

Dear Fellow Shareholder:

Enclosed please find your regular quarterly cash dividend of \$0.22 per share of Emclair Financial Corp's common stock. The dividend is a reflection of the Corporation's continued growth and sound financial performance in the preceding quarter.

The Corporation reported net income available to common stockholders of \$816,000 for the first quarter of 2014 compared to \$733,000 for the same period in 2013. The results for the first quarter of 2014 included a \$126,000, or 3.2%, increase in net interest income despite the continued low interest rate environment. Additionally, the Corporation recognized security gains of \$658,000 primarily related to a balance sheet management strategy whereby securities were sold to prepay a \$5.0 million Federal Home Loan Bank long term advance having a prepayment penalty of \$550,000. This strategy enhanced the Bank's ability to realize growth in net interest income in the periods ahead. Total assets increased 1.7% to \$534.9 million at March 31, 2014 from \$525.8 million at December 31, 2013 as customer deposits increased 8.1% to \$467.2 million from \$432.0 million, respectively, driving increases in securities and cash and equivalents. The Corporation's tangible book value per common share was \$20.55 at March 31, 2014 compared to \$20.04 at December 31, 2013.

In addition to our quarterly results, we are excited to announce that our fifteenth branch banking office opened in Cranberry Township (Butler County, PA) on May 27, 2014, following a 10:00 a.m. Ribbon Cutting Ceremony. The full-service office, located at the intersection of Route 19 and Ogle View Road, hosted Grand Opening events on May 30 and 31, 2014. We were pleased with the warm reception we received from the local community.

On behalf of the Board of Directors, officers and staff, I thank you for your continued support and look forward to serving you in the years ahead.
