## OpenTable Diners Recognize the 100 Best Restaurants in Canada for 2017

*Ontario and Alberta lead OpenTable's annual list highlighting the best of Canada's hospitality scene*

TORONTO, Dec. 6, 2017 /CNW/ -- From outstanding service to one-of-a-kind dining experiences, [OpenTable](#), the world's leading provider of online restaurant reservations and part of The Priceline Group (NASDAQ: [PCLN](#)), today announced the [100 Best Restaurants in Canada for 2017](#). These awards reflect the combined opinions of more than 500,000 restaurant reviews submitted by verified OpenTable diners for more than 2,000 restaurants across Canada.

Whether it's the understated elegance of [Bar Von Der Fels](#) in Calgary or the authentic tastes of [Damas](#) in Montréal, this list illustrates some of the best restaurants in Canada's elevated hospitality scene, as voted by OpenTable diners. Including establishments with multiple locations<sup>1</sup>, Ontario has the greatest number of restaurants included on the list with 55, followed by Alberta with 17, and British Columbia and Québec each with 14 restaurants. Newfoundland and Labrador is also represented on the list.

For the second year in a row, Italian restaurants proved to be the most popular among diners. French and Canadian cuisine placed second and third, respectively, while restaurants specializing in Japanese, Mediterranean and Contemporary American cuisines also ranked in the top 100.

"Canada has truly come into its own as a global dining destination and that is evident in the calibre of restaurants on this year's list," said Ziv Schierau, Head of National Accounts for OpenTable Canada. "This year's honourees have excelled at providing world-class hospitality and the finest fare that is a reflection of the nation's diverse cultural landscape and vast natural resources."

The 100 Best Restaurants in Canada list is generated solely from more than 500,000 restaurant reviews collected between November 1, 2016, and October 31, 2017. All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then sorted according to a score calculated from each restaurant's average rating in the "overall" category.

Based on this methodology, the 100 Best Restaurants in Canada according to OpenTable diners are as follows (in alphabetical order):
