Western Europe – unchanged revenue and earnings growth

- **Denmark and Germany** market positions maintained in spite of tough comparison
- Strong commercial execution
- Consumption unchanged. Continued shift from non-branded products towards branded segment
- **Italy**, overall beer consumption stable supported by weather. Economy stopped declining, but no real impact on consumers
- Super-premium and premium beer segment flattish. Market position maintained.
- **Commercial initiatives** – focus on value creation, commercial execution, innovation, brand building, consumer activation
- Several innovations strengthening products portfolio. Launch of two new beer brands to penetrate the specialty beer segment in Denmark. Launch of organic beer under Royal brand

Baltic Sea – increased earnings in spite of poor weather and tough business environment

VOLUME '000 HL (2013 pro forma – incl. Hartwall)

REVENUE DKKM (2013 pro forma – incl. Hartwall)

EBIT DKKM (2013 pro forma – incl. Hartwall)

- **Finland** – continued unfavorable macro-economics and low consumer confidence
- Declining GDP and deflation
- Consumption of branded products declined by low to mid-single digit percentage. Down in On-Trade as well as Off-trade
- Market positions impacted by campaign phasing
- Commercial agenda in multi-year progress. Efficiency drive from structural to continuous improvements
- **Baltic consumption** – stable supported by declining beer prices in general
- Market position maintained
- Strong innovation agenda supporting positively

Malt Beverages and Export – development in line with plans

VOLUME '000 HL

REVENUE DKKM

EBIT DKKM

- **Purchasing power** under pressure in some export markets on weakened FX and lower price on natural resources
- **Growth potential maintained** – good development in consumer off-take
- **Commercial initiatives** – leverage on existing markets and distributors. Deeper penetration and higher rotation
- Marketing investment continues as planned. Focus on brand building and positions.
- **Mid-term guidance unchanged** – average annual top line growth of 10-15%, EBIT-margin of 20%
