## OpenTable Reveals 100 Best AI Fresco Dining Restaurants in America

**Winning Restaurants Span Across 17 States and Washington, D.C., including Arizona, California, Florida and Virginia and Highlight Favorite Travel Destinations**

SAN FRANCISCO, June 7, 2017 /PRNewswire/ -- As we look forward to the start of summer and prime travel season, [OpenTable](#), the world's leading provider of online restaurant reservations and part of The Priceline Group (NASDAQ: PCLN), today unveiled the [100 Best AI Fresco Dining Restaurants in America for 2017](#). These awards reflect the combined opinions of more than 10 million restaurant reviews submitted by verified OpenTable diners for more than 25,000 restaurants in all 50 states and the District of Columbia.

Showcasing winners in major metropolitan areas as well as resort towns, the complete list features restaurants in 17 states, and includes [Miro's Restaurant](#) in Palm Springs, [Latitudes on Sunset Key](#) in Key West, and [El Chorro](#) in Phoenix. California boasts 29 winning restaurants, followed by Florida with 28, and Arizona with 22. Hawaii has four standout restaurants, while South Carolina has three, and Nevada and Virginia have two. Arkansas, Colorado, Georgia, Illinois, Indiana, Louisiana, Minnesota, Missouri, North Carolina, New Mexico, and Washington, D.C. are also represented. While many of the winning restaurants serve American fare, other cuisines proved popular, particularly Italian, Mediterranean, and seafood.

"This year's list of winners features eateries nestled in nature, many of which offer waterside dining experiences that can make you feel as though you're traveling even if you're close to home," said Caroline Potter, OpenTable's Chief Dining Officer. "The popularity of these restaurants speaks to diners' desire for their culinary adventures to also include picturesque views, garden patios, urban vistas and overall just a bit of nature and open-air."

[The 100 Best AI Fresco Dining Restaurants in America](#) list is generated solely from more than 10 million verified OpenTable diner reviews collected between May 1, 2016 and April 30, 2017. All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to the percentage of reviews for which "great for outdoor dining" was selected as a special feature.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the [100 Best AI Fresco Dining Restaurants in America for 2017](#) according to OpenTable diners.
