NORTH READING, Mass.--(BUSINESS WIRE)--

Teradyne, Inc. (NYSE: TER):

	Q3'17	Q3'16	Q2'17
Orders (mil)	\$410	\$378	\$462
Revenue (mil)	\$503	\$410	\$697
GAAP EPS	\$0.52	\$0.31	\$0.87
Non-GAAP EPS	\$0.54	\$0.33	\$0.90

[Teradyne, Inc.](#) (NYSE: TER) reported revenue of \$503 million for the third quarter of 2017 of which \$397 million was in Semiconductor Test, \$40 million in Industrial Automation, \$35 million in System Test, and \$31 million in Wireless Test. GAAP net income for the third quarter was \$103.4 million or \$0.52 per share. On a non-GAAP basis, Teradyne's net income in the third quarter was \$107.7 million, or \$0.54 per diluted share, which excluded acquired intangible assets amortization, non-cash convertible debt interest, restructuring and other charges, and included the related tax impact on non-GAAP adjustments.

Orders in the third quarter of 2017 were \$410 million of which \$295 million were in Semiconductor Test, \$40 million in Industrial Automation, \$42 million in System Test, and \$33 million in Wireless Test.

"Strong Semiconductor Test performance, with greater than expected image sensor test system shipments, drove Q3 revenue and earnings above the high end of our guidance," said CEO and President Mark Jagiela. "Additionally, Universal Robots growth remained strong with Q3 revenue up 70% over the Q3'16 period and up 77% for the first 9 months of the year."

On the demand front, Semiconductor Test achieved its highest third quarter orders in over a decade driven mainly by record memory test orders. This, combined with continued strong growth at Universal Robots, positions the Company for full year sales over \$2 billion and net income of over \$2 per share at the mid-point of our Q4 guidance."

Guidance for the fourth quarter of 2017 is revenue of \$420 million to \$450 million, with GAAP net income of \$0.27 to \$0.33 per diluted share and non-GAAP net income of \$0.31 to \$0.37 per diluted share. Non-GAAP guidance excludes acquired intangible assets amortization, non-cash convertible debt interest, and includes the related tax impact on non-GAAP adjustments.

Webcast

A conference call to discuss the third quarter results, along with management's business outlook, will follow at 10 a.m. ET, Thursday, October 26. Interested investors should access the webcast at www.teradyne.com and click on "Investors" at least five minutes before the call begins. Presentation materials will be available starting at 10 a.m. ET. A replay will be available on the Teradyne website at www.teradyne.com/investors.

Non-GAAP Results

In addition to disclosing results that are determined in accordance with GAAP, Teradyne also discloses non-GAAP results of operations that exclude certain income items and charges. These results are provided as a complement to results provided in accordance with GAAP. Non-GAAP income from operations and non-GAAP net income exclude acquired intangible assets amortization, non-cash convertible debt interest, pension actuarial gains and losses, discrete income tax adjustments, goodwill impairment, acquired intangible assets impairment, and restructuring and other. GAAP requires that these items be included in determining income from operations and net income. Non-GAAP income from operations, non-GAAP net income, non-GAAP income from operations and non-GAAP net income as a percentage of revenue, and non-GAAP net income per share are non-GAAP performance measures presented to provide meaningful supplemental information regarding Teradyne's baseline performance before gains, losses or other charges that may not be indicative of Teradyne's current core business or future outlook. These non-GAAP performance measures are used to make operational decisions, to determine employee compensation, to forecast future operational results, and for comparison with Teradyne's business plan, historical operating results and the operating results of Teradyne's competitors. Non-GAAP gross margin excludes pension actuarial gains and losses. GAAP requires that these items be included in determining gross margin. Non-GAAP gross margin dollar amount and percentage are non-GAAP performance measures that management believes provide useful supplemental information for management and the investor. Management uses non-GAAP gross margin as a performance measure for Teradyne's current core business and future outlook and for comparison with Teradyne's business plan, historical gross margin results and the gross margin results of Teradyne's competitors. Management believes each of these non-GAAP performance measures provides useful supplemental information for investors, allowing greater transparency to the information used by management in its operational decision making and in the review of Teradyne's financial and operational performance, as well as facilitating meaningful comparisons of Teradyne's results in the current period compared with those in prior and future periods. A reconciliation of each available GAAP to non-GAAP financial measure discussed in this press release is contained in the attached exhibits and on the Teradyne website at www.teradyne.com by clicking on "Investors" and then selecting the "GAAP to Non-GAAP Reconciliation" link. The non-GAAP performance measures discussed in this press release may not be comparable to similarly titled measures used by other companies. The presentation of non-GAAP measures is not meant to be considered in isolation, as a substitute for, or superior to, financial measures or information provided in accordance with GAAP.

Safe Harbor Statement

This release contains forward-looking statements regarding Teradyne's future business prospects, results of operations, market conditions, earnings per share, the payment of a quarterly dividend, the repurchase of Teradyne common stock pursuant to a share repurchase program, use of proceeds and potential dilution from the senior convertible notes offering and potential borrowings under a senior secured credit facility. Such statements are based on the current assumptions and expectations of Teradyne's management and are neither promises nor guarantees of future performance, events, earnings per share, use of cash, payment of dividends, repurchases of common stock, payment of the senior convertible notes or availability of, or borrowing under, the credit facility. There can be no assurance that management's estimates of Teradyne's future results or other forward-looking statements will be achieved. Additionally, the current dividend and share repurchase programs may be modified, suspended or discontinued at any time. Important factors that could cause actual results, earnings per share, use of cash, dividend payments, repurchases of common stock, payment of the senior convertible notes or borrowings under the credit facility to differ materially from those presently expected include: conditions affecting the markets in which Teradyne operates; decreased or delayed product demand from one or more significant customers; development, delivery and acceptance of new products; the ability to grow Universal Robots' business; increased research and development spending; deterioration of Teradyne's financial condition; the consummation and success of any mergers or acquisitions; unexpected cash needs; insufficient cash flow to make required payments and pay the principal amount on the senior convertible notes; the business judgment of the board of directors that a declaration of a dividend, the repurchase of common stock or borrowing under the credit facility is not in the company's best interests; and other events, factors and risks disclosed in filings with the SEC, including, but not limited to, the "Risk Factors" section of Teradyne's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 and the Quarterly Report on Form 10-Q for the period ended July 2, 2017. The forward-looking statements provided by Teradyne in this press release represent management's views as of the date of this release. Teradyne anticipates that subsequent events and developments may cause management's views to change. However, while Teradyne may elect to update these forward-looking statements at some point in the future, Teradyne specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing Teradyne's views as of any date subsequent to the date of this release.
