QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

The following is information regarding the proxy material, annual meeting and voting is presented in a question and answer format.

Q. What is the purpose of this document?

- A. This document serves as the Company's proxy statement, which is being provided to Company shareholders of record at the close of business on November 29, 2016 (the "record date") because the Company's Board of Directors is soliciting their proxies to vote at the 2016 Annual Meeting of Shareholders ("Annual Meeting") on the items of business outlined in the Notice of Annual Meeting of Shareholders (the "Meeting Notice").

Q. Why am I receiving these materials?

- A. We have sent you this proxy statement and the enclosed proxy card because the Board of Directors of the Company is soliciting your proxy to vote at the Annual Meeting, including at any adjournments or postponements of the meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

The Company intends to mail this proxy statement and accompanying proxy card on or about December 6, 2016 to all shareholders of record entitled to vote at the Annual Meeting.

Q. Who may vote and how many votes my I cast?

- A. Only shareholders of record on the record date, November 29, 2016, will be entitled to vote at the Annual Meeting. On the record date, there were 62,453,774 ordinary shares outstanding and entitled to vote. Each ordinary share is entitled to one vote on each matter. There are no other classes of share capital outstanding.

Q. What am I voting on?

- A. You are being asked to vote to on the following matters:

- To elect three Class C directors;
- To ratify the appointment of UHY LLP as the independent auditors of the Company for the fiscal year ending December 31, 2016 relating to financial statements prepared in accordance with GAAP; and
- To consider and take action upon such other matters as may properly come before the Annual Meeting or any adjournment or postponement thereof.

If any nominee for director is unable or unwilling to serve, or if an item properly comes up for vote at the Annual Meeting, or at any adjournment or postponement thereof, that is not described in the Meeting Notice, that person acting as proxy pursuant to the proxy card will vote the shares as recommended by the Board of Directors pursuant to the discretionary authority granted in the proxy. At the time this proxy statement was printed, we were not aware of any matters to be voted on which are not described in this proxy statement.

Q. How do I vote?

- A. You may either vote “For” or “Against” each of the nominees to the Board of Directors named herein and you may vote “For” or “Against” each of the other proposals, or “Abstain” from voting on such other proposals. The procedures for voting are outlined below:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive; or
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us by 11:59 p.m. EST on the day before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank, Custodian or Other Nominee Holder

If you received this proxy statement from your broker, bank, custodian or other nominee holder, your broker, bank, custodian or other nominee holder should have given you instructions for directing how that person or entity should vote your shares. It will then be your broker, bank, custodian or other nominee holder’s responsibility to vote your shares for you in the manner you direct. Please complete, execute and return the proxy card in the envelope provided by your broker, bank, custodian or other nominee holder promptly.

Under the rules of various national and regional securities exchanges, brokers generally may vote on routine matters, such as the ratification of the engagement of an independent public accounting firm, but may not vote on non-routine matters unless they have received voting instructions from the person for whom they are holding shares. The election of directors and the amendment to effect the change in the Company’s corporate name are non-routine matters, and, consequently, your broker, bank, custodian or other nominee holder will not have discretionary authority to vote your shares on these matters. If your broker, bank, custodian or other nominee holder does not receive instructions from you on how to vote on these matters, your broker, bank, custodian or other nominee holder will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a “broker non-vote” and may affect the outcome of the voting.

We therefore encourage you to provide directions to your broker, bank, custodian or other nominee holder as to how you want your shares voted on all matters to be brought before the Annual Meeting. You should do this by carefully following the instructions your broker, bank, custodian or other nominee holder gives you concerning its procedures. This ensures that your shares will be voted at the Annual Meeting.

You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker, bank, custodian or other nominee holder.

Q. How does the Board recommend I vote?

- A. Our Board of Directors recommends that you vote:

- **FOR** election of each of our three nominees for director; and

- **FOR** ratification of the appointment of UHY LLP as the independent auditor of the Company for the fiscal year ending December 31, 2016 relating to financial statements prepared in accordance with GAAP.

Q. What if I change my mind after I vote via proxy?

A. If you hold your shares in your own name, you may revoke your proxy at any time before your shares are voted by:

- mailing a later dated proxy prior to the Annual Meeting;
- delivering a written request in person to return the executed proxy;
- voting in person at the Annual Meeting; or
- providing written notice of revocation to the Corporate Secretary of the Company at: Alameda Dr. Carlos D' Assumpcao No: 181-187, Centro Comercial do Grupo Brilhantismo, 12 Andar T, Macau.

If you hold your shares in the name of your broker, bank, or other fiduciary, you will need to contact that person or entity to revoke your proxy.

Q. What does it mean if I receive more than one proxy card or voting instruction form?

A. It means that you have multiple accounts at our transfer agent or with brokers, banks, or other fiduciaries. Please complete and return all proxy cards and voting instruction forms to ensure that all of your shares are voted.

Q. How many shares must be present to hold a valid meeting?

A. For us to hold a valid Annual Meeting, we must have a quorum, which means that greater than 33.33% of our outstanding ordinary shares that are entitled to cast a vote are present in person or by proxy at the Annual Meeting. Proxies received but marked as abstentions and Broker Non-Votes will be treated as shares that are present and entitled to vote for purposes of determining a quorum. Your shares will be counted as present at the Annual Meeting if you:

- properly submit a proxy card (even if you do not provide voting instructions); or
- attend the Meeting and vote in person.

On November 29, 2016, the record date, there were 62,453,774 ordinary shares outstanding. Therefore, at least 20,815,843 shares need to be present in person or by proxy at the Annual Meeting in order to hold the meeting and conduct business.

