Dear Stockholder:

You are cordially invited to attend our annual meeting of stockholders, which is being held on Tuesday, June 6, 2017 at 10:00 a.m. Eastern Daylight Time at The Paley Center for Media, 25 West 52nd Street, New York, New York 10019.

In 2016, the Company continued to deliver strong financial performance and remained focused on its commitment to return value to its stockholders by implementing a stock repurchase program. In addition, the Company continued to successfully develop outstanding original programming, with the following notable achievements:

- AMC continued to be home to the #1 show on television, by a large margin, with its flagship series, *The Walking Dead*. The series has ranked as the #1 show on television for the last five years, among Adults ages 18-49. AMC was also home to four of the top nine shows on cable television among Adults ages 18-49 (in live + 3 ratings).
- BBC AMERICA was one of the top five fastest growing entertainment networks on cable and the debut of its new original series, *Dirk Gently's Holistic Detective Agency*, was one of BBC AMERICA's biggest scripted series launches in the network's history.
- SundanceTV continued to be a leading destination for high quality shows. Its original drama, *Hap and Leonard*, debuted as the highest-rated series in the network's history, and the network's Peabody Award-winning series, *Rectify*, completed its fourth and final season as one of the most critically-acclaimed dramas on television.
- Established in 2010 to produce *The Walking Dead*, AMC Studios has grown significantly as the Company has pursued a strategy to own and distribute more of its content. In 2016, AMC Studios produced 10 wholly-owned scripted original series for three of the Company's national networks – AMC, BBC AMERICA and SundanceTV.

Throughout the year we continue to engage with our stockholders on a range of topics including the Company's Board, governance and executive compensation practices. We remain focused on executing our strategy and are well positioned to capitalize on future opportunities to maintain strong growth.

I look forward to seeing you at the meeting, where you will have an opportunity to ask questions and to meet your directors and executives.

Sincerely yours,

PROXY STATEMENT SUMMARY

We present here a summary of important information in this proxy statement. Please review the complete proxy statement before you vote.

2016 Business Highlights

2016 continued our long-term trend of delivering strong financial performance despite a challenging environment. Our incentive compensation is determined by Net Revenues, Adjusted Operating Income and Free Cash Flow, given our belief that successful performance against these measures promotes the creation of long-term stockholder value.

- Net revenues **increased 6.8%** to \$2.76 billion
- Operating Income **decreased 7.3%** to \$658 million reflecting impairment charges of \$68 million related to the AMCNI Digital Media Center
- Adjusted operating income (AOI) **increased 4.8%** to \$879 million
- Cash Provided by Operating Activities **increased 39%** to \$514 million
- Free Cash Flow **increased 43%** to \$426 million

We premiered a new AMC original series, *Preacher*, and a new AMC mini-series, *The Night Manager*. Our television and film content continued to receive widespread critical praise and industry honors, with *The Night Manager* being the most awarded single program at the Golden Globes. We continued to build and expand our international business into key markets across Europe and Latin America.

The Company continued to focus on its commitment to return value to its stockholders by implementing a stock repurchase program to repurchase up to \$500 million of the Company's outstanding shares of Class A Common stock. As of February 17, 2017, the Company has repurchased 4,924,000 shares of Class A Common stock leaving up to \$231 million available for future repurchases. Our share repurchases are part of an overall capital allocation strategy overseen by our Board of Directors and designed to efficiently balance return of capital to shareholders with investment in our business.

Corporate Governance Highlights

Notwithstanding our status as a controlled company, we are committed to ensuring that our Board is accountable to and acts in the best interests of all our stockholders. We have implemented a number of strong governance practices and policies to promote independent leadership in the boardroom and the protection of stockholder rights.

Commitment to Sound Governance Practices as a Controlled Company	
✓	Annual election of directors, with directors serving one-year terms
✓	Robust director nomination criteria, including consideration for diversity of perspectives, backgrounds and experiences relevant to the Company's strategic priorities, and ability to serve the interests of both Class A and Class B stockholders
✓	Independent Board committees, with Audit and Compensation comprised 100% of independent directors
✓	Executive sessions with only independent Class A Directors at least twice a year
✓	Effective Board self-evaluations conducted at least annually
✓	Regular engagement with stockholders regarding Company performance and strategy, our Board and corporate governance practices, and our executive compensation program

Director Nominees

The Board has nominated fourteen director candidates; five Class A nominees and nine Class B nominees. Each director is nominated for a term to expire at the 2018 annual meeting of the Company's stockholders. Our Class A nominees are elected by our Class A stockholders and have significant business leadership and management experience, and extensive knowledge of the media industry. Our Class B nominees are elected by Class B stockholders and have significant industry and leadership experience, and a long history of institutional knowledge of the Company. The Board is comprised of 43% independent directors. See Proposal 1 — Election of Directors, "Directors Elected By Class A Common Stockholders" and "Directors Elected By Class B Common Stockholders" of the Proxy Statement for detailed information about each director's background, skills and qualifications.

Executive Compensation Highlights

AMC Networks Inc. places great importance on its ability to attract, retain, motivate and reward experienced executive officers. The Company strives to do so by developing executive compensation policies and programs that are consistent with, explicitly linked to, and supportive of, the strategic objectives of growing the Company's businesses and maximizing stockholder value. In particular, we believe that the majority of compensation should be at risk and contingent on Company performance, with particular emphasis on long-term, equity-based incentive compensation.

As part of the annual evaluation of the Company's compensation program, and in consideration of stockholder interests and feedback, the Compensation Committee made changes to the compensation program for 2016, as detailed in the graphic below.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 6, 2017

BOARD AND CORPORATE GOVERNANCE PRACTICES

In this proxy statement, the words “Company,” “we,” “us,” “our” and “AMC Networks” refer to AMC Networks Inc., a Delaware corporation. We refer to the U.S. Securities and Exchange Commission as the “SEC” and The NASDAQ Stock Market LLC as “NASDAQ.” This proxy statement is first being sent to stockholders on April 27, 2017.

AMC Networks Inc. is a holding company and conducts substantially all of its operations through its subsidiaries. Our Class A Common Stock is listed on NASDAQ under the symbol “AMCX.” As a result, we are generally subject to NASDAQ corporate governance listing standards. Our Board of Directors oversees the business of AMC Networks and monitors the performance of management.

Corporate Governance Guidelines

The board of directors of AMC Networks Inc. (the “Board of Directors” or “Board”) has adopted our Corporate Governance Guidelines. These guidelines set forth our practices and policies with respect to Board composition and selection, Board meetings, executive sessions of the Board, Board committees, the expectations we have of our directors, selection of the Executive Chairman and the President and Chief Executive Officer, management succession, Board and executive compensation, and Board self-evaluation requirements. The full text of our Corporate Governance Guidelines may be viewed at our corporate website at <http://investors.amcnetworks.com>. A copy may be obtained by writing to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001, Attention: Corporate Secretary.

Engagement with our Stockholders

The Company values feedback from its stockholders and regularly engages with stockholders to keep informed on the evolving perspectives of the investor community. We engage with our stockholders on various matters, including corporate governance, executive compensation and Company performance. These stockholder dialogues, focused on governance and compensation matters, inform discussions in the boardroom and are a component of the Compensation Committee’s review and refinement of our executive compensation program.

Board Leadership Structure

Our Board has chosen to separate the roles of Executive Chairman of the Board and Chief Executive Officer. The Board believes that this is the optimal leadership structure as it recognizes both Mr. Charles F. Dolan’s senior executive role with the Company as well as his leadership position on the Company’s Board while the Company is also able to benefit from the experience of its President and Chief Executive Officer (the “CEO”), Mr. Joshua W. Sapan, with responsibility for day-to-day management of the Company.

Board Self-Assessment

The Board conducts an annual self-assessment to determine whether the Board and its committees are functioning effectively. Among other things, the Board's assessment process seeks input from the directors on whether they have the tools and access necessary to perform their oversight function as well as suggestions for improvement of the Board's functioning. In addition, our Audit Committee and Compensation Committee each conducts their own annual self-assessment, which includes an assessment of the adequacy of their performance as compared to their respective charters.

Executive Sessions of Non-Management and Independent Board Members

Under our Corporate Governance Guidelines, our non-management directors may meet in executive sessions with no members of management present. The non-management directors may specify the procedure to designate the director who may preside at any such executive session. Non-management directors who are not independent under the rules of NASDAQ may participate in these executive sessions, but directors who are independent under the rules of NASDAQ must meet separately in regularly scheduled executive sessions at least twice each year.

Risk Management Oversight

The oversight of risk management is an important Board responsibility. The Audit Committee takes the lead on behalf of the Board in monitoring risk management. The Audit Committee discusses the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk and discusses the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. AMC Networks believes that its executive compensation program, with its emphasis on long-term performance, its close connection to Company-wide and divisional performance and its significant equity components, is designed to align the executives' compensation with the Company's long-term strategy and growth and, as a result, does not encourage excessive risk taking. Our Compensation Committee has considered the issue of the Company's exposure to risk in establishing and implementing our executive compensation programs.

Communicating with Our Directors

Our Board has adopted policies designed to allow stockholders and other interested parties to communicate with our directors. Any interested party that wishes to communicate directly with the Board or any director or the non-management directors as a group should send communications in writing to the Chairman of the Audit Committee, AMC Networks Inc., 11 Penn Plaza, New York, NY 10001. Any person, whether or not an employee, who has a concern with respect to our accounting, internal accounting controls, auditing issues or other matters, may, in a confidential or anonymous manner, communicate those concerns to our Audit Committee by contacting The Network, Inc., which has been designated to act as a confidential contact organization for these purposes, at 888-217-8076.

Code of Conduct and Ethics

Our Board has adopted a Code of Conduct and Ethics for our directors, officers and employees. A portion of this Code of Conduct and Ethics also serves as a code of conduct and ethics for our senior financial officers, including our principal accounting officer and controller. Among other things, our Code of Conduct and Ethics covers conflicts of interest, disclosure responsibilities, legal compliance, reporting and compliance under the Code of Conduct and Ethics, confidentiality, corporate opportunities, fair dealing, protection and proper use of Company assets, and equal employment opportunity and harassment. The full text of the code is available on our website at <http://investor.amcnetworks.com>. In addition, a copy may be obtained by writing to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001, Attention: Corporate Secretary.

Director Independence

Our Board has elected for the Company to be treated as a “controlled company” under NASDAQ’s corporate governance rules, and, as a result, the Company is not required to comply with the corporate governance rules of NASDAQ requiring: (i) a majority of independent directors on our Board of Directors, (ii) an independent compensation committee and (iii) an independent corporate governance and nominating committee. Our Board of Directors has elected not to comply with the NASDAQ requirement for a majority of independent directors on our board and an independent corporate governance and nominating committee because of our status as a controlled company. We do comply with the requirement for an independent compensation committee. Our Board elected not to comply with the requirement for a majority of independent directors on our Board because of our stockholder voting structure. Under the terms of our Amended and Restated Certificate of Incorporation, the holders of the Company’s Class B Common Stock have the right to elect up to 75% of the members of our Board and there is no requirement that any of those directors be independent or be chosen independently.

Our Board has determined that each of the following non-employee directors is “independent” within the meaning of the rules of NASDAQ and the SEC: Messrs. Jonathan F. Miller, Vincent Tese, David E. Van Zandt, Carl E. Vogel and Robert C. Wright and Dr. Leonard Tow. In making the determination as to the independence of each director, the Board considered all relationships between that director and the Company and its affiliates. In reaching its determination with respect to Mr. Tese, the Board considered the fact that Mr. Tese serves as an outside director of The Madison Square Garden Company (“MSG”) and determined that this relationship is not material and that Mr. Tese is independent. The Board is comprised of 43% independent directors.

Director Nomination

As permitted under NASDAQ rules, we do not have a nominating committee and believe it is appropriate not to have one because of our stockholder voting structure. Under the terms of our Amended and Restated Certificate of Incorporation, the holders of our Class B Common Stock currently have the right to elect up to 75% of the members of our Board. We believe that creating a committee consisting solely of independent directors charged with responsibility for recommending nominees for election as directors would be inconsistent with the vested rights of the holders of Class B Common Stock under our Amended and Restated Certificate of Incorporation.

Our Corporate Governance Guidelines provide a mechanism for the selection of nominees for election as directors by the holders of our Class A Common Stock (“Class A Directors”) and by the holders of our Class B Common Stock (“Class B Directors”). The holders of our Class A Common Stock are currently entitled to elect 25% of the members of our Board. Under our Corporate Governance Guidelines, nominees for election as Class A Directors shall be recommended to the Board by the Class A Directors then in office who were elected by the holders of our Class A Common Stock. Nominees for election as Class B Directors shall be recommended to our Board by the Class B Directors then in office who were elected by the holders of the Class B Common Stock.

Director Selection

Our directors have not set specific, minimum qualifications that nominees must meet in order for them to be nominated for election to the Board, but rather believe that each nominee should be evaluated based on his or her individual merits, taking into account, among other matters, the factors set forth in our Corporate Governance Guidelines under “Board Composition” and “Selection of Directors.” Those factors include:

- The desire to have a board that encompasses a broad range of skills, expertise, industry knowledge, diversity of viewpoints, opinions, background and experience and contacts relevant to our business;
- Personal qualities and characteristics, accomplishments and reputation in the business community;

[Table of Contents](#)

- Ability and willingness to commit adequate time to board and committee matters; and
- The fit of the individual's skill and personality with those of other directors and potential directors in building a board that is effective, collegial and responsive to the needs of our Company.

The Class A Directors will evaluate possible candidates to recommend to the Board for nomination as Class A Directors and suggest individuals for the Board to explore in more depth. The Board also considers nominees for Class A Directors recommended by holders of our Class A Common Stock. Nominees recommended by stockholders are given appropriate consideration in the same manner as other nominees.

Stockholders who wish to submit nominees for consideration by the Board for election at our 2018 annual meeting of stockholders may do so by submitting in writing such nominees' names, in compliance with the procedures and along with other information required by the Company's By-laws. See Other Matters, "Stockholder Proposals for 2018 Annual Meeting."

The Class B Directors will consult from time to time with one or more of the holders of Class B Common Stock to assure that all Class B Director nominees recommended to the Board are individuals who will make a meaningful contribution as Board members and will be individuals likely to receive the approving vote of the holders of a majority of the outstanding Class B Common Stock. The Class B Directors do not intend to consider unsolicited suggestions of nominees by holders of our Class A Common Stock. We believe that this is appropriate in light of the voting provisions of our Amended and Restated Certificate of Incorporation, which vest exclusively in the holders of our Class B Common Stock the right to elect our Class B Directors.

Board Meetings

The Board met five times between January 1, 2016 and December 31, 2016. During that time, each of our directors attended at least 75% of the meetings of the Board and, as applicable, the committees of the Board on which he or she served during such time. We also encourage our directors to attend annual meetings of stockholders and believe that attendance at annual meetings is just as important as attendance at meetings of the Board. With the exception of Mr. Thomas C. Dolan, all of the directors attended the 2016 annual meeting.

Board Committees

Our Board has two standing committees: the Audit Committee and the Compensation Committee.

Audit Committee

Committee Members: Mr. Vogel (Chair), Dr. Tow and Mr. Van Zandt
Meetings in 2016: 4

The primary purposes and responsibilities of our Audit Committee are to:

- Assist the Board (i) in its oversight of the integrity of our financial statements, (ii) in its oversight of our compliance with legal and regulatory requirements, (iii) in assessing our independent registered public accounting firm's qualifications and independence, and (iv) in assessing the performance of our internal audit function and independent registered public accounting firm;
- Appoint, retain or terminate the Company's independent registered public accounting firm and to pre-approve, or to adopt appropriate procedures to pre-approve, all audit and non-audit services, if any, to be provided by the independent registered public accounting firm;

[Table of Contents](#)

- Review the appointment of Ernst & Young as the Company’s internal audit service provider (the “Internal Audit Service Provider”);
- Establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by Company employees or any provider of accounting-related services of concerns regarding questionable accounting and auditing matters and review of submissions and treatment of any such complaints;
- Review and approve related party transactions that are required to be disclosed under SEC rules, other than those submitted for approval by a committee of independent directors under the Company’s Related Party Transaction Approval Policy;
- Conduct and review with the Board an annual performance evaluation of the Audit Committee;
- Prepare any report of the Audit Committee required by the rules and regulations of the SEC for inclusion in our annual proxy statement;
- Review and reassess the Audit Committee charter at least annually; and
- Report to the Board on a regular basis.

The text of our Audit Committee charter is available on our website at <http://investors.amcnetworks.com/governance.cfm>. A copy may be obtained by writing to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001, Attention: Corporate Secretary.

As discussed above, our Board has determined that each member of our Audit Committee is “independent” within the meaning of the rules of both NASDAQ and the SEC, and that each has not participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years and is able to read and understand fundamental financial statements, including balance sheets, income statements and cash flow statements. Our Board has also determined that each of Dr. Tow, Mr. Van Zandt and Mr. Vogel is an “audit committee financial expert” within the meaning of the rules of the SEC.

Our Board has established a procedure whereby complaints or concerns with respect to accounting, internal controls, auditing and other matters may be submitted to the Audit Committee. This procedure is described under Corporate Governance, “Communicating with Our Directors.”

