EXFO to Address Financial Community

QUEBEC CITY, Dec. 13, 2016 /CNW Telbec/ - EXFO Inc. (NASDAQ: EXFO) (TSX: EXF) announced today upcoming events on its investor relations calendar.

Germain Lamonde, Chairman, President and CEO, and Pierre Plamondon, CPA, Vice-President of Finance and Chief Financial Officer, will review EXFO's first-quarter results for fiscal 2017 on January 10, 2017. A conference call will be held at 5 p.m. Eastern time, one hour after the release of financial results. To listen to the conference call and participate in the question period via telephone, dial (704) 288-0432. Please take note of the conference ID number that will be required: 30629172. An audio replay of the conference call will be available two hours after the end of the event until 11:59 p.m. (Eastern time) on January 17, 2017. The replay number is (855) 859-2056 and the conference ID number is 30629172.

On January 11, 2017, EXFO will hold its 2016 Annual Meeting, 9 a.m. Eastern time, at the St. Andrews Club & Conference Centre, Caledonia Room (27th floor), located at 150 King Street West in Toronto. The conference call for the Annual Meeting, which will be available in listen-only mode, can be accessed by dialing (704) 288-0432 and providing the following ID number: 30728172. An audio replay of the conference call will be available two hours after the end of the event until 11:59 p.m. (Eastern time) on January 18, 2017. The replay number is (855) 859-2056 and the conference ID number is 30728172.

Finally, Mr. Lamonde will make a presentation on behalf of the company at the Needham Growth Conference on January 12, 2017, 10:00, a.m. Eastern time, in New York.

Audio Webcasts of all these events will be available live at www.EXFO.com, under the Investors section. They will also be archived for a limited period.

About EXFO

EXFO provides communications service providers (CSPs) with test automation and 3D analytics solutions to ensure the smooth deployment, maintenance and management of next-generation, physical, virtual, fixed and mobile networks. The company has also forged strong relationships with network equipment manufacturers (NEMs) to develop deep expertise that migrates from the lab to the field and beyond. EXFO's key differentiation comes from combining intelligent, automated and cloud-based test and monitoring solutions with real-time analytics to deliver unmatched end-to-end visibility and assurance—from a network, services and end-user level. EXFO is no. 1 in portable optical testing and boasts the largest active service assurance deployment worldwide. For more information, visit www.EXFO.com and follow us on the [EXFO Blog](#).