Q. How many votes are required to approve an item of business?

A. Each director shall be elected by a simple majority of the votes cast at the Annual Meeting. There is no cumulative voting for the Company's directors.

The affirmative vote of a simple majority of the votes cast in person or by proxy at the Annual Meeting is required for the ratification of the appointment of UHY LLP as the independent auditors of the Company for the fiscal year ending December 31, 2016.

Only shares that are voted are taken into account in determining the proportion of votes cast for any of the proposals. Any shares not voted (whether by abstention, broker non-vote or otherwise) will not impact any of the votes.

Except for determining the presence or absence of a quorum for the transaction of business, broker non-votes are not counted for any purpose in determining whether a matter has been approved.

Q. Who pays the cost for soliciting proxies?

A. We will pay the cost for the solicitation of proxies by the Board of Directors. Our solicitation of proxies will be made primarily by mail. Proxies may also be solicited personally, by telephone, fax or e-mail by our officers, directors, and regular supervisory and executive employees, none of whom will receive any additional compensation for their services. We will also reimburse brokers, banks, custodians, other nominees and fiduciaries for forwarding these materials to beneficial holders to obtain the authorization for the execution of proxies.

Q. Where can I find additional information about the Company?

The charter sets forth responsibilities, authority and specific duties of the Compensation Committee. The principal functions of the compensation committee are to evaluate the performance of our officers, to review any compensation payable to our directors and officers, to prepare compensation committee reports, and to administer the issuance of any common stock or other equity awards issued to our officers and directors.

Board Operations

The Board of Directors is responsible for overall supervision of the Company's risk oversight efforts as they relate to the key business risks facing the organization. Management identifies, assesses, and manages the risks most critical to the Company's operations on a day-to-day basis and routinely advises the Board of Directors on those matters as the CEO and CFO have access to the Board of Directors, attend regular meetings as well as the audit committee meetings. The Board's role in risk oversight of the Company is consistent with the Company's leadership structure, with senior management having responsibility for assessing and managing the Company's risk exposure, and the Board and its Committees, providing oversight as necessary in connection with those efforts.

Executive Compensation

Benchmarking of Cash and Equity Compensation

We believe it is important when making compensation-related decisions to be informed as to current practices of similarly situated publicly held companies. We expect to stay apprised of the cash and equity compensation practices of publicly held companies in the gaming industry through the review of such companies' public reports and other resources. It is expected that any companies chosen for inclusion in any benchmarking group would have business characteristics comparable to us, including revenues, financial growth metrics, stage of development, employee headcount and market capitalization. While benchmarking may not always be appropriate as a stand-alone tool for setting compensation due to the aspects of our business and objectives that may be unique to us, we generally believe that gathering this information will be an important part of our compensation-related decision-making process.

Compensation Components

Base Salary. Generally, we set executive base salaries for our executives and those of Iao Kun at levels comparable with those of executives in similar positions and with similar responsibilities at comparable companies. We seek to maintain base salary amounts at or near the industry norms while avoiding paying amounts in excess of what we believe is necessary to motivate executives to meet corporate goals. Base salaries will generally be reviewed annually, subject to terms of employment agreements, and we will seek to adjust base salary amounts to realign such salaries with industry norms after taking into account individual responsibilities, performance and experience.

Incentive Bonuses. We may design and utilize cash incentive bonuses for our executives and those of AGRL to focus them on achieving key operational and financial objectives within a yearly time horizon. It is expected that such bonuses will be based on the standards include objective standards for job specific matters and subjective standards based on diligence, improvement of skills and company loyalty, decisiveness and an appropriate service mind-set. Improvement over the prior year is considered highly important. No cash bonuses have been granted to date.

Equity-Based Awards. We may also use equity-based awards, such as stock options and stock grants, as part of our compensation packages. As of the date of this annual report, we have not adopted any plans or policies regarding such awards. As part of her annual compensation, Sylvia Lee, our executive vice president, receives \$20,000 of our ordinary shares, as further described under “—Officer Compensation; Employment Agreements” below.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Code of Ethics and Related Person Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee, if one exists at the time). Related-party transactions are defined as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5 percent beneficial owner of our ordinary shares, or (c) immediate family member, of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10 percent beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position. We are not prohibited from entering into related-party transactions with our directors and officers.

Our board of directors is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The board of directors will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he is a related party, but that director is required to provide the other members of the board of directors with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Effective July 1, 2014, the monthly payments were revised for Sang Heng and Sang Lung from US\$155,000 to approximately \$142,000 each; and Bao Li, King’s Gaming and the Oriental VIP Room from US\$103,000 to approximately \$97,000 each. Effective January 1, 2015, the monthly payments were revised for Sang Heng and Sang Lung from \$142,000 to \$103,000 each, and Bao Li, King’s Gaming and the Oriental VIP Room were revised from \$97,000 to \$65,000 each. Effective January 1, 2016, the monthly payments were revised for Bao Li, King’s Gaming and the Oriental VIP Room from \$65,000 to \$52,000 each.

The Company closed four VIP gaming rooms at the Sands Cotai Central Casino, Galaxy Macau, StarWorld and Le Royal Arc in Macau, effective August 31, September 10, September 10, and September 29, 2016, respectively. In addition, the Company terminated the gaming representative agreements with King’s Gaming Promotion Ltd., Sang Heng and Sang Lung Gaming Promotion Ltd and terminated its collaborator agreement with Mr. Lam Chou relating to those facilities, as the current Rolling Chip Turnover volume does not warrant the operation of five VIP gaming rooms. Currently, the Company only operates the Bao Li VIP room.
