Explanation of Responses:

- Represents the number of shares required to be sold by the reporting person to cover tax withholding obligations in connection with vesting of certain RSUs previously reported in Table I as required following the grant date. This sale is mandated by the Issuer's election under its equity incentive plan requiring satisfaction of tax withholding obligations by a "sell to cover" transaction, and does not represent a discretionary trade by the reporting person.
- This transaction was executed in multiple trades during the day at prices ranging from \$3.52 to \$3.66. The weighted-average price is reported above. The reporting person hereby undertakes to provide upon request to the SEC staff, the Issuer or a security holder of the Issuer full information regarding the number of shares and prices at which the transactions were effected.
