Other Events.

On February 28, 2017, Iao Kun Group Holding Company Limited (the “Company”), completed the acquisition contemplated by the stock purchase agreement (the “Purchase Agreement”) dated as of February 7, 2017 between the Company and Jia-Heng Industrial Ltd. (“Jia-Heng”), a Cayman Islands company and the holding company of Guangzhou LiNiu Network Technology Co. Ltd. (“LiNiu Network”). LiNiu Network is a software technology development company that is currently developing an electronic B2C, C2C and O2O trading platform focused on the Chinese agricultural industry. At the closing, the Company acquired a 51% equity interest in Jia-Heng.

As consideration for the acquisition, the Company issued 12,484,000 ordinary shares at the closing. In addition, pursuant to a profit guarantee agreement between the Company, LiNiu Network and Mr. Wang Shun Yang (the “Profit Guarantee Agreement”), the Company will make certain cash payments to the minority owners of LiNiu Network only if the after-tax income for LiNiu Network is equal to or in excess of the after-tax income specified in the below table (note, U.S. values based on February 3, 2017 exchange rate of \$1 = RMB6.88):

Year	Income after-tax	Cash payment
2017	RMB20 million (US \$2.9 million)	RMB5,412,000 (US \$0.8 million)
2018	RMB80 million (US \$11.6 million)	RMB21,648,000 (US \$3.1 million)
2019	RMB300 million (US \$43.6 million)	RMB81,182,000 (US \$11.8 million)
2020	RMB500 million (US \$72.7 million)	RMB135,303,000 (US \$19.7 million)
2021	RMB700 million (US \$101.7 million)	RMB189,425,860 (US \$27.5 million)
Total	RMB1.6 billion (US \$232.6 million)	RMB432,970,860 (US \$62.9 million)

Cash will be paid to the minority owners of LiNiu Network only when the after-tax income target is met or exceeded. The targets will be reviewed yearly and in aggregate at the end of the fifth year. For example, if the aggregate after-tax income target is met after the fifth year, the aggregate cash payment will be RMB432,970,860, even if all of the other after-tax income targets from 2017-2020 were not met. As a counterexample, if the after-tax income targets for 2017 and 2018 are met and the targets from 2019, 2020 and 2021 are not met (with the aggregate after-tax income also under the target of RMB1,600,000,000), then the current owners of LiNiu Network would only receive the cash payments for 2017 and 2018 (a total of RMB 27,060,000 or U.S. \$3.9 million).

Effective as of March 1, 2017, the Company effected several changes to its management and Board of Directors. Mr. Lam Chou In, Chief Operating Officer of the Company, has been promoted to co-Chief Executive Officer, responsible for the Macau gaming business. In addition, Mr. Wang Shun Yang has been appointed as co-CEO and a member of the Board of Directors, and will be responsible for the Company’s Chinese technology industry development. Finally, Mr. Fong Weng Nam has been appointed as the Company’s new Chairman of the Board of Directors. Mr. Lam Man Pou resigned as Chairman of the Company’s Board of Directors, and Mr. Vong Hon Kun resigned as CEO and a director. Both Mr. Lam and Mr. Vong will remain as Chief Marketing Officer and Chief Operating Officer of the Company, respectively.

Mr. Wang, age 40, is the founder of LiNiu Network and has been developing its agricultural electronic trading platform since 2013. Prior to founding LiNiu Network from 2011 to 2013, he acted as Chief Consultant and led the industrial design, planning, investment and integration of the “Yunnan Agricultural Science and Technology Park,” which was jointly organized by the Ministry of Agriculture and Yunnan Province, to establish a systematic supply chain for the agricultural industry in the Park and the integration of industry and financial capital.

Mr. Fong, age 58, is a businessman that has been engaged in investment, real estate development and Macau’s gaming business for over 20 years. Mr. Fong currently is the Member of Jinwan Committee of Zhuhai of Chinese People’s Political Consultative Conference; Vice President of Hong Kong and Macao and Taiwan Cultural Exchange Association; Vice President of Macao Chong San Seak Kei Friendship Association and Chief Supervisor of Macao Henan Association.

The foregoing description of each of the Purchase Agreement, the Profit Guarantee Agreement and the related transactions does not purport to be complete and is qualified in its entirety by reference to the complete text of the Purchase Agreement filed as Exhibit 10.1 hereto and the Profit Guarantee Agreement filed as Exhibit 10.2 hereto. Forward-Looking Statements

This press release includes forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties. Forward-looking statements are statements that are not historical facts. Such forward-looking statements, based upon the current beliefs and expectations of IKGH's management, are subject to risks and uncertainties, which could cause actual results to differ from the forward-looking statements. The gaming industry is characterized by an element of chance. Theoretical win rates for IKGH's promotion entities' VIP gaming room operations depend on a variety of factors, some beyond their control. In addition to the element of chance, theoretical win rates are also affected by other factors, including gaming patrons' skill and experience, the mix of games played, the financial resources of gaming patrons, the spread of table limits, the volume of bets placed by IKGH's promotion entities' gaming patrons and the amount of time gaming patrons spend on gambling — thus VIP gaming rooms' actual win rates may differ greatly over short time periods, such as from quarter to quarter, and could cause their quarterly results to be volatile. These factors, alone or in combination, have the potential to negatively impact the VIP gaming rooms' win rates. Investors and potential investors should consult all of the information set forth herein and should also refer to the risk factors set forth in IKGH's Annual Report on Form 20-F filed in March 2016, and other reports filed or to be filed from time-to-time with the Securities and Exchange Commission.