Compensation Committee

Committee Members: Dr. Tow (Chair), Mr. Miller and Mr. Vogel
Meetings in 2016: 6

The primary purposes of our Compensation Committee are to:

- Establish our general compensation philosophy and, in consultation with management, oversee the development and implementation of compensation programs;
- Review and approve corporate goals and objectives relevant to the compensation of our Executive Chairman and President and CEO, evaluate their performance in light of these goals and objectives and determine and approve their compensation based upon that evaluation;
- Make recommendations to the Board with respect to the compensation of our executive officers (other than the Executive Chairman and the CEO) who are required to file reports with the SEC under Section 16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (together with the Executive Chairman and the CEO, the “Senior Employees”);
- Approve any new equity compensation plan or material changes to an existing plan;

[Table of Contents](#)

- Oversee the activities of the committee or committees administering our retirement and benefit plans;
- In consultation with management, oversee regulatory compliance with respect to compensation matters;
- Determine and approve any severance or similar termination payments to be made to senior employees (current or former);
- Determine the components and amount of Board compensation and review such determinations from time to time in relation to other similarly situated companies;
- Prepare any reports of the Compensation Committee to be included in the Company's annual proxy statement;
- Conduct and review with the Board an annual performance evaluation of the Compensation Committee; and
- Report to the Board on a regular basis, but not less than annually.

The Compensation Committee may, in its discretion, delegate a portion of its duties and responsibilities to one or more subcommittees of the Compensation Committee. For example, the Compensation Committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the Compensation Committee who are (i) "non-employee directors" for the purposes of Rule 16b-3 of the Exchange Act, and (ii) "outside directors" for the purposes of Section 162(m) of the Internal Revenue Code, as in effect from time to time. The text of our Compensation Committee charter is available on our website at <http://investors.amcnetworks.com/governance.cfm>. A copy may be obtained by writing to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001; Attention: Corporate Secretary.

The Compensation Committee reviews the performance of the Executive Chairman and CEO, evaluates their performance in light of those goals and objectives and determines and approves the compensation levels for the Executive Chairman and CEO based on this evaluation. In determining the long-term incentive component compensation for the Executive Chairman and CEO, the Compensation Committee considers, among other factors, the Company's performance, the value of similar incentive awards to executives in similar positions at comparable companies and the awards given to the Executive Chairman and to the CEO in past years.

As discussed above, our Board has determined that each member of our Compensation Committee is "independent" under the rules of NASDAQ.

Compensation Committee Interlocks and Insider Participation

Mr. Miller, Dr. Tow and Mr. Vogel served as members of the Compensation Committee during 2016. None of them is a current or former officer or employee of the Company.

Other Committees

In addition to standing committees, the Company has adopted a policy whereby a committee of our Board consisting entirely of independent directors (an "Independent Committee") will review and approve or take such other action as it may deem appropriate with respect to transactions involving the Company and its subsidiaries in which any director, executive officer, greater than 5% stockholder of the Company or any other "related person" (as defined in Item 404 of Regulation S-K adopted by the SEC) has or will have a direct or indirect material interest. This approval requirement covers any transaction that meets the related party disclosure requirements of the SEC as set forth in Item 404, which currently applies to transactions (or any series of similar transactions) in which the amount involved exceeds \$120,000.

[Table of Contents](#)

In addition, our Board has adopted a special approval policy for transactions with MSG and MSG Networks Inc. (“MSG Networks”), each of which is under common control with the Company, and their respective subsidiaries whether or not such transactions qualify as “related party” transactions described above. Under this policy, the Independent Committee oversees approval of all transactions and arrangements between the Company and its subsidiaries, on the one hand, and each of MSG and its subsidiaries and MSG Networks and its subsidiaries, on the other hand, in which the amount exceeds \$120,000. To simplify the administration of the approval process under this policy, the Independent Committee may, where appropriate, establish guidelines for certain of these transactions.

Currently, and throughout our fiscal year ended December 31, 2016, our Audit Committee or Compensation Committee (each of which consisted solely of directors elected by the Class A stockholders) served as the Independent Committee under the above policy. For a further discussion of the scope of this policy, see “Related Party Transaction Policy.”

Our Amended By-Laws permit us to form an Executive Committee of the Board which would have the power to exercise all of the powers and authority of the Board in the management of the business and affairs of the Company, except as limited by the Delaware General Corporation Law. Our Board has not formed an Executive Committee, although it could do so in the future.

In addition, the Board of Directors has determined that all of our Audit Committee members: Messrs. Van Zandt and Vogel, and Dr. Tow, satisfy the financial expertise requirements of NASDAQ and have the requisite experience to be designated an audit committee financial expert as that term is defined by rules of the SEC. Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

The Company's independent registered public accounting firm, KPMG, is responsible for auditing the Company's financial statements and internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board ("PCAOB") and expressing an opinion on the conformity of the consolidated financial statements to U.S. generally accepted accounting principles ("GAAP") and on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee has discussed with the Company's Internal Audit Service Provider and KPMG the overall scope of and plans for their respective audits. The Audit Committee meets with the Internal Audit Service Provider in regular and executive sessions (with and without management), to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting and compliance programs.

The Audit Committee is also responsible for the approval of audit fees, and the Committee reviewed and pre-approved all fees paid to KPMG. These fees are described under "Fees Paid to Independent Registered Public Accounting Firm." The Audit Committee also considered whether KPMG's provision of non-audit services to the Company was compatible with the independence of the independent registered public accountants. The Audit Committee has adopted a formal policy for pre-approval of audit, audit-related and non-audit services, which is briefly described under "Fees Paid to Independent Registered Public Accounting Firm." The Audit Committee concluded that KPMG is independent from the Company and its management.

Based upon the reports, review and discussions described in this report, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the period ended December 31, 2016 filed with the SEC. The Audit Committee has also retained KPMG as the Company's independent registered public accountants for the fiscal year 2017. The Audit Committee and the Board believe that the continued retention of KPMG to serve as the Company's independent registered public accountants is in the best interests of the Company and its stockholders and have recommended that stockholders ratify the appointment of KPMG as the Company's independent registered public accountants for the fiscal year 2017.

EXECUTIVE SUMMARY

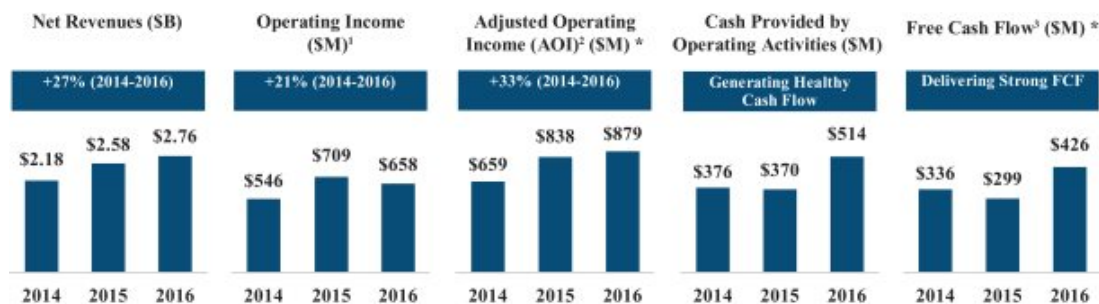

Business Highlights

Our Business

AMC Networks owns and operates several of cable television’s most recognized brands, delivering high quality content to audiences and a valuable platform to distributors and advertisers. Since our founding in 1980, we have been a pioneer in the cable television programming industry, having created or developed some of the industry’s leading programming networks, with a focus on programming of original productions.

Outstanding Long-Term Results

2016 continued our long-term trend of growing Net Revenues, Adjusted Operating Income, and Free Cash Flow, and delivering outstanding operational performance for our shareholders. Our incentive compensation is determined by these metrics, given our belief that successful performance against these measures promotes the creation of long-term stockholder value.

* For a reconciliation of these non-GAAP figures with the corresponding GAAP figures, please see Annex A

(1) 2016 Operating Income reflects impairment charges of \$68 million related to the AMCNI Digital Media Center.

(2) The Company has renamed its non-GAAP performance measure to Adjusted Operating Income (Loss), formerly referred to as Adjusted Operating Cash Flow (“AOCF”). There has been no change to the definition. The Company defines AOI,

[Table of Contents](#)

which is a non-GAAP financial measure, as operating income (loss) before depreciation and amortization, share-based compensation expense or benefit, and restructuring expense or credit. Because it is based on operating income (loss), AOI also excludes interest expense (including cash interest expense) and other non-operating income and expense items. See Annex A for reconciliation of this non-GAAP measure with the corresponding GAAP figure.

(3) Free Cash Flow is a non-GAAP financial measure and is defined as net cash provided by operating activities (continuing operations) less capital expenditures (continuing operations) and cash distributions to non-controlling interests). Net cash provided by operating activities excludes net cash provided by operating activities of discontinued operations. See Annex A for reconciliation of this non-GAAP measure with the corresponding GAAP figure.

2016 Financial Results and Notable Successes

In 2016, the Company continued to perform well and we remain well positioned to capitalize on future opportunities. In determining incentive compensation for 2016, the Compensation Committee considered the strong growth the Company achieved in 2016, particularly in light of the challenging environment for the media industry. Our incentive compensation is determined by Net Revenues, Adjusted Operating Income and Free Cash Flow, given our belief that successful performance against these measures promotes the creation of long-term stockholder value.

- Net revenues **increased 6.8%** to \$2.76 billion
- Operating Income **decreased 7.3%** to \$658 million reflecting impairment charges of \$68 million related to the AMCNI Digital Media Center
- Adjusted operating income (AOI) **increased 4.8%** to \$879 million
- Cash Provided by Operating Activities **increased 39%** to \$514 million
- Free Cash Flow **increased 43%** to \$426 million

The Company continued to focus on its commitment to return value to its stockholders through Board approval of a stock repurchase program to repurchase up to \$500 million of the Company’s outstanding shares of Class A Common stock. As of February 17, 2017, the Company has repurchased 4,924,000 shares of Class A Common Stock leaving up to \$231 million available for future repurchases. Our share repurchases are part of an overall capital allocation strategy overseen by our Board of Directors and designed to efficiently balance return of capital to shareholders with investment in our business.

The Compensation Committee believes that the efforts and leadership of our senior management team, including our NEOs, are, and will continue to be critical to the Company's accomplishments.

2016 Key Compensation Decisions

Taking into consideration the Company's 2016 performance and relatively strong performance to those of its peers, the Compensation Committee made the following key compensation decisions:

Topic	Committee Action	Committee Rationale
Modified its Long-Term Incentive Awards	Modified its Long-Term Incentive Awards by replacing its long-term cash performance awards with long-term PSU awards	The Compensation Committee believes that using an equity-based award that is subject to market risk over a multi-year performance period better aligns the interests of its senior officers with those of stockholders. As a result, commencing in 2016, the Compensation Committee replaced its long-term cash performance awards with PSU awards. The awards have a three-year cliff vest and retain the same financial performance metrics as its cash performance awards but also take into account the Company's stock performance. The Compensation Committee also modified the vesting schedule of its awards of RSUs, so that all future RSU grants will vest ratably over three years rather than cliff vest. The Compensation Committee found that this change would provide the Company with a more effective recruitment tool, conformed to industry practice and was appropriately balanced by the three-year cliff vesting on the PSUs.
Executive Compensation Peer Group	Updated the Company's peer group to better align with the Company's core business . The updated peer group was adopted and used for 2016 compensation benchmarking.	To better reflect the role and responsibility of the Company's executive officers and increased challenges of the media business in content and distribution, the Compensation Committee determined to revise its peer group used to assess competitiveness of executive compensation levels relative to the market.
Annual Incentive Bonus Pool	Approved the 2016 annual incentive bonus payouts at 114.5% .	To reflect the Company's performance, the Compensation Committee approved the payout of the annual incentive bonuses to the NEOs based on the Company's overall corporate performance, which is calculated based on the weighted average of each business unit's performance against pre-established financial targets, at 114.5% of target.

Impact of Transition from Long-Term Cash Awards to Long-Term Equity

As noted above, commencing with respect to 2016, the Compensation Committee replaced long-term cash performance awards with PSUs. This has an impact on the compensation amounts disclosed in the Summary Compensation Table during the transition from cash to equity based long-term performance awards. SEC rules require that cash-based compensation be included in the Summary Compensation Table for the year in which the compensation was earned (which for the long-term cash performance awards is for the year when the performance period ended). Grants of equity are required to be disclosed for the year in which the grant was made. Therefore, the 2016 Summary Compensation Table includes both the cash-based long-term performance awards granted in 2014 and earned for the period of 2014-2016, and the PSU awards granted for 2016 (with payment based upon the performance period 2016-2018).

2016 NEO Annual Compensation Determinations

The table below sets forth the 2016 Compensation Committee compensation determinations with respect to our NEOs. This table is different from the SEC-required 2016 Summary Compensation Table on page 38. The long-term cash-based performance awards granted in 2014 are not included in this table as they were not part of the Compensation Committee's 2016 determinations. The PSUs awarded in 2016 are included in this table and in the Summary Compensation Table.

NEO	Salary	Annual Cash Incentive Award	RSUs (1)	PSUs (1)	All Other Compensation	2016 Total Direct Compensation Package
Charles F. Dolan	\$400,000	\$801,500	\$380,000	\$570,000	\$32,615	\$2,184,115
Joshua W. Sapan	\$2,000,000	\$4,580,000	\$5,200,000	\$7,800,000	\$173,862	\$19,753,862
Edward A. Carroll (2)	\$1,700,000	\$3,226,038	\$1,700,000	\$1,700,000	\$122,938	\$8,448,976
Sean S. Sullivan	\$900,000	\$1,008,041	\$1,200,000	\$1,200,000	\$67,368	\$4,375,409
James G. Gallagher	\$725,000	\$605,749	\$625,000	\$625,000	\$53,369	\$2,634,118

- (1) With respect to RSUs and PSUs awarded for 2016, the number of units awarded was determined by dividing the dollar amount shown in the table by a share price of \$65.00, which was determined by the 20 day average closing price of the Company's Class A Common Stock through March 3, 2016.
- (2) In order to provide a fair presentation of Mr. Carroll's annual compensation for 2016, we also excluded a one-time special equity retention award of restricted stock units with an aggregate target value of \$12.5 million, which vests on December 31, 2021, which Mr. Carroll received in connection with his execution of a new employment agreement with the Company. See "Employment Agreements – Edward A. Carroll" for details about the special equity retention award. This one-time special equity award is included in Mr. Carroll's 2016 stock award column in the Summary Compensation Table.

Stockholder Engagement and Our Compensation Program

The Company values feedback from its stockholders and regularly engages with stockholders to keep informed on the evolving perspectives of the investor community. We engage with our stockholders on various matters, including Company performance and strategy, our Board and corporate governance practices, and our executive compensation program. These stockholder dialogues, focused on governance and compensation matters, are an important component of the Compensation Committee's review of our executive compensation program.

The Compensation Committee believes that our executive compensation program closely links to our business strategies, aligns pay with performance and reflects competitive practices regarding executive compensation. Management and directors also engaged with our institutional shareholders in meetings and calls regarding our executive compensation program throughout 2016.

Frequency of Say on Pay Vote

Consistent with the results of the advisory vote on the frequency of the stockholder advisory vote on executive compensation held at the 2012 annual meeting of stockholders, the Company has determined to conduct an advisory vote on executive compensation every three years, as permitted under SEC rules, and intends to hold the next such advisory vote at its 2018 annual meeting. In the interim, the Compensation Committee will continue to solicit feedback from stockholders on governance and compensation matters, and

will consider stockholder views, as well as market trends and practices when making determinations regarding the Company's executive compensation program.

Philosophy and Objectives of Our Executive Compensation Program

The Company is a media business comprised of dynamic and powerful brands. In support of its business objectives, the Company places great importance on its ability to attract, retain, motivate and reward experienced executive officers. The Company strives to do so by developing executive compensation policies and programs that are consistent with, explicitly linked to, and supportive of, the strategic objectives of growing the Company's businesses and maximizing stockholder value. The Compensation Committee sets executive compensation, and seeks to offer both short and long-term incentive compensation programs that will provide competitive compensation, drive performance and encourage executive retention, guided by the following principles:

- The majority of compensation for the Company's executive officers should be at risk and contingent on Company performance;
- Incentive compensation of the Company's executive officers should be weighted more heavily on long-term rather than short-term accomplishments and results;
- Equity-based compensation should be used to align the interests of our executive officers with our stockholders' interests; and
- The overall executive compensation program should be competitive, equitable and structured so as to ensure the Company's ability to attract, retain, motivate and reward the talented executives who are essential to the Company's continuing success. Total target compensation, rather than individual compensation elements, is the Compensation Committee's focus in providing competitive compensation opportunities.

The primary elements of 2016 executive compensation are base salary, an annual cash incentive award and long-term incentive awards in the form of RSUs, which vest ratably over three years, and PSUs that typically cliff vest in three years. We target the elements of our compensation so that at least 70% of total target compensation for our NEOs is performance-based. In this way, a significant portion of the value ultimately realized by the executive depends upon the Company's performance and can be considered at-risk compensation.

