## ChinaNet Online Holdings Announces Updated Corporate Website

BEIJING, Jan. 17, 2017 (GLOBE NEWSWIRE) -- ChinaNet Online Holdings, Inc. (Nasdaq:CNET) ("ChinaNet" or the "Company"), an integrated data-analysis and management services platform, today announced the official launch of its updated comprehensive website [www.chinanet-online.com](http://www.chinanet-online.com), reflecting ongoing efforts to provide up-to-date information for customers, investors and shareholders.

The new ChinaNet website has been redesigned to be more dynamic, user-friendly and content rich. The website allows visitors to efficiently access information needed regarding ChinaNet's profile and history, products and services, and investor relations content including press releases and SEC reporting. The website now also includes enhanced video, including a comprehensive overview of the Company's business which can be viewed directly at: [http://www.chinanet-online.com/english\\_index.html](http://www.chinanet-online.com/english_index.html)

"Our new corporate website provides customers, shareholders and investors with current, easily accessible information about our operations, business strategy, stock profile and more, reflecting our ongoing commitment to enhance transparency and shareholder communications," said Mr. Handong Cheng, Chairman and CEO of ChinaNet. "The redesigned website more effectively conveys our story, value proposition and new technology platform and products, such as our Business Intelligent Marketing Data Platform - CloudX, as we continue to focus on promoting business expansion and sales opportunities for SMEs. We believe the new site reflects our achievements and evolution, and will assist us with future growth."

### About ChinaNet Online Holdings, Inc.

ChinaNet Online Holdings, a parent company of ChinaNet Online Media Group Ltd., incorporated in the BVI (ChinaNet), is an integrated data-analysis and management services platform. ChinaNet provides prescriptive analysis for its clients to improve business outcomes and to create more efficient enterprises. The Company leverages an optimization framework, provided by its comprehensive data-analysis infrastructure, to blend data, mathematical, and computational sciences into an outcome management platform for which it monetizes on a per client basis. ChinaNet uniquely optimizes and prescribes its clients decision making processes based on its proprietary ecosystem. For more information, visit [www.chinanet-online.com](http://www.chinanet-online.com).

### Safe Harbor

This release contains certain "forward-looking statements" relating to the business of ChinaNet Online Holdings, Inc., which can be identified by the use of forward-looking terminology such as "believes," "expects," "anticipates," "estimates" or similar expressions. Such forward-looking statements involve known and unknown risks and uncertainties, including business uncertainties relating to government regulation of our industry, market demand, reliance on key personnel, future capital requirements, competition in general and other factors that may cause actual results to be materially different from those described herein as anticipated, believed, estimated or expected. Certain of these risks and uncertainties are or will be described in greater detail in our filings with the Securities and Exchange Commission. These forward-looking statements are based on ChinaNet's current expectations and beliefs concerning future developments and their potential effects on the Company. There can be no assurance that future developments affecting ChinaNet will be those anticipated by ChinaNet. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond the control of the Company) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by such forward-looking statements. ChinaNet undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
