permitted to cumulate their votes for the election of directors.

Unless otherwise directed, each proxy executed and returned by a shareholder will be voted for the election of the nominees for director listed below. If the person named as nominee should be unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for one or more replacement nominees recommended by the Board of Directors. At this time, the Board of Directors knows of no reason why the nominees listed below may not be able to serve as a director if elected. Any vacancy occurring on the Board of Directors of the Corporation for any reason may be filled by a majority of the directors then in office until the expiration of the term of office of the class of directors to which he or she was appointed. Ages are reflected as of December 31, 2016.

## Board Leadership Structure and Risk Oversight

**Board Leadership Structure.** Since the Corporation was founded in 1989, the Corporation has employed a traditional board leadership model, with our Chief Executive Officer also serving as Chairman of our Board of Directors. We believe this traditional leadership structure benefits the Corporation. A combined Chairman and Chief Executive Officer role helps provide strong, unified leadership for our management team and Board of Directors. William C. Marsh has served as our Chairman and Chief Executive Officer since January 1, 2009. Prior to becoming Chairman and Chief Executive Officer, Mr. Marsh served as Executive Vice President and Chief Financial Officer of the Corporation beginning in 2006. Our Board of Directors is currently comprised of ten directors of which nine, or a majority, are independent directors. The board has three standing committees with separate chairs—the audit, executive and human resources committees. The audit committee and human resources committee are led by independent directors and our executive committee is comprised of a majority of independent directors. We do not have a lead independent director position. The Board has reviewed our Corporation’s current Board leadership structure in light of the composition of the Board, the Corporation’s size, the nature of the Corporation’s business, the regulatory framework under which the Corporation operates, the Corporation’s shareholder base, the Corporation’s peer group and other relevant factors, and has determined that a combined Chairman and Chief Executive Officer position, is currently the most appropriate Board leadership structure for our Corporation. The Board noted the following factors in reaching its determination:

- The Board acts efficiently and effectively under its current structure, where the Chief Executive Officer also acts as Chairman.
- A combined Chairman and Chief Executive Officer is in the best position to be aware of major issues facing the Corporation on a day-to-day and long-term basis, and is in the best position to identify key risks and developments facing the Corporation to be brought to the Board’s attention.
- A combined Chairman and Chief Executive Officer position eliminates the potential for confusion and duplication of efforts, including among employees.
- A combined Chairman and Chief Executive Officer position eliminates the potential for confusion as to who leads the Corporation, providing the Corporation with a single public “face” in dealing with shareholders, employees, regulators, analysts and other constituencies.

**Risk Oversight.** The Board’s role in the Corporation’s risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Corporation, including operational, financial, legal and regulatory, and strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives these reports from the appropriate “risk owner” within the organization to enable it to understand our risk identification, risk management and risk mitigation strategies. When a committee receives the report, the Chairman of the relevant committee reports on the discussion to the full Board during the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

## Directors Attendance at Annual Meetings

Although we do not have a formal policy regarding attendance by members of the Board of Directors at annual meetings of shareholders, all directors are expected to attend the Corporation's annual meeting of shareholders. All directors of the Corporation at the time attended the Corporation's 2016 annual meeting of shareholders.

## Committees and Meetings of the Corporation and the Bank

During 2016, the Board of Directors of the Corporation held seven regular meetings and three special meetings, and the Board of Directors of the Bank held 13 regular meetings. Each of the directors attended at least seventy-five percent (75%) of the combined total number of meetings of the Corporation's Board of Directors and of the committees on which they serve.

**Membership on Certain Board Committees.** The Board of Directors of the Corporation has established an audit committee, executive committee, human resources committee and a nominating and corporate governance committee. The human resources committee functions as the Corporation's compensation committee.

The following table sets forth the membership of such committees as of the date of this proxy statement.

\*\* Chairman

**Audit Committee.** The audit committee of the Board is composed of six members and operates under a written charter adopted by the Board of Directors. During 2016, the audit committee consisted of Directors Freemer (Chairman), Bauer, Crooks, Hunter, McCarrier and Varischetti. The Board of Directors has identified Mark A. Freemer as an audit committee financial expert. The audit committee met four times in 2016. The Board of Directors has determined that each committee member is "independent," as defined by Corporation policy, SEC rules and the NASDAQ listing standards.