Elements of the Company’s Compensation Program

Our executive compensation program is designed to provide a mix of fixed and variable incentive awards, including short-and long-term incentives:

2016 CEO Annual Compensation Decision Mix

2016 Performance Metrics

A significant percentage of total compensation is allocated to incentive compensation in accordance with the Compensation Committee’s philosophy as described above. The Compensation Committee reviews historical Company compensation, other information provided by the Compensation Committee’s independent

[Table of Contents](#)

compensation consultant and other factors, such as experience, performance and length of service to determine the level and mix of compensation for executive officers, by position and grade level, that the Compensation Committee has deemed appropriate. The allocation between cash and equity compensation and short and long-term compensation is designed to provide a combination of fixed and at-risk compensation that is related to the achievement of the Company's short-term and long-term objectives.

Generally, the performance metrics for the Company's incentive compensation have been based on the Company's AOI, net revenues and free cash flow. The Compensation Committee believes that these are the key measures for evaluating our NEOs effectiveness in executing the Company's strategy as these are the common performance measures used by the Company's investors and analysts to evaluate the Company's operating performance. The Compensation Committee believes that successful performance against these measures promotes the creation of long-term stockholder value.

- Net revenue growth is important to the creation of long-term stockholder value because it is a reflection of management's ability to grow our top line through growth in advertising, distribution and other revenue.
- AOI is important because it reflects our ability to control costs and generate cash through our operations to invest in our current businesses as well as new opportunities.
- Free cash flow reflects our ability to generate cash for our stockholders after we have made the necessary investments in our current operations to ensure they continue to perform.

2016 COMPENSATION DECISIONS

Employment Agreements

We have written employment agreements with each of our Named Executive Officers. We enter into employment agreements with our senior executives when the Compensation Committee determines that it is appropriate to attract or retain an executive. As discussed in greater detail below under Executive Compensation Tables, "Employment Agreements," much of the NEOs' compensation is determined in accordance with their employment agreements. Mr. Dolan's employment agreement was entered into in connection with the Company's 2011 spin off from Cablevision and approved by Cablevision's compensation committee at a time when the Company was a subsidiary of Cablevision. The Company entered into an employment agreement with Mr. Sapan in 2014. On April 13, 2016, the Company entered into new employment agreements with Messrs. Sullivan and Gallagher, replacing their prior 2013 employment agreements. On October 13, 2016, the Company entered into a new employment agreement with Mr. Carroll replacing his prior 2013 employment agreement. The Compensation Committee believes that entering into employment contracts with our senior executives provides management stability and helps ensure that the Company has the continuity to achieve its strategic objectives. The Compensation Committee further believes that the entertainment industry standard practice is for executives to have employment agreements. Each of the NEOs has demonstrated strong performance and willingness to take on greater responsibilities as the Company grows and their multi-year agreements are designed to ensure their continued contributions to the Company.

Base Salaries

Base salaries for our executives have been set at levels that are intended to reflect the competitive marketplace in attracting and retaining quality executives. The Compensation Committee currently reviews the salaries of the executive officers at least annually. The Compensation Committee evaluates each executive's performance and experience and based on this evaluation and in accordance with the terms of the employment agreements, the Compensation Committee, in its discretion, may increase base salaries for the executive officers over time. Each of the employment agreements of our NEOs contains a minimum base salary level. For

information regarding these minimum base salary levels, please see Executive Compensation Tables, “Employment Agreements” below.

In connection with the Company entering into new employment agreements with Messrs. Carroll, Sullivan and Gallagher, the Compensation Committee increased their base salaries for 2016 by approximately 13.3%, 12.5% and 16%, respectively. For 2016, Messrs. Dolan and Sapan did not receive any base salary increase. The annual base salaries paid to the NEOs in 2016 were as follows: Mr. Dolan — \$400,000; Mr. Sapan — \$2,000,000; Mr. Carroll — \$1,700,000; Mr. Sullivan — \$900,000; and Mr. Gallagher — \$725,000. See footnote 1 to Executive Compensation Tables, “Summary Compensation Table” for a more detailed discussion of the 2016 base salaries.

Annual Cash Incentives

Annual cash incentive awards are designed to link executive compensation directly to the Company’s performance and provide incentives and rewards for excellent business performance during the year.

We have two performance-based annual incentive programs:

- 2016 Cash Incentive Plan (the “2016 CIP”). Annual incentive program for all NEOs that the Compensation Committee determines may be covered by Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The 2016 CIP was approved by the Company’s stockholders at the 2016 annual meeting of stockholders and is administered by the Compensation Committee. See “Tax Deductibility of Compensation,” below.
- Annual performance incentive program (“Annual Incentive Program”). Annual incentive program for all other members of management.

Although our NEOs were awarded annual incentive compensation as part of the Amended and Restated 2011 Cash Incentive Plan (the “2011 CIP”), the predecessor to the 2016 CIP, the actual calculation of awards is based on bringing payouts generally in line with the payouts the NEOs would have received if they had been participants in the Annual Incentive Program.

NEO Annual Incentive Award Target Setting

Each annual cash incentive award-eligible employee is assigned a target annual incentive award equal to a percentage of that employee’s annual base salary. For 2016, target bonuses were set as a percentage of the base salary earned during 2016 (“Eligible Earnings”).

The target annual cash incentive awards are determined based upon the applicable employee’s position, grade level, responsibilities, and historical and expected future contributions to the Company. In addition, each of the employment agreements of Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher contains a target annual incentive award level. The Compensation Committee currently reviews the target bonus levels of the executive officers, and going forward intends to do so at least annually. The Compensation Committee evaluates each such executive’s performance and experience, and, based on this evaluation and in accordance with the terms of the employment agreements, the Compensation Committee, in its sole discretion, may set target annual incentive award levels for the executive officers. Target bonuses for 2016 (expressed as a percentage of Eligible Earnings) were as follows: Mr. Dolan — 175%; Mr. Sapan — 200%; Mr. Carroll — 175%; Mr. Sullivan — 100%; and Mr. Gallagher — 75%. For information regarding these target annual incentive award levels, see Executive Compensation Tables, “Employment Agreements,” below.

2016 CIP Performance Metrics

The payment of the 2016 annual cash incentive awards under the 2011 CIP is conditioned upon the satisfaction of one or more performance objectives established by the Compensation Committee. The

[Table of Contents](#)

performance metrics were designed to achieve tax deductibility under Code Section 162(m). Upon achievement of the performance objective(s), each NEO would be eligible to receive payment of an incentive bonus equal to the lesser of \$10 million or two times the executive's target annual incentive award, subject to the Compensation Committee's discretion to reduce the award. In general, under the 2011 CIP, regardless of whether the Company achieves, exceeds or fails to achieve its target performance objective(s), the Compensation Committee has the discretion only to decrease annual incentive awards if the Company wishes to preserve the Code Section 162(m) deduction. Performance objectives are subject to various adjustments including acquisitions and dispositions and investments in new business ventures not contemplated when the performance objections are formulated.

In order for the NEOs to be eligible to receive an annual cash incentive award for the year ended December 31, 2016, the AOI of the business units for the year ended December 31, 2016 needed to exceed approximately \$754 million.

2016 CIP Awards

On March 9, 2017, the Compensation Committee certified the awards as achieved by virtue of the AOI of the business units for the year ended December 31, 2016 equaling approximately \$879 million.¹

The Compensation Committee applied negative discretion under the 2011 CIP to bring payouts generally in line with the payouts the NEOs would have received if they had been participants in the Annual Incentive Program. Each of our NEOs holds a corporate-wide position and, as such the amount by which his annual incentive award under the 2011 CIP was reduced based on the level of achievement of Company-wide performance metrics under the Annual Incentive Program, as described in more detail below. On March 14, 2017, the 2016 annual incentive awards were paid by the Company to the NEOs as shown in the table below:

NEO	Eligible Earnings	Target Bonus as % of Base Salary	Target Bonus	Annual Incentive Program Award of Target	Actual 2011 CIP Annual Incentive Award
Charles F. Dolan	\$400,000	175%	\$700,000	114.5%	\$801,500
Joshua W. Sapan	\$2,000,000	200%	\$4,000,000	114.5%	\$4,580,000
Edward A. Carroll	\$1,610,000	175%	\$2,817,500	114.5%	\$3,226,038
Sean S. Sullivan	\$880,335	100%	\$880,335	114.5%	\$1,008,041
James G. Gallagher	\$705,385	75%	\$529,039	114.5%	\$605,749

2016 Annual Incentive Program Awards

The payment of annual incentive awards under the Annual Incentive Program is conditioned upon the satisfaction of one or more performance objectives established by the Compensation Committee depending upon the applicable eligible employee's specific business unit. For 2016, under the Annual Incentive Program, these performance objectives related to an assessment of business unit performance against goals, strategies, operating performance and growth initiatives. These performance objectives include specific annual growth targets for revenues, AOI and Free Cash Flow for each of the following business units: AMC, BBC AMERICA (the

¹ AOI for this purpose is based upon the AOI of the Company (see Compensation Discussion and Analysis, "Business Highlights — Outstanding Long-Term Results, footnote 1) excluding the cost of the Company's long-term incentive program that is included as an expense of the Company's reporting segments. For 2016, "AOI" was subject to adjustment for the following events: the exclusion of charges for long-term incentive expense and acquisitions (including certain small international acquisitions).

Company's joint venture with BBC Worldwide), WE tv, IFC, SundanceTV, IFC Films, AMC Networks International, Affiliate Sales and Digital & OTT. In addition, each of the networks is expected to achieve growth in advertising impressions, and targets for viewership of new series and has also additional weighted metrics tailored for its business unit. Each business unit also is assessed on its achievement of certain strategic objectives and its performance relative to its peers. For individuals who hold corporate-wide positions at the Company, the Annual Incentive Program performance objectives are predominantly based on the weighted average performance of the different business units. Bonuses awarded under the Annual Incentive Program may also be adjusted based on recipients' individual performances. To the extent the Company exceeds or falls short of the Annual Incentive Program performance objectives, eligible employees may receive payments greater than or less than their target annual incentive award.

Long-term Incentives

Our long-term incentive program in 2016 for all executives consisted of two elements: PSUs and RSUs. These long-term incentives are awarded to members of management based upon each individual's grade level. Except for Messrs. Dolan and Sapan, who receive long-term incentive awards comprised of 60% of the value as PSUs and 40% of the value in RSUs, these long-term incentive awards granted to the other NEOs are comprised of 50% of the value in cash performance awards and 50% of the value as RSUs.

As part of the Compensation Committee's annual evaluation of the Company's compensation program and in consideration of investor feedback, beginning in 2016, the Compensation Committee modified the Company's long-term incentive program and decided to replace the Company's long-term cash performance awards with long-term PSUs. The performance metrics for the PSUs are identical to those used for the cash performance awards. The Compensation Committee believes that using an equity-based award that is subject to market risk over a multi-year performance period better aligns the interests of its senior officers with those of stockholders. Commencing in 2016, the Compensation Committee also modified the vesting schedule of its awards of RSUs so that all future RSU grants generally will vest ratably over three years rather than cliff vest. The Compensation Committee found that this change would provide the Company with a more effective recruitment tool, conformed to industry practice and was appropriately balanced by the three-year cliff vesting on the PSUs.

We believe that our PSU awards provide strong incentives for the NEOs to help the Company achieve specific long-term financial objectives. We further believe that both our PSU awards and RSU awards provide the NEOs with further incentives to improve the Company's stock price performance and align our NEOs with stockholders' interests, as well as the potential for a continuing stake in the long-term success of the Company.

Performance Stock Unit Awards

In 2016, our executive compensation program provided annual grants of three-year PSU awards to executive officers and other members of management to be earned on the basis of long-term performance of the Company relative to pre-established financial goals. The 2016 PSUs were made to such executive officers and certain other members of management pursuant to the Company's Amended and Restated 2011 Employee Stock Plan (the "2011 Employee Stock Plan"), or its successor, the 2016 Employee Stock Plan. The Compensation Committee sets the performance objectives for each award in the first quarter of the year of grant. Each recipient is eligible to receive a target PSU award, the amount of which depends on the employee's grade level and employment agreement, if any. To the extent that the Company's target performance objectives are achieved and the recipient is continuously employed through the payment date, eligible employees may receive payments greater than or less than (or none of) their target PSU.

2016 PSU Award Grants . On March 4, 2016, the Company granted PSU awards to the NEOs in the following target amounts: Mr. Dolan — 8,681 PSUs; Mr. Sapan — 118,794 PSUs; Mr. Carroll — 26,206 PSUs; Mr. Sullivan — 18,276 PSUs; and Mr. Gallagher — 9,519 PSUs. Additionally, on October 13, 2016, in

[Table of Contents](#)

accordance with the terms of his employment agreement, the Company granted Mr. Carroll a PSU award in the amount of 1,457 PSUs. All 2016 PSU awards are subject to vesting based on achievement of specified targets of AOI, net revenues and free cash flow (determined by calculating the average of AOI, net revenues and free cash flow of the Company earned in 2016, 2017 and 2018) and continuous employment through March 4, 2019. These performance targets are intended to measure the Company's ongoing operating performance and are subject to various adjustments including for acquisitions and dispositions and investments in new business initiatives not contemplated at the time the performance objectives are formulated and exclude all charges for long-term performance-based compensation. In addition, the PSUs granted to Mr. Carroll in October 2016 have a threshold performance condition, pursuant to which vesting of the units is contingent on the Company achieving a 1% target rate of growth in AOI (relative to 2015) in any of 2017 or 2018. If this threshold performance condition is met, then the vesting of Mr. Carroll's October 2016 PSUs will be determined in accordance with the performance targets described above. The 2016 performance awards will be determined based on the weights and performance achievements as shown in the table below:

Metric	Weight	Threshold	Target	Maximum
Average AOI	50%	90% of target	Target from strategic plan	110% of target
Average Net Revenues	30%	90% of target	Target from strategic plan	110% of target
Average Free Cash Flow	20%	90% of target	Target from strategic plan	110% of target
Award Earned*		50%	100%	200%

* No award will be earned for performance below threshold. Performance between threshold and target and between target and maximum will be established by linear interpolation.

Because the targets for the 2016 awards have been derived from the Company's confidential strategic plan, which is not disclosed publicly for competitive reasons, we do not believe it is appropriate to disclose specific numerical targets. Disclosure of these targets could provide information that could lead to competitive harm. We believe that our strategic plan, and consequently the targets set for the PSUs, are ambitious and reflect desired above-market performance. In determining the threshold levels of performance, the Company's strategic plans and the degree of difficulty in achieving the targets, including a comparison of the strategic plans with analysts' published projections of our growth as well as the projected growth of some of our competitors, were considered. The 2016 PSUs include a sliding scale of payouts based upon the achievement over the next three years of average AOI, average net revenues and average free cash flow. The Compensation Committee believes that the lowest levels on the sliding scale of the 2016 awards should be achieved, although there can be no assurance this will occur. The Compensation Committee has the authority to amend or waive the performance targets under the 2016 awards and to make interpretations thereof and adjustments thereto subject to the requirements of Code Section 162(m) if applicable to the award.

Restricted Stock Units Under our executive compensation program, long-term incentive grants of RSUs are made to executive officers and certain other members of management pursuant to the Company's 2011 Employee Stock Plan or 2016 Employee Stock Plan. The RSUs granted to the NEOs also include a performance vesting condition. In 2016, the Compensation Committee determined that the 2016 RSU grants would vest ratably over a three-year vesting period, subject to the attainment of the performance vesting condition during the first year, rather than cliff vest at the end of the period. The Committee found that this change would provide the Company with a more effective recruitment tool, conformed to industry practice and was appropriately balanced by the three-year cliff vesting of the PSUs.

On March 4, 2016, the Company granted RSUs to the NEOs in the following amounts: Mr. Dolan 5,787 RSUs; Mr. Sapan — 79,196 RSUs; Mr. Carroll — 24,749 RSUs; Mr. Sullivan — 18,276 RSUs; and Mr. Gallagher — 9,519 RSUs. All such 2016 RSU awards will vest ratably over a three-year vesting period,

[Table of Contents](#)

based on achievement of performance objectives during the first year and continued employment through the applicable vesting period. On October 13, 2016, in accordance with the terms of his employment agreement, the Company granted Mr. Carroll an additional RSU award in the amount of 242,813 RSUs, which vests on December 31, 2021 subject to continued employment, and 1,457 RSUs that vest two-thirds on March 4, 2018 and one-third on March 4, 2019, subject to continued employment. The performance condition relating to the RSUs required the Company to achieve a 1% target rate of growth in AOI (relative to 2015) in any of the three fiscal years: 2016, 2017 and 2018; provided that the RSUs granted to Mr. Carroll in October 2016 require achievement of such target rate of growth in 2017 or 2018 (relative to 2015). The performance metric is designed to achieve tax deductibility under Code Section 162(m). This performance requirement was met in 2016. ² Additional information regarding RSUs for the NEOs during 2016 is set forth in the Summary Compensation Table and the Grants of Plan-Based Awards table under “Executive Compensation Tables” below. More information regarding other equity grants for the NEOs appears in the Outstanding Equity Awards at December 31, 2016 table under “Executive Compensation Tables” below.

