As of May 3, 2013

DIVERSICARE HEALTHCARE SERVICES, INC.
AUDIT COMMITTEE CHARTER

I. Purpose

The purpose of the Audit Committee is to assist the Board of Directors of Diversicare Healthcare Services, Inc. (the “Company”) in its oversight of the Company’s accounting and financial reporting processes and the audit of the Company’s financial statements.

Although the Audit Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditors.

II. Organization

The Audit Committee shall be comprised of three or more directors as determined by the Board of Directors, each of whom shall satisfy the independence, financial literacy and experience requirements of Section 10A of the Securities Exchange Act of 1934, NASDAQ and any other regulatory requirements. No member of the Committee can have participated in the preparation of the Company’s or any of its subsidiaries’ financial statements at any time during the past three years.

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting or other comparable experience or background that leads to financial sophistication. At least one member of the Committee must be an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K. A person who satisfies this definition of audit committee financial expert will also be presumed to have financial sophistication.

Committee members shall be elected by the Board at the annual organizational meeting of the Board of Directors and members shall serve until their successors shall be duly elected and qualified. The Committee’s chairperson shall be designated by the full Board or, if it does not do so, the Committee members shall elect a chairperson by vote of a majority of the full Committee. The Audit Committee shall report regularly to the Board regarding its actions and make recommendations to the Board as appropriate. The Committee shall conduct and present to the Board an annual performance evaluation of the Committee.

The Committee may form and delegate authority to subcommittees when appropriate.

III. Meetings

The Audit Committee shall meet four times per year on a quarterly basis, or more frequently as circumstances require. The Committee shall require members of management, the corporate audit department, the independent auditors and others to attend meetings and to provide pertinent information, as necessary. As part of its job to foster open communications, the Committee shall meet in separate executive sessions at least annually with management and the Company's independent auditors to discuss any matters that the Committee (or any of these groups) believes should be discussed privately.

IV. Responsibilities and Duties

In recognition of the fact that the Company's independent auditors are ultimately accountable to the Audit Committee, the Committee shall have the sole authority and responsibility to select, evaluate, and, where appropriate, replace the independent auditors or nominate the independent auditors for shareholder approval. The Committee shall approve all audit engagement fees and terms and all non-audit engagements with the independent auditors. The Committee shall consult with management but shall not delegate these responsibilities.

To fulfill its responsibilities and duties, the Audit Committee shall:
