Ontario, British Columbia and Alberta top this summer's outdoor dining destinations in this second-annual list

TORONTO, June 13, 2017 /CNW/ -- Grab your sunglasses and appetites! With patio season in full swing, [OpenTable](#), the world's leading provider of online restaurant reservations and part of The Priceline Group (NASDAQ: PCLN), today announced the [100 Best Outdoor Dining Restaurants in Canada for 2017](#). These awards reflect the combined opinions of more than 515,000 restaurant reviews submitted by verified OpenTable diners for more than 2,000 restaurants in Canada.

The official start of summer is almost here and Canadians can take advantage by indulging at some of the best outdoor dining experiences across the country. From the panoramic views of [Grapevine Restaurant & Patio at Gray Monk Estate Winery](#) in Kelowna to the vibrant rooftop of [The Chase](#) in Toronto, this second-annual list features outdoor tables from coast-to-coast to suit any occasion. Including restaurants with multiple locations, Ontario has the greatest number of restaurants featured with 44, followed by British Columbia with 27 and Alberta with 16. Québec has eight restaurants recognized, while Manitoba has five. Nova Scotia is also represented on this list.

"Canadian patio season never lasts as long as we want. With this list from OpenTable, locals and tourists can spend less time hunting for the perfect spot to grab a drink or share a meal and more time soaking up the beautiful weather," said Ziv Schierau, Head of National Accounts for OpenTable Canada. "From West Coast estate wineries to Rocky Mountain retreats and al fresco urban escapes, this list showcases some of the country's best outdoor dining destinations this summer."

[The 100 Best Outdoor Dining Restaurants](#) list is generated solely from more than 515,000 restaurant reviews collected from verified OpenTable diners between April 1, 2016 and March 31, 2017. All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to the percentage of reviews for which "great for outdoor dining" was selected as a special feature.

Based on this methodology, the 100 Best Outdoor Dining Restaurants in Canada according to OpenTable diners are as follows (in alphabetical order):