The audit committee charter adopted by the Board sets out the responsibilities, authority and specific duties of the audit committee. The full text of the audit committee charter is available on our website at [www.emclairefinancial.com](http://www.emclairefinancial.com). Pursuant to the charter, the audit committee has the following responsibilities:

- To monitor the preparation of quarterly and annual financial reports;
- To review the adequacy of internal control systems and financial reporting procedures with management and independent auditors; and
- To review the general scope of the annual audit and the fees charged by the independent auditors.

***Human Resources Committee*** . The human resources committee of the Board functions as the compensation committee and has the responsibility to evaluate the performance of and determine the compensation for the Chairman of the Board, President and Chief Executive Officer of the Corporation, to approve the compensation structure for senior management and the members of the Board of Directors, to review the Corporation's salary administration program, and to review and administer the Corporation's bonus plans, including the management incentive program.

The human resources committee, which is currently composed entirely of independent directors, administers the Corporation's executive compensation program. In 2016, the members of the human resources committee consisted of Directors Hunter (Chairman), Freemer, Mason, McCarrier and Varischetti. All of the members meet all of the independence requirements under the listing requirements of the NASDAQ Stock Market.

The human resources committee is committed to high standards of corporate governance. The human resources committee's charter reflects the foregoing responsibilities and commitment, and the human resources committee and the Board will periodically review and revise the charter, as appropriate. The full text of the human resources committee charter is available on our website at [www.emclairefinancial.com](http://www.emclairefinancial.com). The human resources committee's membership is determined by the Board. There were three meetings of the full human resources committee in 2016.

The human resources committee has exercised exclusive authority over the compensation paid to the Corporation's Chairman of the Board, President and Chief Executive Officer and reviews and approves salary increases and bonuses for the Corporation's other executive officers as prepared and submitted to the human resources committee by the Chairman of the Board, President and Chief Executive Officer. Although the human resources committee does not delegate any of its authority for determining executive compensation, the human resources committee has the authority under its charter to engage the services of outside advisors, experts and others to assist the human resources committee.

***Nominating and Corporate Governance Committee.*** The Corporation has established a nominating and corporate governance committee to identify and recommend to the full Board of Directors the selection of qualified individuals to serve as Board members, recommend to the full Board director nominees for each annual meeting of shareholders, review existing corporate governance documents, establish corporate governance principles applicable to the Corporation and to govern the conduct of the Board and its members, and review nominations for director submitted by shareholders. During 2016, the members of this committee were Messrs. Hunter (Chairman), Cox, Freemer and Mason. Each of these persons is independent within the meaning of the rules of the NASDAQ Stock Market. The nominating and corporate governance committee operates pursuant to a written charter, which can be viewed on our website at [www.emclairefinancial.com](http://www.emclairefinancial.com). The nominating and corporate governance committee met one time in connection with the nominations for the election of directors at the annual meeting.

The nominating and corporate governance committee considers candidates for director suggested by its members and other directors, as well as management and shareholders. The nominating and corporate governance committee also may solicit prospective nominees identified by it. The committee will also consider whether to nominate any person nominated pursuant to the provision of our bylaws relating to shareholder nominations. The nominating and corporate governance committee has the authority and ability to retain a search firm to identify or evaluate potential nominees if it so desires.

The charter of the nominating and corporate governance committee sets forth certain criteria the committee may consider when recommending individuals for nomination as director including: (a) ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with our business and industry, independence of thought and an ability to work collegially. The committee also may consider the extent to which the candidate would fill a present need on the Board of Directors.

Once the nominating and corporate governance committee has identified a prospective nominee, the committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the committee with the recommendation of the prospective candidate, as well as the committee’s own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others.

Section 10.1 of our bylaws governs shareholder nominations for election to the Board of Directors and requires all nominations for election to the Board of Directors by a shareholder to be made pursuant to timely notice in writing to the Secretary of the Corporation. To be timely, a shareholders’ notice must be received by the Corporation not later than 60 days prior to the annual meeting called for the election of directors. Each written notice of a shareholder nomination must set forth certain information specified in the bylaws. Any nomination of any person not made in compliance with the procedures set forth in the bylaws shall be disregarded by the presiding officer of the meeting and any votes for such nominee shall be disregarded.