Cash Performance Awards

Achievement of 2014 Cash Performance Award Objectives. On March 1, 2017, the Compensation Committee certified the Company’s achievement of performance objectives of average “AOCF”, average net revenue and average free cash flow for the cash performance awards granted in March 2014. In determining the achievement of the performance objectives for the 2014 cash performance awards, AOCF, net revenue and free cash flow were weighted at 50%, 30%, and 20%, respectively. The following table shows actual performance with respect to each of the performance objectives relative to the ranges established by the Compensation Committee in March 2014 and the resulting performance factor used in calculating the aggregate weighted performance payout at 135.2% of target in March 2017.

(\$000s)	2014-2016 Target	Financial Performance Range (1)	Actual 2014-2016 Performance	Actual Performance v. Target	Weighting	Weighted Performance Factor
AOCF	\$737	\$664 - \$811	\$783	106.2%	50%	71.6%
Net Revenue	\$2,404	\$2164 - \$2644	\$2,409	100.2%	30%	30.2%
Free Cash Flow	\$593	\$533 - \$652	\$640	108.0%	20%	33.4%
Weighted Performance Payout						135.2%

(1) These awards provide for a potential payout on a sliding scale such that the actual payment may range from zero (if average AOCF, average net revenues and average free cash flow each fail to reach at least 90% of the targets) to 200% (if, for example, average AOCF equals or exceeds 110% of the target, average net revenues equal or exceed 110% of the target, and average free cash flow equals or exceeds 110% of the target).

For the 2014 cash performance awards to pay out at 100%, the Company was required to achieve specified targets of average AOCF of \$737 million, average net revenues of \$2,404 million, and average free cash flow of \$593 million for years 2014 through 2016, subject to various adjustments including for certain impacts of the Distribution as well as unanticipated acquisitions and dispositions and investments in new business initiatives and exclude all charges for long-term performance-based compensation. ³ Based upon the Company’s performance, as shown in the table above, the 2014 cash performance awards paid out at 135.2% of target in March 2017.

² See footnote 1 to the Compensation Discussion and Analysis for “AOI” adjustments.

³ See footnote 1 to the Compensation Discussion and Analysis for “AOI” adjustments. “Free Cash Flow” was subject to the same adjustments as described in footnote 2 to the Compensation Discussion and Analysis.

COMPENSATION DECISION PROCESS AND COMPENSATION POLICIES

Role of Compensation Committee

The Compensation Committee oversees the design and administration of AMC's compensation and benefits policies and programs. Among its duties, the Compensation Committee is responsible for (1) establishing our general compensation philosophy and, in consultation with management, overseeing the development and implementation of compensation programs; (2) reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer and the other executive officers of the Company; (3) evaluating the CEO's and other executive officers' performance in light of those goals and objectives and determining and approving their compensation levels based upon those evaluations; (4) evaluating the competitiveness of each executive officer's total compensation package; (5) administering our stockholder approved compensation plans; and (6) overseeing the activities of the committee or committees administering our benefit and retirement plans.

The Compensation Committee is supported in its work by the head of the Human Resources Department, his staff and the Committee's independent executive compensation consultant as described below. Based upon a review of performance and historical compensation, recommendations and information from members of management, and discussions with the compensation consultant, the Compensation Committee determines and approves compensation for the executive officers, which includes making recommendations to the full Board for its approval of compensation for the Company's executive officers (other than the Executive Chairman and CEO).

The Committee's charter, which sets out its duties and responsibilities and addresses other matters, can be found on our website at www.amcnetworks.com.

Role of Independent Compensation Consultant

In accordance with its charter, the Compensation Committee has the authority to engage outside consultants to assist in the performance of its duties and responsibilities. Our Compensation Committee utilizes the services of an independent compensation consultant to assist in determining whether the elements of our executive compensation program are reasonable and consistent with our objectives.

In August 2011, after a full review and selection process, the Compensation Committee engaged Pay Governance LLC (the "Pay Governance") to serve as its independent compensation consultant. Pay Governance reports directly to our Compensation Committee, and, at the request of the Compensation Committee, Pay Governance meets with members of our management from time to time for purposes of gathering information on management proposals and recommendations to be presented to our Compensation Committee.

The following is a description of the services provided by Pay Governance as the Compensation Committee's consultant:

- Attended all Compensation Committee meetings;
- Provided information, research and analysis pertaining to the executive compensation program for 2016;
- Regularly updated the Compensation Committee on market trends, changing practices and legislation pertaining to compensation;
- Assisted the Compensation Committee in making pay determinations for the Executive Chairman and the President and CEO and the other executive officers;

[Table of Contents](#)

- Advised the Compensation Committee on the design and terms of the new employment agreements for the Company's Chief Operating Officer, Chief Financial Officer and General Counsel;
- Advised on the design of the executive compensation program and the competitiveness of individual compensation targets and awards; and
- Provided advice and recommendations that incorporated both market data and Company-specific factors.

During 2016, Pay Governance provided no other services to the Company.

The Compensation Committee believes that Pay Governance's work did not raise any conflict of interest during 2016. In reaching this conclusion, the Compensation Committee considered the factors set forth in the SEC rules regarding compensation advisor independence. Although such independence rules are not applicable to the Company because it is a controlled company, the Compensation Committee believes that Pay Governance nonetheless satisfies the independence factors provided in such rules.

Role of Management

The Compensation Committee reviews the performance and compensation of the Executive Chairman and the President and CEO and, following discussions with Pay Governance and a review of market competitive data, establishes each of their compensation. The management of the Company assists the Compensation Committee and Pay Governance as described above. Within the framework of the compensation programs approved by the Compensation Committee and based on management's review of market competitive positions, management provides to the Compensation Committee, either directly or through the compensation consultant, management's recommendations on the compensation for executive officers other than the Executive Chairman and the President and CEO. These recommendations are influenced by the CEO's assessment of each executive officer's performance, the performance of the individual's respective business or function and employee retention considerations. The Compensation Committee reviews management's recommendations and approves any compensation changes affecting our executive officers as it determines in its sole discretion.

Tally Sheets

The Compensation Committee has reviewed tally sheets setting forth all components of compensation payable, and the benefits accruing, to the NEOs for 2016, including all cash compensation, perquisites and the current value of outstanding equity-based awards. The Compensation Committee considers the information presented in the tally sheets in determining future compensation.

Benchmarking

To ensure we provide compensation comparable to that offered by other leading companies in our industry, we compare the Company's executive compensation levels against an appropriate peer group of companies tailored for specific Named Executive Officers. As part of the Compensation Committee's review of 2016 compensation, Pay Governance assisted the Compensation Committee in: (1) determining the appropriate peer group to be used for competitive comparisons; (2) assessing executive compensation in comparison with the appropriate peer group and in light of the Company's performance; and (3) reviewing the Company's equity and cash-based executive incentive programs, taking into account evolving market trends.

As a result of the Company's continued rapid growth in both its domestic and international operations, the Compensation Committee met with Pay Governance to re-evaluate the Corporate Peer Group to determine whether it was comprised of the appropriate group of comparable companies. On December 14, 2015, the

[Table of Contents](#)

Compensation Committee approved changes to the Corporate Peer Group for the 2016 performance year to better reflect the Company's more complex multi-content international business.

2016 Corporate Peer Group	
CBS Corporation	Scripps Networks Interactive, Inc.
Discovery Communications, Inc.	Starz Corporation
DreamWorks Animation SKG Inc.	Take-Two Interactive Software Inc
Lions Gate Entertainment Corp	Tribune Media Company (<i>New for 2016</i>)
Netflix, Inc.	Viacom, Inc. (<i>New for 2016</i>)

The Compensation Committee added Viacom, Inc. and Tribune Media Company and eliminated SIRIUS XM Holdings Inc. While the Corporate Peer Group includes several significantly larger market capitalization companies, the Committee determined that market capitalization should only be one of many factors considered when selecting a peer group. Revenues, lines of business and sources and competition for talent are also important and, thus, Viacom, Inc. was added and CBS Corporation and Netflix, Inc. remained in the peer group. The Compensation Committee also took into account that Netflix used the Company as one of its peers. The Company eliminated SIRIUS due to its belief that it was not a relevant peer of the Company both in respect of its lines of business and competition for talent.

This Corporate Peer Group differs from that used in the stock performance graph contained in the Annual Report on Form 10-K. Due to the fact that only a few of the companies in our peer group had an executive serving as a chief operating officer, the Compensation Committee also considered a supplemental reference group for the Company's Chief Operating Officer role, which included business unit executives at CBS Corporation, Disney, Fox, Netflix, Viacom and Paramount.

The Compensation Committee also considered internal and external sources of information to determine the appropriate level and mix of compensation. In order to obtain a general understanding of current compensation practices, the Compensation Committee considered multiple broad-based compensation surveys prepared by a variety of different compensation firms and industry groups. In addition to the Corporate Peer Group, in 2016, the Compensation Committee also considered an additional supplemental reference group for the Company's Chief Financial Officer and General Counsel roles. This additional supplemental reference group consisted of companies with revenues between \$1 billion and \$3 billion that participated in the Towers Watson's 2015 Media Industry Executive Compensation Survey. In its 2016 review of these roles, the Compensation Committee considered competitive pay data based on three references, including: (1) Corporate Peer Group data; (2) the supplemental Towers Watson Media Survey reference group data; and (3) a blend of the Corporate Peer Group data and the supplemental Towers Watson Media Survey reference group data.

In connection with the review of 2016 compensation, Pay Governance presented to the Compensation Committee a comparison of total compensation and each of its components with the median in each position's peer group. In its review, the compensation consultant noted that there was limited market information regarding the role and compensation of the Executive Chairman in its peer group. The Compensation Committee further considered that the Company's founder and Executive Chairman, Mr. Charles F. Dolan, plays a unique and important role in setting the strategic direction of the Company in addition to his role on the Board. The Compensation Committee also considered that Mr. Dolan was an executive officer of Cablevision until its sale to Altice in June 2016. Pay Governance compared Mr. Dolan's total target compensation to that received by other executive chairmen of other similar sized companies who were significant stockholders of their companies and found that Mr. Dolan's total target compensation was below the 50th percentile of this group.

In connection with its review of 2016 compensation, the Compensation Committee set a general guideline for total target compensation, over time, at a range from the median to the 75th percentile of the applicable peer group, reserving for the Compensation Committee the flexibility to recognize differences by

individual. The Company competes for talented executives in a highly-compensated industry. The Compensation Committee believes that this range is appropriate in light of the competitive nature of the Company's businesses as well as the Company's and its management's performance. The Compensation Committee believes that these guidelines for total target compensation provide a useful point of reference, along with the other factors described above, in administering the Company's executive compensation program. For 2016, after considering individual performance and scope of responsibilities, the Compensation Committee believes that all Named Executive Officers are assigned total target compensation levels consistent with the compensation philosophy.

Benefits

Our executive officers are generally eligible to participate in the same retirement plans, health and welfare benefit plans and other voluntary benefit plans made available to other benefits-eligible employees of the Company, including, for example, medical, dental, vision, life insurance and disability coverage.

Defined Contribution Plans

The Company maintains the AMC Networks 401(k) Savings Plan, a tax qualified retirement savings plan (the "AMC 401(k) Plan"). Participating employees, including executive officers, may contribute into their plan accounts a percentage of their eligible pay on a before-tax basis as well as a percentage of their eligible pay on an after-tax basis. The Company matches 100% of the first 3% of pretax eligible earnings and 50% of the next 2% of pretax eligible earnings contributed by participating employees.

The Company also maintains the AMC Networks Excess Savings Plan (the "AMC Excess Savings Plan") for certain of the Company's employees, including executive officers. The AMC Excess Savings Plan is a non-qualified deferred compensation plan offered to certain employees, including executive officers, who are restricted by the applicable IRS annual compensation limitation and/or the pre-tax income deferral limitation. More information regarding the AMC Excess Savings Plan is provided in the Nonqualified Deferred Compensation table. In addition, the Company may provide a profit sharing contribution based on the employee's eligible earnings. For December 31, 2016, the Company provided a 3% profit sharing contribution based on the employee's eligible earnings to each eligible employee, including each NEO (other than Mr. Dolan). The Company's profit sharing contributions are subject to vesting limitations for the first three years of employment. Matching contributions made by the Company under the AMC 401(k) Plan, and the AMC Excess Savings Plan on behalf of the NEOs are set forth in the Summary Compensation Table under "Executive Compensation Tables" below.

Other

In addition to the standard life insurance available to all Company employees (based on a multiple of base salary, up to a \$4,000,000 cap on the total amount of life insurance), Cablevision had purchased whole life insurance policies for certain current and former senior executives of Cablevision, including Mr. Sapan. The policies originally provided coverage (before the application of any dividends to purchase increased insurance) in the amount of the greater of three times the individual's annual base salary as in effect in 1996 or the estimated death benefit provided under previous policies. As of the most recent anniversary date, the policies for Mr. Sapan provided for an estimated aggregate death benefit of \$1,291,138. Information regarding premiums paid with respect to Mr. Sapan is set forth in the Summary Compensation Table below. On June 30, 2011 (the "Distribution Date"), the date Cablevision spun off the Company (the "Distribution"), the Company assumed responsibility for the payment of required premiums, if any, with respect to Mr. Sapan.

Perquisites

The Company has adopted a policy that it generally will not provide perquisites to its executive officers. During 2016, the aggregate value of perquisites received by each of Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher by the Company was less than \$10,000.

Post-Termination Compensation

We believe that post-termination benefits are integral to the Company's ability to attract and retain qualified executives.

Under certain circumstances, payments or other benefits may be provided to employees upon the termination of their employment with the Company. These may include payments or other benefits upon a termination by the Company without cause, termination by the employee for good reason, other voluntary termination by the employee, retirement, death, disability, or termination following a change in control of the Company or a going-private transaction. With respect to the NEOs, the amounts and terms of such payments and other benefits (including the definition of "cause" and "good reason") are governed by each NEO's employment agreement and any applicable award agreements. The Company award agreements regarding various long-term incentives address employment termination events, including the circumstances upon which vesting, payment and/or forfeiture of all or a portion of the long-term incentives may be accelerated. If an executive's employment agreement with the Company refers to the treatment of any award upon a triggering event, the employment agreements generally provide that, if the terms of the award agreement are more favorable to the executive than the terms of the employment agreement, then the terms of the award agreement will apply. Post-termination compensation is discussed in greater detail in Executive Compensation Tables, "Employment Agreements" and Executive Compensation Tables, "Termination and Severance" below.

Tax Deductibility of Compensation

Code Section 162(m) establishes a \$1 million limit on the amount that a publicly held corporation may deduct for compensation paid to the chief executive officer and the next three most highly paid NEOs (other than the chief financial officer) in a taxable year. This limitation does not apply to any compensation that is "qualified performance-based compensation" under Code Section 162(m), which is defined as compensation paid in connection with certain stock options or that is paid only if the individual's performance meets pre-established objective goals based on performance criteria established under a plan approved by stockholders. Our short-term and long-term incentive compensation plans are generally designed to qualify for this exemption from the deduction limitations of Code Section 162(m) and to be consistent with providing appropriate compensation to executives. The Company's stockholders approved the 2011 CIP and the 2011 Employee Stock Plan at the Company's June 5, 2012 annual meeting of stockholders. On June 8, 2016, the Company's stockholders approved the 2016 Employee Stock Plan, which superseded the 2011 Employee Stock Plan, and the 2016 Executive Cash Incentive Plan, which superseded the 2011 CIP.

From time to time, to the extent it deems appropriate, the Compensation Committee may make awards (or modifications to awards) that would not qualify for an exemption from Code Section 162(m). For example, we expect that the amount of annual base salary plus any other annual compensation paid or imputed to the President and CEO and the next three most highly paid NEOs covered by Code Section 162(m) that causes their non-performance-based compensation to exceed the \$1 million limit will not be deductible by the Company for federal income tax purposes.

Although it is the Company's intent generally to qualify compensation for the exemption from the deduction limitations, we believe that it is in the best interests of the Company's stockholders to allow the Compensation Committee the flexibility and discretion to design an appropriate executive compensation program so that the Company can attract, retain and motivate our executives, notwithstanding Code Section 162(m).

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth above. Based on such review and discussions, we have recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement for filing with the U.S. Securities and Exchange Commission.

EXECUTIVE COMPENSATION TABLES

The tables below reflect the compensation of the Company’s Executive Chairman, President and CEO, Chief Financial Officer and the two other most highly paid executive officers. See “Compensation Discussion and Analysis” for an explanation of our compensation philosophy and program.

Total Compensation 2016 — “Bunching” effect. In 2016, the Company changed its long term incentive compensation to be 100% equity based and eliminated the cash performance award (CPA) award, which was awarded in each of 2015 and 2014. SEC reporting rules require that the Company report CPAs when paid at the end of their three-year performance cycle. At the same time, SEC rules require that PSU awards, which also vest after a three-year performance cycle, be reported in the year granted. This results in a “bunching” effect because 2016 includes both the CPAs that were granted in 2014 and the PSUs granted in 2016. As a result, all of our NEOs will have a “bunching” effect for their 2016 compensation. Footnote 2 of the Summary Compensation Table provides additional explanation. See a detailed discussion on the impact of the change in the make-up of the long-term awards on page 22 of this Proxy Statement.

