BEIJING, July 5, 2017 – 21Vianet Group, Inc. (NASDAQ: VNET) (“21Vianet” or the “Company”) today announced that it intends to conduct an international offering of USD-denominated senior notes (the “Notes”) and will commence a series of fixed income investor meetings beginning on July 6, 2017 in Hong Kong and Singapore.

The Company is pleased to announce that it proposes to issue the Notes to non-U.S. persons outside of the United States (“Proposed Offering”). The Notes will benefit from a Letter of Support provided by Tus-Holdings Co., Ltd and are expected to be unrated. The Company has mandated Barclays and Credit Suisse as joint global coordinators, joint bookrunners and joint lead managers in respect of the Proposed Offering.

Completion of the Proposed Offering is subject to market conditions and investor interest. If the Notes are issued, the Company intends to use the net proceeds from the Proposed Offering to refinance its outstanding indebtedness, fund future capital needs and general corporate purposes.

The Notes have not been, and will not be registered, under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or any state securities law and, unless so registered, may not be offered or sold within the United States and may only be offered and sold outside the United States in offshore transactions in reliance on Regulation S under the Securities Act. Accordingly, the Notes are being offered and sold only outside the United States in offshore transactions in reliance on Regulation S.

As no binding agreement in relation to the Proposed Offering has been entered into as at the date of this announcement, the Proposed Offering may or may not materialize. Investors and shareholders of the Company are urged to exercise caution when dealing in the securities of the Company. A further announcement in respect of the Proposed Offering will be made by the Company should the purchase agreement in relation to the Proposed Offering be signed.