- (2) Reflects the grant date fair value, computed in accordance with FASB ASC Topic 718, for stock awards granted in 2016 and 2015 pursuant to the 2007 Stock Incentive Plan and Trust adopted in 2007 and the 2014 Stock Incentive Plan adopted in 2014. For a description of the assumptions used for purposes of determining grant date fair value, see Note 16 to the Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2016.
- (3) Includes (i) director’s fees from the Corporation and the Bank totaling \$27,000 and \$24,000 for 2016 and 2015, respectively, for Mr. Marsh and (ii) matching amounts and discretionary profit sharing contributions made under the Corporation’s 401(k) plan for all the named executive officers.

## **Outside Compensation Consultants**

Periodically, the Corporation retains a compensation consulting firm to review its compensation structure. During 2015 and 2016, the Corporation retained L.R. Webber Associates, Inc. (“L.R. Webber”) to assist the human resources committee in setting compensation levels. The human resources committee considered L.R. Webber to be independent and concluded that the consultant had no conflicts of interest with respect to its engagement. The consultant reviewed the Corporation’s compensation practices and compared them with compensation practices of institutions similar in size and performance to the Corporation. The human resources committee considered L.R. Webber’s review of compensation levels in establishing the compensation amounts of the Corporation’s President and Chief Executive Officer and Board of Directors.

## **Pension Plan**

The Bank maintains a defined benefit pension plan for all eligible employees. An employee becomes vested in the plan after three years. Upon retirement at age 65, a terminated participant is entitled to receive a monthly benefit. Prior to a 2002 amendment to the plan, the benefit formula was 1.1% of average monthly compensation plus 0.4% of average monthly compensation in excess of \$675 multiplied by years of service. In 2002, the plan was amended to change the benefit structure to a cash balance formula under which the benefit payable is the actuarial equivalent of the hypothetical account balance at normal retirement age. However, the benefits already accrued by the employees prior to the amendment were not reduced. In addition, the prior benefit formula continued through December 31, 2012, as a minimum benefit. The Bank amended the defined benefit pension plan to freeze the benefits under the plan effective as of April 30, 2013, with no additional benefits to accrue after such date.

## **401(k) Plan**

The Corporation maintains a defined contribution 401(k) plan. Employees are eligible to participate by providing tax-deferred contributions up to 20% of qualified compensation. Employee contributions are vested at all times. The Corporation provides a matching contribution of up to 4% of the participant’s salary. The Corporation may also make, at the sole discretion of its Board of Directors, a profit sharing contribution.

## **Supplemental Retirement Agreements**

In November 2015, the Bank entered into amended and restated supplemental retirement agreements (“Supplemental Agreements”) with Messrs. Marsh and Lucco and Ms. Roxbury, which amended prior supplemental agreements originally entered into with Mr. Marsh in October 2002 and with Mr. Lucco and Ms. Roxbury in August 2012. The Supplemental Agreements are non-qualified defined benefit plans and are unfunded. The Supplemental Agreements have no assets, and the benefits payable under the Supplemental Agreements are not secured. The Supplemental Agreement participants are general creditors of the Bank in regards to their vested Supplemental Agreement benefits. The Supplemental Agreements provide for retirement benefits upon reaching age 65, and the participants become vested in their benefits up until their normal retirement age. Upon attaining normal retirement age, Messrs. Marsh and Lucco and Ms. Roxbury would be entitled to \$1.6 million, \$1.0 million and \$900,000, respectively, over a 20-year period under their Supplemental Agreements.

Each of the Supplemental Agreements provides that in the event of a change in control of the Corporation or the Bank (as defined in the agreements), the executive will receive his supplemental retirement benefits in a lump sum payment if the change in control occurs before the executive's employment is terminated and before the executive reaches normal retirement age. If a change in control had occurred on December 31, 2016, Messrs. Marsh and Lucco and Ms. Roxbury would have been entitled to lump sum payments of \$507,828, \$177,114 and \$249,167, respectively. Such payments could be limited if they are deemed "parachute payments" under Section 280G of the Internal Revenue Code, as amended.

The Supplemental Agreements prohibit the executives from competing against the Bank or soliciting customers or employees of the Bank for a period of three years following a termination of employment if such termination occurs prior to a change in control. If the executives are still employed at the time of a change in control, the Supplemental Agreements with Mr. Lucco and Ms. Roxbury impose non-compete and non-solicitation provisions for a period of six months following the change in control. The employment agreement with Mr. Marsh described below imposes non-compete and non-solicitation provisions for a period of 12 months following a change in control. The Bank has entered into similar Supplemental Agreements with other officers.