- (1) For 2016, salaries paid to the NEOs accounted for the following percentage of their total compensation: Mr. Dolan —19%; Mr. Sapan — 10%; Mr. Carroll — 9%; Mr. Sullivan — 21%; and Mr. Gallagher — 29%. Effective March 1, 2016, Mr. Carroll’s base salary increased to \$1,600,000 and, effective as of September 1, 2016, increased to \$1,700,000. See “Employment Agreements — Edward A. Carroll” for details about the base salary increase.
- (2) This column includes the value of stock awarded to NEOs during 2016, 2015 and 2014 based upon its grant date fair value, as determined under SEC guidance. PSUs and RSUs were granted to the NEOs in 2016. The increase in stock awards in 2016 is a result of the Company moving its long-term incentive to 100% equity, by replacing CPAs (reported under the “Non-Equity Incentive Plan” column when paid) with PSUs (reported in this column when granted). Details regarding the grants of PSUs and RSUs can be found in the “Grants of Plan-Based Awards” table and details regarding outstanding stock awards can be found in the “Outstanding Equity Awards at 2016 Year End” table. See page ___ in “Compensation Discussion and Analysis” for additional information regarding the RSUs and PSUs granted in 2016. The 2016 figures in this column for Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher reflect the aggregate grant date fair value of the Company’s RSUs and PSUs at target that were awarded in 2016 and solely without any reduction for risk of forfeiture, as calculated in accordance with FASB ASC Topic 718 as follows: Mr. Dolan: \$385,414 and \$578,155,

respectively; Mr. Sapan: \$5,274,454 and \$7,911,680, respectively; Mr. Carroll: \$13,436,753 and \$1,718,598, respectively; Mr. Sullivan: \$1,217,182 and \$1,217,182, respectively; and Mr. Gallagher: \$633,965 and \$633,965, respectively. The grant date fair value of the 2016 PSUs assuming maximum performance, as calculated in accordance with FASB ASC Topic 718, is as follows: Mr. Dolan: \$1,156,350, Mr. Sapan: \$15,823,360, Mr. Carroll: \$3,437,196, Mr. Sullivan: \$2,434,364 and Mr. Gallagher: \$1,267,930. Beginning in 2016, the Compensation Committee granted PSUs instead of the long-term cash performance awards that had historically been granted to the NEOs. The 2016 figures in this column include the long-term PSU awards that were granted in 2016. The figures in the Non-Equity Incentive Plan Compensation column for 2016 include the long-term cash performance awards granted in 2014 for the performance period of 2014-2016.

For 2015 and 2014, this column reflects the aggregate grant date fair value of the Company’s RSUs that were awarded in 2015 and 2014, respectively, and solely without any reduction for risk of forfeiture, as calculated in accordance with FASB ASC Topic 718. In 2014, concurrently with the execution of his amended and restated employment agreement, Mr. Sapan received a one-time special equity retention award of RSUs with an aggregate target value of \$25,000,000, which vests on December 31, 2020. See “Employment Agreements — Joshua W. Sapan” for details about the special equity retention award. In 2016, concurrently with the execution of his employment agreement, Mr. Carroll also received a one-time special equity retention award of RSUs with an aggregate target value of \$12,500,000, which vests on December 31, 2021. See “Employment Agreements — Edward A. Carroll” for details about the special equity retention award.

(3) No stock options and/or rights were granted in 2014, 2015 or 2016.

(4) The 2016 figures in this column for Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher include amounts from two distinct awards: (i) the annual incentive awards for performance in 2016 and (ii) the value of long-term cash performance awards granted in 2014, earned at the end of 2016 as follows: Mr. Dolan: \$801,500 and \$770,640, respectively; Mr. Sapan: \$4,580,000 and \$10,545,600, respectively; Mr. Carroll: \$3,226,038 and \$2,028,000, respectively; Mr. Sullivan: \$1,008,041 and \$1,081,600, respectively; and Mr. Gallagher: \$605,749 and \$608,400, respectively. Beginning in 2016, the Compensation Committee replaced its long-term cash performance awards with PSU awards. Therefore, the 2016 row contains both the cash-based long-term performance awards granted in 2014 and earned for the period of 2014-2016 (disclosed in the Non-Equity Incentive Plan Compensation column), and the PSUs granted in 2016 for the performance period of 2016 to 2018 (disclosed in the Stock Awards column).

The 2015 figures in this column for Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher include amounts from two distinct awards: (i) the annual incentive awards for performance in 2015 and (ii) the value of long-term cash performance awards granted in 2013, earned at the end of 2015 as follows: Mr. Dolan: \$994,000 and \$769,500, respectively; Mr. Sapan: \$5,680,000 and \$4,455,000, respectively; Mr. Carroll: \$2,994,288 and \$1,518,750, respectively; Mr. Sullivan: \$1,097,769 and \$810,000, respectively; and Mr. Gallagher: \$644,121 and \$472,500, respectively.

The 2014 figures in this column for Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher include amounts from two distinct awards: (i) the annual incentive awards for performance in 2014 and (ii) the value of long-term cash performance awards granted in 2012, earned at the end of 2014 as follows: Mr. Dolan: \$864,500 and \$603,720, respectively; Mr. Sapan: \$4,916,441 and \$3,494,868, respectively; Mr. Carroll: \$1,637,385 and \$1,118,000, respectively; Mr. Sullivan: \$647,253 and \$559,000, respectively; and Mr. Gallagher: \$556,951 and \$335,400, respectively.

- (1) This column reflects the aggregate grant date fair value of the Company’s RSUs and target PSUs, as the case may be, granted to each NEO in 2016 without any reduction for risk of forfeiture, as calculated in accordance with FASB ASC Topic 718 on the grant date.
- (2) This row reflects the possible payouts with respect to grants of annual incentive awards under the Company’s Executive Cash Incentive Plan for performance in 2016. Each of the executives is assigned a target bonus percentage and amount; there is no threshold amount for annual incentive awards. Under the terms of the awards, each executive is eligible to receive payment of an annual incentive award equal to the lesser of \$10 million or two times his bonus target, subject to the Compensation Committee’s discretion to reduce the award. The amounts of annual incentive awards actually paid for performance in 2016 are disclosed in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table above. For more information regarding the terms of these annual incentive awards, please see Compensation Discussion and Analysis, “2016 Compensation Decisions — Annual Cash Incentives.”
- (3) This row reflects the Company’s PSUs that were granted in 2016. Each PSU was granted with a target amount, whose actual vesting amount will be based on a sliding scale ranging from zero to two times the target grant amount. The stated threshold payout for the PSUs represent the units awarded in the event that the threshold performance level is achieved (but not exceeded) for each of the applicable performance targets. If the threshold performance level is achieved for at least one of the performance targets, but not achieved for one or more of the performance targets, then the units granted would be less than the amount stated in the table above. These PSUs will vest on March 4, 2019 if the Company achieves a minimum of specified performance thresholds in the three-year period ending December 31, 2018. See Compensation Discussion and Analysis, “2016 Compensation Decisions — Long-term Incentives — Performance Stock Unit Awards.”
- (4) This row reflects the Company’s RSUs that were awarded in 2016. The awards vest ratably over three years on March 4, 2017, March 4, 2018 and March 4, 2019 and are subject to performance criteria which have been satisfied. See Compensation Discussion & Analysis, “2016 Compensation Decisions — Long-term Incentives — Restricted Stock Units.”
- (5) This row reflects an additional grant of PSUs that were granted to Mr. Carroll on October 13, 2016 in accordance with the terms of his employment agreement. These PSUs have a threshold performance condition, pursuant to which vesting of the units is contingent on the Company achieving a 1% target rate of growth in AOI (relative to 2015) in any of 2017 or 2018. If this threshold performance condition is met, then the vesting of Mr. Carroll’s October 2016 PSUs will vest on March 4, 2019 if the

[Table of Contents](#)

Company achieves a minimum of specified performance thresholds in the three-year period ending December 31, 2018. The vesting amount of the PSUs will be based on a sliding scale ranging from zero to two times the target grant amount. The stated threshold payout for the PSUs represent the units awarded in the event that the threshold performance level is achieved (but not exceeded) for each of the applicable performance targets. If the threshold performance level is achieved for at least one of the performance targets, but not achieved for one or more of the performance targets, then the units granted would be less than the amount stated in the table above.

- (6) This row reflects an additional 1,457 RSUs that were granted to Mr. Carroll on October 13, 2016, in accordance with the terms of his employment agreement, which vest two-thirds on March 4, 2018 and one-third on March 4, 2019.
- (7) This row reflects a one time special equity retention award of RSUs granted to Mr. Carroll in 2016 concurrently with the execution of his new employment agreement, which vests on December 31, 2021. See “Employment Agreements — Edward A. Carroll” for details about the special equity retention award.

AMC Networks 401(k) Savings Plan

During 2016, the Company's U.S. employees, including its executive officers, other than Mr. Dolan, participated in the AMC 401(k) Plan, a tax-qualified retirement savings plan. Under this plan, participating employees are eligible to contribute into their plan accounts a percentage of their eligible pay on a before-tax basis as well as a percentage of their eligible pay on an after-tax basis. The Company matches up to 100% of the first 3% of eligible earnings contributed pre-tax by participating employees and then matches 50% of the next 2% of eligible earnings contributed pre-tax by participating employees. In addition, the Company may provide a non-contributory profit sharing contribution based on the employee's eligible earnings. The Company's profit sharing contributions are subject to vesting limitations for the first three years of employment. For December 31, 2016, the Company provided an additional 3% profit sharing contribution based on the employee's eligible earnings to each participating and eligible employee.

AMC Networks Inc. Excess Savings Plan

During 2016, certain of the Company's U.S. employees, including its executive officers, participated in the AMC Excess Savings Plan. The AMC Excess Savings Plan is a non-qualified deferred compensation plan that operates in conjunction with the AMC 401(k) Plan. An employee is eligible to participate in the AMC Excess Savings Plan for a calendar year if his or her eligible earnings in the preceding year exceeded (or would have exceeded, if the employee had been employed for the entire year) the IRS limit on the amount of compensation that can be taken into account in determining contributions under tax-qualified retirement plans (\$265,000 in 2016) and he or she makes an election to participate prior to the beginning of the year. An eligible employee whose contributions to the AMC 401(k) Plan are limited as a result of this compensation limit or as a result of reaching the maximum 401(k) deferral limit (\$18,000 or \$24,000 if 50 or over, for 2016) can continue to make pre-tax contributions under the AMC Excess Savings Plan of up to 10% of his or her eligible pay. In addition, the Company will make matching contributions of 100% of the first 3% of eligible earnings contributed by participating employees and then will match 50% of the next 2% of eligible earnings contributed by participating employees. A participant is always fully vested in his or her own contributions and in the Company's matching contributions. Account balances under the AMC Excess Savings Plan are invested at the discretion of the executive choosing from a selection of investments generally equal to those investments available in the AMC 401(k) Plan. Distributions are made in a lump sum as soon as practicable after termination of the participant's employment with the Company, subject to restrictions under Section 409A.

Employment Agreements

The Company's employment agreements with Messrs. Dolan, Sapan, Carroll, Sullivan and Gallagher are described below.

Charles F. Dolan

Mr. Dolan's employment agreement with the Company provides for his employment as our Executive Chairman. The employment agreement with the Company has an initial term of one year and automatically renews for successive one-year terms unless terminated by either party at least three months prior to the end of the then existing term. The agreement provides for an annual base salary of not less than \$400,000 per year, subject to increase by the Company's Compensation Committee. Mr. Dolan is also eligible for an annual bonus with a target of 175% of his annual base salary, as the Company's Compensation Committee shall determine in its discretion. Under the agreement, Mr. Dolan continues to be eligible to participate in the Company's long-term cash or equity programs or arrangements, at the level determined by the Company's Compensation Committee, in its discretion consistent with his role and responsibilities as Executive Chairman. Although there is no guarantee, it is currently expected that long-term cash and/or equity awards will be made to Mr. Dolan annually.

The Company provides Mr. Dolan with medical, life and accidental death and dismemberment insurance. Such life and accidental death and dismemberment insurance provided by the Company is based on Mr. Dolan's base salary. Mr. Dolan does not participate in any other employee welfare benefit or pension plan of the Company. The employment agreement authorizes Mr. Dolan, in carrying out his responsibilities and duties under the agreement, to make expenditures from time to time on behalf of the Company for the performance, furtherance and maintenance of the Company's business, including travel relating to the business of the Company, entertainment and similar items, and the Company agrees to promptly reimburse Mr. Dolan for such expenditures or in some cases to advance the amount thereof to Mr. Dolan.

Mr. Dolan's employment agreement does not provide for any post-employment benefits in the event of the termination of his employment by him or the Company other than in the case of his death or disability. In the event of Mr. Dolan's death, his agreement provides for payment to his estate of an amount equal to the greater of one year's base salary or one-half of the compensation that would have been payable to Mr. Dolan during the remaining term of his agreement. The Company has the right under the employment agreement to terminate the agreement if Mr. Dolan is incapacitated for more than six consecutive months. In that event, Mr. Dolan will be entitled to receive all his compensation and benefits until the end of the remaining term of his agreement. Mr. Dolan's employment agreement does not address (or provide for any benefits in the event of) termination by the Company without cause, by Mr. Dolan for good reason or termination in connection with retirement, a change in control or a going private transaction.

Joshua W. Sapan

On April 24, 2014, the Company entered into an amended and restated employment agreement with Mr. Sapan. The employment agreement amended and restated an employment agreement that the Company entered into with Mr. Sapan in 2011. Mr. Sapan's employment agreement with the Company provides for Mr. Sapan's employment as President and CEO of the Company until December 31, 2020 (the "Sapan Scheduled Expiration Date") at a minimum annual base salary of \$2,000,000 (subject to annual review and potential increase in the discretion of the Company's Compensation Committee) and an annual target bonus equal to 200% of his annual base salary (and a possible range of 0% to 400%) based on the achievement of performance criteria established by the Compensation Committee in its discretion. Such performance criteria will be set with the same level of difficulty as applied to other senior executives of the Company generally and it is anticipated that such performance criteria will be set with a level of difficulty reasonably consistent with past practice. Under the agreement, Mr. Sapan continues to be eligible to participate in all the Company's employee benefits and retirement plans at the level available to other members of senior management of the Company subject to meeting the relevant eligibility requirements and the terms of the plans.

Mr. Sapan is eligible to participate in the Company's long-term cash or equity programs and arrangements consistent with the role and responsibilities of President and CEO. In calendar year 2014, and each year thereafter through the Sapan Scheduled Expiration Date during which Mr. Sapan is employed by the Company, Mr. Sapan is entitled to receive long-term cash and equity awards with an aggregate target value of \$13,000,000. Unless consented to by Mr. Sapan in writing, the ratio of long-term cash and equity awards in each applicable period will be reasonably consistent with past practice and will be the same ratio as generally provided to Mr. Sapan currently or to other senior executives of the Company generally. Any performance criteria applicable to the long-term cash and equity awards will be set with the same level of difficulty as applied to other senior executives of the Company generally and it is anticipated that the performance criteria will be set with a level of difficulty reasonably consistent with past practice.

To provide an additional incentive for Mr. Sapan to agree to extend his tenure and stay through the end of the term of his new employment agreement, the Compensation Committee offered Mr. Sapan the opportunity to earn a one time special equity retention award of 353,756 RSUs (the "Sapan Special Equity Award"). This Sapan Special Equity Award will vest on December 31, 2020, as long as Mr. Sapan is continuously employed until such date and the performance condition is attained or on an earlier change in control (as defined in the

[Table of Contents](#)

award agreement). The performance condition requires the Company to achieve in any of the two fiscal years 2015 and 2016, at least 90% of the AOI for fiscal year 2013, or in the period April 1, 2014 through December 31, 2014 at least 90% of the AOI for the period April 1, 2013 through December 31, 2013. This Company performance requirement was met in 2014.

If, prior to the Sapan Scheduled Expiration Date, Mr. Sapan's employment with the Company is terminated (i) by the Company or (ii) by him for Good Reason, and at the time of any such termination Cause does not exist, then, subject to his execution of the Company's then standard separation agreement (modified to reflect terms of the employment agreement), which separation agreement will include, without limitation, general releases by him as well as non-competition, non-solicitation, non-disparagement, confidentiality and other provisions substantially similar to (and not more restrictive than) those set forth in the agreement (a "Separation Agreement"), the Company will provide him with the following benefits and rights:

(a) A cash severance payment equal to two times the sum of his annual base salary and annual target bonus will be made on the 90th day after the termination of his employment;

(b) Each outstanding long-term cash performance award that is subject to performance criteria will immediately vest in full and will be paid at the same time and to the same extent that other members of senior management receive payment for such awards as determined by our Compensation Committee (subject to the satisfaction of any applicable performance objectives);

(c) Each of his outstanding long-term cash awards (including any deferred compensation awards under the long-term cash award program) that are not subject to performance criteria will immediately vest in full and will be payable on the 90th day after the termination of his employment;

(d) (i) All of the time-based restrictions on his outstanding restricted stock and RSUs (including the Sapan Special Equity Award) will immediately be eliminated; (ii) deliveries with respect to all such restricted stock that are not subject to performance criteria will be made to him immediately after the effective date of the Separation Agreement; (iii) payment and deliveries with respect to all such RSUs that are not subject to performance criteria will be made to him on the 90th day after the termination of his employment; and (iv) payments or deliveries with respect to his restricted stock and RSUs that are subject to performance criteria will be made (A) with respect to the Sapan Special Equity Award and any other award granted after the date of the employment agreement, as soon as practicable after the Compensation Committee determines that performance criteria have been satisfied (which determination will be made (1) with respect to performance periods that ended on or prior to the date of termination, within a reasonable period of time following termination and (2) with respect to performance periods ending after the date of termination, within a reasonable period of time following the end of such performance periods) and (B) with respect to other awards only if, when and to the same extent that other executive officers receive payment or deliveries for such awards as determined by our Compensation Committee (subject to satisfaction of any applicable performance objectives);

(e) Each of his outstanding stock options and stock appreciation awards will immediately vest and become exercisable and he will have the right to exercise each of those options and stock appreciation awards for the remainder of the term of the option or award; and

(f) A prorated annual bonus for the year in which such termination occurred to the same extent that other executive officers receive payment of bonuses for such year as determined by our Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives), payable at the same time annual bonuses for such year are payable to other executive officers, and, if not previously paid, his annual bonus for the preceding year, to the same extent that other members of senior management receive payment of annual bonuses for such preceding year as determined by our Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives), which annual bonus shall be payable at the same time annual bonuses for such preceding year are payable to other members of senior management.

