Global Power Provides Expected Timing for Filing 2016 Financial Results

IRVING, Texas--(BUSINESS WIRE)-- [Global Power Equipment Group Inc.](#) (OTC:GLPW) ("Global Power" or the "Company") announced today that it expects to file with the Securities and Exchange Commission its Annual Report on Form 10-K for 2016 by the end of June 2017. The Company's financial statements for 2016 are in the process of being finalized and audited.

The Company plans to host a teleconference/webcast following the filing of its 2016 financial results. An announcement regarding the details of the conference call will be made prior to the filing of the Form 10-K and the publishing of the related news release.

About Global Power

Global Power Equipment Group Inc. is a design, engineering and manufacturing firm providing a broad array of equipment and services to the global power infrastructure, energy and process industries. The Company reports in three operating segments: The Mechanical Solutions segment (formerly Auxiliary Products) designs, engineers and manufactures a comprehensive portfolio of equipment for utility-scale natural gas turbines. The Electrical Solutions segment provides custom-configured electrical houses and generator enclosures for a variety of industries. The Services segment provides lifecycle maintenance, repair, on-site specialty support, outage management, construction and fabrication services for the power generation, industrial, chemical/petrochemical processing, and oil and gas industries. The Company provides information at its website: www.globalpower.com.

Forward-looking Statement Disclaimer

This press release contains "forward-looking statements" within the meaning of the term set forth in the Private Securities Litigation Reform Act of 1995. The forward-looking statements include statements or expectations regarding the timing to complete the audit of the Company's 2016 financial statements and the timing and ability of the Company to file its Annual Report on Form 10-K for 2016 in June 2017. These statements reflect our current views of future events and financial performance and are subject to a number of risks and uncertainties. Our actual results, performance or achievements may differ materially from those expressed or implied in the forward-looking statements. Risks and uncertainties that could cause or contribute to such material differences include a delay in the auditor's completion of the audit of the 2016 financial statements and the Company's inability to prepare and file the 2016 Form 10-K within the expected time frame. Additional risks and uncertainties include, but are not limited to, decreased demand for new gas turbine power plants, reduced demand for, or increased regulation of, nuclear power, loss of any of our major customers, whether pursuant to the loss of pending or future bids for either new business or an extension of existing business or customer or contractor bankruptcy, termination of customer or vendor relationships, cost increases and project cost overruns, unforeseen schedule delays, poor performance by our subcontractors, cancellation of projects, competition for the sale of our products and services, including competitors being awarded business by our customers that had previously been provided by Global Power, shortages in, or increases in prices for, energy and materials such as steel that we use to manufacture our products, damage to our reputation, warranty or product liability claims, increased exposure to environmental or other liabilities, failure to comply with various laws and regulations, failure to attract and retain highly-qualified personnel, loss of customer relationships with critical personnel, effective integration of acquisitions, volatility of our stock price, deterioration or uncertainty of credit markets, and changes in the economic, social and political conditions in the United States and other countries in which we operate, including fluctuations in foreign currency exchange rates, the banking environment or monetary policy.

Other important factors that may cause actual results to differ materially from those expressed in the forward-looking statements are discussed in our filings with the SEC, including the section of our previously-filed 2015 Annual Report on 10-K titled "Risk Factors." Any forward-looking statement speaks only as of the date of this press release. Except as may be required by applicable law, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, and we caution you not to rely upon them unduly.
