EXFO to Present Earlier at Needham Growth Conference

QUEBEC CITY, Jan. 6, 2017 /CNW Telbec/ - EXFO Inc. (NASDAQ: EXFO) (TSX: EXF) announced today a change to its investor relations calendar.

Germain Lamonde, EXFO's Chairman, President and CEO, will make a presentation on behalf of the company at the Needham Growth Conference on January 12, 2017, at 8:40, a.m. Eastern time, in New York. Mr. Lamonde was previously scheduled to speak later in the day.

An audio Webcast of this event will be available live at www.EXFO.com, under the Investors section. It will also be archived for a limited period.

About EXFO

EXFO provides communications service providers (CSPs) with test automation and 3D analytics solutions to ensure the smooth deployment, maintenance and management of next-generation, physical, virtual, fixed and mobile networks. The company has also forged strong relationships with network equipment manufacturers (NEMs) to develop deep expertise that migrates from the lab to the field and beyond. EXFO's key differentiation comes from combining intelligent, automated and cloud-based test and monitoring solutions with real-time analytics to deliver unmatched end-to-end visibility and assurance - from a network, services and end-user level. EXFO is no. 1 in portable optical testing and boasts the largest active service assurance deployment worldwide. For more information, visit www.EXFO.com and follow us on the [EXFO Blog](#).