Notwithstanding clauses (c), (d) and (e) above, any more favorable provisions of Mr. Sapan's existing cash incentive, restricted stock, RSU, stock option or stock appreciation right award agreements will apply to the treatment of such awards following a "going private transaction" (as defined in the award agreements), a "change of control" (as defined in the award agreements) or Mr. Sapan's death.

With respect to any long-term cash performance, restricted stock and RSU awards that are subject to performance criteria and for which the performance periods have not been completed on the date of Mr. Sapan's termination of employment by the Company without Cause or by him for Good Reason at which time Cause does not exist, the Company will (1) pay a cash amount equal to the target amount of the cash awards and deliver a number of shares equal to the number of restricted shares and RSU awards to a "Rabbi Trust" and (2) to the extent the performance criteria are satisfied, the cash and shares in the Rabbi Trust will be paid to Mr. Sapan in accordance with the terms set forth in clauses (c) and (d) above (and to the extent the performance criteria are not achieved, the cash and shares will revert to the Company).

If Mr. Sapan ceases to be an employee of the Company or any of its affiliates prior to the Sapan Scheduled Expiration Date as a result of his death or physical or mental disability, Mr. Sapan (or his estate or beneficiary) will be provided with the benefits and rights set forth in (b) through (f) of the preceding paragraph, and, in the event of his death, such longer period to exercise his then outstanding stock options and stock appreciation awards as may otherwise be permitted under the applicable plan and award letter.

If, after the Sapan Scheduled Expiration Date, Mr. Sapan's employment with the Company is terminated (i) by the Company; (ii) by him for Good Reason; or (iii) by him without Good Reason but only if he had provided the Company with at least six months' advance written notice of his intent to terminate his employment and such written notice specifies an effective date of termination no sooner than the first day after the Sapan Scheduled Expiration Date; or (iv) as a result of his death or disability, and at the time of any such termination, Cause does not exist, then, subject to (except in the case of his death) his execution of a Separation Agreement, he or his estate or beneficiary, as the case may be, will be provided with the benefits and rights set forth above in (b) through (f).

If, prior to, on, or after the Sapan Scheduled Expiration Date, Mr. Sapan ceases to be employed by the Company for any reason other than his being terminated for Cause, he will have three years to exercise outstanding stock options and stock appreciation awards, unless he is afforded a longer period for exercise pursuant to his employment agreement or any applicable award letter. In no event, however, will stock options or stock appreciation rights remain exercisable beyond their regularly scheduled term (except as may otherwise be permitted under the applicable award in the case of death).

Upon the termination of Mr. Sapan's employment with the Company, except as otherwise specifically provided in the employment agreement, his rights to benefits and payments under the Company's pension and welfare plans (other than severance benefits) and any outstanding long-term cash or equity awards will be determined in accordance with the then current terms and provisions of such plans, agreements and awards under which such benefits and payments (including such long-term cash or equity awards) were granted.

The employment agreement contains certain covenants by Mr. Sapan, including a noncompetition agreement that restricts Mr. Sapan's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of Mr. Sapan's employment agreement, the following definitions apply:

"Cause" is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (2) commission of any act or omission that results in, or may reasonably be expected to result in, a conviction, plea of no contest, plea of nolo contendere or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

“Change in Control” of the Company means the acquisition, in a transaction or a series of related transactions, by any person or group, other than Charles F. Dolan or members of the immediate family of Charles F. Dolan or trusts for the benefit of Charles F. Dolan or his immediate family (or an entity or entities controlled by any of them) or any employee benefit plan sponsored or maintained by the Company, of the power to direct the management of the Company or substantially all its assets (as constituted immediately prior to such transaction or transactions).

Termination for “Good Reason” means that (1) without Mr. Sapan’s consent, (A) Mr. Sapan’s base salary or annual bonus target is reduced, (B) the Company requires that Mr. Sapan’s principal office be located more than 50 miles from Manhattan, (C) the Company materially breaches its obligations to Mr. Sapan under his employment agreement, (D) Mr. Sapan is no longer the President and CEO of the Company, (E) Mr. Sapan no longer reports directly to the Chairman (or an Executive Chairman) of the Board of Directors of the Company, or (F) Mr. Sapan’s responsibilities are materially diminished; (2) Mr. Sapan has given the Company written notice, referring specifically to this definition, that he does not consent to such action; (3) the Company has not corrected such action within 15 days of receiving such notice; and (4) Mr. Sapan voluntarily terminates his employment within 90 days following the happening of the action described in subsection (1) of this definition.

Edward A. Carroll

On October 13, 2016, AMC Networks entered into an employment agreement with Mr. Carroll (the “Carroll Employment Agreement”), replacing his previous employment agreement, which expired on December 31, 2016. The Carroll Employment Agreement provides for Mr. Carroll’s employment as Chief Operating Officer of the Company through December 31, 2021 (the “Carroll Scheduled Expiration Date”), with a minimum annual base salary, effective as of March 1, 2016, of \$1,600,000 and, effective as of September 1, 2016, of \$1,700,000 (subject to annual review and potential increase in the discretion of the Company’s Compensation Committee) and an annual target bonus opportunity equal to not less than 175% of his annual base salary. He will be eligible for our standard benefits programs and retirement plans at the level available to other members of senior management of the Company subject to meeting the relevant eligibility requirements and the terms of the plans.

Mr. Carroll is eligible to participate in the Company’s long-term cash or equity programs and arrangements consistent with the role and responsibilities of a Chief Operating Officer. Beginning in calendar year 2017, and each year thereafter through the Carroll Scheduled Expiration Date during which Mr. Carroll is employed by the Company, Mr. Carroll is entitled to receive long-term cash and equity awards with an aggregate target value of \$3,400,000.

To provide an additional incentive for Mr. Carroll to agree to extend his tenure and stay through the end of the term of his new employment agreement, the Compensation Committee offered Mr. Carroll the opportunity to earn a one time special equity retention award of 242,813 RSUs (the “Carroll Special Equity Award”) and, in recognition of Mr. Carroll’s increased compensation level, a one-time grant of long-term cash and/or equity awards with an aggregated target value of not less than \$150,000. Except as described below, the Carroll Special Equity Award will vest on December 31, 2021, as long as Mr. Carroll is continuously employed until such date and the performance condition is attained or on an earlier change in control (as defined in the award agreement). The performance condition requires the Company to achieve in any of the two fiscal years 2017 and 2018, at least 90% of the AOI for fiscal year 2015.

If, prior to the Carroll Scheduled Expiration Date, Mr. Carroll’s employment with the Company is terminated (i) by the Company or (ii) by him for Good Reason, and at the time of any such termination Cause does not exist, then, subject to his execution of the Company’s then standard separation agreement (modified to reflect terms of the employment agreement), which separation agreement will include, without limitation, general releases by him as well as non-competition, non-solicitation, non-disparagement, confidentiality and other

[Table of Contents](#)

provisions substantially similar to (and not more restrictive than) those set forth in the agreement, the Company will provide him with the following benefits and rights:

- (a) the payment of an amount in cash equal to not less than two times the sum of Mr. Carroll's annual base salary and his annual target bonus as in effect at that time;
- (b) the payment of a prorated bonus for the year of termination and, to the extent termination occurs prior to the payment of an annual bonus for the preceding year, payment of an annual bonus for the preceding year, in each case, if and when other similarly situated employees receive payment of bonuses for such years as determined by the Company's Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable Company and business-unit performance objectives without adjustment for individual performance);
- (c) each of his outstanding long-term cash awards and PSUs granted under the plans of the Company shall immediately vest in full and be payable at the same time and to the same extent such awards are paid to similarly situated active executives as determined by the Company's Compensation Committee (subject to satisfaction of any applicable performance criteria);
- (d) each of his outstanding restricted stock or RSU awards granted under plans of the Company (other than the Carroll Special Equity Award) will continue to vest in accordance with their original vesting schedule and payments or deliveries will be made to him on the original vesting date;
- (e) each of his outstanding stock options and stock appreciation awards under the plans of the Company will continue to vest in accordance with their original vesting schedule and he will have the right to exercise each of such options and awards for the remainder of the term of such option or award; and
- (f) the time-based restrictions on the Carroll Special Equity Award will lapse and such award will be paid to Mr. Carroll upon achievement of the performance criteria.

If Mr. Carroll ceases to be an employee of the Company prior to the Carroll Scheduled Expiration Date as a result of his death or physical or mental disability, and at the time Cause does not exist then, subject (other than in the case of death) to his execution of a Separation Agreement, Mr. Carroll (or his estate or beneficiary) will be provided with the benefits and rights set forth in clauses (b), (d), (e) and (f) in the preceding paragraph, and each of his outstanding long-term cash incentive awards and PSUs granted under plans of the Company will immediately vest in full, whether or not subject to performance criteria and will be payable on the 90th day after termination of his employment; provided, that if any such award is subject to any performance criteria, then (i) if the measurement period for such performance criteria has not yet been fully completed, then the payment amount shall be at the target amount for such award and (ii) if the measurement period for such performance criteria has already been fully completed, then the payment of such award shall be at the same time and to the extent that other similarly situated executives receive payment as determined by the Company's Compensation Committee (subject to satisfaction of the applicable performance criteria).

If, after the Carroll Scheduled Expiration Date, Mr. Carroll's employment with the Company is terminated (i) by the Company; (ii) by him for Good Reason; or (iii) by him without Good Reason but only if he had provided the Company with at least six months' advance written notice of his intent to terminate his employment and such written notice specifies an effective date of termination no sooner than the first day after the Carroll Scheduled Expiration Date; or (iv) as a result of his death or disability, and at the time of any such termination, Cause does not exist, then, subject to (except in the case of his death) his execution of a separation agreement, he or his estate or beneficiary, as the case may be, will be provided with the benefits and rights set forth above in (b) through (e).

Notwithstanding clauses (c), (d) and (e) above, any more favorable provisions of Mr. Carroll's existing cash incentive, PSUs, restricted stock, RSU, stock option or stock appreciation right award agreements will apply

[Table of Contents](#)

to the treatment of such awards following a “going private transaction” (as defined in the award agreements), a “change of control” (as defined in the award agreements) or Mr. Carroll’s death.

For purposes of the Carroll Employment Agreement the following definitions apply:

“Cause” means (i) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (ii) commission of any act or omission that results in a conviction, plea of no contest, plea of nolo contendere, or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Termination for “Good Reason” means that (1) without Mr. Carroll’s consent, (A) his base salary or annual bonus target is reduced, (B) his title is reduced, (C) he reports directly to someone other than the Executive Chairman or the President and CEO of the Company, (D) his responsibilities as in effect immediately after October 13, 2016 are thereafter materially diminished, (E) the Company requires that his principal office be located more than 50 miles from Manhattan or (F) the Company materially breaches its obligations to Mr. Carroll under the Carroll Employment Agreement; (2) he has given the Company written notice, referring specifically to the Carroll Employment Agreement and the Good Reason definition, that he does not consent to such action; (3) the Company has not corrected such action within 30 days of receiving such notice; and (4) he voluntarily terminates his employment within 90 days following the happening of the action described in subsection (1) above.

Sean S. Sullivan

On April 13, 2016, the Company entered into an amended and restated employment agreement with Mr. Sullivan, the terms of which are described below. The employment agreement provides for Mr. Sullivan’s employment as Executive Vice President — Chief Financial Officer of the Company through April 13, 2019, with a minimum annual base salary of \$900,000 (subject to annual review and potential increase in the discretion of the Company’s Compensation Committee) and an annual target bonus opportunity equal to 100% of his annual base salary in the discretion of the Company’s Compensation Committee. He will be offered our standard benefits programs and the opportunity to participate in our long-term equity and other incentive programs, in each case on the same basis as similarly situated executives at the Company. The agreement provides that, beginning in 2016, it is expected that Mr. Sullivan’s participation in the Company’s long-term equity and other incentive programs will consist of annual grants of cash and/or equity awards with a target value of not less than \$2,400,000, as determined by the Compensation Committee.

Mr. Sullivan’s employment agreement provides severance benefits if Mr. Sullivan’s employment is terminated prior to April 13, 2019 (1) by the Company or (2) by Mr. Sullivan for Good Reason, and at the time of such termination under clauses (1) or (2) Cause does not exist. These benefits consist of the payment of an amount in cash equal to not less than two times the sum of Mr. Sullivan’s annual base salary and his annual target bonus as in effect at that time. In addition, Mr. Sullivan is entitled to a prorated bonus for the year of termination and, to the extent termination occurs prior to the payment of an annual bonus for the preceding year, an annual bonus for the preceding year, in each case, if and when other similarly situated employees receive payment of bonuses for such years as determined by the Company’s Compensation Committee in its sole discretion and subject to the satisfaction of any applicable Company and business-unit performance objectives without adjustment for individual performance (collectively, the “Sullivan Bonuses”). Mr. Sullivan is also entitled to vesting (or, in the case of options and stock appreciation awards, continued vesting in accordance with the original vesting schedule) of a prorated portion of any then-outstanding equity and cash incentive awards, in each case subject to the Compensation Committee’s certification of the achievement of any applicable performance conditions. Mr. Sullivan will have the right to exercise any such prorated portion of options and stock appreciation awards for the remainder of the applicable term. Finally, the Company’s Compensation Committee will consider, in good faith, approving the vesting of Mr. Sullivan’s remaining outstanding equity and cash incentive awards, provided that, to the extent any such awards are subject to any performance criteria, any

[Table of Contents](#)

such vested portion will be payable when and to the same extent paid to other employees generally holding such awards, subject to the satisfaction of the performance criteria. All termination payments and benefits described above would be conditioned on Mr. Sullivan executing a Separation Agreement.

If Mr. Sullivan ceases to be an employee of the Company prior to April 13, 2019 as a result of his death or physical or mental disability, and at such time Cause does not exist, then Mr. Sullivan will be entitled to payment of the Sullivan Bonuses and Mr. Sullivan's outstanding equity and cash incentive awards will vest and pay in full, whether or not subject to performance criteria. Any such award that is subject to performance criteria will vest and pay at the target level unless the performance measurement period for such award has been completed prior to the date of termination, in which case the award will vest and pay when and to the same extent as the awards held by other employees, subject to the satisfaction of the performance criteria. In the event of a termination as a result of physical or mental disability, all termination payments and benefits described above would be conditioned on Mr. Sullivan executing a Separation Agreement.

In connection with any termination of Mr. Sullivan's employment, other than as specifically provided above, all equity or cash incentive grants or awards he may then have outstanding will be treated in accordance with their terms and nothing in the employment agreement is intended to limit any more favorable rights to which Mr. Sullivan is entitled under the terms of his equity or cash incentive grants or awards, including in event of a termination of employment, a "going private transaction" (as defined in the award agreements) or a "change of control" (as defined in the award agreements).

The employment agreement contains certain covenants by Mr. Sullivan, including a noncompetition agreement that restricts Mr. Sullivan's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of Mr. Sullivan's employment agreement the following definitions apply:

"Cause" means Mr. Sullivan's (i) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (ii) commission of any act or omission that results in a conviction, plea of no contest, plea of nolo contendere, or imposition of unadjudicated probation for, in each case, any crime involving moral turpitude or any felony.

Termination for "Good Reason" means that (1) without Mr. Sullivan's consent, (A) his base salary or annual bonus target (as each may be increased from time to time in the Company's Compensation Committee's discretion) is reduced, (B) his title is diminished, (C) he reports to someone other than the Company's President and CEO or the Executive Chairman, (D) his responsibilities as in effect immediately after April 13, 2016 are thereafter materially diminished, (E) the Company materially breaches its obligations under the employment agreement or (F) the Company requires that his principal office be located more than 50 miles from Manhattan; (2) he has given the Company written notice, referring specifically to the employment agreement and the Good Reason definition, that he does not consent to such action; (3) the Company has not corrected such action within 30 days of receiving such notice; and (4) he voluntarily terminates his employment with the Company within 90 days following the happening of the action described in subsection (1) above.

