### Investment by Asset Type

### Investment by Industry

## LARGE MARKET OPPORTUNITY

- Favorable long-term secular trends for middle-market lending driven by decreased participation by commercial banks due to a more restrictive regulatory environment as a result of Dodd Frank and Basel III
- Leveraged loans and high yield bonds (with near maturities) continue to create extensive refinancing needs across all sectors, including the middle-market
- Committed, uninvested U.S. private equity capital creates future lending opportunities in the leveraged loan market for lenders like TCPC who work in close collaboration with private equity sponsors

## TCPC's CORE STRENGTHS

### Strong Resource Platform

- Support from extensive resources at Tennenbaum, a leading alternative investment manager focused on credit; Tennenbaum is organized by industry teams across all corporate credit strategies, which have deep knowledge and relationships in their coverage sector
- Tennenbaum's 20-year history (together with its predecessor entity) of middle-market investing
- Access to the extensive, private investment firm experience and deal flow of Tennenbaum
- Direct/primary market originations enable TCPC to engage with target companies, build strong relationships and facilitate follow-on investment opportunities

### Management Aligned with Shareholders

- Efficient cost structure based on well-contained overhead, best-in-class management and incentive fees, and low cost of leverage
- Low base management fees of 1.5%
- 20% incentive fee on combined ordinary income and capital gains; includes a high water mark and a cumulative 8% annual hurdle rate

## OUR ADVISOR
