## **Tangoe Awarded "Best Technology Breakthrough" at 9th Annual Mobile Excellence Awards**

### ***Mobility as a Service Honored For Offering Simplification and Control of the Ever-Expanding Mobile Estate***

ORANGE, Conn.--(BUSINESS WIRE)-- [Tangoe, Inc.](#) (NASDAQ:TNGO), a leading global provider of Mobility, IT, and Telecom Expense Management (TEM) software and services, announced today that its Mobility as a Service (MaaS) offering was named the Best Technology Breakthrough at the 9<sup>th</sup> Annual Mobile Excellence Awards (MEAs).

Tangoe's award winning MaaS solution builds on the company's continued efforts to simplify mobile policy and device delivery by offering a predictable and cost-effective way for enterprises to keep mobile employees connected and productive. This award highlights Tangoe's efforts to eliminate complexity with current market offerings and keep pace with client global workforce needs. MaaS is one part of Tangoe's full Managed Mobility Services (MMS) suite, which consists of three key packages that together cover the entire mobile lifecycle for enterprises and include:

- | Mobile Deployment and Support: End-to-end management of the mobile device lifecycle, designed to ensure client end-users are never without a fully kitted and staged device that works right out of the box
- | Mobile Policy Governance: Set-up, monitoring, enrollment and security support on the leading Enterprise Mobility Management (EMM) stacks to help monitor and manage mobile effectively through seamless integration of the EMM stack with a client's infrastructure and network
- | Mobile Expense Optimization: Summarized view of all mobile expenses and bills with an optimization plan showing potential cost savings yet maintains the preferred mobile service required for end-users

"Our goal at Tangoe has always been to make even the most complex mobile scenarios easy to manage by providing industry leading mobility management services that are secure and cost effective," said Jim Foy, CEO, Tangoe. "We are delighted to have been honored with the Mobile Excellence Award for our Mobility as a Service solution, which enables enterprises to effectively and efficiently manage their global mobile workforce needs."

Tangoe provides support at every stage of the lifecycle for smartphones, tablets, laptops, and Internet of Things (IoT) devices including: deployment, setup, management, repairs, replacement, and recycling, and includes a variety of options to suit any kind of enterprise and all types of end-user environments. Tangoe's state-of-the-art Logistics Center supports large scale device deployments, ongoing and peak needs for sourcing, repairs, and quick replacements, allowing clients' mobile workforces to always be productive.

Now in their ninth year of recognizing innovation and leadership in mobile entertainment, lifestyle, and technology, from start-ups to global brands, the MEAs are at the forefront of the mobile industry. Finalists represent true innovators using technology to improve lives, and the MEAs seek to recognize these groundbreaking technologies and their creators.