Prior to April 13, 2016, Mr. Sullivan's employment was governed by the terms of the employment agreement entered into with Mr. Sullivan in 2013, which was generally consistent with the terms described above except that: (1) the scheduled expiration date was March 12, 2016, (2) the minimum annual base salary was \$655,000, (3) the target annual bonus was 75% of base salary, (4) the expected annual long-term incentive grant was \$1,200,000, (5) the employment agreement did not provide for vesting of a prorated portion of outstanding equity and cash incentive awards in the event of a termination of employment without Cause or for Good Reason, and (6) the employment agreement did not provide that the more favorable provisions of existing award agreements apply following a change in control or going private transaction, notwithstanding the provisions in the employment agreement.

James G. Gallagher

On April 13, 2016, the Company entered into an amended and restated employment agreement with Mr. Gallagher, the terms of which are described below. The agreement provides for Mr. Gallagher's employment as Executive Vice President — General Counsel of the Company through April 13, 2019, with a minimum annual base salary of \$725,000 (subject to annual review and potential increase in the discretion of the Company's Compensation Committee) and an annual target bonus opportunity equal to 75% of his annual base salary in the discretion of the Company's Compensation Committee. He will be offered our standard benefits programs and the opportunity to participate in our long-term equity and other incentive programs, in each case on the same basis as similarly situated executives at the Company. The agreement provides that, beginning in 2016, it is expected that Mr. Gallagher's participation in the Company's long-term equity and other incentive programs will consist of annual grants of cash and/or equity awards with a target value of not less than \$1,250,000, as determined by the Compensation Committee.

Mr. Gallagher's employment agreement provides severance benefits if Mr. Gallagher's employment is terminated prior to April 13, 2019 (1) by the Company or (2) by Mr. Gallagher for Good Reason, and at the time of such termination under clauses (1) or (2) Cause does not exist. These benefits consist of the payment of an amount in cash equal to not less than two times the sum of Mr. Gallagher's annual base salary and his annual target bonus as in effect at that time. In addition, Mr. Gallagher is entitled to a prorated bonus for the year of termination and, to the extent termination occurs prior to the payment of an annual bonus for the preceding year, an annual bonus for the preceding year, in each case if and when other similarly situated employees receive payment of bonuses for such years as determined by the Company's Compensation Committee in its sole discretion and subject to the satisfaction of any applicable Company and business-unit performance objectives without adjustment for individual performance (collectively, the "Gallagher Bonuses"). Mr. Gallagher is also entitled to vesting (or, in the case of options and stock appreciation awards, continued vesting in accordance with the original vesting schedule) of a prorated portion of any then-outstanding equity and cash incentive awards, in each case subject to the Compensation Committee's certification of the achievement of any applicable performance conditions. Mr. Gallagher will have the right to exercise any such prorated portion of options and stock appreciation awards for the remainder of the applicable term. Finally, the Company's Compensation Committee will consider, in good faith, approving the vesting of Mr. Gallagher's remaining outstanding equity and cash incentive awards, provided that, to the extent any such awards are subject to any performance criteria, any such vested portion will be payable when and to the same extent paid to other employees generally holding such awards, subject to the satisfaction of the performance criteria. All termination payments and benefits described above would be conditioned on Mr. Gallagher executing a Separation Agreement.

If Mr. Gallagher ceases to be an employee of the Company prior to April 13, 2019 as a result of his death or physical or mental disability, and at such time Cause does not exist, then Mr. Gallagher will be entitled to payment of the Gallagher Bonuses and Mr. Gallagher's outstanding equity and cash incentive awards will vest and pay in full, whether or not subject to performance criteria. Any such award that is subject to performance criteria will vest and pay at the target level unless the performance measurement period for such award has been completed prior to the date of termination, in which case the award will vest and pay when and to the same extent as the awards held by other employees, subject to the satisfaction of the performance criteria. In the event of a termination as a result of physical or mental disability, all termination payments and benefits described above would be conditioned on Mr. Gallagher executing a Separation Agreement.

In connection with any termination of Mr. Gallagher's employment, other than as specifically provided above, all equity or cash incentive grants or awards he may then have outstanding will be treated in accordance with their terms and nothing in the employment agreement is intended to limit any more favorable rights to which Mr. Gallagher is entitled under the terms of his equity or cash incentive grants or awards, including in event of a termination of employment, a "going private transaction" (as defined in the award agreements) or a "change of control" (as defined in the award agreements).

[Table of Contents](#)

The employment agreement contains certain covenants by Mr. Gallagher, including a noncompetition agreement that, subject to applicable rules of professional responsibility, restricts Mr. Gallagher's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of Mr. Gallagher's employment agreement the following definitions apply:

"Cause" means Mr. Gallagher's (i) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (ii) commission of any act or omission that results in a conviction, plea of no contest, plea of nolo contendere, or imposition of unadjudicated probation for, in each case, any crime involving moral turpitude or any felony.

Termination for "Good Reason" means that (1) without Mr. Gallagher's consent, (A) his base salary or annual bonus target (as each may be increased from time to time in the Company's Compensation Committee's discretion) is reduced, (B) his title is diminished, (C) he reports to someone other than the Company's President and CEO or the Executive Chairman, (D) his responsibilities as in effect immediately after April 13, 2016 are thereafter materially diminished, (E) the Company materially breaches its obligations under the employment agreement or (F) the Company requires that his principal office be located more than 50 miles from Manhattan; (2) he has given the Company written notice, referring specifically to the employment agreement and the Good Reason definition, that he does not consent to such action; (3) the Company has not corrected such action within 30 days of receiving such notice; and (4) he voluntarily terminates his employment with the Company within 90 days following the happening of the action described in subsection (1) above.

Prior to April 13, 2016, Mr. Gallagher's employment was governed by the terms of the employment agreement entered into with Mr. Gallagher in 2013, which was generally consistent with the terms described above except that: (1) the scheduled expiration date was March 12, 2016, (2) the minimum annual base salary was \$520,000, (3) the target annual bonus was 60% of base salary, (4) the expected annual long-term incentive grant was \$700,000, (5) the employment agreement did not provide for vesting of a prorated portion of outstanding equity and cash incentive awards in the event of a termination of employment without Cause or for Good Reason, and (6) the employment agreement did not provide that the more favorable provisions of existing award agreements apply following a change in control or going private transaction, notwithstanding the provisions in the employment agreement.

Termination and Severance

This section describes the payments that would be received by executive officers from the Company upon various termination of employment scenarios.

Separation from the Company

Payments may be made to employees upon the termination of their employment with the Company depending upon the circumstances of their termination, which include termination by the Company with cause or without cause, termination by the employee for good reason, other voluntary termination by the employee, retirement, death, disability, or termination following a change in control of the Company or following a going-private transaction. Certain of these circumstances are addressed in employment agreements between the Company and the executives. The information under "Separation from the Company" assumes that the NEO was employed by the Company under his applicable agreement, if any, and his employment terminated as of December 31, 2016. For a description of termination provisions in the employment agreements, see "Employment Agreements" above. In addition, award agreements for any long-term incentives will also address some of these circumstances.

Quantification of Termination and Severance

The following tables set forth a quantification of estimated severance and other benefits payable to our NEOs under various circumstances regarding the termination of their employment. In calculating these severance and other payments, we have taken into consideration or otherwise assumed the following:

(1) Termination of employment occurred after the close of business on December 30, 2016. Payment calculations are based upon the applicable NEO's employment agreement, if any, as in effect on that date.

(2) We have valued equity awards using the closing market price of Class A Common Stock on the NASDAQ on December 30, 2016, the last trading day of the year, of \$52.34.

In the event of termination of employment, the payment of certain long-term incentive awards and other amounts may be delayed, depending upon the terms of each specific award agreement, the provisions of the applicable NEO's employment agreement and the applicability of Section 409A. In quantifying aggregate termination payments, we have not taken into account the timing of the payments and we have not discounted the value of payments that would be made over time, except where otherwise disclosed.

We have assumed that all performance metrics for performance-based awards are achieved at the target level (but not exceeded).

Benefits Payable As a Result of Voluntary Termination of Employment by Employee, Retirement or Termination of Employment by the Company for Cause

In the event of voluntary termination of employment by the executive without Good Reason, retirement or termination by the Company for cause, in each case that is not in connection with a change in control, none of our NEOs would have been entitled to any payments at December 30, 2016.

TRANSACTIONS WITH RELATED PARTIES AND RELATED PARTY TRANSACTION POLICY

Relationship Between Us, MSG and MSG Networks

AMC Networks Inc. was incorporated on March 9, 2011 as an indirect, wholly-owned subsidiary of Cablevision. As a result of the Distribution of the Company by Cablevision, the Company became an independent public company and Cablevision no longer holds a common stock ownership interest in us. Prior to June 21, 2016, Charles F. Dolan, members of his family and certain family entities (the “Dolan Family”) were the controlling stockholders of Cablevision. On June 21, 2016, Cablevision was acquired by a subsidiary of Altice N.V. and a change in control occurred which resulted in the Dolan Family no longer being controlling stockholders of the surviving company, Altice USA. Accordingly Altice USA is not a related party. However, MSG, MSG Networks and AMC Networks Inc. continue to be under the control of the Dolan Family.

Certain of the agreements summarized in this section have been included as exhibits to our Annual Report on Form 10-K for the year ended December 31, 2016, and the following summaries of those agreements are qualified in their entirety by reference to the agreements as so filed.

Equity Administration Agreement

The Company is party to an Equity Administration Agreement with MSG Networks and an Equity Administration Agreement with MSG, each of which sets forth the responsibilities and liabilities of the parties regarding exercise and forfeiture of outstanding equity awards: (i) of the Company that are held by employees or former employees of MSG Networks or MSG and (ii) of MSG Networks or MSG that are held by employees or former employees of the Company.

Other Arrangements and Agreements with MSG and/or MSG Networks

The Company has also entered into a number of commercial and technical arrangements and agreements with MSG and its subsidiaries and MSG Networks and its subsidiaries, none of which are material to the Company. These include, but are not limited to, arrangements for office space and administrative support services, an aircraft time sharing agreement, lease of a suite at Madison Square Garden Arena from MSG, provision of technical and transponder services and coordination in respect of certain litigation matters.

See “Stock Ownership Table” for a description of registration rights agreements among Dolan Family interests and the Company.

Dolan Family Arrangements

On June 16, 2016, the Company entered into an arrangement with the Dolan Family Office, LLC (“DFO LLC”), MSG Networks and AMC Networks providing for the sharing of certain expenses associated with executive office space which is available to Charles F. Dolan, James L. Dolan and DFO LLC. The Company’s current share of the office expenses is expected to amount to less than \$55,000 a year. In 2016, the Company paid \$104,727 for its portion of such office expenses, including initial set up costs of \$51,780.

Certain Relationships and Potential Conflicts of Interest

Charles F. Dolan serves as the Executive Chairman of the Company. In addition, six members of our Board also serve as directors of MSG and five members of our Board also serve as directors of MSG Networks. Therefore, these directors may have actual or apparent conflicts of interest with respect to matters involving or

[Table of Contents](#)

affecting each company. For example, there is the potential for a conflict of interest when we, MSG or MSG Networks consider certain acquisitions and other corporate opportunities that may be suitable for us and either or both of them. Also, conflicts may arise if there are issues or disputes under the commercial arrangements that exist between MSG or MSG Networks and us. In addition, certain of our officers and directors own MSG Networks and MSG stock and options to purchase MSG Networks and MSG stock. These ownership interests could create actual, apparent or potential conflicts of interest when these individuals are faced with decisions that could have different implications for the Company and MSG or MSG Networks. See “Related Party Transaction Policy” below for a discussion of certain procedures we instituted to help ameliorate any such potential conflicts that may arise.

The Company’s Amended and Restated Certificate of Incorporation acknowledges that the Company may have overlapping directors and officers with MSG Networks and its subsidiaries and successors and that the Company may engage in material business transactions with such entities. The Company has renounced its rights to certain business opportunities and the Company’s Amended and Restated Certificate of Incorporation provides that in certain circumstances our directors and officers will not have liability to the Company or its stockholders for breach of any fiduciary duty by reason of the fact that any such individual directs a corporate opportunity to MSG Networks or any of its subsidiaries instead of the Company, or does not refer or communicate information regarding such corporate opportunity to the Company. Our Amended and Restated Certificate of Incorporation also expressly validates certain contracts, agreements, arrangements and transactions (and amendments, modifications or terminations thereof) between the Company and MSG Networks and/or any of their respective subsidiaries and provides that, to the fullest extent permitted by law, the actions of the overlapping directors and officers in connection therewith are not breaches of fiduciary duties owed to the Company or its stockholders. In connection with the spin-off of MSG by MSG Networks, our Board adopted a policy putting in place arrangements similar to the foregoing provisions with respect to directors or officers of the Company who are also directors of MSG.

Related Party Transaction Policy

We have adopted a written policy whereby an independent committee of our Board of Directors consisting entirely of directors who have been determined by the Board of Directors to be independent for purposes of the NASDAQ corporate governance standards reviews and approves or takes such other action as it may deem appropriate with respect to transactions involving the Company and its subsidiaries, on the one hand, and in which any director, officer, greater than 5% stockholder of the Company or any other “related person” as defined in Item 404 has or will have a direct or indirect material interest. This approval requirement covers any transaction that meets the related party disclosure requirements of the SEC as set forth in Item 404, which currently apply to transactions (or any series of similar transactions) in which the amount involved exceeds \$120,000. To simplify the administration of the approval process under this policy, the independent committee may, where appropriate, establish guidelines for certain of those transactions. The policy does not cover decisions on compensation or benefits or the hiring or retention of any person. The hiring or retention of executive officers is determined by our full Board of Directors. Compensation of executive officers is subject to the approval of our Compensation Committee. This policy also does not cover any pro rata distributions to all Company stockholders, including a pro rata distribution of our Class A Common Stock to holders of our Class A Common Stock and our Class B Common Stock to holders of our Class B Common Stock. No director on an independent committee will participate in the consideration of a related party transaction with that director or any related person of that director.

Our Board of Directors has also adopted a special approval policy for transactions with MSG and its subsidiaries or with MSG Networks and its subsidiaries (collectively, the “Other Company”) whether or not such transactions qualify as “related party” transactions described above. Under this policy, an independent committee of the Board of Directors oversees approval of all transactions and arrangements between the Company and its subsidiaries, on the one hand, and the Other Company, on the other hand, in which the amount exceeds \$120,000. To simplify the administration of the approval process under this policy, the independent committee may, where

[Table of Contents](#)

appropriate, establish guidelines for certain of these transactions. The approval requirement does not apply to the implementation and administration of these intercompany arrangements but does cover any amendments, modifications, terminations or extensions, other than ministerial, nonsubstantive amendments or modifications, as well as the handling and resolution of any disputes. Our executive officers and directors who are also senior executives or directors of the Other Company may participate in the negotiation, execution, implementation, amendment, modification, or termination of these intercompany arrangements, as well as in any resolution of disputes thereunder, on behalf of either or both of the Company and the Other Company, in each case under the direction of an independent committee or the comparable committee of the board of directors of the Other Company.

Currently, and throughout our fiscal year ended December 31, 2016, our Audit Committee or our Compensation Committee (each of which consisted solely of directors elected by the Class A stockholders) served as the Independent Committee under the above policies.

Our Related Party Transaction Approval Policy cannot be amended or terminated without the prior approval of a majority of the independent directors and by a majority of the directors elected by our Class B Common Stockholders. For purposes of this policy, “independent directors” means those directors who have been determined by our Board to be independent directors for purposes of NASDAQ corporate governance standards.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, certain executive officers, and persons who beneficially own more than 10 percent of the outstanding Class A Common Stock to file reports of ownership and changes in ownership with the SEC. The SEC regulations require AMC Networks to identify anyone who failed to file a required report or filed a late report during 2016. Based solely on a review of reports filed under Section 16(a) of the Exchange Act, the Company is aware of no such failure.

STOCK OWNERSHIP TABLE

The table sets forth certain information as of March 15, 2017, except as noted below, with respect to the beneficial ownership of the Company's Class A Common Stock and Class B Common Stock by (i) each person the Company believes beneficially holds more than 5% of any class of the outstanding shares of the Company's based solely on the Company's review of SEC filings; (ii) each director or director nominee of the Company and (iii) each Named Executive Officer of the Company.

- (1) For purposes of this table, “beneficial ownership” is determined in accordance with Rule 13d-3 under the Exchange Act, pursuant to which a person or group of persons is deemed to have “beneficial ownership” of any shares of Common Stock that such person has the right to acquire within 60 days of the date of determination. In light of the nature of vested RSUs, we have also included in this table shares of Class A Common Stock underlying vested RSUs. For purposes of computing the percentage of outstanding shares of Common Stock held by each person or group of persons named above, shares of Common Stock underlying vested RSUs are deemed to be outstanding for the purpose of computing the Percent of Class of such person or group but are not deemed to be outstanding for the purpose of computing the Percent of Class of any other person or group. Shares underlying vested RSUs are not deemed to be outstanding for the purpose of computing the Combined Voting Power of All Classes of Stock Beneficially Owned. Beneficial ownership of Class A Common Stock is exclusive of the shares of Class A Common Stock that are issuable upon conversion of shares of Class B Common Stock. Please see footnote 6 below for the number of shares of Class A Common Stock underlying vested RSUs which have been included in the table above.
- (2) Shares of Class B Common Stock are convertible into shares of Class A Common Stock at the option of the holder on a share for share basis. The holder of one share of Class A Common Stock has one vote per share at a meeting of our stockholders and the holder of one share of Class B Common Stock has 10 votes per share at a meeting of our stockholders, except in the separate elections of directors. Holders of Class A Common Stock have the right to elect 25% of the Board of Directors rounded up to the nearest whole director and the holders of Class B Common Stock have the right to elect the remaining members of the Board of Directors.