### **Employment and Change in Control Agreements**

In November 2015, the Corporation and the Bank entered into an amended and restated employment agreement with William C. Marsh to serve as Chairman, President and Chief Executive Officer, which amended prior employment agreements originally entered into with Mr. Marsh in July 2007. The current term of the agreement expires on December 31, 2019 and will renew for successive one-year periods each January 1 unless notice to the contrary is provided at least 30 days prior to the renewal. The agreement also provides that if the executive is terminated by the Corporation or the Bank for other than cause, disability, retirement or the executive's death or the executive terminates employment for good reason (as defined in the agreement) after a change in control of the Corporation or the Bank, then Mr. Marsh will be entitled to the payment of a lump sum cash severance amount equal to three times his average annual compensation (as defined in the agreement) during the five calendar years preceding the year of termination, the continuation of his insurance benefits for up to 36 months and a lump sum cash payment equal to the projected cost of providing certain other benefits for 36 months, provided that such payments will be limited if they are deemed "parachute payments" under Section 280G of the Internal Revenue Code as amended. The employment agreement imposes non-compete and non-solicitation provisions on Mr. Marsh for a period of 18 months if his employment is terminated prior to a change in control and for a period of 12 months if his employment is terminated concurrently with or following a change in control.

In November 2015, the Corporation and the Bank entered into amended and restated change in control agreements with Matthew J. Lucco and with Jennifer A. Roxbury. The agreements amended the change in control agreements originally entered into with Mr. Lucco in August 2010 and with Ms. Roxbury in October 2011. The change in control agreements currently expire on December 31, 2018, and the term will renew for successive one-year periods each January 1 unless notice to the contrary is provided at least 30 days prior to the renewal. If a change in control occurs during the term of the agreements at a time when there is less than one year remaining in the term, then the remaining term of the agreements will be automatically extended until the one-year anniversary of the completion of the change in control.

The change in control agreements for Mr. Lucco and Ms. Roxbury provide that if the executive is terminated by the Corporation or the Bank (or any successor) within 24 months subsequent to a change in control of the Corporation or the Bank for other than cause, disability, retirement or the executive's death or the executive terminates employment for good reason (as defined in the agreement) after a change in control of the Corporation or the Bank, then the executive will be entitled to the payment of a lump sum cash severance amount equal to two times the executive's highest annual compensation (as defined in the agreement) during the year of termination or either of the two preceding calendar years, the continuation of the executive's insurance benefits for up to 24 months and a lump sum cash payment equal to the projected cost of providing certain other benefits for 24 months, provided that such payments will be limited if they are deemed "parachute payments" under Section 280G of the Internal Revenue Code as amended. The Bank has entered into similar change in control agreements with other officers.

### Certain Transactions

Other than as set forth below, there have been no material transactions, proposed or consummated, between the Corporation and the Bank with any director or executive officer of the Corporation or the Bank, or any associate of the foregoing persons.

The Bank, like many financial institutions, has followed a written policy of granting various types of loans to officers, directors, and employees and under such policy grants a discount of 100 basis points on loans extended to all employees, including executive officers. With the exception of such policy, all loans to executive officers and directors of the Corporation and the Bank have been made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the Bank, and do not involve more than the normal risk of collectibility nor present other unfavorable features. All such loans are approved by the Board of Directors.

The following table presents a summary of loans in excess of \$120,000 with preferential pricing (100 basis point discount) extended by the Bank to any of the Corporation's executive officers or immediate family members of such individuals. In addition, the Corporation had two directors and one executive officer whose loans totaled more than \$120,000 at December 31, 2016, however in these instances the loans made with preferential pricing did not exceed \$120,000.

## REPORT OF THE AUDIT COMMITTEE

In discharging its oversight responsibility, the audit committee has met and held discussions with management and Crowe Horwath LLP, the independent auditors for the Corporation. Management represented to the audit committee that all consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and the Corporation, and has received and discussed with the independent auditors the matters in the written disclosures required by the Independence Standards Board and as required under the Sarbanes-Oxley Act of 2002, including considering the permissibility of non-audit services with the auditors' independence.

The audit committee also obtained from the independent auditors a formal written statement describing all relationships between the Corporation and Crowe Horwath LLP that bear on the auditors' independence consistent with the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The audit committee discussed with the independent auditors any relationships that may impact the firm's objectivity and independence and satisfied itself as to the auditors' independence.