Charles F. Dolan, members of his family and related family entities, by virtue of their ownership of Class B Common Stock, are able collectively to control stockholder decisions on matters in which holders of Class A Common Stock and Class B Common Stock vote together as a single class, and to elect up to 75% of the Company's Board. Charles F. Dolan, members of the Dolan family and related family entities are parties to a Stockholders Agreement which has the effect of causing the voting power of these Class B stockholders to be cast as a block on all matters to be voted on by holders of Class B Common Stock. Under the Stockholders Agreement, the shares of Class B Common Stock owned by members of the Dolan family group are to be voted on all matters in accordance with the determination of the Dolan Family Committee, except that the decisions of

[Table of Contents](#)

the Dolan Family Committee are non-binding with respect to the Class B shares owned by certain Dolan family trusts that collectively own approximately 47.9% of the outstanding Class B Common Stock. The Dolan Family Committee consists of Charles F. Dolan and his six children, James L. Dolan, Patrick F. Dolan, Thomas C. Dolan, Kathleen M. Dolan, Marianne E. Dolan and Deborah A. Dolan-Sweeney (collectively, the “Dolan Siblings”). The Dolan Family Committee generally acts by vote of the Dolan Siblings, with each Dolan Sibling being entitled to one vote. Matters coming to the Dolan Family Committee generally require approval by a majority vote, except that a going-private transaction must be approved by a two-thirds vote and a change-in-control transaction must be approved by not less than all but one vote. The Stockholders Agreement also contains certain transfer restrictions, rights of first offer, rights of first refusal, tag-along rights and drag-along rights, all of which are for the benefit of, and waivable and enforceable by, the Class B stockholders and not the Company.

Charles F. Dolan, all other holders of Class B Common Stock (other than the Charles F. Dolan Children Trusts), the Dolan Children’s Foundation, the Dolan Family Foundation and the Company have entered into a registration rights agreement (the “Dolan Registration Rights Agreement”). Under this agreement, the Company will provide to the parties to the Dolan Registration Rights Agreement (the “Dolan Parties”) (and, in certain cases, transferees and pledgees of shares of Class B Common Stock owned by these parties) with certain demand and piggy-back registration rights with respect to their shares of Class A Common Stock (including those issued upon conversion of shares of Class B Common Stock). As of March 15, 2017, the Dolan Parties owned approximately 6.0 million shares of Class B Common Stock (the “Dolan Shares”), which represented approximately 52.4% of our Class B Common Stock, as well as approximately 0.8 million shares of Class A Common Stock, which represented approximately 1.5% of our Class A Common Stock. Such shares of Class B Common Stock and Class A Common Stock, collectively, represented approximately 10.1% of our Common Stock and approximately 35.6% of the aggregate voting power of our Common Stock.

The Charles F. Dolan Children Trusts (the “Children Trusts”) and the Company have entered into a registration rights agreement (the “Children Trusts Registration Rights Agreement”). Under this agreement, the Company will provide the Children Trusts (and, in certain cases, transferees and pledgees of shares of Class B Common Stock owned by these parties) with certain demand and piggy-back registration rights with respect to their shares of Class A Common Stock (including those issued upon conversion of shares of Class B Common Stock). As of March 15, 2017, the Children Trusts owned approximately 5.5 million shares of Class B Common Stock (the “Children Trust Shares”), which represented approximately 47.6% of our Class B Common Stock, as well as approximately 0.2 million shares of Class A Common Stock, which represented less than 1% of our Class A Common Stock. Such shares of Class B Common Stock and Class A Common Stock, collectively, represented approximately 8.4% of our Common Stock and approximately 32.1% of the aggregate voting power of our Common Stock.

In the Children Trusts Registration Rights Agreement, each Children Trust has agreed that in the case of any sale or disposition of its shares of Class B Common Stock (other than to Charles F. Dolan or other Dolan family interests) by such Children Trust, or of any of the Children Trust Shares by any other Dolan family interest to which such shares of Class B Common Stock are transferred, such stock will be converted to Class A Common Stock. The Dolan Registration Rights Agreement does not include a comparable conversion obligation, and the conversion obligation in the Children Trusts Registration Rights Agreement does not apply to the Dolan Shares.

The Dolan Registration Rights Agreement and the Children Trusts Registration Rights Agreement have been included as exhibits to our Annual Report on Form 10-K for the year ended December 31, 2011, and the foregoing discussion of those agreements is qualified in its entirety by reference to those agreements so filed.

GENERAL INFORMATION

Who may vote at the Annual Meeting?

Holders of our Class A Common Stock and holders of our Class B Common Stock, as recorded in our stock register at the close of business on April 10, 2017 (the “Record Date”), may vote at the meeting. On April 10, 2017, there were 55,547,147 shares of Class A Common Stock and 11,484,408 shares of Class B Common Stock outstanding. Each share of Class A Common Stock has one vote per share and holders will be voting for the election of five candidates to the Board of Directors of AMC Networks. Each share of Class B Common Stock has ten votes per share and holders will be voting for the election of eight candidates to the Board. As a result of their ownership of Class B Common Stock, the Dolan Family has the power to elect all of the directors to be elected by the holders of Class B Common Stock and to approve Proposal 2 regardless of how other shares are voted.

Why did I receive a Notice of Internet Availability for Proxy Materials instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, the Company has elected to provide access to its proxy materials over the Internet. Accordingly, we have sent a Notice of Internet Availability for Proxy Materials (the “Notice”) to our stockholders. All stockholders have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive future proxy materials in printed form by mail or electronically by email. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the cost and the environmental impact of the annual meeting.

What is “householding” and how does it affect me?

We have adopted a procedure, approved by the SEC, called “householding.” Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of this Notice of Annual Meeting and Proxy Statement and the Annual Report on Form 10-K for the year ended December 31, 2016, unless we are notified that one or more of these stockholders wishes to receive individual copies. This procedure will reduce our printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate proxy cards. If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of this Notice of Annual Meeting and Proxy Statement and any accompanying documents, or if you hold AMC Networks stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, Wells Fargo Shareowner Services, 1110 Centre Pointe Curve, Suite 101, MAC N9173-010, Mendota Heights, MN 55120 or by telephone at 800-468-9716.

If you participate in householding and wish to receive a separate copy of this Notice of Annual Meeting and Proxy Statement and any accompanying documents, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact Wells Fargo Shareowner Services as indicated above.

If you are a beneficial owner, you can request information about householding from your broker, bank or other holder of record.

How can I get electronic access to the proxy materials?

The Notice provides you with instructions on how to:

- View the Company's proxy materials for the annual meeting on the Internet; and
- Instruct the Company to send future proxy materials to you electronically by email. The Company's proxy materials are also available at <http://www.proxyvote.com>.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you revoke it.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record . If your shares are registered directly in your name with the Company's transfer agent, Wells Fargo Shareowner Services, you are considered a stockholder of record with respect to those shares, and the Notice was sent directly to you by the Company. If you request printed copies of the proxy materials by mail, you will receive a proxy card.

Beneficial Owner of Shares Held in Street Name . If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are a beneficial owner of shares held in "street name," and the Notice was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to instruct that organization how to vote the shares held in your account. If you request printed copies of the proxy materials by mail, you will receive a voting instruction form from that organization.

How do I vote?

You may vote in advance of the annual meeting by telephone, over the Internet or by a proxy. You may also vote in person at the meeting. If you choose to vote by mail, please sign and return the proxy card in the envelope provided. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

What votes need to be present to hold the Annual Meeting?

In order to carry on the business of the Annual Meeting, we need a majority of the votes represented by the shares of the Company's Class A Common Stock and Class B Common Stock outstanding on April 10, 2017 to be present, in person or by proxy. If voting on a particular action is by class, a majority of the votes represented by the outstanding shares of such class is required for such action.

Can my broker vote my shares without instructions from me?

If you are a beneficial owner whose shares are held of record by a broker, you must instruct your broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a "broker non-vote." In these cases, the broker can register your shares as being present at the annual meeting but will not be able to vote on those matters for which specific authorization is required under applicable rules.

[Table of Contents](#)

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under applicable rules to vote your shares on the ratification of KPMG as the Company's independent registered public accounting firm, even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on these matters.

What is the voting requirement to approve each of the proposals?

Election of directors by the holders of Class A Common Stock requires the affirmative vote of a plurality of votes cast by holders of Class A Common Stock. Election of directors by the holders of Class B Common Stock requires the affirmative vote of a plurality of votes cast by holders of Class B Common Stock. Approval of Proposal 2 requires the favorable vote of a majority of the votes cast by the holders of Class A Common Stock and holders of Class B Common Stock, voting together as a single class. Abstentions and broker non-votes will not affect the outcome of Proposal 1 because abstentions and broker non-votes are not considered votes cast. As a result of their ownership of Class B Common Stock, the Dolan Family, has the power to elect all of the directors to be elected by the holders of Class B Common Stock, and to approve Proposal 2 regardless of how other shares are voted.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may re-vote via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the annual meeting will be counted), by signing and returning a new proxy card or voting instruction form with a later date, or by attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke your proxy unless you vote again at the annual meeting or specifically request that your prior proxy be revoked by delivering a written notice of revocation prior to the annual meeting to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001, Attention: Corporate Secretary.

How will my shares be voted at the Annual Meeting?

The Company representatives appointed by the Board (the persons named in the proxy card, or, if applicable, their substitutes) will vote your shares as you instruct. If you sign your proxy card and return it without indicating how you would like to vote your shares, your shares will be voted as the Board recommends, which is:

Item	Matter to be Voted on	Board Recommendation
Proposal 1	Election of Directors (as applicable based on whether you are a holder of Class A Common Stock or Class B Common Stock)	FOR
Proposal 2	Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2017	FOR

Who pays for this solicitation?

This solicitation is being made by the Company, and the Company will bear the expense of preparing, printing and mailing this proxy statement and the accompanying material. Solicitation of individual stockholders may be made by mail, personal interviews, telephone, facsimile, electronic delivery or other telecommunications by our officers and regular employees who will receive no additional compensation for such activities. In addition, we have retained D.F. King & Co., Inc. to solicit proxies at a cost of \$15,000 plus reimbursement for out-of-pocket expenses. We will reimburse brokers and other nominees for their expenses in forwarding solicitation material to beneficial owners.

How do I attend the Annual Meeting in person? What do I need to bring?

An admission ticket is required if you desire to attend the annual meeting in person. To be admitted to the 2017 annual meeting, you must have been a stockholder at the close of business on the Record Date or be the legal proxy holder or qualified representative of a stockholder, and bring with you your admission ticket and a valid government-issued photo identification card (federal, state or local), such as a driver's license or passport. Persons without an admission ticket and proper identification may be denied admission to the annual meeting.

To obtain an admission ticket, go to www.proxyvote.com or call 844-318-0137. You will need to enter your 16-digit control number, which can be found on your Notice of Internet Availability of Proxy Materials, voter instruction form and proxy card. The deadline to obtain an admission ticket is 5:00 p.m. Eastern Daylight Time, on May 30, 2017. For questions about admission to the annual meeting, please call 844-318-0137.

Please note that you will need your ticket to be admitted to the meeting whether you vote before or at the meeting, and regardless of whether you are a registered or beneficial stockholder. If you are attending the meeting as a proxy or qualified representative for a stockholder, you will need to bring your legal proxy or authorization letter, in addition to your admission ticket and government-issued photo identification card.

Stockholders must provide advance written notice to the Company if they intend to have a legal proxy (other than the persons appointed as proxies on the Company's proxy card) or qualified representative attend the annual meeting on their behalf. The notice must include the name and address of the legal proxy or qualified representative and must be received by 5:00 p.m. Eastern Daylight Time, on May 30, 2017 in order to allow enough time for the issuance of an admission ticket to such person. For further details, see "Other Matters, Advance Notice of Proxy Holders and Qualified Representatives."

Please note that cameras, video and audio recording equipment and other similar electronic devices, as well as large bags (including large handbags and briefcases) and packages will need to be checked at the door. Additionally, the Company may impose additional restrictions on items that must be checked at the door as well as the conduct of the meeting. To ensure the safety of all persons, attendees may also be subject to security inspections.

Requests for admission tickets will be processed in the order received. Please note that seating is limited, and requests for tickets will be handled on a first-come, first-served basis.

The notice must include the name and address of the legal proxy or qualified representative and must be received by 5:00 p.m. Eastern Daylight Time on May 29, 2017 in order to allow enough time for the issuance of an admission ticket to such person. Stockholder Proposals for the 2018 Annual Meeting

Stockholders who, in accordance with Rule 14a-8 of the Exchange Act, wish to present proposals at our 2018 annual meeting and wish to have those proposals included in the proxy materials to be distributed by us in connection with our 2018 annual meeting must submit their proposals to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001; Attention: Corporate Secretary on or before December 28, 2017. Any such proposal must meet the requirements set forth in the rules and regulations of the SEC, including Rule 14a-8, in order for such proposal to be eligible for inclusion in our 2018 proxy statement.

In accordance with our Amended By-Laws, in order for proposals, including stockholder director nominations for election, to be properly brought before the 2018 annual meeting, notice of any proposal to be presented by any stockholder must be delivered to AMC Networks Inc., 11 Penn Plaza, New York, NY 10001; Attention: Corporate Secretary, not less than 60 nor more than 90 days prior to the date of the annual meeting. If, however, the date of the meeting is publicly announced or disclosed less than 70 days prior to the date of the meeting, such notice must be given not more than ten days after such date is first announced or disclosed. Any stockholder who gives notice of any such proposal shall deliver the text of the proposal to be presented and a brief written statement of the reasons why such stockholder favors the proposal and set forth the stockholder's name and address, the number and class of all shares of each class of stock of the Company beneficially owned by the stockholder and any material interest of such stockholder in the proposal (other than as a stockholder). Any stockholder desiring to nominate any person for election as a director of the Company shall deliver with such notice a statement in writing setting forth the name of the person to be nominated, the number and class of all shares of each class of stock of the Company beneficially owned by such person, the information regarding such person required by Item 401 of Regulation S-K adopted by the SEC (or the corresponding provisions of any regulation subsequently adopted by the SEC applicable to the Company), such person's signed consent to serve as a director of the Company if elected, such stockholder's name and address and the number and class of all shares of each class of stock of the Company beneficially owned by the stockholder.

ANNEX A- CALCULATION OF NON-GAAP FIGURES

The Company believes that presenting certain non-GAAP metrics is meaningful, as it reflects metrics considered by the Compensation Committee in making its compensation determinations. Presented below are Adjusted Operating Income and Free Cash Flow, which are the non-GAAP metrics used in this Proxy Statement. These non-GAAP measures may not be comparable to similar measures reported by other companies.

Adjusted Operating Income

The Company defines Adjusted Operating Income as operating income (loss) before depreciation and amortization, share-based compensation expense or benefit, and restructuring expense or credit. Because it is based upon operating income (loss), Adjusted Operating Income also excludes interest expense (including cash interest expense) and other non-operating income and expense items. The Company believes that the exclusion of share-based compensation expense or benefit allows investors to better track the performance of the various operating units of the business without regard to the effect of the settlement of an obligation that is not expected to be made in cash.

The Company formerly referred to Adjusted Operating Income (Loss) as Adjusted Operating Cash Flow (“AOCF”). The components of Adjusted Operating Income (Loss) are identical to the components of Adjusted Operating Cash Flow.

The following is a reconciliation of operating income (GAAP) to adjusted operating income (non-GAAP):

(in thousands)	2016	2015	2014
Operating Income	\$ 657,556	\$ 709,193	\$ 546,353
Depreciation and Amortization	84,778	83,031	69,048
Share-Based Compensation Expense	38,897	31,020	28,363
Other (a)	97,308	14,998	15,715
Adjusted Operating Income	\$ 878,539	\$ 838,242	\$ 659,479

(a) Results for the three and twelve months ended December 31, 2015 include restructuring expenses. Results for the three and twelve months ended December 31, 2016 include restructuring expenses as well as impairment charges of \$67,805 recorded in the fourth quarter of 2016.

Free Cash Flow

The Company defines Free Cash Flow as net cash provided by operating activities less capital expenditures and cash distributions to noncontrolling interests, all of which are reported in our Consolidated Statement of Cash Flows. The Company believes the most comparable GAAP financial measure of its liquidity is net cash provided by operating activities. The Company believes that Free Cash Flow is useful as an indicator of its overall liquidity, as the amount of Free Cash Flow generated in any period is representative of cash that is available for debt repayment, investment, and other discretionary and non-discretionary cash uses.

The following is a reconciliation of net cash provided by operating activities (GAAP) to free cash flow (non-GAAP):

(in thousands)	2016	2015	2014
Net cash provided by operating activities	\$ 514,325	\$ 370,039	\$ 375,762
Less: capital expenditures	(79,220)	(68,321)	(39,739)
Less: distributions to noncontrolling interests	(9,010)	(3,154)	—
Free Cash Flow	\$ 426,095	\$ 298,564	\$ 336,023