Based on these discussions and reviews, the audit committee recommended that the Board of Directors approve the inclusion of the Corporation's audited consolidated financial statements in its Annual Report on Form 10-K for the year ended December 31, 2016, for filing with the SEC.

Respectfully submitted by the members of the audit committee of the Board of Directors:

Mark A. Freemer, Chairman  
Milissa S. Bauer  
James M. Crooks  
Robert L. Hunter  
Deanna K. McCarrier  
Nicholas D. Varischetti

**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT  
REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee of the board of directors of the Corporation has appointed Crowe Horwath LLP, Certified Public Accountants, to perform the audit of the Corporation's consolidated financial statements for the year ending December 31, 2017, and has further directed that the selection of Crowe Horwath as the Corporation's independent registered public accounting firm be submitted for ratification by the shareholders at the annual meeting. The Corporation has been advised by Crowe Horwath that neither the firm nor any of its associates has any relationship with the Corporation other than the usual relationship that exists between independent public accountants and clients. Crowe Horwath will have a representative at the annual meeting who will have an opportunity to make a statement, if he or she so desires, and who will be available to respond to appropriate questions.

**Vote Required; Effect**

Unless instructed to the contrary, it is intended that proxies will be voted for the ratification of the selection of Crowe Horwath, as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2017. Ratification of Crowe Horwath as the Corporation's independent registered public accounting firm will require the affirmative vote of a majority of the shares of common stock present in person or by proxy at the annual meeting.

**Recommendation of the Board of Directors**

**The Board of Directors recommends that shareholders vote FOR the ratification of the appointment by the audit committee of the Board of Directors of Crowe Horwath LLP as the Corporation's independent registered public accounting firm for the year ending December 31, 2017.**

It is understood that even if the selection of Crowe Horwath is ratified, the Board of Directors, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year if the Board of Directors determines that such a change would be in the best interest of the Corporation and its shareholders.

**RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**General**

The audit committee of the Board of Directors has appointed Crowe Horwath LLP as the independent registered public accounting firm to audit the Corporation's financial statements for the year ending December 31, 2017. In evaluating whether to appoint Crowe Horwath to perform the audit of the Corporation's financial statements for the year ending December 31, 2017, the audit committee considered the compatibility of the non-audit services provided to the Corporation by Crowe Horwath in 2016 described below on the independence of Crowe Horwath from the Corporation.

In addition to performing customary audit services related to the audit of the Corporation's financial statements, Crowe Horwath LLP will assist the Corporation with the preparation of its federal and state tax returns and will perform required retirement plan audits, charging the Corporation for such services at its customary hourly billing rates.

The audit committee selects the Corporation's independent registered public accounting firm and separately pre-approves all audit services to be provided by it to the Corporation. The audit committee also reviews and separately pre-approves all audit-related, tax and all other services rendered by our independent registered public accounting firm in accordance with the audit committee's charter and policy on pre-approval of audit-related, tax and other services. In its review of these services and related fees and terms, the audit committee considers, among other things, the possible effect of the performance of such services on the independence of our independent registered public accounting firm.

During 2016, each new engagement of the independent registered public accounting firm was approved in advance by the audit committee, and none of those engagements made use of the *de minimus* exception to pre-approval contained in the SEC's rules.

#### Auditor Fees

The following table sets forth the aggregate fees paid by us to Crowe Horwath in 2016 and 2015 for professional services rendered in connection with the audit of the Corporation's consolidated financial statements, as well as the fees paid by us for audit-related services, tax services and all other services rendered by Crowe Horwath in 2016 and 2015.

		<u>2016</u>	<u>2015</u>
Audit fees	(1)	\$ 95,000	\$ 82,000
Audit-related fees	(2)	24,500	26,000
Tax fees		20,150	19,700
Total		<u>\$ 139,650</u>	<u>\$ 127,700</u>

- (1) The audit fees include only fees that are customary under generally accepted auditing standards and are the aggregate fees the Corporation incurred for professional services rendered for the audit of the Corporation's annual financial statements for fiscal years 2016 and 2015 and the reviews of the financial statements included in the Corporation's Quarterly Reports on Forms 10-Q for fiscal years 2016 and 2015.
- (2) The audit-related fees include audits of the Corporation's benefit plans for both years. In addition, 2015 audit-related fees include fees paid for services rendered associated with the Corporation's Form S-3 filing. These audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements.
